Re: Proclaim the existence of a local emergency in the County of Yuba

Date: May 6, 2014

Recommendation:
The Board of Supervisors adopt a resolution proclaiming the existence of a local emergency due to the ongoing drought conditions.

Background:
On January 17, 2014 Governor Edmund G. Brown Jr. declared a Statewide Drought Emergency due to the impacts on the State of California as a result of four continuous years of drought. On February 18, 2014 the Director of Emergency Services proclaimed a local emergency due to the effects the drought has within the County of Yuba. Your Board ratified said proclamation on February 25, 2014, which has since expired.

Discussion:
With an on-going water shortage affecting the County of Yuba, the final duration of the emergency has not yet been determined. Therefore it is recommended that your Board reestablish declaration of a local emergency until the end of the incident period per (Govt. Code Section 8630 @). This declaration of emergency will be reviewed and renewed no less than once every thirty days. Per (Govt. Code Section 8630(d)) this declaration of emergency shall be terminated as soon as reasonably possible.

Committee Action:
No committee action was taken due to time constraints.

Fiscal Impact:
There is an unknown impact to the general fund as of this date.

Re: Tri-County Juvenile Rehabilitation Facility

Recommendation

Recommend the Board approve the following actions in support of the creation of a new Tri-County Juvenile Rehabilitation Facility in Marysville:

- The Board approve and authorize the Board Chair to sign the County’s application, as the lead agency, to the Board of State and Community Corrections for re-allocation of SB81 Local Youthful Offender Rehabilitation Facilities Construction Funds

- The Board approve the attached resolution

- The Board approve the attached Joint Exercise of Powers Agreement to define the new relationship in support of the new Tri-County Juvenile Rehabilitation Facility

- And the Board nominate one Supervisor and one Alternate to serve on the Tri-County Juvenile Rehabilitation Facility Oversight Committee.

Background / Discussion

Yuba County has been operating the Juvenile Hall facility for many years. In 1976, Sutter County acquired 50% of the property and the two counties have been operating the Juvenile Hall as a bi-county facility since that time. The facility was originally built in 1947, and the latest addition completed in 1976. The configuration of the current facility will not meet State standards taking effect in 2017.
The facility houses youth from Yuba and Sutter and also houses kids from other jurisdictions based upon bed availability and by contractual relationship.

In November of 2010, Colusa County was awarded SB81 Local Youthful Offender Rehabilitation Facilities Grant to construct a new juvenile facility. The three jurisdictions mutually determined there was greater benefit to all by creating a tri-county facility. So after a great deal of effort by our local legislators in November of 2013, SB365 reallocated those funds to Yuba County to serve as the lead agency to coordinate building the new Tri-County Juvenile Rehabs Facility.

The Board of State and Community Corrections has made a preliminary award of these reallocated funds to Yuba County, but is waiting additional information before final approval. The next scheduled BSCC meeting is May 8th. At that meeting they require us to appear with the items presented in this action: a Resolution supporting the project; a new JPA that governs the new facility; and a revised scope of the project and an assessment of need.

The County will need to make a funding match as part of the project, and it is anticipated a large portion of that match will come in the form of the land the County currently owns as the construction site; the former site of the old South Annex facility on 14th Street. An appraisal of this property is currently underway and we expect a report about mid-May.

Committee Action

Due to the time sensitivity of needing to go before the BSCC Board on May 8th, we have bypassed the Public Facilities Committee in order to bring these items to the full Board for consideration.

Fiscal Impact

Fiscal impact at this point is minimal (appraisal cost, etc.). While we are very early in the process, and design work has not yet begun, we expect total project cost to be in the neighborhood of $7.0 to $8.0 million. After the State grant of $5,655,740, the remainder would be split among the three Counties.

Ongoing operational cost will be split among the three parties based on a percentage allocation, and Yuba County’s relative contribution will be reduced by 10%.

• The County shall hereby approve the attached Joint Exercise of Powers Agreement (JPA) between each of the three partner counties.

iii. Develop a detailed recommended annual budget, which shall include all new position allocation requests, to be presented to the Oversight Committee for review and approval. Following approval by the Oversight Committee, the Facility Superintendent shall present the detailed recommended annual budget to the Sutter and Colusa County Boards of Supervisors as an informational item. The Facility Superintendent shall then submit the detailed recommended annual budget to the Yuba County Board of Supervisors for final approval.

C. **Facility Staff:** Facility staff shall be Yuba County employees subject to all Yuba County employee rules and regulations. Neither the County of Sutter nor the County of Colusa shall have any direct or supervisory control over any Yuba County employee assigned to
the facility and no such employee shall have any claim or right to any compensation or benefit paid by either Sutter County or Colusa County to its employees. The Facility Superintendent, in consultation with the three Chief Probation Officers, shall, subject to the annual budget approval process, determine the appropriate staffing levels to achieve the following functional competencies:

i. Program management and activities;
ii. Staff supervision;
iii. Development and implementation of new programs;
iv. Financial oversight and reporting;
v. Budget development and resource planning;
vi. Financial analysis;
vii. Grant applications and management;
viii. Training as directed or mandated;
ix. Background checks;
x. Personnel/internal affairs investigations.

D. Oversight Committee: Oversight of the facility shall be conducted through an Oversight Committee which shall be comprised of one member of the Board of Supervisors for each of the three participating counties. Each county shall appoint one member and one alternate who shall be authorized to act in the absence of the appointed member. The Oversight Committee shall meet quarterly, or as mutually agreed by the membership, for the purpose of overseeing the management and operation of the facility in conjunction with the Administrative Policies and Procedures Manual. Action by the committee shall be upon a majority vote of the membership (unless a unanimous vote is otherwise required) and each member shall have one vote.

i. The Oversight Committee shall review and approve, by unanimous vote, the Fixed Cost Model prepared by the Facility Superintendent.

ii. The Oversight Committee shall review and approve, by unanimous vote, the detailed recommended annual budget prepared by the Facility Superintendent. It shall then make a recommendation to the Yuba County Board of Supervisors regarding approval of the annual budget.

iii. The Oversight Committee shall review and approve, by unanimous vote, all new position allocation requests prior to the inclusion of those requests in the detailed recommended annual budget for the facility and ensure that each request complies with Yuba County policy.

iv. The Oversight Committee shall establish, on an annual basis, a per-bed/day rate pursuant to Section III, Paragraph A of this agreement.
v. The Oversight Committee shall review and approve the cost of recurring, dedicated, tasks such as timekeeping and payroll calculation performed by facility staff and/or Yuba County Probation staff.

vi. The Oversight Committee shall review and approve, by unanimous vote, any proposed upgrade or enhancement to the facility. It shall then make a recommendation to the Yuba, Sutter, and Colusa County Boards of Supervisors regarding such proposed upgrade or enhancement.

vii. The Oversight Committee shall review and make a recommendation to the Yuba, Sutter, and Colusa County Boards of Supervisors on any matter which requires authorization by the Boards of Supervisors.

III. OPERATIONS AND PROGRAMS

A. Bed Allocation: It is expected that upon completion of the planned expansion of the facility, there will be 48 available beds in three pods with an additional 15 beds in the Secure Housing Unit (the SHU) which will be available on a limited basis. Beds shall be allocated between the membership using the 40/40/20 division ratio set forth above which results in 19 beds being allocated to Yuba County; 19 beds being allocated to Sutter County; and, 10 beds being allocated to Colusa County. Each county shall be guaranteed its bed allocation, and should any county require additional beds, staff will make best efforts to accommodate the needs of that county. Subject to this previous commitment, beds not used by any of the three participating counties shall, if space and staffing permit, be deemed available for use by the wards of other, non-participating, counties. Such use shall be billed to the non-participating county at the per-bed/day rate established by the Oversight Committee. Funds collected therefrom shall be credited to the operation of the facility.

