Re: Election of Trustees

Gentle Persons,

The terms of five (5) Trustees of Reclamation District 784 expire this year, 2011. On August 5th, 2011, I caused to be published in the Appeal-Democrat, the necessary Notice Calling for Nomination Petitions for the Office of Trustee of Reclamation District 784. The deadline for receiving said nominating petitions was 4:00pm, on September 16, 2011.

The Nomination Petitions of Rick Brown, David Gothrow, Don Graham and Sardeep Atwal were received for the five (5) positions that expire this year and in accordance with the provisions of the Reclamation District Act, no election will be necessary. I have published in the Appeal-Democrat on September 26, 2011, the Notice of No Election in Reclamation District 784.

Rick Brown and David Gothrow filed Nominating Petitions for positions that expire in 2015. Don Graham and Sardeep Atwal filed Nominating Petitions for positions that expire in 2013. No Nominating Petition was received for a fifth position which expires in 2013. That position will remain unfilled at this time.

This letter will serve as a request that the Yuba County Board of Supervisors appoint the persons nominated, pursuant to the nominating petitions received, at your next regular meeting or as soon thereafter as this matter can be placed on the agenda. Rick Brown and David Gothrow will serve for a period of four years until 2015. Don Graham and Sardeep Atwal will serve for a period of two years until 2013.

Once appointed, these Trustees will assume office at the December 2011 Reclamation District 784 Board Meeting.

ATTEST: DONNA STOTTEMEYER
CLERK OF THE BOARD OF SUPERVISORS

__________________________
Approved:
TO: Board of Supervisors
    Yuba County

FROM: Suzanne Nobles, Director
      Health and Human Services Department

DATE: November 1, 2011

SUBJECT: Memorandum of Understanding between the County of Yuba and the
         State of California Department of Public Health to transfer medical surge
         assets.

RECOMMENDATION: Board of Supervisors approval of the Memorandum of
Understanding between the County of Yuba, on behalf of its Health and Human Services
Department, and the State of California Department of Public Health to transfer medical
surge assets is recommended.

BACKGROUND: In 2007, medical surge assets, such as antivirals, N95 respirators,
and ventilators were purchased to strengthen California’s health care surge capacity. As
of June 30, 2011 the State is no longer responsible for the maintenance and storage of
the medical surge assets. The State is in the process of transitioning the assets to the
Local Health Departments.

DISCUSSION: On June 30, 2011, California Department of Public Health sent out a
memo regarding State Stockpiled Assets. The funding for storage of the State
Stockpiled assets has been cut. The State has investigated several options of
transitioning the assets to alternate locations. One option, and the State’s first priority, is
to distribute the assets to the local health departments. By distributing the assets to the
local health department the State is placing the assets with the organization for which
they are intended, thereby maintaining them for quick deployment in response to an
emergency.

COMMITTEE: The Human Services Committee recommended approval on October 25,
2011.

FISCAL IMPACT: Approval of this Memorandum of Understanding will not impact
County General Funds.
MEMORANDUM OF UNDERSTANDING
BETWEEN THE
STATE OF CALIFORNIA
DEPARTMENT OF PUBLIC HEALTH
AND
THE COUNTY OF YUBA

Purpose

The purpose of this Memorandum of Understanding (MOU) is to delineate the conditions under which the California Department of Public Health (CDPH) will transfer medical surge assets to the County of Yuba Health and Human Services Department. These assets include Alternate Care Site (ACS) caches, antivirals, N95 respirators, and ventilators that were purchased on behalf of the Health Department and are collectively referred to as "medical surge assets" in this MOU. Separate Appendix lists the specific items to be transferred to this LHD.

Parties

The parties to this MOU are the State of California Department of Public Health (CDPH) and Yuba County Health and Human Services Department, herein referred to as the LHD.

CDPH Responsibilities

- Coordinate the transport and delivery of medical surge assets to the LHD.
- Delineate the conditions for use of the medical surge assets.
- Delineate the storage and maintenance requirements of the medical surge assets.
- Provide suggested language for an MOU between the LHD and medical facilities that agree to store the medical surge assets.

LHD Responsibilities

- Receive the medical surge assets from CDPH.

Store the medical surge assets per requirements detailed below:

- Antivirals. Shall be stored in an area that meets the California State Board of Pharmacy's site requirements as to lighting, ventilation, temperature
control (59 – 86 degrees Fahrenheit), sanitation, humidity, security conditions, etc. Relenza 5mg pallets may be stacked three high and Tamiflu 75mg, 45mg, and 30mg may be stacked two high without racking systems.

- N95 Respirators. Shall be stored in a clean, well ventilated area under the following conditions: temperatures between -4 degrees to 86 degrees Fahrenheit and relative humidity of 80 percent or less. Pallets should not be stacked over two high.

- ACS Caches. Stored per separate product chart requirements

- Ventilators. Stored at normal room temperature

- Provide a California State Board of Pharmacy wholesale drug permit license number or a DEA registrant who will be responsible for acceptance, storage, security and chain-of-custody issues for the antivirals.

- Agree not to dispense the antivirals unless authorized to do so by CDPH as the result of a declared pandemic.

- Develop and maintain an Operational Plan that includes 24/7 access and rapid distribution of the medical surge assets for emergency use.

- Ensure that the medical surge assets are used only during declared emergency situations per guidance provided by CDPH for each specific event.

- Make available the medical surge assets to any requesting entity following the guidelines of the Standardized Emergency Management System (SEMS) and work with requesting entity to determine payment of costs associated with transfer of such material.

- Agree not to sell, donate for non-emergency use or trade the medical surge assets.

- Appropriately dispose of the medical surge assets when they reach the shelf life expiration date at no cost to CDPH.

