FROM: Suzanne Nobles, Director  
Health & Human Services Department  

DATE: December 18, 2012  

SUBJECT: Board of Supervisors approval authorizing the Health and Human Services Department to accept Tuberculosis Special Funds Award from the California Department of Public Health  

RECOMMENDATION: The Board of Supervisors is requested to approve the Health and Human Services Department acceptance of the Tuberculosis Special Funds Award from the California Department of Public Health for the period of October 15, 2012, through December 31, 2012, and authorize the Chair to execute documents as required by this award and to accept funds.  

BACKGROUND: The State of California through California Department of Public Health Tuberculosis Control Branch has made Special Funds available to support travel to the Tuberculosis (TB) Program Manager’s Intensive Training.  

DISCUSSION: Yuba County has been awarded $972.00 to support travel to attend the TB Program Manager’s Intensive Training. The application deadline did not allow adequate time for the Health and Human Services Department to seek Board approval to apply for these funds.  

COMMITTEE: Committee was by-passed as this Special Funds Award has no General Fund impact and/or County Match.  

FISCAL IMPACT: Approval of this Special Funds Award will not impact County Funds as the award is funded entirely by State dollars.

FROM: Suzanne Nobles, Director  
Health & Human Services Department 

DATE: December 18, 2012  

SUBJECT: Children's Medical Services (CMS) Plan and Fiscal Guidelines for FY 2012-2013 

RECOMMENDATION: Approval by the Board of Supervisors is recommended for the attached CMS Plan and Fiscal Guidelines for FY 2012-2013 and authorization is requested for the Chair to sign the two CMS Certification Statements included in this plan. 

BACKGROUND: The Department of Health Care Services (DHCS) has delegated the responsibility of administering the CMS program, which includes Child Health and Disability Prevention (CHDP), California Children Services (CCS) and the Health Care Program for Children in Foster Care (HPCFC), to county health departments. DHCS allocates administrative funds to the Public Health Division of the Health and Human Services Department to provide these ongoing, mandated services upon the submission and approval of the CMS Plan Guidelines. 

DISCUSSION: The CMS Plan and Fiscal Guidelines for FY 2012-2013 includes the combined plan, budget, and scope of work to continue the administration of the CHDP, CCS and HPCFC programs in Yuba County. The budget for these programs is estimated to be $515,762.00; which includes the CHDP budget of $113,854.00, the HPCFC budget of $43,200.00, and the CCS budget of $358,708.00. This revenue source covers salaries and benefits for 5.25 Full Time Employees (FTEs), in addition to the costs of services and supplies associated with administering these programs. 

COMMITTEE: The Human Services Committee was bypassed as this is an annual routine request. 

FISCAL IMPACT: Approval of the CMS Plan and Fiscal Guidelines will not impact County General Funds. The County match requirement for the CCS Program is estimated at $24,476 and will be funded through Health Realignment Funds.

To: Board of Supervisors
From: Kevin Mallen – CDSA Director
Date: December 18, 2012
Subject: Interim Hours of Operation for the Library

Recommendation:

Continue the current schedule of hours open to the public for the Yuba County Library for calendar year 2013, and adopt the attached list of closure days for observed holidays.

Background:

The Library’s current hours open to the public, which have been in effect over the past 18 months, are:

Mondays       Closed
Tuesdays      10:30am to 6:00pm
Wednesdays   10:30am to 6:00pm
Thursdays     12:00pm to 6:00pm
Fridays       12:00pm to 6:00pm
Saturdays     10:30am to 6:00pm
Sundays       Closed

Discussion:

The current hours have served the Library well over the past 18 months, balancing available workforce with needed projects and open to the public. As discussed at the fiscal year 2012/13 budget workshop with the Board, it is recommended to continue this successful arrangement for calendar year 2013. In addition, staff has prepared a holiday closure list based on the Library’s Tuesday to Saturday work schedule.

Committee Action:

This item has been previously discussed by the Board.

Fiscal Impact:

None.

December 18, 2012

TO: Board of Supervisors

FROM: Wendy Hartman, Planning Director
Debra J. Phillips, Housing and Community Services Manager

SUBJECT: DISPOSITION OF 2013 COMMUNITY SERVICE BLOCK GRANT FUNDS

Recommendation:

Provide the Yuba County Board of Supervisors with information from the Yuba County Community Services Commission (YCCSC) as to the disposition of 2013 Community Service Block Grant (CSBG) funds. (YCCSC approved funding allocations on 11/01/12)

Background:

In 1988, the Yuba County Community Services Commission was designated as the authorized Community Action Agency for the County of Yuba and tasked with the responsibility of receiving the CSBG grant funds allocated to Yuba County from the California State Department of Community Services and Development (HCD) and awarding and distributing those funds to grant applicants. The role of the Yuba County Community Services Commission as the exclusive authority for the awarding of grants was outlined in the initial plan submitted to the state at the time of authorization of the Community Action Agency and further reviewed and confirmed by the Office of County Counsel in Opinion No. 97-013, authored by Former County Counsel Daniel Montgomery.

The Yuba County Community Services Commission is also tasked with the responsibility of providing the Yuba county Board of Supervisors with information and/or reports as to the distribution determinations.

On June 28, 2011 the Board of Supervisors approved the 2012/13 Community Action Plan, which set forth the local needs and priorities. YCCSC allocates $52,144 to Administration, making the $196,800 balance of the $248,944 minimum funding available for distribution to community based organizations through a competitive Request for Proposal process. Each year, contracts are executed with the community-based organizations that have been allocated funds under the CSBG guidelines.

Discussion:

Notice of Funding Availability was sent to interested parties and the news media, as
well as published in the Appeal Democrat, and a Bidder’s Conference held. A total of 34 Request for Proposals were distributed, and a total of 20 applications were submitted for consideration. Staff reviewed the applications for completeness and adherence to stated guidelines. Fourteen (14) applications were rated and ranked by six Commissioners and then submitted to an evaluation committee composed of four Community Services Commission members.

The Evaluation Committee rated each proposal, based on the responsiveness to instructions, past performance, and priority areas. Thus, the scoring method afforded an objective decision making process and also considered responsiveness to the identified needs of the community. Scores were then finalized and listed on the attached chart for visual comparison. Further consideration was given to duplication of services among the applications submitted, multiple applications submitted among agencies and priority areas of service listed in the 2012-2013 Community Action Plan.

