Re: Approval of Child Care Planning Council’s 2012-2017 Child Care Needs Assessment.

Recommendation: Approval of Child Care Planning Council’s 2012-2017 Child Care Needs Assessment.

Background: The Council is responsible for documenting the child care needs of the community and submitting a report to the State Department of Education every five years. The information contained in the needs assessment will be used to provide our state legislature with data on the child care needs in our community and provide a base for the distribution of funding for child care and development services over the next five years.

Discussion: The Child Care Planning Council of Yuba and Sutter Counties (CCPC) recently completed its 2012-2017 Child Care Needs Assessment for Yuba and Sutter Counties. We have enclosed a copy of the state required data form and the Needs Assessment Summary, both approved by the Child Care Planning Council at its January 22, 2013 meeting.

According to the contract requirements for child care local planning councils, the results of the needs assessment are to be submitted to the Board of Supervisors and the Superintendent of Schools for approval, prior to submission to the State Department of Education.

SUBJECT:   Conflict of Interest Code approval for Certain Special Districts/Agencies within the County

Recommendation

Approve amendments to the Conflict of Interest Codes for Browns Valley Cemetery District, Camptonville Academy, Camptonville Community Services District, District 10-Hallwood Community Services District, First 5 Yuba Commission Foothill Fire Protection District, Wheatland Fire Authority, and Wheatland Union High School District.

Background and Discussion

Government Code section 87300 et seq. require each local agency to keep a conflict of interest code which must be reviewed during each even numbered year and updated to reflect changes that occur within the organization. This office has received amended codes for Browns Valley Cemetery District, Camptonville Academy, Camptonville Community Services District, District 10-Hallwood Community Services District, First Five Yuba Commission, Foothill Fire Protection District, Wheatland Fire Authority, and Wheatland Union High School District. An agency's code is not effective until after approval of the code reviewing body. The Board of Supervisors is the reviewing body for local agencies with boundaries in Yuba County.

All of the attached codes have been reviewed by Counsel for legal sufficiency and are submitted for your approval.

Committee Action

Brought directly to Board for approval as this is a routine and recurring matter every two years mandated by the State.

Such designation must be made in writing and shall include a description of the consultant’s duties and shall include a description of the consultant’s duties and based upon that description, a statement of the extent of the consultant’s disclosure requirements. The consultant’s designation must be filed, in advance of disclosure by the consultant, with the Agency’s Conflict of Interest Code and also filed with the Code reviewing body and must be delivered to the consultant along with a copy of the conflict of interest code and the manual and forms for disclosure (FPPC Form 730).

Conflict of Interest Policy

Purpose/Background:
The First 5 Yuba Commission (the Commission) is required by statute to adopt in a public hearing, policies consistent with state law regarding conflict of interest. This policy so adopted supersedes any Conflict of Interest Policy of the Commission previously in effect.

This policy includes rules adopted by the Fair Political Practices Commission and the Political Reform Act.

It is the intent of this policy to meet the requirements of California Health and Safety Code sections 130140 (4) (A), consistent with the following sections of the Government Code:

- Article 4, section 1090, et seq. (Prohibitions Applicable to Specified Officers)
- Article 4.7, section 1125, et seq. (Incompatible Activities)
- Chapter 7, section 87100, et seq. (Conflict of Interest)

Policy:
The Commission intends that all commissioners and Commission staff shall uphold the highest ethical standards so that public confidence and trust in the integrity and objectivity of the Commission is preserved. It is the policy of the Commission to guard against impropriety and even the appearance of impropriety by prescribing the following standards:

A. No Commissioner or staff person may make, participate in making, or use his/her position to influence a decision, which affects his/her economic interest.