DATE: November 1, 2011

SUBJECT: Execute Agreement with GraceSource Inc. for Differential Response Services under the Child Abuse Prevention, Intervention and Treatment (CAPIT), Community Based Child Abuse Prevention (CBCAP), and County Children’s Trust Fund (CCTF) Programs

RECOMMENDATION: Board of Supervisors approval of the Agreement between Health and Human Services and GraceSource Inc. for the period of November 1, 2011 through June 30, 2013 to provide Differential Response Services under the combined CAPIT, CBCAP and CCTF programs is recommended.

BACKGROUND: The Health and Human Services Department is the public agency designated to administer the CAPIT, CBCAP and the CCTF. These state and federal funds are designated to be used to support community-based efforts to develop, operate, expand, enhance programs and activities to prevent child abuse and neglect as well as strengthen and support families to reduce the likelihood of child abuse and neglect.

DISCUSSION: A Request for Proposals (RFP) was released by the Health and Human Services Department inviting qualified public or private non-profit agencies and organizations with recognized expertise in child welfare to submit proposals for the provision of child abuse and neglect prevention, intervention services and activities; two proposals were received. These proposals were carefully reviewed and scored by a Funding Committee created by the Children’s Council. The applications were scored based on a variety of factors, including: actual services to be delivered; potential impact on the problem of child abuse; qualifications of both agency and staff; as well as the effective use of funds for the purpose of prevention and/or intervention of child abuse. The funding committee recommended GraceSource Inc. to be funded at 100 percent of their requested funds and the Children’s Council approved the recommendation on May 4, 2011.

COMMITTEE: The Human Services Committee recommended approval on October 25, 2011.

FISCAL IMPACT: Approval of this Agreement will not impact the County General Fund.

B. **Prevention Direct Services that Meet Community Needs**
Provide an example of a direct service activity that addresses an unmet need identified in the community. An unmet need is when the data points to a particular need where a service or resource is unavailable.

Sample:
Describe the unmet need as determined/identified in the county’s current OCAP Plan or integrated CSA:
The integrated CSA indicates a 5% increase in teen pregnancy in the county. Child Welfare referral rates show a prevalence of child neglect among teen parents. A focus group of teen parents indicated the need for training in parenting skills.

Describe/identify/list a direct service activity that was implemented or in operation to meet the above unmet need during this reporting period:
The County implemented the Project SafeCare, an In-home Intervention Program. The program provides teen parents with training in three aspects of child care: treating illnesses and maximizing their health-care skills (health), positive and effective parent-child interaction skills (bonding), and maintaining hazard-free homes (safety) for their children.

In addition to CBCAP funds, list the funds used to support this program and/or activity:
Stuart Foundation and Maternal, Child and Adolescent Health (MCAH) funds
Below report on one CBCAP funded direct service activity that was implemented during the reporting period. Do not use the same program reported in question 1.A., “Interdisciplinary/Innovative Services and Funding.”

Enter an "x" if there are no other direct service programs or this question does not apply.

Describe the unmet need as determined/identified in the county's current OCAP Plan or CSA:

Describe/identify/list a direct service activity that was implemented or in operation to meet the above unmet need during this reporting period:

In addition to CBCAP funds, list the funds used to support this program and/or activity.

C. Prevention Network Activity
How has the county supported (through contracts, interagency agreement and/or other means) the effective development, operation and expansion of community-based and prevention focused programs and activities.

Enter an "x" if no prevention network activities were conducted during this reporting period.

Describe the activities conducted during the reporting period?

What was the need that was identified in the county’s OCAP Plan or integrated CSA that was addressed by these activities?

What is the expected outcome?

1. CBCAP EVALUATION

A. CBCAP Peer Review
Peer Review is a form of quality assurance that uses a process of self-assessment and external review by two or more similar CBCAP programs. The CBCAP Peer Review process is in addition to the Peer Quality Case Review (PQCR) used in the California Children and Families Services Review. The PQCR cannot supplant the CBCAP Peer Review process as they are two separate requirements. For more information regarding the CBCAP Peer Review visit:
http://www.friendsnrc.org/outcome/review.htm

Below enter an "x" to select one of the following two options to report on peer review activities:

If option "i" is selected, enter an "x" to indicate all CBCAP Peer Review activities that were conducted during this reporting period. Provide a brief description of one of the activities selected.

Other, describe:

Provide a description of one of the activities selected above. Include the name of the CBCAP program selected for peer review, at least one finding, and strategies discussed for program/practice improvement:

If option "ii" is selected, include a description of the challenges that prevented the implementation of the CBCAP peer review process.

ii. Enter an "x" if no CBCAP peer review activities occurred during the reporting period. Describe the challenges that prevented the implementation of a peer review process:

B. Client Satisfaction

i. Below provide a case specific example of a parent/consumer who benefited from CBCAP services during the reporting period. Include the services the parent/consumer received and the change in the parent/consumer's behavior that demonstrated how the parent/consumer benefited from the service. Include the name of the CBCAP program.

Description of case, service received and change in parent/consumer’s beliefs, attitude and/or behavior:

Provide the name of the CBCAP program:

ii. Below enter an "x" to select the tool used to assess the parent/consumer’s satisfaction in the services received from the program identified in B.i., above.

iii. Below describe changes, if any, the service provider will implement as a result of the feedback received from parent/consumers of the CBCAP program indicated in section B.i.

Although no new programs were implemented because of consumer feedback the issue of transportation for consumers has become a problem. Many of the Spanish speaking only families are afraid of the local bus system and refuse to use it. In an effort to assist families in accessing public transportation home visitors take the time to show families how to use the local bus system to gain confidence and overcome their fears.