The Community Service Commission approved the following distribution on November 1, 2012:

RE: 2012/2013 Series B Yuba Community College District Tax & Revenue Anticipation Notes

RECOMMENDATION:

Approve resolution providing for the issuance and sale of Yuba Community College District 2012/2013 Series B Tax & Revenue Anticipation Notes in an aggregate amount not to exceed $12,000,000.00.

BACKGROUND & DISCUSSION:

This request represents the 25th time that this request has been made to the Board of Supervisors. Government Code 53850 et seq. requires the approval of the Board of Supervisors as Yuba Community College District is not fiscally independent. Additionally it is the opinion of Bond Counsel and County Counsel that we have no fiscal liability and this issue would have no affect on Yuba County's borrowing power. The copies of the resolution are on file in the Board of Supervisor's office.

FISCAL IMPACT:

None

COMMITTEE:

RESOLUTION NO. ________

RESOLUTION OF THE BOARD OF SUPERVISORS
OF YUBA COUNTY AUTHORIZING THE ISSUANCE
OF 2012-2013 TAX AND REVENUE ANTICIPATION NOTES
FOR THE YUBA COMMUNITY COLLEGE DISTRICT

WHEREAS, pursuant to Sections 53850 et seq. of the Government Code of the State of California (the “Act”) contained in Article 7.6 thereof, entitled “Temporary Borrowing,” community college districts organized and existing under the laws of the State of California are authorized to borrow money by the issuance of notes for any purpose for which the district is authorized to expend moneys, including, but not limited to, current expenses, capital expenditures, and the discharge of any obligation or indebtedness; and

WHEREAS, Section 53853 of the Act provides that such notes shall be issued in the name of the district by the board of supervisors of the county, the county superintendent of schools of which has jurisdiction over the district, as soon as possible following the receipt of a resolution of the governing board of the district requesting the borrowing; and

WHEREAS, the County Superintendent of Schools of Yuba County (the “County”) has jurisdiction over the Yuba Community College District (the “District”); and

WHEREAS, the Board of Trustees of the District (the “District Board”) has requested this Board (the “County Board”) to issue and offer for sale tax and revenue anticipation notes (the “Notes”) in the name of and on behalf of the District under and pursuant to the provisions of the Act in an amount not to exceed Twelve Million Dollars ($12,000,000); and

WHEREAS, the District has found and determined that the principal amount of said notes, when added to the interest payable thereon, does not exceed eighty-five per cent (85%) of the estimated amount of the uncollected taxes, income, revenue, cash receipts and other moneys to be received by the District for the General Fund of the District during or allocable to Fiscal Year 2012-2013 and available for the payment of the interest on and principal of said notes.

NOW, THEREFORE, the Board of Supervisors of Yuba County hereby resolves as follows:

Section 1. Findings. All of the above recitals are true and correct and the County Board hereby so finds and determines.

Section 2. Authorization of Issuance of Notes; Terms Thereof. The County Board hereby determines to issue notes on behalf of the District in a principal amount not to exceed $12,000,000 under Section 53850 et seq. of the Act, designated “Yuba Community College District, Yuba County, State of California, 2012-2013 Tax and Revenue Anticipation Notes, Series B” (the “Notes”). The Notes shall be dated the date of delivery thereof; shall mature

Yuba Community College District
(without option of prior redemption) on such date as shall be specified in the official notice of
sale or note purchase contract for the Notes; and shall bear interest, payable at maturity (if the
maturity of the Notes is determined to be one year or earlier from the date of issuance) or
payable one year from the date of issuance and at maturity (if the maturity of the Notes is
determined to be more than one year from the date of issuance) and computed on a 30-day
month/360-day year basis, at the rate or rates determined at the time of sale thereof, but not in
excess of six percent (6%) per annum. Subject to Section 5 hereof, both the principal of and
interest on the Notes shall be payable in lawful money of the United States of America at the
principal office of the Paying Agent (as defined below) appointed hereunder.

Section 3. Form of Notes. The Notes shall be issued in registered form, without coupons, in
denominations of $5,000, or integral multiples thereof, and shall be substantially in the form and
substance set forth in Exhibit A attached hereto and by reference incorporated herein, the blanks
in said form to be filled in with appropriate words and figures.

Section 4. Execution of Notes. The County Treasurer or one of his deputies is hereby
authorized to cause the blank spaces of the Notes to be filled in as may be appropriate, and the
County Treasurer or one of his deputies is hereby authorized to manually execute the Notes and
the Clerk of the Board or one of her deputies is hereby authorized to manually countersign the
Notes, and the Clerk of the Board or one of her deputies is hereby authorized to affix the seal of
the County to the Notes by manual impression or by printing a facsimile thereof. Either of these
signatures may be made by facsimile (provided that at least one such signature shall be manual).

Section 5. Registration, Transfer and Exchange of Notes.

(A) The Notes shall be initially issued and registered in the name of "Cede & Co.," as
nominee of The Depository Trust Company, New York, New York (hereinafter, Cede & Co. and
The Depository Trust Company are referred to collectively as "The Depository Trust Company")
and shall be evidenced by a single Note. Registered ownership of the Notes, or any portion
thereof, may not thereafter be transferred except as set forth in Section 3(B).

(B) Registered ownership of the Notes, or any portions thereof, may not be transferred
following issuance thereof except:

(1) To any successor of The Depository Trust Company, or its nominee, or of any
substitute depository designated pursuant to clause (2) of this subsection (B) (a
"Substitute Depository"); provided, that any successor of The Depository Trust Company
or Substitute Depository shall be qualified under any applicable laws to provide the
service proposed to be provided by it;

(2) To any Substitute Depository not objected to by the County Treasurer, upon
(i) the resignation of The Depository Trust Company or its successor (or any Substitute
Depository or its successor) from its functions as depository, or (ii) a determination by
the County Treasurer to substitute another depository for The Depository Trust Company
(or its successor) because it is no longer able to carry out its functions as depository;
provided, that any such Substitute Depository shall be qualified under any applicable laws to provide the services proposed to be provided by it; or

(3) To any person as provided below, upon (1) the resignation of The Depository Trust Company or its successor (or any Substitute Depository or its successor) from its functions as depository, or (2) a determination by the County Treasurer to discontinue using a depository.

(C) In the case of any transfer pursuant to clause (1) or clause (2) of subsection (B) of this Section, upon receipt of all outstanding Notes by the County Treasurer, a single new Note, which the County shall prepare or cause to be prepared, shall be executed and delivered and registered in the name of such successor or such Substitute Depository, or its nominee, as the case may be. In the case of any transfer pursuant to clause (3) of subsection (B) of this section, upon receipt of all outstanding Notes by the County Treasurer, new Notes, which the County shall prepare or cause to be prepared, shall be executed and delivered in such denominations and registered in the names of such persons as are determined by the County Treasurer.

