SUBJECT: Approval of contract with Applied Engineering and Geology, Inc. for environmental consulting services.

Date: November 27, 2012

Recommendation: Authorize the Chair of the Board of Supervisors to approve the contract with Applied Engineering and Geology, Inc. to provide continued environmental consulting/engineering services under the approved Emergency, Abandoned and Recalcitrant (EAR) Grant received from the State Water Quality Control Board.

Background: The Environmental Health Department of Yuba County has applied, and been approved for an EAR Grant to remediate the Nelson property located at 3260 Feather River Blvd., Marysville. The grant totals $1,305,000.00 of allowable funding to complete the initial assessment and corrective actions required to clean the property. We are requesting approval of the contract with Applied Engineering and Geology, Inc. to provide continued services for implementation of an interim remediation plan for contamination from operation of underground storage tanks at this site, and to complete a corrective action plan for the final remediation to reach a No Further Action decision on this contaminated property.

Discussion: This grant provides reimbursement of costs incurred to complete remediation activities required to clean the Nelson property of soil and groundwater contamination due to the former operation of underground storage tanks. The grant administrator has pre-approved funding in the amount of $194,779.50 for remediation tasks as described in the contract.

Committee: The Public Works and Land Use committee was bypassed due to time constraints that could delay continuous operation at the site.

Fiscal impact: The Environmental Health Department proposes to enter into an agreement with Applied Engineering and Geology, Inc to provide consulting and engineering services not to exceed $194,779.50 and under the cost/task structure outlined in the contract. The contract shall expire on January 31, 2014. All costs incurred will be initially funded through the general fund under the Environmental Health budget: account # 101-4800-441-23-00, Professional Services, EAR#2 – CUPA line item. All expenditures shall be immediately reimbursed through the grant and therefore there will be no fiscal impact to the general fund.

With the following provisions, total cost pre-approved as eligible for reimbursement for completing corrective action required by Yuba County, Community Development and Services Agency, is $194,779.50; see the table below for a breakdown of costs.

Be aware that this pre-approval does not constitute a decision on reimbursement: necessary (as determined by the Fund) corrective action costs for work directed and approved by the Regional Board will be eligible for reimbursement at costs consistent with those pre-approved in this letter. However, depending on what happens in the field, some costs may not actually be necessary. If the Fund agrees that they were in fact necessary, the Fund will reimburse at reasonable rates (rates consistent with those pre-approved.)

*In order for future costs for corrective action to be part of the expedited reimbursement process, they must be pre-approved in writing by Fund staff.*

*All costs for corrective action must meet the requirements of Article 11, Chapter 16, Underground Storage Tank Regulations in order to be eligible for reimbursement.*

- Only the tasks/costs reflected on the above table are pre-approved at this time. The Fund will review any tasks/costs that go beyond the pre-approved amount to be determined if the additional tasks and costs are necessary and reasonable. However, if costs exceed the above pre-approved amounts, the Fund will be unable to expedite your Reimbursement Request.

- The work products must be acceptable to the Regional Board.

- If a different scope of work becomes necessary, then you must request pre-approval of costs on the new scope of work.

- Although I have referred to the Applied Engineering and Geology, Inc., proposal in the pre-approval above, please be aware that you will be entering into a private contract. The State of California cannot compel you to sign any specific contract. This letter pre-approves the costs as presented in the submitted proposal for conducting the work approved by the Regional Board.

Please remember that it is still necessary to submit the actual costs of the work as explained in the Reimbursement Request Instructions to confirm that the costs are consistent with this pre-approval before you will be reimbursed. **Please insure that your consultant prepares their invoices to include the required breakdown of costs on a time and materials basis, that invoiced tasks are consistent with the original proposal, and that reasonable explanations are provided for any changes made in the scope of work or increases in the costs.** When the invoices are submitted you must include copies of all:

- subcontractor invoices,
- technical reports, when available, and
- applicable correspondence from the Regional Board.