B. Programs: Program delivery shall be conducted by the facility staff with oversight by the Facility Superintendent and the Oversight Committee. Any new program developed, or otherwise mandated, shall be assessed as to cost and efficacy and shall be approved by the Oversight Committee. Upon reviewing the program, the Oversight Committee shall identify the total cost of the program and shall obtain unanimous approval from the membership of the Oversight Committee. New program costs shall be shared between the member counties in the 40/40/20 ratio set forth above.

C. Transportation: Transportation of juveniles shall be the responsibility of the county which placed the detainees in the facility. However, in medical emergencies, the minor shall be transported in the manner deemed appropriate by staff. In addition, members of the Camp may be transported to participate in Camp programming.
IV. OPERATIONAL EXPENSES

A. It is the intention of the parties that, in the operation of the facility, all expenses are to be shared between the parties in a fair and equitable manner. All expenses shall be divided between those which are ‘fixed’ and those that are ‘flexible’. Yuba County shall issue a monthly report detailing both the Fixed and Flexible Costs in support of the allocations to each of the member counties.

i. **Fixed Costs**: Fixed costs are those expenses directly attributable to the operation of the facility that generally remain the same from month-to-month and are not driven or dependent upon facility population. Fixed costs shall be allocated to the three entities based upon their 40/40/20 ownership interest and shall be billed on a monthly basis. Fixed costs include, but are not limited to:

   a) **Dedicated Facility Staff**: Staffing costs shall include all personnel-related administrative costs including, but not limited to, sick time, vacation time, benefit costs, CalPERS, group insurance, workers’ compensation, unemployment insurance, management life, and any other personnel-related expense.

   b) **Recurring Costs**: The cost of recurring, dedicated, tasks such as timekeeping and payroll calculation which shall be performed by staff or Yuba County Probation staff. These expenses shall be subjected to a time study and shall be included in the Fixed Cost Model approved by the Oversight Committee.

   c) **Other Costs**: All other fixed, facility-related, costs such as staff nursing care and basic medical overhead expenses such as Band-Aids, first aid, and non-prescription medication shall be time studied and treated as a fixed cost.

ii. **Flexible Costs**: Flexible costs are those expenses which fluctuate based upon population. Flexible costs shall be allocated quarterly on a pro-rata basis based on occupancy/bed days used by each entity in the previous 30-day period. Flexible costs include but are not limited to:

   a) Flexible staffing costs such as overtime, staff call-in costs, etc.;
   b) Utilities;
   c) Consumable supplies such as custodial supplies;
   d) Food and food preparation costs;
   e) Household expenses;
   f) Office Supplies;
   g) Operational supplies; and,
   h) Professional services to the extent needed.

iii. **Medical Costs**: Medical expenses attributable to specific detainees shall be charged to the individual county which placed the detainee in the facility. Said charges shall be invoiced on a monthly basis. Medical costs are inclusive of general medical needs,
behavioral (mental) health, and other health-related expenses required to care for the children in custody.

a) Requests for medical care shall be provided through: 1) the Yuba County staff doctor; 2) a private provider; or, 3) as otherwise deemed necessary by the facility staff.

b) Behavioral or mental health care shall be provided by Sutter-Yuba Mental Health Services in accordance with the current MOU. Currently, a Mental Health Therapist III is assigned full time to the camp and the related cost is part of the fixed cost allocation. A Mental Health Therapist I is available on call for the facility and the associated expenses shall be part of the flexible model and typically charged to the County responsible for the resident. However, these allocations are subject to change in the MOU and/or upon action by the Oversight Committee.

V. FACILITY/CAPITAL IMPROVEMENTS

A. Any proposed facility upgrade or enhancement shall be reviewed and approved by the Oversight Committee. The Oversight Committee shall then make a recommendation to the Boards of Supervisors for the counties of Yuba, Sutter and Colusa.

B. The costs for any approved facility upgrade or enhancement shall be shared by the parties based upon their 40/40/20 ownership interests unless otherwise agreed to by all parties.

C. In mid-2014, it is anticipated that Yuba County will coordinate the construction of three 16-bed pod detention areas for a total of 48 beds. Funding will primarily be derived from a State Grant from the BSCC (which will have been redirected from Colusa County) supplemented by matching funds from both Yuba and Sutter Counties. Oversight of the project from design to construction will be done by Yuba County with the active participation and oversight of the Oversight Committee and the three County Chief Probation Officers.

4. Term: The term of this agreement shall begin on the final date of approval as agreed above, and continue for a 25 year term to coincide with the bonded indebtedness imposed by the BSCC grant awarded to fund the facility expansion in 2014/15. The agreement shall continue in force and effect after the expiration of said period, subject to the right of any party to terminate it after expiration of the 25 year initial term by written notice served upon the other parties at least two (2) years in advance of the proposed termination date. Notwithstanding anything in this agreement to the contrary, this agreement may be terminated at any time upon the joint agreement of Yuba, Sutter and Colusa Counties.

5. Insurance: Yuba County shall obtain and thereafter maintain during the term of this agreement, worker’s compensation insurance, public liability and property damage insurance, including professional liability insurance, protecting Yuba, Sutter and Colusa, their respective officers, and agents,
and employees assigned to the facility, from claims for damages for bodily injury, including accidental death and property damage which may arise by reason of the operation and administration of the facility; and Property insurance against all risks of loss and name Sutter and Colusa Counties as loss payee. Said policy or policies shall be endorsed to include and name as additional insureds, Sutter and Colusa, their officers and employees while acting in the scope of their duties under this agreement; except with respect to Worker’s Compensation and Professional Liability.

6. **Liability:** Except as provided for in paragraph 7, the parties hereto shall be responsible on a percentage basis, in accordance with their 40/40/20 ownership interest, for any liability arising out of the operation and administration of the facility and shall contribute that percentage to the payment of any obligation resulting from such liability to the extent not covered by insurance.

7. **Indemnity:** Each party to this agreement shall indemnify, defend, and hold the other parties and its directors, officers, employees, and agents harmless against any claims of any kind, arising or alleged to arise out of the willful misconduct, negligent acts, omissions, or violations of law by that party.

8. **Amendments:** This Agreement may be modified or amended only by a written document executed and approved by each parties Board of Supervisors.

9. **Counterparts:** This agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument, but all counterparts together shall constitute one agreement.

IN WITNESS THEREOF, Yuba, Sutter, and Colusa counties, pursuant to resolutions duly passed by their respective Boards of Supervisors, have caused this agreement to be executed by their authorized officers on this _____________ day of __________ 2014.

BETWEEN THE COUNTY OF YUBA
AND THE COUNTY OF SUTTER FOR
THE ESTABLISHMENT AND OPERA-
TION OF A BI-COUNTY JUVENILE
HALL.

THIS AGREEMENT, made and entered into on this 23rd day of September 1975 by and between the COUNTY OF YUBA ("Yuba") and the COUNTY OF
SUTTER ("Sutter"), each of said parties being a political subdivision of the
State of California,

WITNESSETH:

WHEREAS, pursuant to Sections 850 et seq. of the California Welfare and
Institutions Code, each of Yuba and Sutter has heretofore provided and maintained
a juvenile hall; and

WHEREAS, Yuba and Sutter believe that it would be in the best interests of
their respective citizens to establish and operate a bi-county juvenile hall; and

WHEREAS, the establishment and operation of a bi-county juvenile hall in
the manner contemplated by Yuba and Sutter is authorized by the provisions of
Section 870 of the California Welfare and Institutions Code;

NOW, THEREFORE, in consideration of the foregoing and the mutual
agreements and promises set forth hereinafter, Yuba and Sutter hereby mutually
agree as follows:

1. All of the obligations of Yuba and Sutter hereunder are subject to the
prior approval of those certain grant applications dated January 16, 1975 (State
Clearinghouse Numbers 75072881 and 75090992) filed by Yuba with the California
Council on Criminal Justice pursuant to the Omnibus Crime Control and Safe
Streets Act of 1968 (said applications are referred to collectively hereinafter as
"the Grant Application").