(D) The County and the County Treasurer shall be entitled to treat the person in whose name any Note is registered as the owner thereof for all purposes of this resolution and for purposes of payment of interest on and principal of such Note, notwithstanding any notice to the contrary received by the County or the County Treasurer; and the County and the County Treasurer shall not have responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Notes; and neither the County nor the County Treasurer shall have any responsibility or obligation, legal or otherwise, to any such beneficial owners or to any other party, including The Depository Trust Company or its successors (or any Substitute Depository or its successor), except to the registered owner of any Notes, and the County Treasurer may rely conclusively on its records as to the identity of the registered owners of the Notes.

(E) Notwithstanding any other provisions of this resolution and so long as all outstanding Notes are registered in the name of The Depository Trust Company or its registered assigns, the County and the County Treasurer shall cooperate with The Depository Trust Company, as sole registered owner, and its registered assigns in effecting payment of the interest on and principal of the Notes by arranging for payment in such manner that funds for such payments are properly identified and are made available on the date they are due; all in accordance with the Blanket Letter of Representations to The Depository Trust Company, the provisions of which the County Treasurer may rely upon to implement the foregoing procedures notwithstanding any inconsistent provisions herein.

(F) In the case of any transfer pursuant to clause (3) of subsection (B) of this Section, any Note may, in accordance with its terms, be transferred or exchanged for a like aggregate principal amount of Notes in authorized denominations, upon the books required to be kept by the County Treasurer pursuant to the provisions hereof, by the person in whose name it is registered, in person or by his duly authorized attorney, upon surrender of such Note for
cancellation, and, in the case of a transfer, accompanied by delivery of a written instrument of transfer, duly executed in form approved by the County Treasurer.

Whenever any Note shall be surrendered for transfer or exchange, the County shall execute and the County Treasurer shall deliver a new Note or Notes of authorized denominations for a like aggregate principal amount. The County Treasurer shall require the registered owner requesting such transfer or exchange to pay any tax or other governmental charge required to be paid with respect to such transfer or exchange.

(G) The County Treasurer will keep or cause to be kept, at his office in Marysville, California, sufficient books for the registration and transfer of the Notes, which shall at all times be open to inspection by the County. Upon presentation for such purpose, the County Treasurer shall, under such reasonable regulations as he may prescribe, register or transfer or cause to be registered or transferred, on such books, Notes as hereinafter provided.

(H) If any Note shall become mutilated, the County, at the expense of the owner of such Note, shall execute, and the County Treasurer shall thereupon deliver a new Note of like tenor bearing a different number in exchange and substitution for the Note so mutilated, but only upon surrender to the County Treasurer of the Note so mutilated. If any Note shall be lost, destroyed or stolen, evidence of the ownership thereof, and of such loss, destruction or theft may be submitted to the County and the County Treasurer and, if such evidence be satisfactory to both and indemnity satisfactory to them shall be given, the County, at the expense of the owner, shall execute, and the County Treasurer shall thereupon deliver a new Note of like tenor and bearing a different number in lieu of and in substitution for the Note so lost, destroyed or stolen (or, if any such Note shall have matured, instead of issuing a substitute Note, the County Treasurer may pay the same without surrender thereof). The County Treasurer may require payment by the registered owner of a Note of a sum not exceeding the actual cost of preparing each new Note issued pursuant to this paragraph and of the expenses which may be incurred by the County and the County Treasurer. Any Note issued under these provisions in lieu of any Note alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the County whether or not the Note so alleged to be lost, destroyed or stolen shall be at any time enforceable by anyone, and shall be entitled to the benefits of this resolution with all other Notes secured by this resolution.

(I) All Notes surrendered for payment or registration of transfer, if surrendered to any person other than the County Treasurer, shall be delivered to the County Treasurer and shall be promptly cancelled by him. The County may at any time deliver to the County Treasurer for cancellation any Notes previously delivered hereunder which the County may have acquired in any manner whatsoever, and all Notes so delivered shall promptly be cancelled by the County Treasurer. No Note shall be delivered in lieu of or in exchange for any Notes cancelled as provided herein, except as expressly permitted hereunder. All cancelled Notes held by the County Treasurer shall be disposed of as directed by the County.
Section 6. Deposit of Note Proceeds: No Arbitrage. The moneys so borrowed shall be deposited in the Treasury of the County in a proceeds fund to the credit of the District to be withdrawn, used or expended by the District for any purpose for which it is authorized to invest or expend funds from the general fund of the District, including, but not limited to current expenses, capital expenditures or the discharge of any obligation of indebtedness of the District. The proceeds fund will be called the “Yuba Community College District Tax and Revenue Anticipation Notes Proceeds Fund.” Until used or expended, the moneys may be invested in investment securities by the County Treasurer directly, or through an investment agreement, in investments as permitted by applicable California law, and meeting Standard & Poor’s criteria for investments, or other investments approved by Standard & Poor’s including, but not limited to, investment in the Local Agency Investment Fund maintained by the Treasurer of the State of California. The County hereby covenants that it will make no use of the proceeds of the Notes that would cause the Notes to be “arbitrage bonds” under Section 148 of the Code; and, to that end, so long as any of the Notes are outstanding, the County, and all of its officers having custody or control of such proceeds, shall comply with all requirements of (a) said Section, including restrictions on the use and investment of proceeds of the Notes and the rebate of a portion of investment earnings on certain amounts, including proceeds of the Notes, if required, to the Federal government, and (b) of the Income Tax Regulations of the United States Treasury promulgated thereunder or any predecessor provisions, to the extent that such regulations are, at the time, applicable and in effect, so that the Notes will not be “arbitrage bonds.”

Section 7. Payment of Notes.

(A) Source of Payment. The principal amount of the Notes, together with the interest thereon, shall be payable from taxes, income, revenue, cash receipts, and other moneys that are received by the District during fiscal year 2012-2013 and that are available for the payment of current expenses and other obligations of the District. The Notes shall be a general obligation of the District, and, to the extent the Notes are not paid from the Pledged Revenues defined below, the Notes shall be paid with interest thereon from any other moneys of the District lawfully available therefor, as provided herein and by law.

(B) Pledged Revenues. The Notes shall be secured by a pledge of and first lien and charge against the first unrestricted revenues to be received by the County on behalf of the District in such months and in such amounts as shall be determined by the Chancellor, or the Chancellor’s designee, prior to the date of the sale of the Notes, sufficient to pay the principal of and interest on the Notes at maturity (such pledged amounts being hereinafter called the “Pledged Revenues”). The term “unrestricted revenues” shall mean taxes, income, revenue, cash receipts, and other money of the District as provided in Section 53856 of the Act, which are intended as receipts for the general fund of the District and which are generally available for the payment of current expenses and other obligations of the District.