Please call if you have any questions; I can be reached at (916) 341-5824, or by email at kdumisani@waterboards.ca.gov.

ATTACHMENT D

GENERAL PROVISIONS

D.1 INDEPENDENT CONTRACTOR STATUS. At all times during the term of this Agreement, the following apply:

D.1.1 All acts of CONTRACTOR shall be performed as an independent contractor and not as an agent, officer or employee of COUNTY. It is understood by both CONTRACTOR and COUNTY that this Agreement is by and between two independent contractors and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

D.1.2 CONTRACTOR shall have no claim against COUNTY for employee rights or benefits, including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

D.1.3 CONTRACTOR is solely obligated to pay all applicable taxes, deductions and other obligations, including, but not limited to, federal and state income taxes, withholding and Social Security taxes, unemployment and disability insurance and Workers’ Compensation and Medi-Care payments.

D.1.4 As an independent contractor, CONTRACTOR is not subject to the direction and control of COUNTY except as to the final result contracted for under this Agreement. COUNTY may not require CONTRACTOR to change its manner of doing business, but may require it to redirect its efforts to accomplish what it has agreed to do.

D.1.5 CONTRACTOR may provide services to others during the same period service is provided to COUNTY under this Agreement.

D.1.6 If in the performance of this Agreement any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision and control of CONTRACTOR. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirements of law shall be determined by the CONTRACTOR.
D.1.7 As an independent contractor, CONTRACTOR hereby indemnifies and holds COUNTY harmless from any and all claims that may be made against COUNTY based on any contention by any third party that an employer-employee relationship exists by reason of this Agreement.

D.2 LICENSES, PERMITS, ETC. CONTRACTOR represents and warrants to COUNTY that it has all licenses, permits, qualifications, and approvals of whatsoever nature which are legally required for CONTRACTOR to practice its profession. CONTRACTOR represents and warrants to COUNTY that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, and approvals which are legally required for CONTRACTOR to practice its profession at the time the services are performed. Failure of the CONTRACTOR to comply with this provision shall authorize the COUNTY to immediately terminate this agreement notwithstanding Operative Provision No. 9.

D.3 TIME. CONTRACTOR shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary for the satisfactory performance of CONTRACTOR's obligations pursuant to this Agreement. Neither party shall be considered in default of this Agreement to the extent performance is prevented or delayed by any cause, present or future, which is beyond the reasonable control of the party.

D.4 INDEMNITY. CONTRACTOR shall defend, indemnify, and hold harmless COUNTY, its elected and appointed councils, boards, commissions, officers, agents, and employees from any liability for damage or claims for damage for personal injury, including death, as well as for property damage, which may arise from the intentional or negligent acts or omissions of CONTRACTOR in the performance of services rendered under this Agreement by CONTRACTOR, or any of CONTRACTOR's officers, agents, employees, contractors, or subcontractors.

D.5 CONTRACTOR NOT AGENT. Except as COUNTY may specify in writing, CONTRACTOR shall have no authority, express or implied, to act on behalf of COUNTY in any capacity whatsoever as an agent. CONTRACTOR shall have no authority, express or implied, pursuant to this Agreement to bind COUNTY to any obligation whatsoever.

D.6 ASSIGNMENT PROHIBITED. CONTRACTOR may not assign any right or obligation pursuant to this Agreement. Any attempted or purported assignment of any right or obligation pursuant to this Agreement shall be void and of no legal effect.

D.7 PERSONNEL. CONTRACTOR shall assign only competent personnel to perform services pursuant to this Agreement. In the event that COUNTY, in its sole discretion, at any time during the term of this Agreement, desires the removal of any person or persons assigned by CONTRACTOR to perform services pursuant to this Agreement, CONTRACTOR shall remove any such person immediately upon receiving written notice from COUNTY of its desire for removal of such person or persons.
D.8 STANDARD OF PERFORMANCE. CONTRACTOR shall perform all services required pursuant to this Agreement in the manner and according to the standards observed by a competent practitioner of the profession in which CONTRACTOR is engaged. All products of whatsoever nature which CONTRACTOR delivers to COUNTY pursuant to this Agreement shall be prepared in a first class and workmanlike manner and shall conform to the standards or quality normally observed by a person practicing in CONTRACTOR's profession.