2. Effective upon acceptance by Yuba and Sutter of the adequacy of the
completion of the repairs and alterations referred to in Paragraph 5 hereinafter
(the date on which the later of such acceptances occurs being referred to hereinafter
as "the Effective Date"), Yuba and Sutter shall maintain and operate, subject to the
terms and conditions hereof, the Yuba-Sutter Bi-County Juvenile Hall.
3. On or before the date on which the Grant Application is approved:

   (a) Yuba shall execute and deliver to Sutter a grant deed conveying
   an undivided one-half (1/2) interest in the real property and improvements thereon
   which comprise the present Yuba County Juvenile Hall, the legal description of
   such real property being as follows:

   A parcel of land containing 1.46 acres more or
   less, situated in the City of Marysville, County
   of Yuba, State of California, and more particularly
   described as follows:

   Beginning at a point in the centerline of 14th and
   Olive Streets, City of Marysville; thence West
   320 feet along the centerline of 14th Street; thence
   North 05° 00' 00" West, 95.0 feet; thence North
   37° 00' 00" East, 60 feet; thence North 39° 01' 20"
   East, 42.59 feet; thence North 45° 00' 00" East,
   50.00 feet; thence East 230.00 feet to a point in
   the centerline of Olive Street; thence South 211.00
   feet along the centerline of Olive Street to the
   point of beginning.

   (b) Yuba shall execute and deliver to Sutter a bill of sale transferring
   an undivided one-half (1/2) interest in the fixtures, furniture and equipment used
   in the operation of the present Yuba County Juvenile Hall, a list of such items
   being set forth in Exhibit A hereto.

   (c) Sutter shall pay to Yuba, in consideration of the property interests
   transferred pursuant to Paragraphs (a) and (b) above, cash in the amount of
   $91,000, which sum is equal to the fair market value of said property interests as
   agreed upon by Yuba and Sutter for purposes of this Agreement.

4. Delivery of the grant deed and bill of sale pursuant to Paragraphs 3 (a)
   and 3 (b) notwithstanding, Sutter shall have no right to use or occupancy of the
   facilities comprising the Bi-County Juvenile Hall prior to the Effective Date.

5. As soon as practicable following transfer of the foregoing property
   interests and payment therefor, as provided in Paragraph 3, Yuba shall cause the
   preparation of plans and specifications to accomplish the repairs and alterations
   of the Bi-County Juvenile Hall in accordance with the general plan set forth in
   the Grant Application, and as soon as practicable thereafter shall cause such
   repairs and alterations to be made. Yuba and Sutter shall each pay one-half (1/2)
   of the amount by which (a) the sum of all costs attributable to the preparation of
   such plans and specifications and to the performance of such repairs and
alterations exceeds (b) the aggregate amount received pursuant to the Grant Application.

6. Costs of any and all capital improvements to the Bi-County Juvenile Hall made during the term of this Agreement, other than those referred to in Paragraph 5 above, shall be borne one-half (1/2) by Yuba and one-half (1/2) by Sutter.

7. Costs and expenses of operation and maintenance of the Bi-County Juvenile Hall from and after the Effective Date shall be borne one-half (1/2) by Yuba and one-half (1/2) by Sutter, subject to year-end adjustment as provided in Paragraph 10 below. Yuba shall be the county responsible for administration of the Bi-County Juvenile Hall, and all such costs and expenses of operation and maintenance shall be paid initially by Yuba. At the conclusion of each calendar month, Sutter shall pay to Yuba, in cash, its share of such costs and expenses.

8. The annual budget for the Bi-County Juvenile Hall and all major policies with respect to the administration thereof shall be formulated by the Bi-County Juvenile Hall Committee, which shall consist of two members of the Board of Supervisors of Yuba and two members of the Board of Supervisors of Sutter. Said committee shall meet at least once each year during the term of this Agreement and at any time on three (3) days' notice upon the demand of at least two members thereof.

9. It is contemplated that, on and after the Effective Date, the Bi-County Juvenile Hall will include facilities for 42 beds. Each of Yuba and Sutter is hereby guaranteed the right to have available to the wards of its respective Juvenile Court, at all times, 21 beds. Subject to such right, the Bi-County Juvenile Hall Committee may permit the facilities of the Bi-County Juvenile Hall to be utilized by wards of Juvenile Courts of other counties, such utilization to be in consideration of payment to the Yuba County Treasurer, for the account of the Bi-County Juvenile Hall, of the applicable bed/day rate for the period of such utilization. The bed/day rate shall be fixed by the Bi-County Juvenile Hall Committee at least once annually.
10. There shall be kept a continuous record of those occasions on which wards of the respective Juvenile Courts of Yuba and Sutter occupy more than 21 beds. At the end of each calendar year during the term of this Agreement, each of Yuba and Sutter shall pay to the other an amount equal to the number of such excess bed/days charged to it during the foregoing year, multiplied by the bed/day rate than in effect, as fixed by the Bi-County Juvenile Hall Committee.

11. The Bi-County Juvenile Hall shall be jointly operated by Yuba and Sutter, and shall be in charge of a superintendent who shall be selected and appointed by the Probation Officers of Yuba and Sutter, acting jointly. Subject to basic administrative policies formulated by the Bi-County Juvenile Hall Committee, the Probation Officer of Yuba shall have the power to supervise the Bi-County Juvenile Hall, to make necessary rules and regulations for its maintenance, operation, upkeep and safekeeping, to appoint the personnel employed at said Bi-County Juvenile Hall, and to do all things necessary and incidental to carry out the foregoing powers.

12. Yuba shall act as fiscal agent for the Bi-County Juvenile Hall. The Yuba County Treasurer is hereby designated as the depository of all funds of the Bi-County Juvenile Hall, and said Treasurer shall take and maintain custody of all funds received by the Bi-County Juvenile Hall from whatever source. Said Treasurer shall file an official bond in the amount of $10,000, the premium for which bond shall be deemed an expense of operation of the Bi-County Juvenile Hall subject to the provisions of Paragraph 7 hereof. The Yuba County Auditor shall act as the auditor for the Department. Said Treasurer and Auditor shall perform such official duties that may be required from time to time with respect to the operation of the Bi-County Juvenile Hall.

13. For administration purposes, the personnel of the Bi-County Juvenile Hall shall be employees of Yuba.

14. Title to the real property, improvements, fixtures, furniture and equipment comprising the Bi-County Juvenile Hall (collectively, "the Property") shall be vested in Yuba and Sutter as tenants in common. Upon termination of this Agreement, Yuba shall have the option to purchase Sutter's interest in the Property from Sutter for a price equal to one-half (1/2) of the fair market value of the Property on the date of termination, said fair market value to be determined by a certified appraiser selected by agreement of the Boards of Supervisors of Yuba
and Sutter. If Yuba elects not to effect such purchase, Sutter shall have the option to purchase Yuba's interest in the Property on the same terms.

15. Not later than the Effective Date, each of Yuba and Sutter shall cause the other to be named as a co-insured or additional insured on all policies of insurance relating to its existing juvenile hall or to the Bi-County Juvenile Hall or to the Property or any portion thereof.