Commissioners are expected to voluntarily recuse themselves from any funding decision in which they or their family members have a financial interest. A Commissioner or staff person can determine whether an unlawful economic interest exists by asking him/herself the following questions:

1. Will the decision affect your personal expenses, income, assets or liabilities, or those of your immediate family? (Personal Financial Effect)
2. Will the decision affect any business in which you, your spouse, your dependent children, or anyone acting on your behalf has an investment of at $1,000 or more? (Business Investment)
3. Will the decision affect any business entity for which you are a director, officer, partner, trustee, employee, or hold any position of management? (Business Employment or Management)
4. Will the decision affect any real property (including mortgages, options or leases) in which you, your spouse, your dependent children or anyone acting on your behalf has an interest of $1,000 or more, or any property within 2,500 feet of your property? (Real Property)
5. Will the decision affect any person or business that has paid (or has promised) you $250 or more, or that has paid your spouse more than
$500 (including payments of salary, rent, interest, some loans, payments for sale of a house, car or investment, or other types of income) in the last 12 months? (Sources of Income)

6 Will the decision affect any business or person that gave you gifts that total $300 or more within the last 12 months? (Gifts)

If the answer is "yes" to any of these questions, an economic interest exists which prohibits the Commissioner or staff person from participating in or using his/her position to influence a related decision.

B. Commissioners and other designated persons (Executive Director, Attorney, and Consultant) are required to file the original Statement of Economic Interests Form (also known as Form 700) annually, by April 1st, with the Yuba County Clerk/Recorder Office and submit a copy to the First 5 Yuba office.

C. Unless an economic interest exists, as defined above (Section A), First 5 Commissioners have only a "remote" interest in contracts made by the Commission to agencies they represent, according to Government Code Section 1091.3. No conflict of interest exists as to a remote interest if the following process is followed. When the Commission is making a decision to fund an agency a commissioner represents, the commissioner shall declare his/her relationship to that agency and recuse himself/herself from participating in or using his/her position to influence the decision.

* It is the practice of the Commission that when commissioners recuse themselves, they absent the meeting room during the length of the agenda item.

Effective Date: Adopted on June 16, 2008 in Marysville, California.

A consultant is an individual who, pursuant to a contract with the district, makes a governmental decision whether to: (2 CCR 18701)

1. Approve a rate, rule, or regulation

2. Adopt or enforce a law
CONFLICT OF INTEREST (continued)

4. Authorize the district to enter into, modify, or renew a contract that requires district approval

5. Grant district approval to a contract that requires district approval and in which the district is a party, or to the specifications for such a contract

6. Grant district approval to a plan, design, report, study, or similar item

7. Adopt or grant district approval of district policies, standards, or guidelines

A consultant is also an individual who, pursuant to a contract with the district, serves in a staff capacity with the district and in that capacity participates in making a governmental decision as defined in 2 CCR 18702.2 or performs the same or substantially all the same duties for the district that would otherwise be performed by an individual holding a position specified in the district's conflict of interest code. (2 CCR 18701)
CONFLICT OF INTEREST

The Board of Trustees desires to maintain the highest ethical standards and help ensure that decisions are made in the best interest of the district and the public. In accordance with law, Board members and designated employees shall disclose any conflict of interest and, as necessary, shall abstain from participating in the decision.

(cf. 9005 - Governance Standards)

The Board shall adopt a resolution that specifies the terms of the district's conflict of interest code, the district's designated positions, and the disclosure categories required for each position.

Upon direction by the code reviewing body, the Board shall review the district's conflict of interest code and submit any changes to the code reviewing body.

When a change in the district's conflict of interest code is necessitated due to changed circumstances, such as the creation of new designated positions, changes to the duties assigned to existing positions, amendments, or revisions, the amended code shall be submitted to the code reviewing body within 90 days. (Government Code 87306)

When reviewing and preparing the district's conflict of interest code, the Superintendent or designee shall provide officers, employees, consultants, and members of the community adequate notice and a fair opportunity to present their views. (Government Code 87311)

(cf. 9320 - Meetings and Notices)

Board members and designated employees shall annually file a Statement of Economic Interest/Form 700 in accordance with the disclosure categories specified in the district's conflict of interest code. A Board member who leaves office or a designated employee who leaves district employment shall, within 30 days, file a revised statement covering the period of time between the closing date of the last statement and the date of leaving office or district employment. (Government Code 87302, 87500)

(cf. 4117.2/4217.2/4317.2 - Resignation)
(cf. 9222 - Resignation)