(C) Deposit of Pledged Revenues in Repayment Fund. The Pledged Revenues shall be deposited in the County Treasury in a special fund designated as the “Yuba Community College
District Tax and Revenue Anticipation Notes Repayment Fund” (herein called the “Repayment Fund”) and applied as directed in this Resolution. Any moneys placed in the Repayment Fund shall be for the benefit of the holders of the Notes, and, until the Notes and all interest thereon are paid or until provision has been made for the payment of the Notes at maturity with interest to maturity, the moneys in the Repayment Fund shall be applied only for the purposes for which the Repayment Fund is created.

(D) Disbursement and Investment of Moneys in Repayment Fund. From the date this Resolution takes effect, all Pledged Revenues shall, when received, be deposited in the Repayment Fund to be held, invested and accounted for as provided herein. After such date as the amount of Pledged Revenues deposited in the Repayment Fund shall be sufficient to pay in full the principal of and interest on the Notes, when due, any moneys in excess of such amount remaining in or accruing to the Repayment Fund shall be transferred to the general fund of the District upon the request of the District. On the maturity date of the Notes, the moneys in the Repayment Fund shall be used, to the extent necessary, to pay the principal of and interest on the Notes.

Moneys in the Repayment Fund shall be invested in investment securities by the County Treasurer, or such other appropriate investment officer of the County, directly, or through an investment agreement, in investments as permitted by applicable California law, as it is now in effect and as it may be amended, modified or supplemented from time to time, and the proceeds of any such investments shall, as received, be deposited in the Repayment Fund and shall be part of the Pledged Revenues. Investments must meet Standard & Poor’s criteria for investments, or other investments approved by Standard & Poor’s including, but not limited to, investment in the Local Agency Investment Fund maintained by the Treasurer of the State of California. Moneys so invested, and the earnings thereon, shall be accounted for as Pledged Revenues, to be withdrawn solely for deposit in the Repayment Fund and used, to the extent necessary, to pay the principal of and interest on the Notes. Sufficient money for the payment of principal and interest for the maturing Notes must be placed into the Repayment Fund in the County Treasury at least one business day prior to the maturity of the Notes.

Section 8. Sale of the Notes. The Notes will be sold either at a private sale to an underwriter or underwriters upon terms and conditions as are acceptable to the District and consistent herewith or by competitive bid and awarded as set forth in an Official Notice of Sale or Note Purchase Agreement that the District’s financial advisor and the Chancellor of the District, or his or her designee, are hereby authorized to prepare consistent with this Resolution. The Chancellor of the District, or his or her designee, is hereby authorized to decide between competitive or private sale in conjunction with advice from the District’s financial advisor and to determine the term of the Notes up to a term of thirteen (13) months.

If the sale is negotiated, the Chancellor of the District, or his or her designee, is authorized to negotiate the sale of no more than $12,000,000 principal amount of notes at an interest rate of not more than six percent (6%).
If the sale is by competitive bid, the Chancellor of the District, or his or her designee, is hereby directed to execute, and the Clerk of the District is directed to publish, the Official Notice of Sale. The County Treasurer, or his or her designee, is hereby authorized and directed to open the bids at the time and place specified in the Official Notice of Sale. The County Treasurer, or his or her designee, is hereby authorized and directed to receive and record the receipt of all bids made pursuant to the Official Notice of Sale, to cause said bids to be examined for compliance with the Official Notice of Sale, to cause computations to be made as to which bidder has bid the lowest true interest cost, as provided in the Official Notice of Sale, to announce the bidder of the lowest true interest cost, and to award the sale to said bidder, and to notify this Board of the foregoing.

**Section 9. Paying Agent.** The County Treasurer is hereby appointed to act as the paying agent (the “Paying Agent”) of the District for the purpose of receiving the payments of principal and interest made by the District on the Notes at maturity, to hold, allocate, use, and apply said payments and to perform such other duties and powers of the Paying Agent as are prescribed in this Resolution.

**Section 10. Delivery of Notes.** The proper officers of the County shall cause the Notes to be delivered to the successful bidder when the County Treasurer has received confirmation of receipt of the proceeds.

**Section 11. Further Actions Authorized.** The County Treasurer and other appropriate officers of the County are further authorized and directed to make, execute and deliver to the purchaser or purchasers of the Notes (a) a certificate in the form customarily required by purchasers of bonds of public agencies generally, certifying to the genuineness and the execution of the Notes, and (b) a receipt in similar form evidencing the payment of the purchase price of the Notes, which receipt shall be conclusive evidence that said purchase price of the Notes has been paid and has been received on behalf of the District. Any purchaser or subsequent taker or holder of the Notes is hereby authorized to rely upon and shall be justified in relying upon any such certificate or receipt with respect to the Notes. Such officers and any other officers of the District or of the County are hereby authorized to execute any and all other documents required to consummate the sale and delivery of the Notes.

**Section 12. Limited Liability.** Notwithstanding anything to the contrary contained herein, in the Notes, or in any other document mentioned herein, neither the County Board nor the County or its officers, employees, and agents (including, but not limited to the County Treasurer-Tax Collector) shall have any liability hereunder or by reason hereof or in connection with the transactions contemplated hereby, and the Notes shall be payable solely from the moneys of the District available therefor as set forth in Section 7 hereof. Without in any way limiting the immediately preceding sentence, nothing in this Resolution or in any other document related to issuance of the Notes shall be deemed to impose any fiduciary responsibility on the County, the County Board or the County’s officers (including the County Treasurer-Tax Collector and County Auditor-Controller), employees and agents with regard to the issuance of the Notes or payment thereof other than that otherwise imposed by law.

ORDINANCES
AND
PUBLIC HEARINGS
To: Yuba County Board of Supervisors

From: Kevin Mallen, CDSA Director

Date: December 11, 2012

Subject: Repeal and Reenact as Amended Chapter 7.40, Marijuana Cultivation Ordinance

Recommendation:

Adopt the attached ordinance repealing and reenacting as amended Chapter 7.40 of the Yuba County Ordinance Code relating to Marijuana Cultivation.