16. This Agreement shall be in force and effect for a period beginning on the date first set forth hereinabove and terminating twenty (20) years after the Effective Date, and shall continue in force and effect after the expiration of said period, subject to the right of either party to terminate it after expiration of such twenty (20) year period by written notice served upon the other party at least two (2) years in advance of the proposed termination date. Notwithstanding anything in this Agreement to the contrary, this Agreement may be terminated at any time upon the mutual agreement of Yuba and Sutter.

17. This Agreement may be executed in any number of counterparts, and each such counterpart hereto shall be deemed to be an original instrument, but all of such counterparts together shall constitute but one agreement.

IN WITNESS WHEREOF, Yuba and Sutter, pursuant to resolutions duly passed by their respective Boards of Supervisors, have caused this Agreement to be executed by their duly authorized officers on the date first set forth hereinabove.

Date June 28, 1987
FIRST AMENDMENT

THIS AMENDMENT, dated this first day of July, 1978, by and between the COUNTY OF YUBA ("Yuba") and the COUNTY OF SUTTER ("Sutter"), each of said parties being a political subdivision of the State of California, is a modification of that document dated September 23, 1975 between the parties hereto which document is entitled "JOINT POWERS AGREEMENT BETWEEN THE COUNTY OF YUBA AND THE COUNTY OF SUTTER FOR THE ESTABLISHMENT AND OPERATION OF A BI-COUNTY JUVENILE HALL."

In consideration of the under-utilization of the Bi-County Juvenile Hall currently being experienced, and to increase said utilization thereby reducing the financial demands on each party hereto for support of said Bi-County Juvenile Hall, the parties hereto agree as follows:

1. Paragraph "7" of the subject document shall be modified to read in its entirety as follows:

"Yuba shall be the County responsible for administration of the Bi-County Juvenile Hall, and all costs and expenses of operation and maintenance shall be paid initially by Yuba. At the conclusion of each month, Sutter shall pay Yuba, in cash, its share of costs and expenses. Costs and expenses of operation and maintenance of the Bi-County Juvenile Hall from and after July 1, 1978, shall be computed quarterly, and be shared by the parties hereto as hereinafter set forth.

A. Costs and expenses of operation and maintenance of the Bi-County Juvenile Hall shall be divided into
"Basic Operation" costs and "Other" costs.

B. Basic Operation costs shall be divided equally by the parties hereto.

C. Other costs shall be divided such that the contribution of each party hereto to the total is defined as that portion of the total Other costs which is equal to the total Other costs multiplied by the ratio that county's occupant-days for that quarter bears to the total of Yuba and Sutter County occupant-days for that same quarter, subject, however, to the provision that no county's Other cost ratio shall be less than 25/100.

D. Basic Operation costs include, and are limited to, the following:

(i) Salary, plus costs of overtime and compensation for holidays and sick leave plus the expense of Public Employee Retirement System contributions and deductions, group insurance, management life insurance, workmen's compensation insurance, unemployment compensation insurance, and any other benefits for the basic staff. The number and makeup of the basic staff shall be determined from year to year by the Bi-County Juvenile Hall Committee.

(ii) Communications.

(iii) Maintenance of equipment and structures.
(iv) Travel and transportation.
(v) Utilities.
(vi) Facility insurance.

E. Other costs include, and are limited to, the following:

(i) Salaries and benefits of all employees other
than the basic staff included under Basic Operations costs,
which salaries and benefits include costs of overtime,
holidays, sick leave, PERS contributions and deductions,
group insurance, management life insurance, workmen's
compensation insurance, unemployment compensation in-
surance, and all other benefits.

(ii) Household expenses.

(iii) Office expenses.

(iv) Professional and specialized services.

(v) Support and care of wards.

F. Any extra-help expense for basic staff positions and extra-
help positions added to meet child-care ratio for minors committed
by contracting counties will be shared as are Basic Operations
expenses. Other extra-help for positions other than the afore-
mentioned basic staff, will be financed as are Other costs.

G. All income from bed rentals to parties other than Yuba and
Sutter, will be viewed as a cost reduction from the total budget,
thereby allowing both counties to benefit from this potential
outside income. Yuba is hereby authorized, on behalf of the Joint
Powers Agency, to contract with other entities to receive detained
minors in the Bi-County Juvenile Hall where space exists in excess
of the needs of Yuba and Sutter.

H. The Bi-County Juvenile Hall Committee will meet quarterly to determine, along with any other business, the costs and expenses contribution of each of Yuba and Sutter based on the past quarter's occupied bed days as hereinabove provided.

1. Any costs in addition to Basic Operations and Other costs set out above, are not now foreseen by the parties hereto, and are thus not included within the above definitions. Should additional costs be identified in the future, they shall be shared by the parties in a just and equitable manner, after good faith negotiation.

3. Except for the amendments set out above, no other change in the Joint Powers Agreement of September 23, 1975 by and between the County of Yuba and the County of Sutter is intended by the parties hereto.

IN WITNESS WHEREOF, Yuba and Sutter, pursuant to resolutions duly passed by their respective Boards of Supervisors, have caused this First Amendment to be executed by their duly authorized officers on the dates set opposite their signatures herein below.

SECOND AMENDMENT

THIS AMENDMENT, dated this 28th day of February, 1984, by and between the COUNTY OF YUBA ("Yuba") and the COUNTY OF SUTTER ("Sutter"), each of said parties being a political subdivision of the State of California, is a modification of that document dated September 23, 1975, between the parties hereto which document is entitled "JOINT POWERS AGREEMENT BETWEEN THE COUNTY OF YUBA AND THE COUNTY OF SUTTER FOR THE ESTABLISHMENT AND OPERATION OF A BI-COUNTY JUVENILE HALL," and that document dated July 1, 1978, entitled "FIRST AMENDMENT."

In consideration of the difficulty which has arisen in providing medical services to detainees of the Bi-County Juvenile Hall following division of the Sutter and Yuba Health Departments, the parties do hereby agree as follows:

1. To the September 23, 1975, document, the following paragraph, to be designated 11a, shall be added:

Medical services necessary for the care and treatment of detainees of the Bi-County Juvenile Hall shall be provided by Yuba County through: (1) the Yuba County Health Department, or (2) by contract with the Sutter County Health Department, or (3) with private contractors, or (4) otherwise, all without regard for whether the detainee is a Yuba or Sutter County resident. Yuba County shall initially pay the cost of such care, subject to quarterly reimbursement by Sutter County for those costs of care for Sutter County detainees. Medical costs for intake physical exams and "general medical supplies" such as bandages, antiseptics, nonprescription medicines, first aid, small tools, etc., shall be divided in accordance with Paragraph 7.c of this Agreement as amended.

THIRD AMENDMENT

This Amendment, dated the 17th day of August, 1987, by and between the County of Yuba ("Yuba") and the County of Sutter ("Sutter"), each of said parties being a political subdivision of the State of California, is a modification of that document dated September 23, 1975, between the parties hereto which document is entitled "Joint Powers Agreement between the County of Yuba and the County of Sutter for the Establishment and Operation of a Bi-County Juvenile Hall," and those documents dated July 1, 1978, and February 28, 1981, entitled "First Amendment" and "Second Amendment."

Inasmuch as monies have been allocated to Yuba and Sutter Counties by the State of California pursuant to the County Correctional Facility Capital Expenditure Bond Act of 1986 (Juvenile Facilities) to fund capital improvements to the Bi-County Juvenile Hall, with said funds being allocated based on a pro-rata population formula resulting in unequal dollar allocations, the parties hereto agree as follows:

1. The following paragraph, to be designated 6a, shall be added to the September 23, 1975 document:
   Costs of any capital improvement to the Bi-County Juvenile Hall made with funds allocated by the State of California pursuant to the County Correctional Facility Capital Expenditure Bond Act of 1986 (Juvenile Facilities) based on a pro-rata population formula shall be borne by Yuba and Sutter Counties in proportion to the funds allocated, and any County funding match requirement attached thereto.