Conflict of Interest under the Political Reform Act

A Board member or designated employee shall not make, participate in making, or in any way use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect" on one or more of the Board member's or designated employee's "economic
CONFLICT OF INTEREST (continued)

interests," unless the effect is indistinguishable from the effect on the public generally or the Board member's or designated employee's participation is legally required. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

A Board member or designated employee makes a governmental decision when, acting within the authority of his/her office or position, he/she votes on a matter, appoints a person, obligates or commits the district to any course of action, or enters into any contractual agreement on behalf of the district. (2 CCR 18702.1)

A Board member who has a disqualifying conflict of interest on an agenda item that will be heard in an open meeting of the Board shall abstain from voting on the matter. He/she may remain on the dais, but his/her presence shall not be counted towards achieving a quorum for that matter. A Board member with a disqualifying conflict of interest shall not be present during a closed session meeting of the Board when the decision is considered and shall not obtain or review a recording or any other nonpublic information regarding the issue. (2 CCR 18702.1)

Additional Requirements for Boards that Manage Public Investments

A Board member who manages public investments pursuant to Government Code 87200 and who has a financial interest in a decision shall, upon identifying a conflict or potential conflict of interest and immediately prior to the consideration of the matter, do all of the following: (Government Code 87105; 2 CCR 18702.5)

1. Publicly identify each financial interest that gives rise to the conflict or potential conflict of interest in detail sufficient to be understood by the public, except that disclosure of the exact street address of a residence is not required.

2. Recuse himself/herself from discussing and voting on the matter, or otherwise acting in violation of Government Code 87100. The Board member shall not be counted toward achieving a quorum while the item is discussed.

However, the Board member may speak on the issue during the time that the general public speaks on it and may leave the dais to speak from the same area as members of the public. He/she may listen to the public discussion of the matter with members of the public.

3. Leave the room until after the discussion, vote, and any other disposition of the matter is concluded, unless the matter has been placed on the portion of the agenda reserved for uncontested matters.

If the item is on the consent calendar, the Board member must recuse himself/herself from discussing or voting on that matter, but the Board member is not required to leave the room during consideration of the consent calendar.
CONFLICT OF INTEREST  (continued)

4. If the Board's decision is made during closed session, disclose his/her interest orally during the open session preceding the closed session. This disclosure shall be limited to a declaration that his/her recusal is because of a conflict of interest pursuant to Government Code 87100. He/she shall not be present when the item is considered in closed session and shall not knowingly obtain or review a recording or any other nonpublic information regarding the Board's decision.

(cf. 3430 - Investing)

Conflict of Interest under Government Code 1090

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest, the district is barred from entering into the contract. (Government Code 1090; Klistoff v. Superior Court, (2007) 157 Cal.App. 4th 469)

A Board member shall not be considered to be financially interested in a contract if his/her interest is a "noninterest" as defined in Government Code 1091.5. One such noninterest is when a Board member's spouse/registered domestic partner has been a district employee for at least one year prior to the Board member's election or appointment. (Government Code 1091.5)

A Board member shall not be considered to be financially interested in a contract if he/she has only a "remote interest" in the contract as specified in Government Code 1091 and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. (Government Code 1091)

Even if there is not a prohibited conflict of interest, a Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of employees to which his/her relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.
CONFLICT OF INTEREST (continued)

Common Law Doctrine Against Conflict of Interest

A Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

Rule of Necessity or Legally Required Participation

On a case-by-case basis and upon advice of legal counsel, a Board member with a financial interest in a contract may participate in the making of the contract if the rule of necessity or legally required participation applies pursuant to Government Code 87101 and 2 CCR 18708.

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

(cf. 4136/4236/4336 - Nonschool Employment)

Gifts

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation except as described in Government Code 89506.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria

Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)
CONFLICT OF INTEREST (continued)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession unless the sole or predominant activity of the business, trade, or profession is making speeches

2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

TO: Board of Supervisors

FROM: Wendy Hartman, CDSA Planning Director
        Debra J. Phillips, Executive Director of Community Services Commission

SUBJECT: Authorize Contract for 2013 CSBG Program and Execution of all Documents

Recommendation:

It is recommended that the Yuba County Board of Supervisors approve and authorize execution of contract 13F-3053 between the Department of Community Services and Development (CSD) and the Yuba County Community Services Commission for the 2013 Community Services Block Grant (CSBG) program and authorize and empower the Executive Director of the Community Services Commission to execute all necessary documents in connection with this program.

