TREASURER'S STATEMENT OF ASSETS

To the Honorable
Board of Supervisors
County of Yuba
Marysville, CA 95901

We have reviewed the accompanying Treasurer's Statement of Assets of the County of Yuba as of December 31, 2010 and for the quarter then ended, in accordance with California Government Code Section 26920(a) and Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. All information included in the Treasurer's Statement of Assets is the representation of the Treasurer-Tax Collector of the County of Yuba.

A review consists principally of inquiries of departmental personnel and analytical procedures applied to the financial data. It is substantially less in scope than an audit in accordance with auditing standards generally accepted in the United States of America, the objective of which is the expression of an opinion regarding the Treasurer's Statement of Assets. Accordingly, we do not express such an opinion.

Based on our review, are not aware of any material modifications that should be made to the accompanying Treasurer's Statement of Assets in order for it to be in conformity with accounting principles generally accepted in the United States of America.

Letter of Understanding

The Yuba County Sheriff’s Department and the County of Yuba have negotiated a Memorandum of Understanding with BGE Yuba (Live Nation, Inc.) to provide supplemental law enforcement services at the Sleep Train Amphitheatre. This Memorandum of Understanding guarantees the County of Yuba is fully reimbursed for all personnel costs associated with the supplemental services provided by the Sheriff’s Department at this venue.

During the previous eleven concert seasons, the Sheriff’s Department utilized Sheriff’s Captains as supervisors at the amphitheatre. The Sheriff’s Department intends to do the same in 2011. Since Sheriff’s Captains are exempt from overtime compensation, the County of Yuba agrees to pay Captains a premium of five-hundred and fifty dollars ($550.00) for each concert worked. BGE Yuba agrees to fully reimburse the County of Yuba pursuant to their Memorandum of Understanding with the County.

A similar arrangement exists with the use of Reserve Deputy Sheriffs at the amphitheatre. BGE Yuba agrees to reimburse the County of Yuba a rate of twenty-seven dollars ($27.00) per hour for Reserve Deputy Sheriffs assigned to a concert at the amphitheatre. The County of Yuba agrees to pay Reserve Deputy Sheriffs twenty-seven dollars ($27.00) per hour when assigned to the amphitheatre.

The terms of this Letter of Understanding are consistent with the terms used during the previous eleven concert seasons. The Letter of Understanding will commence on the dates of the signatures of the parties listed below. It will terminate on December 31, 2011. The County of Yuba agrees to negotiate the terms of this Letter of Understanding as part of the County of Yuba’s negotiations with BGE Yuba on their Memorandum of Understanding.

SUBJECT: Linda Street Lighting Maintenance District
DATE: May 10, 2011

Recommendation

Adopt the attached Resolution determining and imposing assessments within the Linda Street Lighting Maintenance District for fiscal year 2011-2012.

Background

The Linda Street Lighting Maintenance District was formed on August 7, 1967, pursuant to the Improvement Act of 1911 (Streets and Highways Code, Division 7, part 3, Chapter 26, commencing with section 5830). Annual assessments are imposed upon each parcel of real property within the district on the basis of the estimated benefit to the parcel in a cumulative amount sufficient to cover the annual expense of maintenance and operation of an electrical street lighting system owned, maintained and operated by Pacific Gas and Electric Company.

Discussion

Streets and Highways Code section 5830.1 requires lighting maintenance assessments to be levied pursuant to Chapter 6.1 (commencing with Section 54703) of part 1 of Division 2 of Title 5 of the Government Code (The Benefit Assessment Act of 1982). Government Code section 54717, subdivision (c), authorizes the Board of Supervisors to annually determine the cost of the service, which is financed by the assessment and by ordinance or resolution, determine and impose the assessment.

The proposed assessment for fiscal year 2011-2012 is $12 per unit, the same as for fiscal year 2010-2011. There are a total of 3,901 parcels that are assessed $12.00 per parcel for the total revenue of $46,812.00 for the fiscal year 2011-2012. These funds are used to maintain and operate the street lights.

Committee Action

The Land Use & Public Works Committee was bypassed as this action is routine in nature and occurs annually.

Chairman Roger Abe
Yuba County Board of Supervisors

Marysville, CA 95901-5273

Dear Chairman Abe:

Thank you for sharing your concerns regarding the governor’s proposal to eliminate all funding for the California fair network.

While the budget is still early in the process, I share your concerns. I value and hold district fairs near to my heart, not only as an important county tradition, but also as a significant component to state and local economies. Additionally, district fairs play an important role in California’s agriculture, and provide local communities with the opportunity to exhibit all the good things.