D.9 POSSESSORY INTEREST. The parties to this Agreement recognize that certain rights to property may create a "possessory interest", as those words are used in the California Revenue and Taxation Code, §107. For all purposes of compliance by COUNTY with Section 107.6 of the California Revenue and Taxation Code, this recital shall be deemed full compliance by the COUNTY. All questions of initial determination of possessory interest and valuation of such interest, if any, shall be the responsibility of the County Assessor and the contracting parties hereto. A taxable possessory interest may be created by this contract; and if created, the party in whom such an interest is vested will be subject to the payment of property taxes levied on such an interest.

D.10 TAXES. CONTRACTOR hereby grants to the COUNTY the authority to deduct from any payments to CONTRACTOR any COUNTY imposed taxes, fines, penalties and related charges which are delinquent at the time such payments under this Agreement are due to CONTRACTOR.

D.11 TERMINATION. Upon termination of this Agreement as otherwise provided herein, CONTRACTOR shall immediately cease rendering service upon the termination date and the following shall apply:

D.11.1 CONTRACTOR shall deliver copies of all writings prepared by it pursuant to this Agreement. The term "writings" shall be construed to mean and include: handwriting, typewriting, printing, photostating, photographing, and every other means of recording upon any tangible thing and form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof.

D.11.2 COUNTY shall have full ownership and control of all such writings or other communications delivered by CONTRACTOR pursuant to this Agreement.

D.11.3 COUNTY shall pay CONTRACTOR the reasonable value of services rendered by CONTRACTOR to the date of termination pursuant to this Agreement not to exceed the amount documented by CONTRACTOR and approved by COUNTY as work accomplished to date; provided, however, COUNTY shall not in any manner be liable for lost profits which might have been made by CONTRACTOR had CONTRACTOR completed the services required by this Agreement. In this regard, CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of the COUNTY is
necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of the COUNTY shall be final. The foregoing is cumulative and does not affect any right or remedy which COUNTY may have in law or equity.

CONTRACTOR may terminate its services under this Agreement upon thirty (30) days written notice to the COUNTY, without liability for damages, if CONTRACTOR is not compensated according to the provisions of the Agreement or upon any other material breach of the Agreement by COUNTY.

D.12 NON-DISCRIMINATION. Throughout the duration of this Agreement, CONTRACTOR shall not unlawfully discriminate against any employee of the CONTRACTOR or of the COUNTY or applicant for employment or for services or any member of the public because of race, religion, color, national origin, ancestry, physical or mental disability, medical condition, marital status, age, sex or sexual orientation. CONTRACTOR shall ensure that in the provision of services under this Agreement, its employees and applicants for employment and any member of the public are free from such discrimination. CONTRACTOR shall comply with the provisions of the Fair Employment and Housing Act (Government Code Section 12900, et seq.). The applicable regulations of the Fair Employment Housing Commission implementing Government Code Section 12900, set forth in Chapter 5, Division 4 of Title 2 of the California Code of Regulations are incorporated into this Agreement by reference and made a part hereof as if set forth in full. CONTRACTOR shall also abide by the Federal Civil Rights Act of 1964 and all amendments thereto, and all administrative rules and regulations issued pursuant to said Act. CONTRACTOR shall give written notice of its obligations under this clause to any labor agreement. CONTRACTOR shall include the non-discrimination and compliance provision of this paragraph in all subcontracts to perform work under this Agreement.