C. Evaluating and Reporting on CBCAP Outcomes

Outcomes can be:
• **Short-term outcomes** that may result in changes in attitude, beliefs and knowledge;
• **Intermediate outcomes** that may result in the development and practice of new skills;
• **Long term outcomes** that may result in permanent changes at an individual level or changes that create an impact on larger social structures.

Select one of the CBCAP funded programs in your county and using one of the CBCAP outcomes (listed above) demonstrate how this outcome is used to measure the effectiveness of this program.

3. PARENTS/CONSUMERS

A. PARENT LEADERSHIP AND FAMILY INVOLVEMENT
The OCAP maintains a commitment to strengthen parent leadership and parent involvement throughout the State. Meaningful parent involvement can occur when parents are viewed as effective leaders in shaping the direction of their families, programs and communities. Parent leaders assist counties with their efforts to improve service delivery and outcomes.

i. Below enter an “x” to indicate which activities were provided to enhance parent participation and leadership in the prevention of child abuse and neglect:

TO: Board of Supervisors

FROM: Yuba County Probation Department
      Brent Hungrige, Deputy Superintendent of Juvenile Hall

SUBJECT: Resolution accepting donation.

DATE: November 1, 2011

Recommendation

Pam Foster would like to donate various pieces of exercise equipment valued at approximately $6000.00 to the Juvenile Hall. The Probation Department and Juvenile Hall / Camp Singer Youth Guidance Center would like a resolution accepting and acknowledging Pam Foster’s donation to the youth facility. In accordance with Government Code 25355, the Board of Supervisors is authorized to accept any gift made of the County.

Background

Pam Foster owned and operated Curves on Hazel Street in Gridley. She is closing her business and has kindly offered to donate various exercise equipment valued at approximately $6000.00 to the Juvenile Hall. As part of Curves International Franchise Agreement, she is required to donate the exercise equipment to a detention facility that houses females.

Discussion

The youth housed in the Juvenile Hall and the Camp Singer Youth Guidance Center will benefit from this donation of exercise equipment. According to Human Resources and Organizational Services Director Martha Wilson, the impact to insurance and the liability to the county is minimal.

Committee Action

A review by committee is not necessary to accept this donation.

Fiscal Impact:

No budgetary impact to the County.

FROM: Suzanne Nobles, Director
Health and Human Services Department

DATE: November 1, 2011

SUBJECT: Resolution of the Board of Supervisors Authorizing the Health and Human Services Department to Enter into Agreement with the State of California for the Supplemental Nutrition Assistance Program Education (SNAP-Ed) Grant for Federal Fiscal Year 2011/2012

RECOMMENDATION: Board of Supervisors approval of the Resolution of the Board authorizing the Health and Human Services Department to enter into an Agreement with the State of California for the Supplemental Nutrition Assistance Program Education (SNAP-Ed) Grant for the period of November 1, 2011 through September 30, 2012, and further authorizing the Chair of the Board to execute documents as required by the grant and to accept grant funds is recommended.

BACKGROUND: The Health and Human Services Department has been selected by the California Department of Public Health (CDPH), in conjunction with the California Department of Social Services (CDSS), to receive a $300,000 grant award, with $150,000 awarded to the “County Welfare Department” and $150,000 awarded to the “Local Health Department” to partner and coordinate efforts to implement the SNAP-Ed program. The program, made available to the State of California through the United States Department of Agriculture (USDA), is intended to provide nutrition interventions and education to low-income residents on making healthier choices within their limited budgets, increasing fruit and vegetable consumption and increasing physical activity.

DISCUSSION: The short timeframes to submit a Budget Justification, Project Synopsis and Scope of Work for these grant funds did not allow time to seek Board approval prior to submitting the required documents to CDPH. Approval of this Resolution will allow the Health and Human Services Department to enter into an agreement with the State of California for grant funds for the period of November 1, 2011 through September 30, 2012.

FISCAL IMPACT: There is no County Match requirement to receive this funding.

TO: YUBA COUNTY BOARD OF SUPERVISORS

FROM: MICHAEL LEE, PUBLIC WORKS DIRECTOR

SUBJ: ACQUISITION OF REAL PROPERTY ON EAST SIDE OF POWERLINE ROAD, OLIVEHURST (APN 014-010-016) FOR DRAINAGE IMPROVEMENTS

RECOMMENDATION:

- Adopt the attached resolution authorizing the Public Works Director to complete the purchase of APN 014-010-016 for $80,000, including the execution of any necessary documents subject to County Counsel review.
- Approve the attached Purchase and Sale Agreement, and authorize the Chair to sign.
- Approve the attached Ag Lease allowing the current property owner (Jimmy Williams) to use the northern 2 acres of the property for a period of 10 years for storing/riding horses and authorize the Chair to sign.
- Adopt the attached budget amendment authorizing the use of drainage impact fee money (Trust 253) for the purchase.

BACKGROUND:

As your Board is aware, many areas in Olivehurst are prone to nuisance flooding due to poor drainage conditions and lack of infrastructure.

DISCUSSION:

The subject property is 6.8 acres in size, and is located on the east side of Powerline Road between Eighth Avenue and the southern boundary of Yuba Gardens School. The property is across the street from the recent drainage vault and pump station installed on Tenth Avenue to alleviate nuisance flooding. The subject property is the discharge point for pumping the nuisance water, which then continues southerly across the subject property and eventually under SR 70 to OPUD’s Johnson Park Ditch.

We plan to improve the flowline of the existing drainage swale across the subject property to improve drainage capacity and may ultimately construct a shallow detention basin to further improve drainage conditions in the immediate area.

COMMITTEE ACTION:

The Land Use & Public Works Committee was bypassed as direction for this item was previously provided by your Board.

FISCAL IMPACT:

$88,000 from Trust 253 to cover the cost of acquisition, including title/escrow fees, and other/miscellaneous costs such as weed abatement, if needed.

