Subject: Adopt the County Service Area Assessment Summary

RECOMMENDATION:

Adopt the attached County Service Area Assessment Summary.

BACKGROUND:

Every year the County Service Area Assessment Summary is brought before the Board of Supervisors to Adopt with the Budget. The Assessments for each CSA vary depending on new parcels (Parcel Maps, or Tract Maps), lot line adjustments, structures, vacant land, and/or the Consumer Price Index. The total annual revenue for all the CSA’s combined is estimated at $2,609,146.94 for the fiscal year 2013/2014.

DISCUSSION:

The assessments will provide revenue needed for services within each County Service Area.

FISCAL IMPACT:

None on the General Fund. CSA assessments are collected concurrently with the ad valorem taxes and the revenues are spent on services provided to CSA’s from within which the assessments were collected.

TO: Yuba County Board of Supervisors  
FROM: Mike Lee, Director of Public Works  
SUBJECT: Adopting the Budget for Gledhill Landscaping and Lighting District  
DATE: September 17, 2013

Recommendation

Adopt the attached resolution adopting the budget for Gledhill Landscaping and Lighting District.

Background

On April 16, 2013, your Board approved a resolution adopting the Engineer’s Report and on May 14, 2013 a public hearing was held and the Board of Supervisors approved a resolution confirming the assessments within the Gledhill Landscaping and Lighting District.

Discussion.

The assessment, shown in the Engineer’s Report, will provide revenue needed to operate the district for the fiscal year 2013/2014. There has been no change in the assessment rate from last year’s rate and these funds are used to maintain landscaping, repair recreational equipment, improve existing irrigation, install new irrigation and landscaping, and other work required to operate the district.

Committee Action

The land Use & Public Works Committee was bypassed as this action is routine in nature and occurs annually.

Fiscal Impact

No impact to the General Fund. Assessments collected are used to operate and maintain the District.

FROM: Mike Lee, Director of Public Works

SUBJECT: Adopting the Budget for Linda Street Lighting Maintenance District

DATE: September 17, 2013

Recommendation

Adopt the attached resolution adopting the budget for Linda Street Lighting Maintenance District.

Background

The Linda Street Lighting Maintenance District was formed on August 7, 1967, pursuant to the Improvement Act of 1911 (Streets and Highways Code, Division 7, Part 3, Chapter 26, commencing with Section 5830). Annual assessments are imposed upon each parcel of real property within the district on the basis of the estimated benefit to the parcel in a cumulative amount sufficient to cover the annual expense of maintenance and operation of an electrical street lighting system owned, maintained and operated by Pacific Gas and Electric Company.

On May 14, 2013 the Board of Supervisors approved a resolution confirming the assessments within the Linda Street Lighting Maintenance District.

Discussion

Streets and Highways Code Section 5830.1 requires lighting maintenance assessments to be levied pursuant to Chapter 6.1 (commencing with Section 54703) of Part 1 of Division 2 of Title 5 of the Government Code (The Benefit Assessment Act of 1982). Government Code Section 54717, subdivision (c) authorizes the Board of Supervisors to annually determine the cost of the service, which is financed by the assessment, and by ordinance or resolution, determine and impose the assessment.

The proposed assessment for fiscal year 2013-2014 is $12 per unit, the same as for fiscal year 2012-2013. The assessments will provide revenue needed to operate the district for fiscal year 2013/2014.

Committee Action

The Land Use & Public Works Committee was bypassed as this action is routine in nature and occurs annually.

Fiscal Impact:

No impact to the General Fund. Assessments collected are used to operate and maintain the District.

Re: FY 2013-2014 Final Budget
Date: September 17, 2013

Recommendation

It is recommended that the Board of Supervisors hold a public hearing for the FY 2013-2014 Final Budget, receive recommended changes and consider approval.

Background

On June 18, 2013, the Board of Supervisors adopted the FY 2013-2014 Proposed Budget as an interim spending plan. Since its adoption, several actions have occurred which have resulted in recommended adjustments for the Final Budget.