D.13 REHABILITATION ACT OF 1973/AMERICANS WITH DISABILITIES ACT OF 1990. In addition to application of the non-discrimination provision of this Agreement, above, CONTRACTOR agrees to comply with all provisions of section 504 et seq. of the Rehabilitation Act of 1973, and with all provisions of the Americans with Disabilities Act of 1990, and all amendments thereto, and all administrative rules and regulations issued pursuant to said Acts, pertaining to the prohibition of discrimination against qualified handicapped and disabled persons, in all programs or activities, as to employees or recipients of services.

D.14 OWNERSHIP OF INFORMATION. All professional and technical information developed under this Agreement and all work sheets, reports, and related data shall become the property of COUNTY, and CONTRACTOR agrees to deliver reproducible copies of such documents to COUNTY on completion of the services hereunder. The COUNTY agrees to indemnify and hold CONTRACTOR harmless from any claim arising out of reuse of the information for other than this project.
D.15 WAIVER. A waiver by any party of any breach of any term, covenant or condition herein contained or a waiver of any right or remedy of such party available hereunder at law or in equity shall not be deemed to be a waiver of any subsequent breach of the same or any other term, covenant or condition herein contained or of any continued or subsequent right to the same right or remedy. No party shall be deemed to have made any such waiver unless it is in writing and signed by the party so waiving.

D.16 COMPLETENESS OF INSTRUMENT. This Agreement, together with its specific references and attachments, constitutes all of the agreements, understandings, representations, conditions, warranties and covenants made by and between the parties hereto. Unless set forth herein, neither party shall be liable for any representations made express or implied.

D.17 SUPERSEDES PRIOR AGREEMENTS. It is the intention of the parties hereto that this Agreement shall supersede any prior agreements, discussions, commitments, representations, or agreements, written or oral, between the parties hereto.

D.18 CAPTIONS. The captions of this Agreement are for convenience in reference only and the words contained therein shall in no way be held to explain, modify, amplify or aid in the interpretation, construction or meaning of the provisions of this Agreement.

D.19 DEFINITIONS. Unless otherwise provided in this Agreement, or unless the context otherwise requires, the following definitions and rules of construction shall apply herein.

D.19.1 NUMBER AND GENDER. In this Agreement, the neuter gender includes the feminine and masculine, and the singular includes the plural, the word "person" includes corporations, partnerships, firms or associations, wherever the context so requires.

D.19.2 MANDATORY AND PERMISSIVE. "Shall" and "will" and "agrees" are mandatory. "May" is permissive.

D.20 TERM INCLUDES EXTENSIONS. All references to the term of this Agreement or the Agreement Term shall include any extensions of such term.

D.21 SUCCESSORS AND ASSIGNS. All representations, covenants and warranties specifically set forth in this Agreement, by or on behalf of, or for the benefit of any or all of the parties hereto, shall be binding upon and inure to the benefit of such party, its successors and assigns.

D.22 MODIFICATION. No modification or waiver of any provision of this Agreement or its attachments shall be effective unless such waiver or modification shall be in writing, signed by all parties, and then shall be effective only for the period and on the condition, and for the specific instance for which given.

RE: MEMORANDUM OF UNDERSTANDING WITH THE YUBA COUNTY OFFICE OF EDUCATION

RECOMMENDATION:
Approve the Memorandum of Understanding with the Yuba County Office of Education to provide vocational educational programs for inmates at the Yuba County Jail, for the Fiscal Year 2012-13.

BACKGROUND:
Each year, the Yuba County Office of Education provides vocational educational programs for inmates in the Yuba County Jail. The vocational programs provide entry-level programs in construction, janitorial and grounds maintenance, basic GED education and computer skills.

DISCUSSION:
This is an annual agreement that has proven beneficial to both agencies. The fiscal year 2012-13 program for the GED program has been budgeted, designed, and staffed around a $15,000 budget.

FISCAL IMPACT:
No fiscal impact to the general fund. The program is included in the FY 2012-13 Jail Budget, and will be paid entirely with Inmate Welfare Funds.