THIS PURCHASE AND SALE AGREEMENT (this “Agreement”) is made and entered into as of 2011, by and between Jimmy Williams ("Seller"), and the County of Yuba ("Purchaser").

Recitals

A. Seller owns certain real property located in Yuba County, California, APN 014-010-016.

B. Purchaser desires to purchase from Seller APN 014-010-016 in its entirety, which is more particularly described in Exhibit A attached hereto and incorporated herein (the “Real Property”).

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants of the parties and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

Section 1. Purchase and Sale

(a) Seller agrees to sell the Real Property to Purchaser and Purchaser agrees to purchase the same from Seller on all of the terms, covenants, and conditions hereinafter set forth.

(b) Seller agrees to assign and transfer to Purchaser on the Closing Date (as defined below in Section 5 hereof), without additional consideration therefore, all of Seller’s interest in all tangible and intangible property now or hereafter owned or held by Seller in connection with the Real Property. The Real Property and the Intangible Property are hereinafter collectively referred to as the “Property.”

(c) Purchaser agrees to be responsible for all of its legal and/or realtor costs and to cover the Seller’s legal and/or realtor costs up to $2,400 associated with this purchase. In addition, Purchaser agrees to pay all title and escrow costs associated with this purchase.

(d) Purchaser agrees to allow Seller to continue to collect revenue from PG&E until July 31, 2012, for the existing temporary construction easement in place between Seller and PG&E.
Section 2. Purchase Price

The purchase price for the Property shall be $80,000 (Eighty Thousand Dollars, the “Purchase Price”). There shall be no deposit. The entire Purchase Price shall be payable to Seller in cash on the Closing Date.

Section 3. Conditions Precedent

(a) Purchaser's obligation to purchase the Property shall be expressly conditioned upon the fulfillment of each of the following conditions precedent:

(i) Purchaser shall obtain a Preliminary Title Report as verification by Purchaser that no tenant or third party will hold any equity position or purchase option in the Property following the closing and demonstrating no easements restricting use of the property beyond those held by PG&E.

(ii) Purchaser and Seller enter into an agricultural lease agreement on a portion of the Property for a term of 10 years, wherein the Seller is allowed to utilize a portion of the Property for agricultural purposes consisting of storage of horses at a cost of $1 per year charged by the Purchaser.

(iii) Seller signs a Permit to Enter wherein the Purchaser is allowed to construct and maintain drainage improvements prior to the Closing Date.

(iv) As of the Closing Date there shall have been no material adverse change in the condition of the Property or in any document, Laws and Restrictions (as defined below), contractual relations, or other circumstances affecting the Property previously approved by Purchaser.

(v) The fulfillment of each condition contained in Sections 4, 5, and 6 below.

(b) At any time or times on or before the Closing Date, at Purchaser's election, Purchaser may waive any of the foregoing conditions by written notice to Seller. Purchaser's consent to the close of escrow pursuant to this Agreement shall waive all such conditions. No such waiver shall reduce the rights or remedies of Purchaser arising from any breach of any undertaking, agreement, covenant, warranty, or representation of Seller under this Agreement.
(c) In the event any of the foregoing conditions, or other conditions to this Agreement which are for the benefit of Purchaser, are not fulfilled or waived pursuant to Section 3(b) above, Purchaser, at its election by written notice to Seller, may terminate this Agreement and be released from all obligations under this Agreement. (b) If Purchaser shall object to any exceptions to title stated in the Preliminary Title Report by written notice specifically listing the exception(s), and delivered to Seller within ten (10) days after Purchaser’s receipt of the Preliminary Title Report, Seller shall use reasonable efforts to clear title to the Property of such exceptions. If the exceptions objected to by Purchaser cannot be removed by Seller within thirty (30) days after receipt of notice from the Purchaser, and Purchaser shall not waive its objections to title in writing within five (5) days thereafter, this Agreement shall be terminated and any money deposited by Purchaser shall be returned to Purchaser.

(c) Delivery of title in accordance with the foregoing shall be evidenced by the issuance by the Title Company, upon payment of its regularly scheduled premium at close of escrow, its standard ALTA extended coverage policy of title insurance, together with such endorsements as Purchaser may reasonably require, at Purchaser’s cost, in the amount of the Purchase Price, showing title to the Real Property vested in Purchaser subject only to the Conditions of Title (the “Title Policy”).

Section 5. Closing Date

The date for the close of escrow with respect to the purchase and sale of the Property is anticipated to be November 18, 2011, but shall be no later than Thirty (30) days following the date of satisfaction or waiver by the Purchaser of the conditions set forth in Section 3 above.

LESSEE agrees that LESSEE is taking the PREMISES "as is" and "where is" for all purposes relating to this LEASE. The PREMISES are leased to LESSEE for the purpose of storage of horses. LESSEE shall not use, or permit to be used, any part of the PREMISES for any other purpose other than the purposes for which the PREMISES are leased. LESSEE shall keep the PREMISES in a proper form and in accordance with good and commercially reasonable practices. If the LESSEE discontinues use of the Premises for the stated purpose of storing horses for a continual period of six months, then this LEASE automatically becomes null and void, with all rights of LESSEE pursuant to this Agreement reverting back to LESSOR.

X

LESSEE agrees to keep LESSOR free from all liability and claims for damages arising from any injury from any cause to any person, including LESSEE, or to the property of any kind belonging to anyone, including LESSEE, while in, upon or in any way connected with the PREMISES.