Background:

Chapter 7.40 of the Yuba County Ordinance Code, Marijuana Cultivation, went into effect on June 1, 2012 and a handful of clarifying amendments to the Chapter became effective on August 10, 2012. Chapter 7.40 is an ordinance created to reduce conditions associated with marijuana cultivation that create a public nuisance. On June 29, 2012, a lawsuit was filed by Yuba County Growers Association, Sam McConnell, Yuba Patient Collective, Lew Neal, Old Crow Farm Collective, Kathie Thelen, and Dějā vu Collective against the County in reaction to the County’s adoption of Chapter 7.40.

Discussion:

Subsequent to the lawsuit being filed, the Courts requested that the plaintiffs and the County meet and see if the parties could meet a mutual resolution. The Marijuana Cultivation Ad Hoc Committee (consisting of Supervisors Griego and Nicoletti, CDSA staff, Sheriff, and District Attorney), with guidance from County Counsel and outside counsel, was utilized to discuss the plaintiff’s requests and ultimately utilized to advise on whether a mutual resolution to the lawsuit could be reached. After several rounds of negotiations with the plaintiffs, the attached amended Chapter 7.40 is being recommended to the full Board for their consideration. This proposed amended Chapter 7.40 has already received concurrence from the plaintiffs that if approved by the Board will result in their dismissal of the entire lawsuit with prejudice.

Attached to this memo is a document that provides the tracked changes from the current version of Chapter 7.40 to the proposed amended version. A summary of the changes are as follows:

- Section 7.40.140, add a definition for Accessory Structure and refine the definition of Defined Area of Cultivation.
bullet Sections 7.40.300 and 7.40.310, clarified the legally established residence and physical and legal place of residence requirement.
bullet Section 7.40.300, change exception limits from a mature plant and square footage limit to a mature plant and total plant limit. In addition, broke the 1 to 20 acre category into 1 to 5 acre and 5 to 20 acre. Also, adjusted the mature marijuana plant counts up, with a greater increase on the larger parcels. However, the outdoor mature plant limit of 6 on parcels less than 1 acre remains unchanged.
bullet Sections 7.40.300 and 7.40.310, increase the square footage limitation within a residence from 50 to 100 square feet. However, still retain the 6 plant limit.
bullet Section 7.40.320, increase the outdoor cultivation setback requirements on the larger parcels due to the increased plant count.
bullet Section 7.40.330, on parcels greater than 5 acres in size allow a combination of chain link fencing and vegetation or natural topography screening in lieu of solid fencing.
bullet Section 7.40.410, rewrote the section to provide better clarity on intent.
bullet Section 7.40.420, deleted statement that violating this Chapter is subject to misdemeanor charges.
bullet Section 7.40.440, added language to provide clarity as to Administrative Penalty process including the amount of the penalties and the appeal process.

ARTICLE I
GENERAL PROVISIONS

7.40.100 Authority
Pursuant to authority granted by Article XI Section 7 of the California Constitution, Section 11362.83(c) of the California Health and Safety Code and Section 25845 of the California Government Code, the Yuba County Board of Supervisors does hereby enact this Chapter.

7.40.110 Purpose & Intent
The purpose and intent in adopting this Chapter is to acknowledge State law as it relates to medical marijuana and to reduce conditions that create public nuisances through enacting these regulations governing the number and location of marijuana plants cultivated by qualified patients and their caregivers within the Board's jurisdictional limits.

7.40.120 Findings
a. The Federal Controlled Substances Act, 21 U.S.C. §§ 801 et seq., classifies marijuana as a Schedule I Drug, which is defined as a drug or other substance that has a high potential for abuse, that has no currently accepted medical use in treatment in the United States, and that has not been accepted as safe for use under medical supervision.

b. The Federal Controlled Substances Act makes it unlawful, under federal law, for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute or dispense, marijuana. The Federal Controlled Substances Act contains no exemption for the cultivation, manufacture, distribution, dispensation, or possession of marijuana for medical purposes.

c. Division 10 of the California Health and Safety Code, Uniform Substance Control Act, makes it unlawful, under State law, for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute or dispense, marijuana.

d. In 1996, the voters of the State of California approved Proposition 215, "The Compassionate Use Act", (codified as Health and Safety Code Section 11362.5) which was intended to decriminalize cultivation and possession of medical marijuana by a seriously ill patient, or the patient's primary caregiver, for the patient's personal use, and to create a limited defense to the crimes of possessing or cultivating marijuana. The Act further provided that nothing in this section shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, or to condone the diversion of marijuana for non-medical purposes.

e. The State enacted SB 420 in 2004 (known as the "Medical Marijuana Program Act", codified as Health and Safety Code Section 11362.7 et seq.) to expand and clarify the scope of The Compassionate Use Act of 1996 by creating the medical marijuana Identification Card program, creating reasonable regulations for cultivating, processing, transporting and administering marijuana, as well as limiting the amount marijuana a qualified individual may possess. The Medical Marijuana Program Act defines a "primary caregiver" as an individual who is designated by a qualified patient or by a person with an identification card, and who has consistently assumed responsibility for the housing, health, or safety of that patient or person and is further defined in the California Supreme Court decision People v. Mentch (2008) 45 Cal.4th 274.

f. The County's geographic and climatic conditions, which include dense forested areas
receiving substantial precipitation, provide conditions that are favorable to outdoor marijuana cultivation, thus growers can achieve a high per-plant yield. The Federal Drug Enforcement Administration reports that various types of marijuana plants under various planting conditions may yield averages of 236 grams, or about one-half (1/2) pound, to 846 grams, or nearly two (2) pounds.

g. The strong distinctive odor of marijuana plants may create an attractive nuisance, alerting persons to the location of the valuable plants, and creating a risk of burglary, robbery and/or armed robbery.

h. The strong and distinctive odor of marijuana plants creates a need to ensure that smells that disrupt the use of adjacent properties are minimized, much in the same way that the County has ordinances currently in place to minimize the smells associated with raising livestock.

i. The unregulated cultivation of marijuana in the unincorporated area of Yuba County can adversely affect the health, safety, and well-being of the County, its residents and environment. Comprehensive civil regulation of premises used for marijuana cultivation is proper and necessary to avoid the risks of criminal activity, degradation of the natural environment, malodorous smells, and indoor electrical fire hazards that may result from unregulated marijuana cultivation, and that are especially significant if the amount of marijuana cultivated on a single premises is not regulated and substantial amounts of marijuana are thereby allowed to be concentrated in one place.

j. The immunities from certain prosecution provided to qualified patients and their primary caregivers under State law to cultivate marijuana plants for medical purposes does not confer the right to create or maintain a public nuisance. By adopting the regulations contained in this Chapter, the County will achieve a significant reduction in the complaints of odor and the risks of fire, crime and pollution caused or threatened by the unregulated cultivation of marijuana in the unincorporated area of Yuba County.

k. Nothing in this Chapter shall be construed to allow the use of marijuana for non-medical purposes, or allow any activity relating to the cultivation, distribution, or consumption of marijuana that is otherwise illegal under State law. No provision of this Chapter shall be deemed a defense or immunity to any action brought against any person by the County of Yuba, Yuba County District Attorney, the Attorney General of State of California, or the United States of America.

l. Children (minor under the age of 18) are particularly vulnerable to the effects of marijuana use and the presence of marijuana plants is an attractive nuisance for children, creating an unreasonable hazard in areas frequented by children (including schools, parks, and other similar locations).