Background:

The Yuba County Community Services Commission is approved to receive and administer $256,975 in Community Services Block Grant funds for 2013. The State is operating under a continuing resolution and has authorized an initial allocation in the amount of $69,326. The remainder of the allocation will be released under contract amendments as the funds become available. The Board has approved prior agreements for calendar years 1989 through 2012. It is the general policy of the County that the Chairman of the Board of Supervisors executes contracts. The CSD contract requires a resolution specific to this contract.

The Board of Supervisors previously authorized, empowered, and designated the Executive Director of the Community Services Commission to execute all necessary documents and act in all matters in connection with the CSBG programs in Resolution No. 1990-15. The 2013 CSD contract requires that a new resolution specific to contract 13F-3053 be submitted. This does not alter the action previously taken by the Board of
Supervisors, but satisfies this requirement.

Discussion:

The attached contract contains many provisions, including budget information reflecting the 2013 distribution of funds previously approved by the Yuba County Community Services Commission.

Committee Recommendation:

The Yuba County Community Services Commission approved the attached contract on February 7, 2013.

Fiscal Impact:

These activities are at no cost to the General Fund.

A complete copy of the contract is on file in the Clerk of the Board's office for review.

DATE:                 February 12, 2013

SUBJECT:             Yuba County Trails Commission

RECOMMENDATION

Given current staff resources, meeting attendance issues, and lack of interest from the public, the Planning Commission and CDSA staff recommend that the Board of Supervisors suspend the Trails Commission indefinitely.

BACKGROUND/DISCUSSION

This item was originally heard by the Board in April of 2012. At that time there was still interest from one of the Trails Commissioners to keep the Trails Commission active. The Board agreed to suspend the meetings for two months in an effort to see if something could be worked out. The Board revisited the item in June of 2012 and suspended the Commission for period of six months due to lack of projects for the Trails Commission to review as well as limited staff resources. Since June of 2012 there have not been any new projects directly related to the development of trails within the County. None of the Trails Commissioners or the general public has inquired about restarting the meetings. In addition, staff resources within CDSA have been further reduced. In light of these circumstances, the Planning Commission and CDSA staff believe it is in the best interest of the County to suspend the Trails Commission indefinitely.

As discussed in the April 2012 staff report (Attached), the Trails Commission bylaws indicate that the Board of Supervisors may suspend the Trails Commission if there is a lack of a quorum for three consecutive meetings or if the Board of Supervisors determines there are not a sufficient number of projects available for the Trails Commission to review. If the Board of Supervisors does suspend the Trails Commission, the Board may then resume the Trails Commission at any time.

COMMITTEE ACTION

On January 18, 2012 the Planning Commission recommended (4 - 0) that the Board of Supervisors suspend the Trails Commission. In light of this recommendation, the Planning Commission did not appoint a chairperson to the Trails Commission.

FISCAL IMPACT

Given the current staff resources and time needed for document preparation, including staff reports and mailings, the suspension of the Trails Commission would allow staff to focus on other tasks.

TO: Board of Supervisors  
FROM: Wendy W. Hartman, Planning Director  
DATE: April 17, 2012  
SUBJECT: Yuba County Trails Commission  

RECOMMENDATION

Given current staff resources and attendance issues, the Planning Commission recommends that the Board of Supervisors suspend the Trails Commission meetings until further notice.

BACKGROUND/DISCUSSION

The Trails Commission, originally formed September 17, 1991 is composed of seven members representing: Planning Commission, Equestrian, Bicycle, Environmental, At-Large, City of Marysville and City of Wheatland. After the formation, attendance had dropped off and the Trails Commission was unable to function. In 2006, the Trails Commission was reinstated under the Planning Department and by 2007 all of the representatives of the Trails Commission were filled at that time. However, with exception of several months in 2010 the Environmental representative has not been filled since 2008. The Trails Commission regular meetings are typically the first Tuesday of the month at 3:00 PM. During the past several years attendance has been sporadic with no attendance from the City of Wheatland. Since October 6, 2009 there have been 21 scheduled meetings, where a quorum was present at 10 of the meetings (less than 50%). A quorum of four (4) members is required to conduct business.

