Facial coverings
An added protection against COVID-19.

**DO** wear them at work when you cannot maintain 6 feet of distance with another person.

**DO** wear them walking to/from communal spaces like the restroom or copier.

**DO** be sure to wash your facial covering after each use in hot water and a hot dryer.

**No need to** wear them while on a walk with someone else, if at least 6 feet of distance is maintained.

**No need to** wear them in your office alone.

**Take breaks outside,** limit space in the breakroom, avoid "water cooler" conversations.

Use bandanas, neck gaiter, or a T-shirt. Leave surgical masks/ n95s to healthcare staff.

Be sure it covers your nose, mouth and chin.