Discussion

Those actions and resulting final adjustments are as follows:

- **Fund Balance:** After closing out FY 2012-2013, the Auditor-Controller reported that the County’s General Fund balance after encumbrances was $1,747,925. The Proposed Budget reflected an estimate of $1,000,000. General Fund – Fund Balance is considered one-time revenue and should be appropriated as such consistent with budget policies and the recommended actions are stated further in this memo.

- **General Fund Reserves:** General Fund Reserves are held outside of the General Fund. The amount allocated for FY 2012-2013 was $1,442,588. The FY 2013-2014 Proposed Budget allocated reserves at the Board’s current adopted policy level and was set at $1,153,705. Final Budget adjustments recommended today include an increase to General Reserves in the amount of $288,883 to restore the amount set aside to meet FY 2012-2013 levels.

- **General Fund Contingencies:** General Fund Contingencies were increased from $294,872 to $594,872. The increase restores Contingency levels to what was set aside in FY 2012-2013.

- **Capital Outlay:** The Proposed Budget recommended use of one-time General Government Capital Outlay funds in the amount of $544,017 to balance the budget. The Final Budget reduces that recommendation to $89,842 to cover the one-time repayment to the City of Wheatland for Property Tax Administration Fees owed to the City.

- **Negotiated Contract Savings:** The Final Budget reflects a savings to the General Fund in the amount of $435,303 due to negotiated contract revisions for the DSA/MSA/PPO contracts.
The attached Recommended Adjustments to the Proposed Budget FY 2013-2014 worksheet reflect the items noted above as well as other recommended adjustments. The following is a summary of the additional recommended adjustments:

- **Agricultural Commissioner** – A budget adjustment is recommended in the amount of $33,100. This includes an increase in the overtime budget in the amount of $15,000 to cover costs associated with after hour pesticide monitoring inspections, export certification and administration of the Fish and Game Commission as well as $18,100 to restore the USDA County Trapper contract.

- **Auditor** – A budget correction is recommended in the amount of $8,767 to restore the 5% COLA deferral that was inadvertently adjusted by the County Administrator subsequent to the Auditor making the adjustment during the budget process as well as cover increases to the Cost Plan Update and SB-90 Mandated Program contracts.

- **Treasurer** – A budget correction is recommended in the amount of $11,875 to restore the 5% COLA deferral that was inadvertently adjusted by the County Administrator subsequent to the Treasurer making the adjustment during the budget process.

- **Buildings and Grounds** – A budget adjustment is recommended in the amount of $18,839 to cover extra help costs associated with a long term employee who is currently out on extended medical leave.

- **Clerk of the Board** – A budget adjustment is recommended in the amount of $1,075 to appropriate AAB hearing expenditures for anticipated hearings in FY 13/14.

- **Information Technology** – A budget adjustment is recommended in the amount of $24,890 to appropriate maintenance costs associated with an EMC storage device.

- **County Administrator** – A budget adjustment is recommended in the amount of $41,624 to cover costs associated with required post closure activities related to the Ponderosa Land Fill and to bring the professional services appropriation in line with current contract levels.

- **NSP 3 Program Income** – A budget reduction is recommended in the amount of ($4,500,000) as the program is being downsized due to the reduction in available homes in the required program area.

**Summary**

The Final Budget reflects a total operating budget of $175,399,956. The budget includes General Fund Reserves and Contingencies budgeted at slightly above current Board adopted policy levels, actual end of year General Fund balance, and a reduced use of Capital Outlay funds.

TO:        YUBA COUNTY BOARD OF SUPERVISORS
FROM:      DOUG MCCOY, Administrative Services Director
SUBJECT:   AUTHORIZE THE CHAIRMAN TO EXECUTE AIRPORT LEASE AGREEMENTS FOR CORPORATE HANGAR LEASE SITE NO. 5, GROUND SITES NO. 2 AND 3

Recommendation:

It is recommended that the Board authorize the Chairman of the Board of Supervisors to execute the subject airport lease agreement.

Background:

The attached are new ground leases with David Hampton. Mr. Hampton has retained ownership of the aircraft hangar facilities located on the ground sites for the past 10 years. The lease rate of $.04 cents per square foot is consistent with similar leases and will generate $2,880 annually in new airport revenue.