COMMITTEE ACTION:
None. Due to the routine nature of this request, the item was placed directly on the Board of Supervisor’s agenda.
MEMORANDUM OF UNDERSTANDING
BETWEEN COUNTY OF YUBA
AND YUBA COUNTY OFFICE OF EDUCATION

This Memorandum of Understanding is between the County of Yuba and the Yuba County Office of Education. Term of the agreement is July 1, 2012 through June 30, 2013.

1. Yuba County Office of Education agrees to provide an educational program for inmates at the Yuba County Jail between July 2012 and June 2013, consisting of a basic General Equivalency Degree (GED) education. In connection therewith, the Yuba County Office of Education shall provide a teacher and all materials and supplies required for such programs. Differences between state revenue and expenditures will be billed as direct costs as approved by the Board of Supervisors.

2. County of Yuba agrees to make one payment of $15,000 to the Yuba County Office of Education, due January 1, 2013, and will be invoiced for the remainder of the costs based on actual cost of the program minus state revenue received in June of 2013, for continued services through June 30, 2013. The total amount of contribution from County of Yuba is estimated to not be more than $20,000 for the year; this is based on approximately 15 average daily attendance (ADA) in the class to generate state funding.

3. Full accounting is available for review annually.

4. If for any reason either party wishes to cancel this agreement, it must be in writing at least 90 days before the next fiscal year begins.

County of Yuba shall indemnify and hold harmless Yuba County Office of Education (and Yuba County Office of Education’s officers, officials, employees, independent contractors, volunteers, and agents) from and against any and all claims, actions, and proceedings (including all costs, attorneys’ fees, expenses, and liabilities incurred in the defense of any such claim, action, or proceeding brought thereon, relating to damage to property or injury to persons) caused by the performance or omission to perform under this Agreement by County of Yuba or County of Yuba’s agents, representatives, employees, contractors and subcontractors.

Yuba County Office of Education shall indemnify and hold harmless County of Yuba (and County of Yuba’s officers, officials, employees, independent contractors, volunteers, and agents) from and against any and all claims, actions, and proceedings (including all costs, attorneys’ fees, expenses, and liabilities incurred in the defense of any such claim, action, or proceeding brought thereon, relating to damage to property or injury to persons) caused by the performance or omission to perform under this
Agreement by Yuba County Office of Education or Yuba County Office of Education’s agents, representatives, employees, contractors and subcontractors. If any such claim, action, or proceeding is brought against an indemnified party or that party’s officers, officials, employees, independent contractors, volunteers, or agents, the indemnifying party, upon notice from the indemnified party, shall defend the same at the indemnifying party’s expense by counsel satisfactory to the indemnified party.

Each party shall promptly notify the other party of any claim, action, or proceeding against that party or that party’s officers, officials, employees, independent contractors, volunteers, or agents relating to the performance or omission to perform, any term or condition of this Agreement. The indemnified party shall cooperate fully in the defense of any such claim, action or proceeding.

6. The County of Yuba and Yuba County Office of Education certify that they are self insured with respect to this agreement in an amount adequate to provide coverage for any liability which may arise as a result of this Memorandum of Understanding.

SPECIAL PRESENTATIONS
First Five Yuba Commission
Evaluation Findings
Fiscal Year 2011-12

Executive Summary

The First Five Yuba Commission (FFY) contracted with the Davis Consultant Network to evaluate its major grant programs and progress on its 2009-2011 Strategic Plan. FFY invested $380,383 in major grant programming in FY 2011-2012. This Executive Summary highlights findings from the full First Five Yuba Commission Evaluation Findings FY 2011-2012 report.

Population Served
Programs reported serving a total of 1268 children, 1209 parents or guardians, and 257 providers of services to young children or their families. These families resided in all areas of the county. Of the 594 children that were screened for health insurance, 62% were eligible and enrolled in Medi-Cal, a proxy indicator for very low family income.