2. Except for the amendment set out above, no other change in the Joint Powers Agreement of September 23, 1975, and the First Amendment thereto of July 1, 1978 and Second Amendment thereto of February 28, 1978, by and between the County of Yuba and the County of Sutter is intended by the parties to this Agreement.

A. COST SUMMARY
indicate the amount of state funds requested and the amount of cash match and
in-kind match the county is contributing in defining the total eligible project cost. The amount of state funds requested cannot exceed 75% of the total eligible
project cost or the specified state dollar amounts as shown in the table below, whichever is the smaller amount. As an exception to this, small counties only
may request a reduction of in-kind match. In such instance the amount of state
funds requested may exceed 75% of the total eligible project cost, without exceeding the small county set-aside and must be used only for eligible
construction costs. (Any county meeting the minimum cash match requirement
will receive points for cash match; greater points will be given to those projects
with more cash match when computed as a percentage of the total state funds
requested.)

*SMALL COUNTIES REQUESTING MATCH REDUCTION:
Counties under 200,000 in population may petition the Corrections Standards
Authority (CSA) Board for a reduction in the percentage of in-kind match contribution. (Small counties must still contribute a minimum of 5% cash match.) Counties may
submit a petition with their proposal and request that their petition go before the CSA
Board at the next possible Board meeting date.

If your county will be petitioning the CSA Board for a reduction in in-kind match, please check box below and provide the requested details.

☐ Please state your in-kind match reduction needs (percentage of reduction) and request, including the request for the petition to be heard at the next possible CSA Board meeting:

STATE FUNDS + CASH MATCH + IN-KIND MATCH = TOTAL ELIGIBLE PROJECT COST

$8,226,972

For each budget line-item above (1 through 9) that indicates an amount being claimed, provide a brief detailed description of how the budgeted amounts (state funds and match dollars) have been determined or calculated. Include whether the amount is based on an estimate (identify the basis for the estimate) or actual costs already incurred; whether escalation and/or contingency are included; whether the services will be or have already been performed by either a consultant, other professional
services, or county staff; the basis for site acquisition costs and whether those costs claimed are based on a current fair market value appraisal or recent land purchase documentation; and, the basis for county administration or transition planning costs, only including the county’s estimated staff time (salaries and benefits) on project-related activities. (Note: a) each line item amount should be directly linked to the proposed scope of work, and b) costs for ineligible items as specified in the RFP should not be included in the above amount of state funds, cash match and in-kind match.) Please use the space below to explain.

Determination of Budgeted Amounts:

1. Construction. The $7,450,900 allotted for construction is an estimate of probable costs based on the preliminary architectural program for the proposed facility; includes building construction, site preparation and site work, fixed FF&E and a design/construction contingency with escalation to mid-point of construction.

2. Architectural Fees. Allowance of $596,072 to complete architectural services; performed by an outside professional consultant. The allowance was calculated at 8% of construction costs based on the repetitive nature of the housing units.

3. CEQA. Allowance based on allowances for similar projects when the extent of the environmental consulting services is unknown. The environmental consulting services will be provided by an outside consultant.

4. Construction Management. Allowance based on project management/construction management services for similar sized detention projects. The project management/construction management consulting services will be provided by an outside consultant.
Prior to completing this timetable, the county must consult with all appropriate county staff (e.g., county counsel, general services, public works, county administrator, etc.) to ensure that dates are achievable and that the county has reviewed the state agreement requirements portions of the RFP, including project scope and timeline impact due to the State Public Works Board process. Complete the table below indicating start and completion dates for each key event, and including comments if desired. **Construction must be complete within three years from Notice to Proceed, and occupancy must occur within 90 days of construction completion.**

Administrative Services Memorandum

To: Board of Supervisors  
CC: Robert Bendorf, County Administrator  
From: Doug McCoy, Director, Administrative Services  
Louis Mendoza, Ag Commissioner  
Date: May 6, 2014  
Re: MOU with the USDA

Recommendation

Approve the attached Memorandum of Understanding with the Natural Resources Conservation Service of the US Department of Agriculture for use of office space in the County Government Center for the purposes of having a Soil Conservation Officer on site.

Background

Customers of the County Ag Department often have a need for advice from the USDA on soil issues. Up until now, Ag has had to refer them to the USDA office in Yuba City to get answers to their questions.

Administrative Services, the Ag Commissioner, and the USDA folks have identified a small space of 241 square feet in the Government Center’s former Print Shop area for this officer to provide a presence here in Yuba County. This will allow our Ag Department to better serve our agricultural customers.

Discussion

The MOU proposes to provide the space at no cost, but the square footage will be added to that of the Ag Department. Through the cost allocation process this will allow costs for provision of space to be allocated appropriately. The USDA has also agreed to reimburse the County for their share of an internet connection.

Committee Action

The hope is to get the Soil Officer in place by the beginning of June, so due to the time sensitivity we have brought this item directly to the Board for consideration.
Fiscal Impact

There is no direct fiscal impact to the General Fund. The USDA will reimburse the County for a portion of their internet connection, and any space cost will be captured through changing the Ag Department’s cost allocation to add this space to their existing space utilization.

Re: Public Defender Services Contract

Recommendation

It is recommended that the Board of Supervisors approve and authorize the Chairman to sign a contract with Brian J. Davis for Public Defender services.

Background

The County historically contracts out for Public Defender services. Our current contract is with Brian J. Davis and expires on June 30, 2014. Mr. Davis assumed the previous contract held by Benjamin Wirtschafter.

Discussion

Pursuant to the terms of the current contract, Mr. Davis notified our office of his desire to renew the contract at the first of the year. Staff subsequently met with Mr. Davis to negotiate the terms of the new contract. In recognition of the fiscal uncertainties the County has experienced over the last several years, Mr. Davis has agreed to contract for a three year term (July 1, 2014 – June 30, 2017) with no increase in the first year, and modest increases of 2% in year two and 3% in year three.

In addition, the contract provides for an option to continue the contract for two additional years provided the contract terms are mutually acceptable to both parties.

Fiscal Impact

For the three year term of the contract, the General Fund fiscal impact is estimated to be:

CONTRACT FOR LEGAL REPRESENTATION
OF INDIGENT PERSONS IN THE COUNTY OF YUBA

THIS CONTRACT is made this ____ day of ________, 2014 by and between the
COUNTY OF YUBA, a political subdivision of the State of California (“County”), and
BRIAN J. DAVIS (“Attorney”).

WITNESSETH

WHEREAS, the right of all persons against whom criminal prosecutions are
brought to be represented by counsel is guaranteed by the Constitution of the United
States and the Constitution of the State of California; and

WHEREAS, the expense of such counsel in the representation of indigent
defendants is a proper and lawful charge upon the County; and

WHEREAS, Attorney represents and warrants that he is competent to render all
legal services which are required by this Contract; and

WHEREAS, experience in handling criminal matters leads to effective
representation and efficient handling of matters in the Courts; and

WHEREAS, it has been shown that a contract of a limited term without renewal
rights makes it difficult to recruit and retain competent and experienced staff;

NOW THEREFORE, the parties hereto agree:

A. SCOPE OF ATTORNEY SERVICES

1.0 Attorney hereby agrees to provide legal representation for the following
persons in Yuba County when appointed by the Superior Court of Yuba County:

 a) “Adults” deemed indigent by the appointing Courts who are defendants in
criminal cases or who require legal representation in connection with police identification

- 1 -
or pre-statement counseling. Attorney shall be responsible for representation in all murder cases as defined in Penal Code section 187. In the event that Attorney is representing more than one capital case defendant at any given time, Attorney and County agree to meet and confer concerning additional compensation to defray the expense of hiring additional staff as may be needed.

b) “Conservatee” as classified under Welfare and Institution Code section 5000 and following, known and cited as the Lanterman-Petris-Short Act, or any other conservatee for whom an attorney may be appointed by the Court relating to the establishment or dissolution of a conservatorship or where counsel is otherwise required to represent the conservatee in a question of the scope of the conservator’s authority.

c) “SB 90” cases* (Sexually Violent Predator (SVP), Mentally Disordered Offender (MDO), Developmentally Disabled (Dev-Dis), and Not Guilty by Reason of Insanity (NGI). * Case# MHO-07-00001 is excluded from agreement as prior arrangements were made to provide service outside of contract.

d) Legal representation associated with revocation proceedings involving persons subject to state parole, pursuant to paragraph (3) of subdivision (c) of section 30027 of the Government Code.