7.40.130 Scope
The provisions of this Chapter shall apply generally to all property throughout the unincorporated area of the County of Yuba.
7.40.140 Definitions

To: Yuba County Board of Supervisors

From: Kevin Mallen, CDSA Director

Date: December 11, 2012

Subject: Standards of Building Construction Ordinance, Sections 10.05.025 and 10.05.030

Recommendation:

Adopt the attached ordinance repealing and reenacting Sections 10.05.025 and 10.05.030 of the Yuba County Ordinance Code pertaining to standards of building construction.

Background:

In 2010, the Board adopted an ordinance amendment to Chapter 10.05 of the Yuba County Ordinance Code effectively updating all of the County’s standards of building construction codes to the latest State required standards. Part of the State required standards included the list of activities for residential as well as non-residential construction that were exempted from requiring a building permit, and those lists were adopted by reference.

Discussion:

In order to make it clearer what activities are exempt from County building permit requirements, staff has prepared the attached ordinance, which takes the exemptions contained in the State Codes and incorporates them into the County Ordinance Code to make them easier to find. In addition, staff has taken the standard language and tried to make it clearer, as well as broader in regards to minor repairs to a building such as replacing doors, windows and siding, and finally provide better direction as to how the exemptions need to also conform to other County Codes in order to be exempt.

Section 10.05.025 pertains to the California Building Code, which covers all activities requiring a building permit from the County except for residential activities, which are covered by the California Residential Code in Section 10.05.030. Subsections (a)(2) of both of these Sections contain the respective lists of work exempt from permits. The other subsections contained in both Sections are unchanged from the current ordinance.

Related to the issue of what activities require a building permit, are what fees are charged by the County for the required permits. Chapter 10.05 of the Yuba County Ordinance Code provides County staff the guidance as to what activities require a building permit. Once it has been determined based on the guidance provided in Chapter 10.05 that a building permit is required,
Chapter 13.20 is then utilized to determine what fee shall be charged for the type of activity requiring a building permit. Staff is performing a comprehensive review of all the building permit fees contained in Chapter 13.20 in regards to both their applicability to required permits based on Chapter 10.05 as well as their ability to accurately reflect the costs associated with the services. We intend to have this comprehensive review completed in the Spring of 2013 and be ready to implement in fiscal year 2013/14. For the remainder of fiscal year 2012/13 the current fees contained in Chapter 13.20 will be utilized on required building permits pursuant to Chapter 10.05.

Committee Action:

This item was prepared as a result of a response to the Grand Jury, which the full Board was previously made aware of.

Fiscal Impact:

None.

Subject: Off-Sale General Alcoholic Beverage License Type 20 License – Plumas Stop ‘N’ Shop APN: 016-632-002 & 003 – Pami Lally

Date: December 18, 2012

RECOMMENDATION:

Consider the application from Plumas Stop ‘N’ Shop to the Board of Supervisors to make a finding of public convenience or necessity to allow a Type 20 Off-Sale Beer & Wine Alcoholic Beverage License.

BACKGROUND:

Yuba County has received an application from Plumas Stop ‘N’ Shop to make a finding that public convenience or necessity will be served by allowing an Off-Sale Beer & Wine (Type 20) alcoholic beverage license for permanent use for a convenience store they are opening in Plumas Lake located east of the intersection of Plumas Lake Blvd and River Oaks Drive (APN: 016-632-002 & 003) on parcels zoned Plumas Lake Specific Plan Community Shopping Center and having a General Plan land use designation of Commercial Mixed Use.

Accompanying the application from Plumas Stop ‘N’ Shop is documentation from the State of California Department of Alcoholic Beverage Control (ABC), which includes information regarding a 1998 ABC moratorium on the issuance of off-sale beer and wine licenses in jurisdictions where the ratio of Off-Sale ABC Type 20 & 21 licenses exceeds one for each 2,500 residents. The Plumas Stop ‘N’ Shop convenience store is located in Census tract #0407.00, which currently has only three permitted Off-Sale licenses and is below the eleven ABC Off-Sale licenses authorized in the census tract. In order to proceed with the application, ABC directed the applicant to contact the local governing body to obtain an official finding regarding public convenience or necessity. Therefore, in order for ABC to allow a Type 20 ABC License in Yuba County, the Board of Supervisors must make a finding that the public convenience or necessity will be served.

DISCUSSION:

Plumas Stop ‘N’ Shop is seeking a Type 20 Off-Sale Beer & Wine ABC License for their new store located east of the intersection of Plumas Lake Blvd and River Oaks Blvd near the Plumas Lake Walgreens and in Census Tract #0407.00. Alcoholic beverage licenses are regulated by ABC and only a
specific number of licenses are allotted (based on population) per census tract. Although Census Tract #0407 is currently under their allotted number of Type 20 or 21 licenses, Yuba County currently has a ratio of 1 Off-Sale ABC license per 968 residents which exceeds the 1998 moratorium threshold of 1 Off-Sale ABC license per 2,500 residents. As a result of Yuba County exceeding the 1998 moratorium threshold, a finding of public convenience or necessity by the Board of Supervisors is necessary for Plumas Stop ‘N’ Shop to obtain their requested Off-Sale ABC license.

Plumas Stop ‘N’ Shop justification as to why selling beer and wine at their Plumas Lake convenience store would serve a public convenience or necessity include: being open 24 hours a day would allow Plumas Lake residents the opportunity to purchase beer and wine at their convenience; sales of beer and wine would allow their convenience store to be more of a “one-stop” shopping experience; and the distance Plumas Lake residents would need to travel to purchase beer and wine would be reduced.

The County does not have any adopted policies on alcoholic beverage licenses therefore, in order for the Board of Supervisors to take action in favor of the Plumas Stop ‘N’ Shop application; the Board must make findings of public necessity or convenience. This is consistent with the requirements of the State of California Department of Alcoholic Beverage Control.