Discussion:

The location of the hangar ground lease sites are shown on the attached layout as Exhibit A to the lease. Each ground lease site accommodates a privately-owned 3,000 sf aircraft hangar.

Committee Action:

This item was not presented to the committee as it is a standard ground lease that has been before the board a number of times for other new tenants and considered routine. The agreement was reviewed and approved by County Counsel.

Fiscal Impact:

There are no costs associated with this agenda item that would impact the General Fund.

and such assignment, transfer, or sublease shall be void.

19. **DEFAULT:** In the event Lessee is in default in the payment on any amount
due under the terms of this Lease or defaults in the performance of any of the covenants or
conditions on Lessee's part to be performed, then Lessor, at its option, may terminate this Lease
and re-enter upon the premises. Lessor shall have the right to retain all rents and any other sums
owing and unpaid to the date of termination hereunder.

hereto that in the event any portion of the demised premises be destroyed by fire and the same
cannot be repaired within ninety (90) days, then Lessee may elect to terminate this Lease. In the
event such restoration can be made within ninety (90) days, Lessor agrees to restore said
premises provided further that during the period of non-occupancy by Lessee, the rent for said
premises shall not be the responsibility or obligation of Lessee.

22. **BREACH OR NONCOMPLIANCE:** The waiver of any breach or noncompliance
with any terms, covenants, conditions, or provisions of this Lease or any rules, regulations, or
decisions adopted pursuant thereto shall not constitute the waiver of any subsequent breach
thereof whether such breach or noncompliance be the same or of a different kind or character.

23. **ATTORNEY’S FEES:** In case Lessor, without fault on its part, be made a
party to any litigation commenced by or against Lessee, Lessee shall pay all costs, reasonable

Exhibit B – Insurance Provisions

LESEE shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the LESEE, its agents, representatives, or employees.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

1. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis for bodily injury and property damage, including products-completed operations, personal injury and advertising injury, with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

2. Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONSULTANT has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.

3. Workers’ Compensation insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease. (Not required if LESEE provides written verification it has no employees)

4. Professional Liability (Errors and Omissions) Insurance as appropriate to LESEE’s profession, with limits no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.

5. Pollution Legal Liability with limits no less than $1,000,000 per occurrence or claim, and $2,000,000 policy aggregate.

If the LESEE maintains higher limits than the minimums shown above, COUNTY requires and shall be entitled to coverage for the higher limits maintained by LESEE.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:
Additional Insured Status
COUNTY, its officers, officials, employees, and volunteers are to be covered as additional insureds on the auto policy with respect to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of LESEE; and on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of LESEE including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the LESEE's insurance (at least as broad as ISO Form CG 20 10, 11 85 or both CG 20 10 and CG 23 37 forms if later revisions used).

Primary Coverage
For any claims related to this contract, LESEE's insurance coverage shall be primary insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees, or volunteers shall be excess of LESEE's insurance and shall not contribute with it.

Notice of Cancellation
Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the COUNTY.

Waiver of Subrogation
LESEE hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said LESEE may acquire against COUNTY by virtue of the payment of any loss under such insurance. LESEE agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.

Deductibles and Self-Insured Retentions
Any deductibles or self-insured retentions must be declared to and approved by COUNTY. COUNTY may require LESEE to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

Acceptability of Insurers
Insurance is to be placed with insurers with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the COUNTY.

Claims Made Policies
If any of the required policies provide coverage on a claims-made basis:
1. The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.
3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, LESEE must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.

**Verification of Coverage**
LESEE shall furnish COUNTY with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive LESEE’s obligation to provide them. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

**Subcontractors**
LESEE shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

**Special Risks or Circumstances**
COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

It is mutually agreed that if the Budget Act and/or other state statute of the current year and/or any subsequent years covered under this Agreement does not appropriate sufficient funds for the program, this Agreement shall be of no further force and effect. In this event, CDPH shall have no liability to pay any funds whatsoever to LHD and/or Local HPP Entity or to furnish any other considerations under this Agreement and LHD and/or Local HPP Entity shall not be obligated to perform any provisions of this Agreement except as to periods for which funding has been provided.