Family Functioning Findings
- The AmeriCorps provided activities for Yuba families, increasing the numbers of clients served this past fiscal year in all program areas: community outreach; drop-in family resources; parent education and home-visiting. While enrollments were modest, parents who did attend workshops would recommend them to others and reported benefits in their role as parents.
- Baby Steps has trained 532 community leaders, service providers and families on the “40 Developmental Assets”. Workshop participants were very satisfied with the workshop quality and offered examples of how they would apply the assets in their family and professional roles. The message of the 40 developmental assets has been supported through conventional and social media.
- The Salvation Army Linked program expanded its mental health services and onsite child care. It improved access to dental care and offered transportation to medical appointments for families in their residential treatment program. Staff has been responsive to suggestions for upgrading the child care environment, and has assisted parents in assessing their child’s social and emotional development.

Child Development Findings
- FFY has supported a small quality school readiness program in the foothill community of Camptonville for three years. This program has provided school readiness experiences for 26 infants, toddlers and preschool children and has fostered community cohesion and leadership development.
• First Steps addressed and improved the child care quality provided for mothers in its
day treatment program, most notably by providing additional staffing and improving
hand-washing, furnishings, program structure, and activities.
• The Yuba County School Readiness program has become a resource for families with
young children in the target elementary schools of Ella, Cedar Lane, and Linda. The
program provided 2.9 million participant hours of literacy, nutrition, physical activity,
and child development related parent education. Families enjoyed and repeatedly
participated in these workshops.

Child Health Findings
• First Smiles provided training, coaching, and follow-up to 46 Yuba County service
providers on how to conduct dental screening for young children and how to provide
fluoride varnish.
• The Yuba County Office of Education Family Resource Center Gas Card program assisted
60 Yuba families with gasoline expenses to access specialty medical care not locally
available for their child.
• Yuba County Public Works and its private sector partner provided 1335 residents with
recreational experiences. They have laid the foundation for ongoing recreation
opportunities for children of all ages and their families. Of particular public safety
benefit is the establishment of an ongoing aquatics program.
• The NAP SACC (Nutrition and Physical Activity Self-Assessment for Child Care)
Program helps child care providers focus on very specific ways that they can promote
good nutrition and physical activity. Participating providers improved their nutrition
and physical activity environments - most notably in the adoption of physical activity
policies – provision of nutrition education, and physical activity education. Workshop
participants appreciated: learning specific activities they could use with their class; the
helpful suggestions; and handouts for parents.

Systems of Care Findings
Each major grantee reported how it leveraged resources. Together, they reported more than
doubling the FFY $380,393 grant funds for a total community investment of nearly $800,000 in
services to young children and their families.

Subject: Oakley Lane, Yuba County

Dear Members:

I have lived on Oakley Lane for over three years. When I first move here I noticed the lane was in dire need of resurfacing/regrading. Within two month a vehicle towing a trailer lost control, due to the roughness of the road, and spun out (happened while I was standing in my driveway—no one was hurt). Oakley is a well-travelled thoroughfare, with a lot of farm, school bus and commercial traffic. It is a commuter route from west Wheatland road to Route 65

I checked with county roads and found that repaving had been approved, but unfunded. Instead, the county spent monies to redo Lewis Lane.

Credit to the roads department, they do fill the potholes on a regular basis. That creates another issue: the road surface, which is already rough, has added irregularities, making the road worse.

Over much of the road, the shoulders are sinking/collapsing which causes vehicles to pitch to their right and water to accumulate. A common result is for vehicles to drive the center of the road dodging the undulations and irregularities (myself included—don’t tell the CHP). Even the abutment of the concrete at the Dry Creek overcrossing is developing a “lip” due to settling asphalt. I could go on, but this gets the point across.

Personal note: I am a runner and used to run on the middle school track in Wheatland. I run on Oakley Lane now. It is killing my feet—I would almost rather run on the gravel of Dry Creek levy road.

Thank you for reading my concern,

Grady Windham