COMMITTEE:

Since this is an item of “public interest” it was not presented to the Land Use & Public Works Committee.

ACTION BY BOARD of SUPERVISORS:

In order for the Board of Supervisors to take action in favor of the Plumas Stop ‘N’ Shop application, the Board must find that such is a public necessity or for the convenience of the public. Therefore, if the Board finds that allowing an Off-Sale Beer & Wine alcoholic beverage license for convenience store is a public necessity or is for the convenience of the public then such findings shall be stated by the Board when taking action on the request. In the alternative, the application would be denied if the Board of Supervisors does not find that there is a public necessity or that such is for the convenience of the public.

In either event, Planning Department staff will send a letter outlining the Board’s action by a minute order to ABC at their Sacramento office.

FISCAL IMPACT:

Staff does not anticipate a fiscal impact resulting from this action.

Breakdown of ABC Off-Sale (Type 20 & 21) Licenses Authorized versus Permitted per Census Tract
California Sudden Infant Death Syndrome Advisory Council

November 28, 2012

Chairman Hal Stocker,
Yuba County Board of Supervisors
915 8th Street, Suite #109
Marysville, California 95901

RE: STEVEN DURFOR.
Letter of Commendation for Community Service.

Dear Chairman Stocker,

It is with a great deal of pleasure that I inform you about your Yuba County Sheriff-Coroner, Steven Durfor, who has performed outstanding, dedicated, and vitally important community service.

Sudden infant death syndrome (SIDS) is the most common cause of death in infants between the ages of 1-month and 1-year, yet its cause remains unknown. One out of every 2,000 babies who are born in California will die from SIDS before their first birthday. The surviving family members of a baby who dies from SIDS are no less the victims of this unexplained tragedy. If they do not receive appropriate information and support in a timely fashion, they may suffer unnecessarily, perpetuating the extent of this tragedy. Further, we now know that certain infant sleep practices will reduce the risk of dying from SIDS, yet this information is not widely known.

Much remains to be done to improve services to SIDS families, improve public education about SIDS, and promote SIDS research in our community. In order to move this forward, the California Department of Public Health has established the California SIDS Advisory Council to advise the State on how to remedy these deficiencies. The Council is comprised of public spirited volunteers with an interest and expertise in SIDS who serve without compensation. Yet, this Council has implemented important legislation, education, research, and direct service to SIDS families which have been crucially important toward resolving the problems with SIDS services, education, and research in California.

Steven Durfor has been an active, dedicated, and enthusiastic member of the California SIDS Advisory Council since 2007. As a Sheriff-
Coroner, he is the Council’s window on the needs of first responders to SIDS infants in California. He has performed dedicated service above and beyond the call of duty, and his activities have been of vital importance to the work of the Council. He has not received reimbursement for this service. However, as Chair of the California SIDS Advisory Council, I am pleased to inform you how valuable the service of Steven Durfor has been to all Californians touched by SIDS. I hope you will take note of these accomplishments, and recognize him appropriately. You are fortunate to have such a generous and dedicated individual in your County, and I am pleased and proud that Steven Durfor has volunteered his services to the California SIDS Advisory Council.

Sincerely,

Reference: Environmental Assessment
Northern California Optimization of Airspace and Procedures in the Metroplex
Early Notification Letter

Dear Chairman Stocker:

This notification letter is to inform you that the Federal Aviation Administration (FAA) intends to prepare an Environmental Assessment (EA) to consider the potential environmental impacts of the implementation of the Optimization of Airspace and Procedures in the Metroplex (OAPM) in the Northern California area (NorCal OAPM). Attachment 1 is a copy of the Notice that will be published in major newspapers in the Northern California area (Sacramento, Oakland, San Francisco, and San Jose) that notifies the general public of the FAA’s intent to prepare an EA.

A "Metroplex" is multiple airports in and around a busy metropolitan area. The NorCal OAPM would improve the efficiency of the NorCal Metroplex airspace by optimizing aircraft arrival and departure procedures at a number of airports, including San Francisco International Airport (SFO), Oakland International Airport (OAK), Sacramento International Airport (SMF), and San Jose Mineta International Airport (SJC). The project may involve changes in aircraft flight paths and/or altitudes in certain areas, but would not require any ground disturbance or increase the number of aircraft operations within the Northern California Metroplex airspace area.

To evaluate potential environmental impacts of the NorCal OAPM project, the FAA will establish a General Study Area (GSA) to evaluate potential impacts of changes in aircraft routing that are proposed to occur below 10,000 feet above ground level (AGL). The GSA is subject to change and would be finalized during the environmental review process.
The FAA has begun preparation of the EA and intends to issue the Draft in late 2013. We welcome your input as we prepare the EA and we are sending this early notification letter for the following reasons:

1. To advise you of the initiation of the EA study;
2. To provide you an opportunity to provide any background information that you may have regarding the study area established for this EA; and
3. To provide you an opportunity to advise the FAA of any issues, concerns, policies or regulations that you may have regarding the environmental analysis that will be undertaken in the EA.

Public participation will also be incorporated in the EA process and will be announced in the future. Public workshops will be conducted to provide an opportunity for the public to learn about the project and to submit comments. The FAA plans to hold separate consultations with the appropriate Tribal Governments and their designated Tribal Historic Preservation Office in accordance with Executive Order 13175, if applicable. The appropriate Tribal Governments and their designated Tribal Historic Preservation Office will be determined after the GSA is finalized.

FAA is currently working on additional details related to this project, and will be coordinating with the appropriate agencies and tribes in the near future. If you desire to provide comments and/or have any questions about the information provided, please provide them by letter or email, before January 18, 2013, at the following address:

Attachment – Public Notice
U.S. DEPARTMENT OF TRANSPORTATION
Federal Aviation Administration

Notice of the Federal Aviation Administration’s (FAA) intention to prepare a Draft Environmental Assessment for the Optimization of Airspace and Procedures in the Northern California Metroplex (NorCal OAPM).

SUMMARY: The FAA is issuing this notice to advise the public it intends to prepare a Draft Environmental Assessment (EA) for the NorCal OAPM Metroplex, which involves flight procedure optimization for Oakland International Airport (OAK), Sacramento International Airport (SMF), San Francisco International Airport (SFO), and San Jose Mineta International Airport (SJC). The EA will be conducted pursuant to the National Environmental Policy Act of 1969 and its implementing Regulations found at Title 40, Code of Federal Regulations, Sections 1500-1508.