2.0 Attorney shall provide competent and adequate legal representation for those persons described in Paragraph 1.0 and shall assume full responsibility for furnishing six (6) full-time attorneys, which include Attorney and five associate attorneys, to provide daily representation in the departments of the Superior Court of Yuba County. Attorney shall also provide all secretarial and other personnel and, except as otherwise be provided herein, office space and all materials, equipment, facilities and
supplies necessary for the support of the personnel in the performance of the legal services specified herein.

2.1 During this contract, County shall review Attorney’s compliance and performance under the contract and, at County’s option, may at any time require Attorney to attend any meetings, interviews with County personnel or Judges to discuss such compliance and performance.

2.2 For the purpose of defining “full-time attorney” as required in paragraph 2.0, “full-time” shall include, but not necessarily be limited to:

a) any time in which the Superior Court is in operation;

b) any time when client representation is required;

c) any additional time required to consult with clients or otherwise prepare in order to provide competent legal representation; or

d) when case activity is occurring.

B. CHANGE OF VENUE

3.0 In the event of a change of venue to a location outside of Yuba County, County shall reimburse Attorney for mileage and other actual and necessary expenses incurred in traveling between the City of Marysville and the location to which venue has been changed as follows:

a) For reasonable and necessary travel by Attorney, his investigator, any member(s) of his staff, not to exceed a total of three (3) persons, or by any witness when said witness does not receive a mileage allowance as a matter of law. Said reimbursement shall be at the rate reimbursed to the District Attorney’s Office or, if no such rate is established, at the prevailing rate allowed private taxpayers by the IRS for
each mile driven in the individual’s privately owned automobile; provided, however, that in no case shall the cost of travel exceed the cost of available public transportation plus necessary incidental expenses related to the use of such public transportation.

b) For the reasonable and necessary cost of lodging and meals during the course of the trial by Attorney, investigator or any member(s) of his staff not to exceed a total of three (3) persons per diem.

Except as provided immediately above, Attorney shall be entitled to no additional fee, compensation or reimbursement in such cases.

C. ADDITIONAL SERVICES

4.0 The following services may be performed by Attorney at his sole discretion and expense, at no charge to the County:

a) Intervention prior to appointment in criminal or quasi-criminal cases where professional judgment deems such intervention desirable.

b) Legal representation at the appellate level except as required by statute, rule or regulation.

c) Prosecution of extraordinary writs.

d) Other legal or quasi-legal proceedings including, but not restricted to, administrative hearings, civil contempt proceedings, sealing or expungement or records, or school disciplinary proceedings.

D. SPECIAL COUNSEL

5.0 County shall bear the cost of special counsel appointed by the Court where such appointments are occasioned by bringing mass criminal charges resulting from
natural disaster or civil disorder. County shall also bear the cost of special counsel with an expertise in DNA when deemed reasonable and necessary by the Court.

6.0 Where special counsel is appointed by the Court as a result of:

a) The trial Judge’s determination that the Attorney has not provided effective and adequate legal representation; or,

b) Attorney’s failure or inability to appear, unless due to a conflict of interest, the fees assessed against the County of the payment of such counsel shall be charged to and reimbursed by Attorney. The parties agree that such fees will be deducted from future monies otherwise due Attorney under this contract.

E. RETENTION OF INVESTIGATOR

7.0 Attorney shall hire one full-time investigator or enter into a fixed sum contract with one full-time investigator, who shall provide investigations required by Attorney under provisions of this Agreement. If additional investigation services are necessary, Attorney shall comply with the provisions of 8.0. Compensation for investigative services in capital cases shall be provided pursuant to Penal Code section 987.9.

F. OTHER EXPENSES

8.0 Unless payable by the Court, County shall pay all required and necessary witness fees, including expert witnesses, and for the services of Court authorized laboratories, forensic services, medical or other technical experts, and any other Court ordered expenses deemed reasonable and necessary by the Court. The cost of discovery required by law or court order is not an additional charge against the County.
G. COMPENSATION

9.0 Compensation shall be provided monthly in the following manner:

a) From July 1, 2014 to June 30, 2015, County shall pay Attorney at the rate of Sixty Six Thousand, Four Hundred, and Seventy Four Dollars ($66,474).

b) From July 1, 2015 to June 30, 2016, County shall pay Attorney at the rate of Sixty Seven Thousand, Eight Hundred, and Three Dollars ($67,803).

c) From July 1, 2016 to June 30, 2017, County shall pay Attorney at the rate of Sixty Nine Thousand, Eight Hundred, and Thirty-Seven Dollars ($69,837).

d) Said monthly amounts are payable in full on or before the thirteenth (13th) day of each month. Prior to receiving payment, Attorney shall, five (5) working days prior to the thirteenth (13th) day, submit a County Claim to the County Administrator in the appropriate amount for all services and other charges under this contract which Attorney may have rendered during the pay period set forth herein.

e) Attorney shall be entitled to no additional compensation or reimbursement for any cost(s) incurred by Attorney in providing services required by this contract other than as provided herein.

f) Attorney and County agree that the price of the Contract is based on current staffing needs. In the event that staffing needs change as a result of state initiative, Court modifications or adoptions of new programs not presently contemplated, the parties agree to negotiate and adjust the price and terms of the Contract accordingly.
H. COPY MACHINE

10.0 Attorney shall have access to the County photocopy machines and shall reimburse County for all reproductions on said machine at the rate per page established by County for County departments.

I. RECORDS

11.0 Attorney shall keep such records and mail such application to Court as may be required (i) to enable the Court in appropriate proceedings to determine the amount of reasonable attorney’s fees for the purposes of assessment of costs pursuant to section 987.8 of the Penal Code, (ii) to enable County to obtain reimbursement under the provisions of section 987.4 of the Penal Code for legal services furnished to certain minors, (iii) to enable County to obtain reimbursement from the State of California under the provisions of sections 15200 to 15204 of the Government Code and (iv) as otherwise required by County to determine caseload. Such records shall be provided for each case and shall include, but not limited to, an itemized accounting of hours spent by Attorney, support staff, investigators or other individuals, associated charges, and any other related charges incurred in the defense of said case. In addition, Attorney shall submit a monthly report to the County Administrator providing for the number of new assignments or appointments, cases closed that month, conflicts, revocation proceedings involving persons subject to state parole, amounts received for AB 109, and SB 90 cases.

J. AVOIDANCE OF CONFLICTS

12.0 Attorney represents and warrants to the County that, while this Contract is in effect, the performance of the legal services under Contract shall be the priority business of Attorney and any associates or employees of Attorney. Neither Attorney,
associate nor any member of a new partnership office of which Attorney is a member will engage in private criminal practice in Yuba County, but may engage in private criminal practices in other counties. Attorney covenants to decline to advise or represent clients, or undertake cases or legal projects, which foreseeably could conflict with services under this Contract.