LESSEE shall indemnify and hold the LESSOR harmless from and against any and all claims, liability, loss, damage, costs or expenses, including reasonable attorney's fees and all other costs related to defending against litigation, awards, fines, or judgments, arising by reason of the death or bodily injury to persons, including employees, invitees, or agents of LESSEE, injury to property of all kinds, or other loss, damage or expense relating solely to including any of the same resulting from LESSEE's negligent act or omission, regardless of whether such act or omission is active or passive.
XV

Insurance, Waiver of Subrogation

During the full term thereof, LESSEE shall, at its sole cost and expense, procure and maintain, on forms acceptable to LESSOR, insurance for the following minimum insurance coverage:

Worker’s Compensation Insurance and Occupational Disease Insurance as required by law, and Employer’s Liability Insurance with limits of not less than $1 million for any accident or occupational disease covering the location of all workplaces involved in this LEASE. This policy will include waiver of subrogation endorsement.

Commercial General Liability Insurance, occurrence form with combined single limit coverage per occurrence for bodily injury and property damage of $1 million. Without limitation, all public liability insurance and property damage insurance shall insure performance by LESSEE of the indemnity provisions of this LEASE.

A Certificate of Insurance shall be furnished by LESSEE to LESSOR before LESSEE takes possession of the PREMISES herein, and the Certificate shall provide that there will be no cancellation, reduction, or modification of coverage without 30 days prior written notice to LESSOR.

The required insurance shall be subject to the approval of the LESSOR and shall in no way limit or relieve the LESSEE from the duties and responsibilities assumed by it in this LEASE. In the event LESSEE does not comply with the requirements of this Section, LESSOR may, at its sole discretion, either terminate the LEASE effective immediately, or provide insurance coverage to protect LESSEE and LESSOR, and charge LESSEE for the cost of said insurance.

LESSOR and LESSEE hereby mutually waive their respective rights of recovery against each other and release all claims arising in any manner for any loss or damage to the other’s property (real or personal) located on the PREMISES described in this LEASE to the extent insured or required to be insured by any insurance policies obtained by either party. Each party shall make a good faith effort to obtain any special endorsements required by their insurer to evidence its agreement with such waiver.

Neither the application for the appointment of the receiver, nor the appointment of the receiver shall be construed as an election by LESSOR to terminate this LEASE unless a written notice of such intention is given to LESSEE.
Assignment or Subletting

LESSSEE may not assign this LEASE, or any rights under it, and may not sublet the entire or any part of the PREMISES, or any right or privilege appurtenant to the PREMISES, or permit any other person to occupy or use the entire or any portion of the PREMISES.

Re: Summary of 2011 Legislation

RECOMMENDATION

Receive update on 2011 legislation that may impact Yuba County

BACKGROUND

The recently-concluded legislative session proved to be a busy one for Yuba County. A large portion of Yuba County’s lobbying efforts early in the year focused on bills related to fixing the state’s fiscal problems. We weighed in on two bills (AB 66 and AB X19) seeking to address the Vehicle License Fee, as it pertained to funding of the Local Safety and Protection Account. Neither bill was moved forward to address the problem. Yuba County was likewise active in efforts to revalidate the transportation gas tax swap, which met a successful conclusion, when it was included in cleanup legislation in March. Later in the year, we worked to influence the direction the realignment legislation, AB 109.

DISCUSSION

Several bills with direct and indirect impacts on our region were signed by the Governor in the Legislature’s closing hours, including one bill sponsored by Yuba County. We also played a key role in adjusting the language for a handful of bills with local implications. Debate related to one high-profile bill that is expected to affect the Yuba County landfill will continue into next year’s legislative session.

Below is a summary of some of the other legislation monitored by Yuba County Legislative Affairs and Peterson Consulting during 2011. Several of the bills introduced at the beginning of the year stalled in recent months, causing the various authors to have their legislation carried over into the 2012 session. The largest number of bills we watched at the direction of the Board was related to Veteran Affairs matters. Scores of other legislation introduced in 2011 were reviewed to determine whether there would be any impact on Yuba County, and even more were addressed by the associations representing the disciplines of our various County divisions.

COMMITTEE

Due to the material being strictly informational, this matter was not presented at the committee level.

FISCAL IMPACT

None
California Legislation Influencing Yuba County

Sponsored by Yuba County

AB 434 (Logue) County penalties: forensic laboratories.
Location: 08/31/2011-A CHAPTERED

Summary: This bill is a reworking of legislation sponsored by Yuba County in 2010 and subsequently vetoed by Gov. Schwarzenegger. It provides that, if authorized by a resolution of the Board of Supervisors, local law enforcement or the District Attorney's office may use funds remaining in the county's DNA Identification Fund for specific purposes. The fund may be used either independently or in combination with remaining funds from another county, to provide supplemental funding to a qualified local or regional state forensic laboratory. These expenditures and administrative costs must be incurred in connection with the processing, analysis, and comparison of DNA crime scene samples and forensic identification samples, and testimony related to that analysis, as specified. The bill declares that its provisions further the initiative act and are consistent with its purposes.

Related Legislation

AB 855 (Ma) County penalties: forensic laboratories.
Location: 07/08/2011-S 2 YEAR

Summary: Would provide that, if authorized by a resolution of the board of supervisors, funds remaining in the county's DNA Identification Fund may be used to reimburse a local sheriff, police, district attorney, or regional state crime laboratory for expenditures and administrative costs made or incurred for utilizing an authorized laboratory for the processing and analysis of forensic identification samples and testimony related to that analysis, as specified. This bill contains other related provisions.

SB 271 (Wyland) Evidence: rape kits: expedited processing.
Location: 05/10/2011-S 2 YEAR

Summary: Would specifically provide that a county's remaining share of funds attributable to the increase in penalties as required by the act may be used by a local sheriff, police department, district attorney, or other law enforcement agency for expenditures and administrative costs made or incurred for utilizing a laboratory, other than the Department of Justice Laboratory, as specified, to expedite the analysis and processing of rape kits and uploading rape kit information to the CAL-DNA Databank and the Federal Bureau of Investigation Combined DNA Index System. This bill contains other related provisions and other existing laws.