In addition to lack of attendance, due to budget cuts over the last couple of years, the Community Development & Services Agency (CDSA) has had to significantly reduce the amount of staff support it is able to provide to the Trails Commission. A representative from CDSA currently attends every other meeting to provide updates on County projects and technical support to the Trails Commission. Administrative duties such as preparation of agendas, minutes and correspondence as well as other clerical services previously provided by the Planning Department are now being prepared by the Trails Commission Chair and reviewed by CDSA prior to public release.

The Trails Commission bylaws indicate that the Board of Supervisors may suspend the Trails Commission if there is a lack of a quorum for three consecutive meetings or if the Board of Supervisors determines there are not a sufficient number of projects available for the Trails Commission to review. The County's trail related projects for the present and foreseeable future consist of an update to the Bikeway Master Plan and development of trails within Sycamore Ranch/Hammon Grove Parks. Trails Commissioners currently involved in these projects will be

4/17/12:80S Suspended 2 months of meeting andd fromed ad hoc to look for alternatives to combining with another commission etc and return in June for report/ds
able to continue participating as residents/stakeholders. If the Board of Supervisors does suspend the Trails Commission, the Board may then resume the Trails Commission at any time.

**COMMITTEE ACTION**

On January 18, 2012 the Planning Commission unanimously recommended (4 - 0, Commissioner Lindman absent) that the Board of Supervisors suspend the Trails Commission. In light of this recommendation, the Planning Commission did not appoint a chairperson to the Trails Commission.

**FISCAL IMPACT**

Given the current staff resources and time needed for document preparation, including staff reports and mailings, the suspension of the Trails Commission would allow staff to focus on other tasks.

TO: BOARD OF SUPERVISORS

FROM: Wendy Hartman, Planning Director
Ed Palmeri, Senior Planner

SUBJECT: A Resolution Adopting the Olivehurst Sustainable Community and Economic Revitalization Plan as a Visioning Guide for the Revitalization of the Olivehurst Community

DATE: February 12, 2013

RECOMMENDATION:
Approve the resolution adopting the Olivehurst Sustainable Community and Economic Revitalization Plan as a visioning guide for the revitalization of the Olivehurst community.

BACKGROUND:

The Yuba County Community Development & Services Agency applied for and was awarded an Environmental Justice grant from Caltrans for the Olivehurst Sustainable Community and Economic Revitalization (OSCER) Plan (the Plan). The contract with Caltrans was approved by the Board in March 9, 2010. The Plan addresses transportation, safety, drainage, land use, community development, community identification, and sustainability issues for the entire Olivehurst community. Previous planning efforts focused on key corridor segments and did not address the entire elements list above.

The Olivehurst Sustainable Community and Economic Revitalization Plan is a visioning document, which means it is not a regulatory document. Instead, it is intended to provide guidance on land use, transportation, infrastructure, community design and other issues for the development of sections of the County’s Development Code Update relating specifically to Olivehurst. Further vetting and feasibility determinations may be necessary when incorporating ideas and concepts into the County’s Development Code Update.

A workshop was held before the Board of Supervisors on the Draft OSCER on January 8, 2013 to solicit comments and suggestions for changes to be considered before final adoption. Those changes were prepared for consideration by the Board of Supervisors.

DISCUSSION:

The following are proposed changes to the draft OSCER plan in response to Board comments:
Circulation:

Comment 1: Parking on 7th Avenue in front of the market and Dukes should not be changed.

Response: Current parking poses a potential pedestrian and bicycle safety issue. Given availability of shared parking on an adjacent lot the Plan addresses the pedestrian and bicycle safety issues with minimal impacts.

Comment 2: Public Works should install bulb-outs at the 7th and Olivehurst Avenue intersection.

Response: Language has been included in the Plan recommending installation of bulb-outs at the 7th and Olivehurst Avenue intersection when funding becomes available.

Opportunity Sites:

Comment 1 – Site 1: The proposed street should be private and not public.