B. If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, CDPH shall have the option to either cancel this Agreement with no liability occurring to CDPH, or offer an Agreement amendment to LHD and/or Local HPP Entity to reflect the reduced amount.

3. Amounts Payable

A. The amount payable under this Agreement shall not exceed:
   1. $136,200, CDC PHEP Base Allocation.

B. The Agreement is valid and enforceable only if sufficient funds are made available to CDPH by the United States Government for the fiscal years covered by the term of this Agreement. In addition, this Agreement is subject to any additional restrictions, limitations, or conditions enacted by the Congress or any statute enacted by the Congress, which may affect the provisions, terms or funding of this Agreement in any manner.

C. It is mutually agreed that if Congress does not appropriate sufficient funds for the program, this Agreement shall be amended to reflect any reduction in funds.

CDPH may withhold payments if the LHD cannot demonstrate progress toward protecting the jurisdiction from the threat of a bioterrorist attack, infectious disease outbreak or other public health threat or emergency as described in its progress and expenditure reports. CDPH may withhold or reduce payments if the LHD’s and/or Local HPP Entity’s expenditure reports indicate that quarterly payments remain unspent. CDPH will notify local health officials prior to withholding or reducing such payments.

C. The LHD and/or Local HPP Entity shall return unexpended funds unless carry over or extension of such funds is approved by CDPH in accordance with federal requirements.

D. The LHD and/or Local HPP Entity shall maintain the supporting documentation that substantiates all expenditure reports for a minimum of seven years.

1. Federal Equal Opportunity Requirements

(Applicable to all federally funded agreements entered into by the California Department of Public Health (CDPH) formerly known as California Department of Health Services (CDHS).)

a. The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. The Contractor will take affirmative action to ensure that qualified applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, national origin, physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era. Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and career development opportunities and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the Federal Government or CDPH, setting forth the provisions of the Equal Opportunity clause, Section 503 of the Rehabilitation Act of 1973 and the affirmative action clause required by the Vietnam Era Veterans' Readjustment Assistance Act of 1974 (38 U.S.C. 4212). Such notices shall state the Contractor's obligation under the law to take affirmative action to employ and advance in employment qualified applicants without discrimination based on their race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era and the rights of applicants and employees.

b. The Contractor will, in all solicitations or advancements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin physical or mental handicap, disability, age or status as a disabled veteran or veteran of the Vietnam era.

c. The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding a notice, to be provided by the Federal Government or the State, advising the labor union or workers' representative of the Contractor's commitments under the provisions herein and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

e. The Contractor will furnish all information and reports required by Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," and the Rehabilitation Act of 1973, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to its books, records, and accounts by the State and its designated representatives and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the Contractor's noncompliance with the requirements of the provisions herein or with any federal rules, regulations, or orders which are referenced herein, this Agreement may be canceled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for further federal and state contracts in accordance with procedures authorized in Federal Executive Order No. 11246 as amended and such other sanctions may be imposed and remedies invoked as provided in Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment
Opportunity, Department of Labor," or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

g. The Contractor will include the provisions of Paragraphs a through g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Federal Executive Order No. 11246 as amended, including by Executive Order 11375, 'Amending Executive Order 11246 Relating to Equal Employment Opportunity,' and as supplemented by regulation at 41 CFR part 60, "Office of the Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor," or Section 503 of the Rehabilitation Act of 1973 or (38 U.S.C. 4212) of the Vietnam Era Veteran's Readjustment Assistance Act, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the Director of the Office of Federal Contract Compliance Programs or CDPH may direct as a means of enforcing such provisions including sanctions for noncompliance provided, however, that in the event the Contractor becomes involved in, or is threatened with litigation by a subcontractor or vendor as a result of such direction by CDPH, the Contractor may request in writing to CDPH, who, in turn, may request the United States to enter into such litigation to protect the interests of the State and of the United States.