AB 322 (Portantino) Forensic evidence: rape kits.
Location: 10/09/2011-A VETOED

Summary: This bill was being watched by Yuba County because of its similarities to previous legislation we sponsored. AB 322 would have established a pilot program in ten counties (not including Yuba County), commencing July 1, 2012, in which all rape kits collected in those counties after that date would have been processed by the Department of Justice in department laboratories. The pilot program would have operated until July 1, 2015, or the date when all rape kits collected in the counties participating in the pilot project, during the period of July 1, 2012, through December 31, 2014, were counted, whichever comes first. The department would have
been required to test every rape kit collected by a pilot project county during the period of the pilot project. All of these provisions would have been repealed on January 1, 2016. Gov. Brown vetoed the bill, noting most of the ten counties did not even want to participate in the pilot program.

SB 329 (Correa) County penalties: forensic laboratories.
Location: 05/13/2011-S 2 YEAR

Summary: Would require, for the purposes of providing supplemental funding for the DNA Fingerprint, Unsolved Crime and Innocence Protection Act, as specified, an additional penalty to be levied in an unspecified amount in each county for the late payment of any fine, penalty, or forfeiture imposed by the courts for any violation of the Vehicle Code, or a local ordinance adopted pursuant to the Vehicle Code, that is committed by the driver of a vehicle while it is in motion. Pursuant to the provisions described above, the penalty proceeds would be deposited into each county’s and the state’s DNA Identification Fund for the purposes specified above. This bill contains other related provisions.

Hot Topic

AB 1178 (Ma) Solid waste: place of origin.
Location: 09/01/2011-S E.Q. – 2 YEAR

Summary: Would prohibit an ordinance enacted by a city or county, including an ordinance enacted by initiative by the voters of a city or county, from otherwise restricting or limiting the importation of solid waste into a privately owned solid waste facility in that city or county based on place of origin. The bill would provide that this prohibition does not require a privately owned or operated solid waste facility to accept certain waste, does not allow a privately owned solid waste facility to abrogate certain agreements, does not prohibit a city, county, or a regional agency from requiring a privately owned solid waste facility to guarantee permitted capacity to a host jurisdiction, and does not otherwise limit or affect the land use authority of a city or county. The language in this bill was amended several times during the legislative session, and each change greatly altered the impact of the legislation. By September, it remained unclear what the bill was attempting to accomplish, and eventually AB 1178 was pulled and turned into a two year bill.

Other Bills

ABX1 29 (Blumenfield) State responsibility areas: fire prevention fees
Location: 7/8/2011 – CHAPTERED

Summary: Over the past three years, Yuba County has been involved in responding to a number of bills related to state responsibility areas. This bill requires the State Board of Forestry and Fire Protection to adopt emergency regulations to establish a fire prevention fee in an amount not to exceed $150 to be charged on each structure on a parcel that is within a state responsibility area. The board is required to adjust the fire prevention fee annually using prescribed methods. However, implementation of this legislation has been hampered by after-the-fact altering of the bill requirements. It may be months before we get a better understanding of how this bill will impact our foothill residents.
**AB 720 (Hall)** Public contracts: uniform construction cost accounting provisions: alternative procedures.
Location: 10/09/2011 Chaptered

This bill is a reinvention of similar bills over the past two years. In each case, Yuba County took an "oppose unless amended" position, because the legislation initially required counties to go out for bid on all road work, even small jobs currently handled by day labor. The author was pressured to amend this legislation several times, until it became very watered down. By the time it passed, this bill revised existing law that specifies that a board of supervisors or a county road commissioner is not prohibited from using alternative procedures governing county highway contracts to limit the use of those alternative procedures on or after January 1, 2013, to maintenance and emergency work and new road construction and road reconstruction, as provided. The bill permits counties with a population of less than 50,000, on or after January 1, 2013, to continue to utilize alternative procedures for county highway contracts.

**AB 23 (Smyth)** Local agency meetings: simultaneous meetings: compensation disclosure.
Location: 07/25/2011-A CHAPTERED

Summary: This was a bill inspired by the City of Bell fiasco. It authorizes a convened legislative body whose membership constitutes a quorum of any other legislative body to convene a meeting of the subsequent legislative body, simultaneously or in serial order, only if a clerk or member of the convened legislative body verbally announces the amount of compensation or stipend, if any, that each member will be entitled to receive as a result of convening the simultaneous or serial meeting of the subsequent legislative body, and that the compensation or stipend shall be provided as a result of convening a meeting for which each member is entitled to collect compensation or a stipend, as specified. Early versions of the bill were ambiguous, when it came to entities like Yuba County, where a stipend method of payment is used. Yuba County worked with RCRC to play a key role in adding clarifying language, and in the end the bill has virtually no impact locally.

Location: 04/07/2011-A CHAPTERED

Summary: Under both laws, provides additional conformity with federal income tax laws by adopting specified provisions of the Patient Protection and Affordable Care Act and the Health Care and Education Reconciliation Act of 2010 relating to gross income exclusions for reimbursements for medical care expenses under specified plans for dependents, as specified. This bill would provide that the reporting requirement described above is fulfilled if the child dies in a hospital or other medical care facility or under the care of a licensed medical professional. The bill would further make it a felony for a parent, guardian, or caregiver having the care, custody, and control of a child under 12 years of age to knowingly fail to report the child's disappearance to law enforcement within 48 hours of the child's disappearance or as soon as possible thereafter if reasonable and expedient means to notify were not previously available. By creating new crimes, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

SB 110 (Rubio) Real property disclosures: mining operations.
Location: 09/06/2011-S CHAPTERED

Summary: Further conditions the limitation on liability described above by requiring an expert, utilizing map coordinate data made available by the Office of Mine Reclamation, when responding to a request regarding natural hazards, to also determine whether the property is presently located within one mile of a parcel of real property subject to mine operations for which map coordinate data has been reported to the director. The bill requires, if the expert determines that the residential property is located within one mile of a mine operation, that the report contain a Notice of Mining Operations, as specified.