K. INSURANCE REQUIREMENTS

13.0 Attorney shall obtain, maintain in full force and effect at all times while performing services hereunder, and demonstrate proof of insurance with the limits referenced in Attachment A - Insurance Requirements.

L. INDEPENDENT CONTRACTOR

14.0 For all purposes arising under this Agreement, Attorney shall be an independent contractor as provided by law; and Attorney and each and every employee, agent, servant, partner, shareholder, contractor and subcontractor of Attorney shall not be, for any purpose of this Agreement, an employee of the County. Furthermore, this Agreement shall not under any circumstances be construed or considered to be a joint venture or a joint powers agreement as described in Government Code section 6000 et seq., or otherwise. As an independent contractor, the following shall apply under this agreement:

a) Attorney shall determine the method, details and means of performing the services to be provided by Attorney as described in this Agreement.

b) Attorney shall be responsible to County for the requirements and results specified by this Agreement and shall not be subject to County’s control with respect to
the means, method, physical actions or activities of Attorney in fulfillment of the
requirements of this Agreement.

c) Attorney is not, and shall not be, entitled to receive from, or through
County, and County shall not provide, or be obligated to provide Attorney with Workers
Compensation coverage, Unemployment Insurance coverage or any other type of
employment of worker insurance or benefit coverage required by any federal, state, or
local law or regulation for, or normally afforded to, any employee of County.

d) Attorney shall not be entitled to have County withhold or pay, and County
shall not withhold pay, on behalf of Attorney, any tax or money relating to Social
Security Old Age Pension Program, Social Security Disability program or any other type
of pension, annuity or disability program required or provided by any federal, state, local
law or regulation for, or normally afforded to, an employee of the County.

e) Attorney shall not be entitled to participate in, or receive any benefit from,
or make any claim against, any County fringe benefit program, including, but not limited
to, County’s pension plan, medical and health care plan, dental plan, life insurance plan,
vacation and leave program, plan or coverage designated for, provided to, or offered to
County employees.

f) County shall not withhold or pay, on behalf of Attorney, any federal, state
or local tax including, but not limited to, any personal income tax, owed by Attorney.

g) Attorney, at all times for the duration of the Agreement, shall represent
and conduct himself as an independent contractor and not as an employee of the County.
h) Attorney shall not have the authority, express or implied, to act on behalf of, bind or obligate County or any County department, County agent or County employee in any way without the written consent of the County.

M. CONTINUATION OF REPRESENTATION

15.0 Attorney shall carry to conclusion all matters pending at the expiration or termination of this Contract as to which the Court refuses to relieve the Attorney, or his staff of representation. Compensation for such continued services shall be set by the Judge in accordance with Penal Code section 987.3. As to all other cases then pending and for which the Court is willing to authorize a substitution of counsel for any new attorney providing Public Defender services, Attorney shall be relieved of his obligation to provide further representation at the expiration of this Agreement. At such expiration, Attorney agrees to assign all existing open and closed cases, files, and records to the successor Public Defender.

N. TERMS AND TERMINATION

16.0 This Contract shall take effect July 1, 2014 and shall continue until June 30, 2017. This Contract cannot be terminated at any time prior to its termination date except by mutual consent or by breach of either party. Such breach by Attorney for termination by County shall include, but shall not be limited to: the breach of any covenant; the refusal of the Courts to appoint Attorney or one of his associates to any case covered by this Contract for any reason other than a conflict of interest; the loss or suspension of the ability to practice law in this state for any reason. Such breach by County for termination by Attorney shall include, but shall not be limited to, failure of County to timely provide payment.
16.1 Attorney shall have the option to continue Contract for two (2) additional years upon agreement to terms by both parties. Attorney shall notify the County of Attorney’s desire to continue Contract for the option period by notifying the Board of Supervisors in writing before the end of January of the year of the termination of Contract.

16.2 The parties understand and agree that during the term of this Contract, County may solicit proposals for the provision of Public Defender Attorney Services to continue at the conclusion of this Agreement.

O. COST OF SUIT

17.0 Attorney and County agree in the event that any action, suit or proceeding is commenced to compel the performance of this Contract or to seek damages for breach hereof, the prevailing party shall be entitled to reasonable attorney’s fees to be awarded and fixed by the Court, to be taxed as costs and to be included in any judgment rendered.

P. ENTIRE AGREEMENT AND AMENDMENT

18.0 This Contract contains all of the terms and conditions agreed upon by the parties hereto, and no other agreements, oral or otherwise, regarding the subject matter of this Contract shall be deemed to exist or to bind either of the parties hereto. Any contract currently in existence between the parties is hereby terminated and applicable notice provisions, if any, are waived. No addition or alteration of the terms of this Contract, whether written or verbal understanding of the parties, their officers, agents or employees, shall be valid unless made in the form of a written amendment of this Contract and formally approved by the parties by a document equal in dignity to the execution hereof.
Q. ASSIGNMENT

19.0 This Contract and the rights and duties hereunder shall not be assigned by Attorney, either in whole or in part, except as expressly provided herein without the prior express written consent of County.

R. NOTICE

20.0 Any notice required to be given hereunder shall be deemed given when deposited in the United States mail, postage fully prepaid, and addressed as follows:

COUNTY: County Administrator
915 8th Street, Suite 115
Marysville, CA 95901

ATTORNEY: Brian J. Davis
303 Sixth Street
Marysville, CA 95901

S. STANDARDS OF REPRESENTATION

21.0 Attorney shall provide for the maintenance of quality representation of indigent defendants consistent with constitutional and professional standards. Federal and State Constitutions require provision of competent counsel in criminal cases. In California, the test for determining competency of counsel in criminal cases is that of a “reasonably competent attorney acting as a diligent, conscientious advocate.” (People v. Pope (1979) 23 Cal 3d 412). Attorney agrees to provide competent legal services in conformity with the above standard. Specifically, the following duties and responsibilities of counsel as set forth in prior Court decisions and professional standards will be observed:

Function ("ABA Standards"), section 4.1. Duty to take prompt action to protect a client’s legal rights. See ABA Standards, section 3.6(a). Duty to keep client informed. See ABA Standards, section 3.8. Duty to prepare for jury selection, examination of witnesses, submission of instructions and presentation of argument at trial. See ABA Standards, section 7.2(a) and (b). Duty to know and explore sentencing alternatives. See ABA Standards, section 8.1(b). Duty to Advise concerning appeals. See ABA Standards, section 8.2(a). Duty not to accept more cases than can be competently handled. See Martin v. State Bar (1978) 20 Cal 3d 717. Duty to not handle a legal matter which attorney knows or should know that he/she is not competent to handle. See ABA, Code of Professional Responsibility, Canon 6, Disciplinary Rule 6-101(a). Duty to maintain client confidence and secrets.
T. INTERPRETATION OF AGREEMENT

22.0 No inference in the interpretation or construction of this Contract is to be drawn or given because of the fact that it has been drafted by County. Each party agrees and represents that this Contract resulted from an equal bargaining position and that it reflects the entire understanding and agreement between the parties on those matters to which it relates.

IN WITNESS WHEREOF, the parties hereto have entered into this Agreement on the date first above shown.

ATTACHMENT A – INSURANCE PROVISIONS

ATTORNEY shall procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the ATTORNEY, its agents, representatives, or employees.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. **Commercial General Liability** (CGL): Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis for bodily injury and property damage, including products-completed operations, personal injury and advertising injury, with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2. **Automobile Liability**: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if ATTORNEY has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.