2. Travel and Per Diem Reimbursement

If the DPA rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. Exceptions to DPA rates may be approved by CDPH upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior authorization from CDPH. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

Wherever the term equipment/property is used, the following definitions shall apply:

(1) **Major equipment/property:** A tangible or intangible item having a base unit cost of **$5,000 or more** with a life expectancy of one (1) year or more and is either furnished by CDPH or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.

(2) **Minor equipment/property:** A tangible item having a base unit cost of **less than $5,000** with a life expectancy of one (1) year or more and is either furnished by CDPH or the cost is reimbursed through this Agreement.

b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this Agreement. Said procurements are subject to Paragraphs d through h of Provision 3. Paragraph c of Provision 3 shall also apply, if equipment purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.

c. **Nonprofit organizations and commercial businesses,** whether acting as a contractor and/or subcontractor, may secure commodities, supplies, equipment and services related to such purchases for performance under this Agreement.

(1) Equipment purchases shall not exceed $50,000 annually.
To secure equipment above the annual maximum limit of $50,000, the Contractor shall make arrangements through the appropriate CDPH Program Contract Manager, to have all remaining equipment purchased through CDPH's Purchasing Unit. The cost of equipment purchased by or through CDPH shall be deducted from the funds available in this Agreement. Contractor shall submit to the CDPH Program Contract Manager a list of equipment specifications for those items that the State must procure. The State may pay the vendor directly for such arranged equipment purchases and title to the equipment will remain with CDPH. The equipment will be delivered to the Contractor's address, as stated on the face of the Agreement, unless the Contractor notifies the CDPH Program Contract Manager, in writing, of an alternate delivery address.

(2) All equipment purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 shall also apply, if equipment purchases are delegated to subcontractors that are either a government or public entity.

(3) Nonprofit organizations and commercial businesses, shall use a procurement system that meets the following standards:

(a) Maintain a code or standard of conduct that shall govern the performance of its officers, employees, or agents engaged in awarding procurement contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a procurement, or bid contract in which, to his or her knowledge, he or she has a financial interest.

(b) Procurements shall be conducted in a manner that provides, to the maximum extent practical, open, and free competition.

(c) Procurements shall be conducted in a manner that provides for all of the following:

[1] Avoid purchasing unnecessary or duplicate items.

[2] Equipment solicitations shall be based upon a clear and accurate description of the technical requirements of the goods to be procured.

[3] Take positive steps to utilize small and veteran owned businesses.

d. Unless waived or otherwise stipulated in writing by CDPH, prior written authorization from the appropriate CDPH Program Contract Manager will be required before the Contractor will be reimbursed for any purchase of $5,000 or more for commodities, supplies, equipment, and services related to such purchases. The Contractor must provide in its request for authorization all particulars necessary, as specified by CDPH, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.

e. In special circumstances, determined by CDPH (e.g., when CDPH has a need to monitor certain purchases, etc.), CDPH may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. CDPH reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor purchase that CDPH determines to be unnecessary in carrying out performance under this Agreement.

f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this Agreement. The State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Contractor and/or subcontractor at any time.

g. For all purchases, the Contractor and/or subcontractor must maintain copies of all paid vendor invoices, documents, bids and other information used in vendor selection, for inspection or audit. Justifications supporting the absence of bidding (i.e., sole source purchases) shall also be maintained on file by the Contractor and/or subcontractor for inspection or audit.

h. CDPH may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of
inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase authority granted under Paragraphs b and/or c of Provision 3 by giving the Contractor no less than 30 calendar days written notice.

Upon receipt of equipment and/or property, the Contractor shall report the receipt to the CDPH Program Contract Manager. To report the receipt of said items and to receive property tags, Contractor shall use a form or format designated by CDPH’s Asset Management Unit. If the appropriate form (i.e., Contractor Equipment Purchased with CDPH Funds) does not accompany this Agreement, Contractor shall request a copy from the CDPH Program Contract Manager.