Existing law requires applicants to certain boards to provide a full set of fingerprints for the purpose of conducting criminal history record checks. This bill would make the fingerprinting requirement applicable to the Board for Professional Engineers, Land Surveyors, and Geologists. The bill would also make technical, nonsubstantive changes to those provisions to correct references to the names of various boards and would correct references to the name of a specified fund. This bill contains other related provisions and other existing laws.

The bill would provide that county participation is voluntary. The bill would have declared the intent of the Legislature that, where there are statutory requirements for certain education or counseling programs to be included in the terms of probation, the components of those counseling terms would be required to be incorporated into the treatment programs that are designed to treat the underlying psychological disorders rather than requiring them in lieu of the psychological treatments.

RE: 1st Quarter Financial Report for Fiscal Year 2011-12

RECOMMENDATION

It is recommended that the Board of Supervisors receive the 1st quarter financial report for Fiscal Year 2011-12 and provide direction as necessary.

BACKGROUND

The purpose of the quarterly financial report is to provide your Board with timely information regarding the FY 2011-2012 budget and related economic information.

DISCUSSION

The 1st quarter report provides a summary of activities in various areas including general fund discretionary revenue receipts, general fund expenditures, departmental budget reporting, building permits, and state budget updates.

COMMITTEE

This item did not go to Committee as it is an informational item only.

FISCAL IMPACT

There is no fiscal impact associated with receiving of this report.
General Fund Discretionary Revenue

General fund discretionary revenue is general fund revenue that is not a direct reimbursement revenue source for a department. The funds are thus “discretionary” and approved by the Board of Supervisors for the general fund needs of the County. The major discretionary general fund revenue sources that make up this revenue include property and sales taxes, franchise fees, general fines, interest, triple flip, and tipping fees.

The total discretionary general fund revenue budgeted for FY 11/12 is $24,707,982. The following chart displays the major discretionary general fund revenue sources, the amounts budgeted, the amounts received and percent received in 1st quarter FY 11/12, as well as a comparison to the amounts received in 1st quarter FY 10/11.

1st Quarter Major Revenue Source Trends

- General Fine revenue traditionally exhibits a negative amount received in the first quarter due to an annual “true-up” that is performed between the County and the State.
- The largest share of Franchise Fee revenue is historically received in the third quarter.

General Fund Expenditures

General Fund expenditures were ($2,091,901) less than the same period last year. In the first quarter of FY 10/11, $1,400,000 was transferred from the General Fund to set up General Fund Reserves in Trust Fund 825. Total percent expended through the end of September was 22.52%.

Departmental Revenue and Expenditure Reporting

County departments report their revenues received and expenditures made on a monthly basis to the County Administrator’s Office. Reports are summarized and distributed to the Auditor-Controller and Treasurer-Tax Collector. Through the end of the first quarter of this fiscal year, there were four (4) departments in the General Fund that exhibited shortfalls for a total amount of ($284,538). The shortfalls are attributed to timeliness of grant and program reimbursements.

In the Non-General Fund departments, there were seven (7) departments that exhibited shortfalls for a total amount of ($1,163,728). The bulk of this shortfall is attributed to late budget transfers for workers compensation reimbursement. The full premium is paid in July and transfers are usually processed at the end
of each quarter by the Auditor’s Office. The first quarter transfer has not been performed as of yet. The Auditor’s Office has indicated that the first and second quarter transfer will be processed in October 2011.

Single Family Dwelling Permits (SFD) There were 10 SFD building permits issued for the first quarter compared to 11 in the same period last year.

Statewide Building Activity According to the California Department of Finance’s Monthly Bulletin, “New home construction permitting faltered in July with slowdowns in both single and multifamily sectors. During the first seven months of 2011, multifamily permitting was up 22.6% from the same months of 2010. On the other hand, single family permitting was down 17.6%. Despite July’s sharp decline, new home permitting during the first seven months of 2011 was down only 1% from the same period a year earlier. Nonresidential construction continued to outpace home building in July. Based on strong gains in store and parking structure building, business construction permitting rose over 19% in July from a year earlier. For the first seven months of 2011, nonresidential permitting was up 14% from the same months of 2010.”

There were 168 foreclosed homes in the first quarter (Jul/Aug/Sep) of FY 2011-12 compared to 213 in the same period last year. This represents a decrease of (21.13%).

CalWORKS Employment Activity

The goal of the CalWORKS program is to assist and empower families to become self sufficient, contributing members of the community through employment. An average of 92 new CalWORKS participants per month entered into employment in the first quarter of FY 2011-12.

Often, participants who enter the work force are still eligible for a portion of their cash aid as they accept entry level jobs to gain skills and experience. Participants are encouraged to apply for higher paying jobs after gaining work experience to help them meet their goal of self sufficiency.

CalFresh (Food Stamp) Activity

Health & Human Services reported that a total of 1763 applications for CalFresh were received in the first quarter of FY 2011-12. This represents a (4.13%) decrease compared to the same period in the prior year where 1839 applications were received. Staff has indicated that the decrease is attributed to a slight decline in unemployed residents who qualify for Food Stamps based on income criteria.
State Budget Update

Revenue Report

The State Controller’s Cash Update for the month of September indicated that “After accounting for September revenues, total year-to-date general fund revenues are now behind the budget’s estimates by $705.5 million. The State ended last fiscal year with a cash deficit of $8.2 billion. The combined current year cash deficit stands at $17.6 billion. The deficits are being covered with $12.2 billion of internal borrowing (temporary loans from special funds) and $5.4 billion of external borrowing.”