Response: Language has been included in the Plan recommending that the proposed street depicted on the southerly portion of Site 1 should be private and not a public street.

Comment 2 – Site 1: Concerns expressed regarding cost, maintenance, and need for a public space.

Response: At community meetings a strong desire was expressed for a public space at the entrance to downtown area. County will work with OPUD and or future developer regarding cost and maintenance of the proposed public space. Language has been included in the Plan to the effect that a public space in Opportunity Site 1 is viable only with funding and maintenance from non-county resources.

Zoning Districts:

Comment 1: Additional height should be allowed in the Downtown Core district to provide for additional stories to accommodate commercial and residential units.

Response: Language has been clarified in the Plan that additional stories or height increases may be approved through the Design Review Permit process.

Comment 2: Include the proposed Assessor Parcel Number (APN) references regarding recommended land use changes.

Response: The recommended land use changes with APN references have been attached to the Plan as an appendix.

Development Guidelines:

Comment 1: Concerns were expressed that 7th Avenue was not adequately designed to meet the needs for future buildout of the area and additional right-of-way, including potential purchase of property, may be needed in the future.

Response: Language has been included noting that additional expansion of the 7th Avenue right-of-way to County standard may require acquisition of additional right of way. In the event that that is not feasible alternative designs will be considered.
Comment 2: The OSCER Plan should not be the basis for development standards in the Development Code Update.

Response: The OSCER Plan is a vision plan and is not regulatory. Recommended development standards in the Plan will serve as guidance towards the development of sections of the Development Code Update specific to the Olivehurst community.

General Comments:

Comment 1: Need to take the Plan back to the community so they can respond to Planning Commission and Board of Supervisors comments.

Response: The Draft Plan and proposed changes were presented to the South County Economic Improvement Committee on January 24, 2013. The meeting was attended by members of the OSCER Advisory Committee as well as several members of the public that have been actively involved in the development of the Plan. The Advisory Committee has also been given copies of the proposed changes and has been invited to attend the Board meeting on February 12, 2013.

ENVIRONMENTAL REVIEW:

The OSCER plan is not subject to California Environmental Quality Act (CEQA) in that CEQA Guidelines section 15262 exempts feasibility and planning documents from environmental review.

COMMITTEE ACTION:

A workshop was held before the Planning Commission on December 19, 2012 and the Board of Supervisors on January 8, 2013. Proposed changes to the Draft Plan are provided.

FISCAL IMPACT:

This public hearing is consistent with the scope of work in the contract between Yuba County and Caltrans. No additional general fund dollars beyond that which was approved in the grant contract are required.

Subject: Request for clarification concerning the right of commission members and the public to place items on the agenda of the Yuba County Fish and Game Advisory Commission

Dear Board of Supervisors:

There have been 2 incidents during the past year when agenda items were placed on the Yuba County Fish and Game Commission (Commission) agenda and the Commission chairwoman removed the items from the agenda. I do not believe that the Commission chairwoman has the authority to decide who can speak and who cannot speak to the Commission. I am requesting a letter from Yuba County to me, and the Commission, providing clarification on this issue.

1. October 4, 2012 Commission meeting – I went to Todd Quist at the Agricultural Commissioner’s office and requested that an item be placed on the October 4 Commission meeting agenda. Todd told me that the item was on the agenda. The Commission chairwoman removed the item from the agenda prior to the meeting.

2. June 7, 2012 Commission meeting – On May 20, public member Dale Whitmore called Todd Quist and asked to be placed on the June 7 Commission meeting agenda to give a 5 minute historical deer biology presentation. On June 1, Dale received a call from Todd Quist stating that the chairwoman had removed Dale’s item from the agenda. At the beginning of the June 7 Commission meeting, Dale again requested that he be placed on the agenda and was again denied by the chairwoman. Dale was forced to give his presentation during the “Public Communications” period at the end of the meeting over the chairwoman’s objections.

The Yuba County Fish and Game Commission By-Laws Section 92-050 states that: “All meetings of the Commission shall be conducted in an orderly and systematic manner to permit the input of interested parties and the resolution of all matters coming before the Commission.”

Thank you for your response to this issue.

Sincerely,

Larry Flynn