(2) If the Contractor enters into an agreement with a term of more than twelve months, the Contractor shall submit an annual inventory of state equipment and/or property to the CDPH Program Contract Manager using a form or format designated by CDPH’s Asset Management Unit. Instructions will be supplied by CDPH’s Asset Management Unit.

b. Title to state equipment and/or property shall not be affected by its incorporation or attachment to any property not owned by the State.

c. Unless otherwise stipulated, CDPH shall be under no obligation to pay the cost of restoration, or rehabilitation of the Contractor’s and/or Subcontractor’s facility which may be affected by the removal of any state equipment and/or property.

d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or property.

(1) In administering this provision, CDPH may require the Contractor and/or Subcontractor to repair or replace, to CDPH’s satisfaction, any damaged, lost or stolen state equipment and/or property. Contractor and/or Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Contractor shall promptly submit one copy of the theft report to the CDPH Program Contract Manager.
e. Unless otherwise stipulated by the program funding this Agreement, equipment and/or property purchased/reimbursed with agreement funds or furnished by CDPH under the terms of this Agreement, shall only be used for performance of this Agreement or another CDPH agreement.

f. Within sixty (60) calendar days prior to the termination or end of this Agreement, the Contractor shall provide a final inventory report of equipment and/or property to the CDPH Program Contract Manager and shall, at that time, query CDPH as to the requirements, including the manner and method, of returning state equipment and/or property to CDPH. Final disposition of equipment and/or property shall be at CDPH expense and according to CDPH instructions. Equipment and/or property disposition instructions shall be issued by CDPH immediately after receipt of the final inventory report. At the termination or conclusion of this Agreement, CDPH may at its discretion, authorize the continued use of state equipment and/or property for performance of work under a different CDPH agreement.

g. **Motor Vehicles**

(2) For the purposes of this Agreement, Intellectual Property means recognized protectable rights and interest such as: patents, (whether or not issued) copyrights, trademarks, service marks, applications for any of the foregoing, inventions, trade secrets, trade dress, logos, insignia, color combinations, slogans, moral rights, right of publicity, author’s rights, contract and licensing rights, works, mask works, industrial design rights, rights of priority, know how, design flows, methodologies, devices, business processes, developments, innovations, good will and all other legal rights protecting intangible proprietary information as may exist now and/or hereafter come into existence, and all renewals and extensions, regardless of whether those rights arise under the laws of the United States, or any other state, country or jurisdiction.

Except as otherwise set forth herein, Contractor shall not use any of CDPH’s Intellectual Property now existing or hereafter existing for any purposes without the prior written permission of CDPH. **Except as otherwise set forth herein, neither the Contractor nor CDPH shall give any ownership interest in or rights to its Intellectual Property to the other Party.** If during the term of this Agreement, Contractor accesses any third-party Intellectual Property that is licensed to CDPH, Contractor agrees to abide by all license and confidentiality restrictions applicable to CDPH in the third-party’s license agreement.

(4) Contractor agrees to cooperate with CDPH in establishing or maintaining CDPH’s exclusive rights in the Intellectual Property, and in assuring CDPH’s sole rights against third parties with respect to the Intellectual Property. If the Contractor enters into any agreements or subcontracts with other parties in order to perform this Agreement, Contractor shall require the terms of the Agreement(s) to include all Intellectual Property provisions. Such terms must include, but are not limited to, the subcontractor assigning and agreeing to assign to CDPH all rights, title and interest in Intellectual Property made, conceived, derived from, or reduced to practice by the subcontractor, Contractor or CDPH and which result directly or indirectly from this Agreement or any subcontract.
(5) Contractor further agrees to assist and cooperate with CDPH in all reasonable respects, and execute all documents and, subject to reasonable availability, give testimony and take all further acts reasonably necessary to acquire, transfer, maintain, and enforce CDPH's Intellectual Property rights and interests.

b. Retained Rights / License Rights

(1) Except for Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or CDPH and which result directly or indirectly from this Agreement, Contractor shall retain title to all of its Intellectual Property to the extent such Intellectual Property is in existence prior to the effective date of this Agreement. Contractor hereby grants to CDPH, without additional compensation, a permanent, non-exclusive, royalty free, paid-up, worldwide, irrevocable, perpetual, non-terminable license to use, reproduce, manufacture, sell, offer to sell, import, export, modify, publicly and privately display/perform, distribute, and dispose Contractor's Intellectual Property with the right to sublicense through multiple layers, for any purpose whatsoever, to the extent it is incorporated in the Intellectual Property resulting from this Agreement, unless Contractor assigns all rights, title and interest in the Intellectual Property as set forth herein.