The purpose of the proposed NorCal OAPM is to improve the efficiency of the controlled airspace (a generic term referring to airspace where air traffic control service is provided) using more current navigation technology called Area Navigation (RNAV). The FAA has not made any decisions about the final content of the EA.

SUPPLEMENTARY INFORMATION:
Air traffic procedures operating in the airspace near Oakland International Airport (OAK), Sacramento International Airport (SMF), San Francisco International Airport (SFO), and San Jose Mineta International Airport (SJC) (the major EA Airports), will be evaluated in the draft EA. The current procedures, which are intended to provide an orderly flow of traffic in and out of a busy metropolitan area, are dependent upon navigational aids on the ground and/or air traffic controller issued radar vectors. Ground-based navigational aids have limited capabilities, which dictate the location of a route in/out of the airspace. Radar vectors involve multiple communication transmissions between an air traffic controller and a pilot. RNAV technology is not limited to ground-based navigational aids and not subject to the same limitations. Therefore, RNAV-based procedures can direct pilots along more direct routes with predictable location and altitude information. A predictable procedure would involve less communication between an air traffic controller and a pilot; therefore reducing workload for both individuals. The application of RNAV technology for the NorCal Metroplex would enhance efficient use of the airspace.

Proposed Action
The EA is expected to evaluate at least two alternatives, the No Action and the proposed NorCal OAPM alternative (the Proposed Action). The FAA has not finalized the proposed NorCal OAPM at this time. The proposed NorCal OAPM as it is currently being configured consists of optimizing aircraft routes within the controlled airspace into and out of the NorCal Metroplex. The primary components of the proposed NorCal OAPM would include:

- **ESTABLISHING UPDATED DEPARTURE ROUTES AND/OR FIXES FROM THE EA AIRPORTS.** Aircraft departing from the EA Airports would transition to the high altitude routes using optimized routes based on RNAV technology.
• **ESTABLISHING UPDATED ARRIVAL ROUTES AND/OR FIXES INTO THE EA AIRPORTS.** Aircraft bound for the EA Airports would use optimized procedures to transition from a high altitude route to an existing approach route.

Implementation of the proposed NorCal OAPM is not anticipated to increase the number of aircraft operations at OAK, SMF, SFO, or SJC or involve physical construction of any facilities.

**General Study Area**

Using radar data for the EA study airports and the initial proposed design changes, the FAA will identify a general study area in which changes to aircraft routing would occur as a result of the Proposed Action.

The general study area will be used to evaluate and compare the potential impacts of the Proposed Action and reasonable alternatives. This evaluation will occur where departing aircraft are anticipated to be at altitudes below 10,000 feet above ground level (AGL) and arriving aircraft at altitudes below 7,000 feet AGL under the Proposed or the No Action alternative. The FAA may also consider traffic flying over tribal lands, national parks or national wildlife refuges below 18,000 feet AGL to evaluate and compare the potential impacts of the Proposed Action and the No Action alternative.

**PUBLIC WORKSHOPS**

FAA intends to hold public workshops following publication of the Draft EA. FAA will provide public notice of the public workshops and the availability of the Draft EA at a future date.

Dear Candidate and Interested Parties:

You are invited to be present during any of our election processes and procedures associated with the January 8, 2013 Senate District 4 Special General Election. Due to the abbreviated timeframe for this election please contact the Elections office at (530) 749-7855 for specific dates and times.

- Logic & Accuracy Testing – The purpose of this testing is to ensure the accuracy of the ballot counting system. Location: County Clerk/Recorder/Elections Department, 915 8th St., Suite 107, Marysville.

- Vote by Mail Ballot Mailings – As Vote by Mail ballots are received they will be keyed in and signatures will be verified. If signatures do not match when compared or a signature is missing, efforts will be made to contact the voter. Location: County Clerk/Recorder/Elections Department, 915 8th St., Suite 107, Marysville.

- Vote by Mail Ballot Processing – Elections Code §15101 allows election officials to begin processing Vote by Mail ballots seven (7) business days prior to the election. Activities include: opening ballot envelopes, removing ballots, preparing the ballots to be counted, and processing ballots through the ballot counter. Location: County Clerk/Recorder/Elections Department, 915 8th St., Suite 107, Marysville.

- Election Day – Polling sites will be open from 7 a.m. to 8 p.m. on Election Day. Any person is allowed to observe any procedure at the polls (except as to how a person voted). Persons are permitted to observe voting but MUST NOT INTERFERE with the duties of the Elections Officers. Observers may not handle official ballots or intrude upon the voting process.

- Election Night – After the polls close, results from the Vote by Mail ballots will be released by the Elections Office and online at http://elections.co.yuba.ca.us. Election officials will bring ballots and results cartridges from the polls to the County Clerk/Recorder/Elections Department for the votes to be totaled. Result cartridges and ballots from the precincts will be tabulated at the central counting location and totals released periodically throughout the night. At the end of the evening, semi-official election night results will be available in hardcopy at the office and online at http://elections.co.yuba.ca.us. Ballot tabulation will be lengthy and may continue to the next day and up to 28 days following the election. Location: Yuba County Board of Supervisors Chambers, 915 8th St., Marysville and/or Elections Office – Suite 107.
• Canvass – Thursday, January 10, 2013, will begin the official canvass of the vote, which includes processing all remaining ballots, researching provisional ballots, duplicating damaged ballots, auditing the polls, and conducting a 1% manual tally of paper ballots and a 100% manual tally of Touchscreen votes as required by statute and regulation. Canvass activities typically last between one and two weeks but may continue for up to 28 days. Location: County Clerk/Recorder/Elections Department, 915 8th St., Suite 107, Marysville.

Attention: County Boards of Supervisors

The California Fish and Game Commission is the lead agency for a project to modify existing falconry regulations. The Department of Fish and Game has prepared a draft environmental document pursuant to the California Environmental Quality Act (CEQA).

CEQA provides direction to lead agencies to allow the public the opportunity to review the draft environmental documents. Because falconry regulations are statewide, the public in virtually all counties should have access to the review and analysis of the proposed project.

To provide the public with an opportunity to review and comment on the proposals contained in this document, the Department is informing the citizens of your respective county that the Draft Environmental Document Regarding Falconry Regulations prepared by the California Department of Fish and Game in compliance with CEQA will be posted on the following website (http://www.dfg.ca.gov/wildlife/falconry/) beginning December 14, 2012.

We ask that you please make this announcement available for public review in a suitable location for such notices until February 1, 2013.

If you have any questions regarding this request, please contact me by e-mail at ksmith@dfg.ca.gov, or by telephone at (916) 445-3685.