Trigger Cuts

Should state revenues not achieve anticipated targets for the FY 2011/12 budget, the State indicated it will enact mid-year budget reductions provided for in SB 73 and AB 121. By December 15, 2011, the Director of Finance will determine whether revenues meet either the Department of Finance revenue estimates or the Legislative Analyst’s revenue estimates, whichever is higher. These mid-year budget reductions or “trigger cuts” could impact counties directly. The following table displays a summary of the trigger cuts.

Honorable Yuba County Board of Supervisors:

In the appeal hearing for project file number AP2011-0002, I would like to make the following request:

That the Board hear this appeal at the Alcouffe Center in the Dobbins/Oregon House area of the county. This would be a great convenience to the community and citizens, especially if it were held after 7:00 PM. This would allow for more public participation for those who work during the day and can only be available in the evenings. The center is set-up for recording and computer presentation.

This request is made pursuant to the Americans with Disabilities Act, CEQA, the Brown Act, and the open meetings laws of the State of California. This request is made so that those citizens who are elderly and/or disabled can conveniently attend the hearing, also.

Thank you for your consideration in this matter.

Sincerely,

David Soares

FROM: Suzanne Nobles, Director
Health and Human Services Department

DATE: November 1, 2011

SUBJECT: Memorandum of Understanding (MOU) with Sutter-Yuba Mental Health Services for the Provision of Mental Health Services for California Work Opportunity and Responsibility to Kids (CalWORKs) Participants

RECOMMENDATION: Board of Supervisors approval of the MOU between Yuba County, on behalf of its Health and Human Services Department, and Sutter-Yuba Mental Health for the provision of mental health services for California Work Opportunity and Responsibility to Kids (CalWORKs) participants not to exceed $404,536.00 for the three year term of July 1, 2011 through June 30, 2014 ($134,457.00 for FY 2011/12; $134,420.00 for FY 2012/13; and $135,659.00 for FY 2013/14) is recommended.

BACKGROUND: Since July 1, 1999, Yuba County has entered into an MOU with Sutter-Yuba Mental Health Services to provide mental health treatment services to CalWORKs recipients to assist these families in the elimination of barriers to self-sufficiency. This is a renewal of that MOU.

DISCUSSION: The Health and Human Services Department is required to provide oversight for the CalWORKs program for the purpose of assisting families to achieve self-sufficiency through employment and to assist in the elimination of barriers to employment faced by recipients of CalWORKs. The MOU with Sutter-Yuba Mental Health Services provides assessment services, workshops, and counseling services for the treatment of mental illness to assist CalWORKs families in achieving self-sufficiency.

FISCAL IMPACT: Approval of this MOU will not impact County Funds. The services provided under this MOU are funded by federal and state dollars through the CalWORKs program.

DATE: November 1, 2011

TO: LAND USE AND PUBLIC WORKS COMMITTEE

FROM: MICHAEL LEE, DIRECTOR OF PUBLIC WORKS

SUBJECT: Reconveyance of Lots “A” and “B” of Tract Map No. 99-585, Plumas Ranch Village 5 and Lot D of Tract Map No. 2003-006, Woodside Village Unit 1, to the developer, Cresleigh Homes Corporation

RECOMMENDATION:

Recommend reconveyance of Lots A and B as shown on Tract Map 99-585, Plumas Ranch Village 5 and Lot D as shown on Tract Map 2003-006, Woodside Village Unit 1, to the developer, Cresleigh Homes Corporation, and authorizing Chair to sign grant deeds effectuating same.

BACKGROUND:

The final map for Plumas Ranch Village 5, Tract Map 99-5855, was filed with the County Recorder on March 4, 2005, in book 82 of Maps at page 12. Item E of the Owner’s Statement provides for an irrevocable offer of dedication,” in fee simple, to the county of Yuba, for pedestrian and bicycle pathways, planting and maintaining trees, shrubbery and other landscaping, together with any and all appurtenances pertaining thereto, on, over, under and across that strip of land designated as Lots “A” and “B”.

The final map for Woodside Village Unit 1, Tract Map 2003-006, was filed with the County Recorder on March 5, 2004, in book 77 of Maps at page 22. Item E of the Owner’s Statement provides for an irrevocable offer of dedication,” in fee simple, to the county of Yuba, for pedestrian and bicycle pathways, planting and maintaining trees, shrubbery and other landscaping, together with any and all appurtenances pertaining thereto, on, over, under and across that strip of land designated as Lot “D”.

The offers of dedication were accepted by resolution, as indicated on the two final maps in the respective Clerk of the Board of Supervisors Statements.
DISCUSSION:

These lots were originally intended to include bike paths, but due to a lack of maintenance funds and a roadway circulation pattern that accommodates bicyclists/pedestrians, staff does not believe a bike path is warranted at the proposed location.

The Clerk of the Board of Supervisor Statements further state “Should the Board of Supervisors of the County of Yuba determine that the public purpose for which the property was dedicated in fee simple no longer exists, or the property or any portion thereof is not needed for public utilities, the County of Yuba shall reconvey the above described property to the Grantors or the successor(s) in interest pursuant to Government Code Section 66477.5.”

Once the property is reconveyed, Cresleigh intends to pursue multiple lot line adjustments with neighboring property owners to absorb the strips into the adjacent parcels. The lot line adjustment applications have been filed with the County awaiting this reconveyance, and the neighboring property owners are in favor of the adjustments.

FISCAL IMPACT:

None.
