

As a result of the unique circumstances regarding the Coronavirus, beginning March 19, 2020 at 11:59 p.m., Yuba County Government Offices will significantly reduce the number of employees reporting to work in a variety of functions, impacting services provided to the public.

To be consistent with the directive provided by the Bi-County Health Officer Dr. Luu, these changes will last until 11:59 p.m. on April 9, 2020 or until further notice.

While there are some exceptions, most Yuba County government service facilities will be closed to the public. For the safety of the public and our staff still reporting to work, security will continue to be provided at our facilities.

Available services within the time period stated above are attached.

If there are any questions regarding Yuba County's services to the public, please check Yuba County's website at yuba.org, phone the department directly, or use our call center at 530-749-7700.

YUBA COUNTY GOVERNMENT CENTER
915 8TH Street, Marysville