3. **Workers’ Compensation** insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

4. **Professional Liability** (Errors and Omissions) Insurance as appropriate to ATTORNEY’s profession, with limits no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.

If the ATTORNEY maintains higher limits than the minimums shown above, ATTORNEY requires and shall be entitled to coverage for the higher limits maintained by ATTORNEY.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

**Additional Insured Status**

COUNTY, its officers, officials, employees, and volunteers are to be covered as additional insureds on the auto policy with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of ATTORNEY; and on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of ATTORNEY including materials, parts, or equipment furnished in connection
with such work or operations. General liability coverage can be provided in the form of an endorsement to the ATTORNEY’s insurance (at least as broad as ISO Form CG 20 10, 11 85 or both CG 20 10 and CG 23 37 forms if later revisions used).

**Primary Coverage**
For any claims related to this contract, ATTORNEY’s insurance coverage shall be primary insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees, or volunteers shall be excess of ATTORNEY’s insurance and shall not contribute with it.

**Notice of Cancellation**
Each insurance policy required above shall state that **coverage shall not be canceled, except with notice to the COUNTY.**

**Waiver of Subrogation**
ATTORNEY hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said ATTORNEY may acquire against COUNTY by virtue of the payment of any loss under such insurance. ATTORNEY agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.

**Deductibles and Self-Insured Retentions**
Any deductibles or self-insured retentions must be declared to and approved by COUNTY. COUNTY may require ATTORNEY to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

**Acceptability of Insurers**
Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to the COUNTY.

**Claims Made Policies**
If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, ATTORNEY must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
Verification of Coverage
ATTORNEY shall furnish COUNTY with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive ATTORNEY’s obligation to provide them. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Subcontractors
ATTORNEY shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

Special Risks or Circumstances
COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Re: Small Claims Litigant Assistance Contract

Recommendation

Board of Supervisors approve and authorize Chairman to sign contract for Small Claims Court Litigant Assistance with the Yuba Sutter Legal Center.

Background

Code of Civil Procedure §116.260 requires counties to establish Small Claims Advisor programs to provide assistance to small claims court litigants and potential litigants without charge to the litigant. A portion of each small claims filing fee is distributed by the Courts to the County to help offset the costs associated with this service.

Discussion

The Yuba Sutter Legal Center has provided small claims advisor services since 1982. The Legal Center provides phone service as well as clinics where litigants can meet individually with the small claims advisor. The advisor reviews forms, assists in the completion of forms, and answers questions specific to the litigant’s case. The Legal Center also provides advice by letter and provides sample completed forms for litigant use and copies of statutes relevant to their case.

Fiscal Impact

The fiscal impact associated with the proposed contract is $6,500 per year for a three year period 7/1/14 – 6/30/17.
AGREEMENT FOR SMALL CLAIMS COURT
LITIGANT ASSISTANCE

THIS AGREEMENT made and entered into this _____ of _____, 2014, by and between the Yuba Sutter Legal Center, a California non-profit corporation (hereinafter the "Legal Center") and the County of Yuba, a political subdivision of the State of California (hereinafter the "COUNTY")

WITNESS

WHEREAS, section 116.260 of the California Code of Civil Procedure requires individual assistance be made available to Small Claims Court litigants and potential litigants, and

WHEREAS, County desires to comply with said statute and provide said advice, and

WHEREAS, the Legal Center certifies that it is familiar with small claims court rules and procedures and competent to provide the necessary services, and

WHEREAS, County has the authority to enter into this agreement pursuant to Government Code section 31000.

NOW, THEREFORE, THE PARTIES HERETO AGREE AS FOLLOWS:

1. **Services Provided.** The Legal Center shall provide individual personal advisory services to small claims court litigants suing in Yuba County’s small claims court and to potential litigants in Yuba County’s small claims court by either attorneys or trained paralegals working under the supervision of a member of the State Bar. Such advisory services shall be provided during normal business hours by clinics, or, when appropriate, by individual appointment, over the telephone or on a walk-in basis. Such services shall be available at all stages of Small Claims Court actions from pre-filing to appeal. However, once an appeal is
filed, the Legal Center has no obligation to provide such services. Such services shall be provided without a fee to the individuals involved. The Legal Center will not assist in preparing documents for litigants or potential litigants or provide direct court room representation to any party.

2. **Notice of Availability of Services.** County shall provide written notice to plaintiffs and potential plaintiffs on the availability of the service and shall post a sign at the Clerk’s counter. In addition, oral notification will be provided when appropriate. Defendants shall receive written notice of the availability of the service with the papers served on them by the plaintiffs.

3. **Term.** This Agreement shall commence on July 1, 2014, and shall continue until June 30, 2017.

4. **Consideration.** In consideration of services provided herein, County shall pay to Legal Center an annual fee of $6,500. This fee will be paid in quarterly installments of $1,625. Legal Center shall have no right to and the County shall have no liability for any additional monies.

5. **Support Services.** The Legal Center shall provide all secretarial and other personnel, office space and all materials, equipment, facilities and supplies necessary to provide the services under this contract.

6. **Conflicts.** The Legal Center shall administer the program so as to avoid the existence or appearance of a conflict of interest between the individuals providing the advisory services and any party to a particular small claims action or any judicial officer deciding small claims actions. If a possibility of a conflict of interest arises, the Legal Center will provide the individual with a copy of the small claims handbook and information on web sites and self help

The Legal Center agrees to defend, indemnify and hold harmless the County against any costs, attorneys fees, expenses and all losses and liabilities which the County may incur or which may be threatened by reason of any suit, action, claim or procedure arising wholly or in part by any act or omission of the Legal Center or any other attorney under contract pursuant to Paragraph 6 herein and the performance of the services hereunder or by reason of a breach of this agreement by the Legal Center.

ATTACHMENT A – INSURANCE PROVISIONS

ATTORNEY shall procure and maintain for the duration of the Contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the ATTORNEY, its agents, representatives, or employees.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis for bodily injury and property damage, including products-completed operations, personal injury and advertising injury, with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if ATTORNEY has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.

3. **Workers’ Compensation** insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

4. **Professional Liability (Errors and Omissions)** Insurance as appropriate to ATTORNEY’s profession, with limits no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.

If the ATTORNEY maintains higher limits than the minimums shown above, ATTORNEY requires and shall be entitled to coverage for the higher limits maintained by ATTORNEY.

OTHER INSURANCE PROVISIONS

The insurance policies are to contain, or be endorsed to contain, the following provisions:

**Additional Insured Status**

COUNTY, its officers, officials, employees, and volunteers are to be covered as additional insureds on the auto policy with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of ATTORNEY; and on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of ATTORNEY including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the ATTORNEY’s insurance...
(at least as broad as ISO Form CG 20 10, 11 85 or both CG 20 10 and CG 23 37 forms if later revisions used).

**Primary Coverage**
For any claims related to this contract, ATTORNEY’s insurance coverage shall be primary insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees, or volunteers shall be excess of ATTORNEY’s insurance and shall not contribute with it.

**Notice of Cancellation**
Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the COUNTY.

**Waiver of Subrogation**
ATTORNEY hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said ATTORNEY may acquire against COUNTY by virtue of the payment of any loss under such insurance. ATTORNEY agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.

**Deductibles and Self-Insured Retentions**
Any deductibles or self-insured retentions must be declared to and approved by COUNTY. COUNTY may require ATTORNEY to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

**Acceptability of Insurers**
Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to the COUNTY.

**Claims Made Policies**
If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, ATTORNEY must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
Verification of Coverage
ATTORNEY shall furnish COUNTY with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive ATTORNEY’s obligation to provide them. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Subcontractors
ATTORNEY shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

Special Risks or Circumstances
COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.