The state budget is a moving target and nothing is set in stone. I come from an agricultural background and I am a firm supporter of the state’s Agriculture Districts that put on the various county Fairs. I will do everything in my power to protect them. In fact, in a recent budget conference committee, I asked advocates for the fair boards to present me some options that would ensure a bright financial future for the agriculture districts.

As vice-chair of the Assembly Budget Committee, I am committed to making structural changes to government and to the budget process which will give us a leaner, more accessible and responsible government. Now is the time to fix the budget without new taxes, gimmicks, or borrowing, and fix it once and for all.

Again, thank you for your continued leadership and support for our valued district fairs. I will give your comments serious consideration as I work with my colleagues to produce a balanced budget for the citizens of California.

Respectfully,

RECOMMENDATION: Board of Supervisors approval of the First Amendment to the Agreement between Yuba County, on behalf of its Health and Human Services Department, and Yuba Community College for services for the ILP program for the term of July 1, 2010 through June 30, 2011 is recommended.  

BACKGROUND: Since July 2000, Yuba County has contracted with Yuba College to provide services for the ILP program. ILP provides services to youths in foster care between the ages of 16 and 18 years of age and to youths up to 21 years of age who were in foster care at the time of their 18th birthday. These services, which train and assist youths in successfully transitioning into adulthood and out of the foster care living environment include: training in employment preparation and attainment, securing housing, money management, and instruction on computer assembly as well as use of various computer applications.  

DISCUSSION: The ILP program is designed for youths to participate in weekly training activities, which cover a wide range of areas to meet the goals of the program, as well as attend a computer camp. The activities, incentives and training areas are developed through the collaborative efforts of foster parents with youth in ILP, Children’s Services staff of Sutter and Yuba Counties, Yuba Community College staff and emancipated youth who have participated in the ILP program. This Amendment will increase the amount payable under this Agreement from $58,645.00 to $65,530.00 to allow for interpretation services for ILP youths in the program.  

FISCAL IMPACT: Approval of this First Amendment to the Agreement with Yuba Community College for services for the ILP program will not impact County Funds. The $65,530 in costs for these services will be funded through the ILP Service allocation.

SUBJECT: Approval of Resolution Setting Forth Yuba County’s Commitment to Healthy Lifestyles

RECOMMENDATION: The Health & Wellness Committee recommends approval of the attached Resolution supporting a commitment to the promotion of healthy lifestyles in Yuba County. The local resolution is intended to promote healthy lifestyle choices by affirming the Board of Supervisor’s desire to implement community-based policies to address serious health issues facing Yuba County by encouraging healthy eating and active living; keys to preventing overweight and obesity.

BACKGROUND: The Health and Wellness (Yuba County Tackles Obesity) Committee, led by Supervisors Griego and Stocker, began meeting in September 2009 to address the serious obesity epidemic that threatens the health and life expectancy of all Americans, and to specifically explore the threats to Yuba County’s citizens. The Committee is a “collaborative” of multiple health-related organizations and business working together to brain storm opportunities for creating a more unified, cost effective, and comprehensive approach to improve public health by reducing childhood and adult obesity through policy and environmental changes. The Local Government Commission (LGC), with funding from the Sierra Health Foundation, provided a staff person to facilitate the Committee meetings, arranged for a consultant to help the Committee refine a vision and develop priorities, and organized a number of educational opportunities, including hosting guest speakers from other California counties to share best practices and arranging a field trip to Butte County to allow Committee members to tour several projects in Chico which were designed and developed to prioritize healthy lifestyles through the built environment.

DISCUSSION: On March 30, 2011, the Robert Wood Johnson Foundation and the University of Wisconsin Population Health Institute released the second edition of the County Health Rankings. The Rankings provide nearly every county in the country with easy-to-understand information on data related to health outcomes and the crucial factors that drive health in communities. In California, Yuba County ranked 52 of 56 counties included in the Rankings. The County Health Rankings’ measure of diet and exercise is based on county-level estimates of obesity, i.e., the percent of the adult population that has a body mass index greater than or equal to 30. In Yuba County, 32 percent of the adult population is considered obese, as compared to the California average of 23 percent. The Rankings measures obesity because it is a issue that can be addressed within communities by changing unhealthy environmental conditions that contribute to poor diet and exercise and increase the risks of heart disease, type 2 diabetes, high blood pressure, stroke, arthritis-related disabilities, depression, sleep disorders, some cancers and other chronic illnesses.