(2) Nothing in this provision shall restrict, limit, or otherwise prevent Contractor from using any ideas, concepts, know-how, methodology or techniques related to its performance under this Agreement, provided that Contractor's use does not infringe the patent, copyright, trademark rights, license or other Intellectual Property rights of CDPH or third party, or result in a breach or default of any provisions of this Exhibit or result in a breach of any provisions of law relating to confidentiality.

c. Copyright

(1) Contractor agrees that for purposes of copyright law, all works [as defined in Paragraph a, subparagraph (2)(a) of this provision] of authorship made by or on behalf of Contractor in connection with Contractor's performance of this Agreement shall be deemed "works made for hire." Contractor further agrees that the work of each person utilized by Contractor in connection with the performance of this Agreement will be a "work made for hire," whether that person is an employee of Contractor or that person has entered into an agreement with Contractor to perform the work. Contractor shall enter into a written agreement with each such person that: (i) all work performed for Contractor shall be deemed "work made for hire" under the Copyright Act and (ii) that person shall assign all right, title, and interest to CDPH to any work product made, conceived, derived from, or reduced to practice by Contractor or CDPH and which result directly or indirectly from this Agreement.

With respect to inventions made by Contractor in the performance of this Agreement, which did not result from research and development specifically included in the Agreement's scope of work, Contractor hereby grants to CDPH a license as described under Section b of this provision for devices or material incorporating, or made through the use of such inventions. If such inventions result from research and development work specifically included within the Agreement's scope of work, then Contractor agrees to assign to CDPH, without additional compensation, all its right, title and interest in and to such inventions and to assist CDPH in securing United States and foreign patents with respect thereto.

e. Third-Party Intellectual Property

Except as provided herein, Contractor agrees that its performance of this Agreement shall not be dependent upon or include any Intellectual Property of Contractor or third party without first: (i) obtaining
CDPH’s prior written approval; and (ii) granting to or obtaining for CDPH, without additional compensation, a license, as described in Section b of this provision, for any of Contractor’s or third-party’s Intellectual Property in existence prior to the effective date of this Agreement. If such a license upon the terms is unattainable, and CDPH determines that the Intellectual Property should be included in or is required for Contractor’s performance of this Agreement, Contractor shall obtain a license under terms acceptable to CDPH.

f. Warranties

(1) Contractor represents and warrants that:

(a) It is free to enter into and fully perform this Agreement.

(b) It has secured and will secure all rights and licenses necessary for its performance of this Agreement.

(c) Neither Contractor’s performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or CDPH and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.

(d) Neither Contractor’s performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.

(e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.

(f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to CDPH in this Agreement.

(g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

(h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor’s performance of this Agreement.

(2) CDPH MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

g. Intellectual Property Indemnity

(1) Contractor shall indemnify, defend and hold harmless CDPH and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the
representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of CDPH's use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or CDPH and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. CDPH reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against CDPH.

(2) Should any Intellectual Property licensed by the Contractor to CDPH under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its authority reasonably and in good faith to preserve CDPH’s right to use the licensed Intellectual Property in accordance with this Agreement at no expense to CDPH. CDPH shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for CDPH to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, CDPH shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

(3) Contractor agrees that damages alone would be inadequate to compensate CDPH for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges CDPH would suffer irreparable harm in the event of such breach and agrees CDPH shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

h. Federal Funding

In any agreement funded in whole or in part by the federal government, CDPH may acquire and maintain the Intellectual Property rights, title, and ownership, which results directly or indirectly from the Agreement; except as provided in 37 Code of Federal Regulations part 401.14; however, the federal government shall have a non-exclusive, nontransferable, irrevocable, paid-up license throughout the world to use, duplicate, or dispose of such Intellectual Property throughout the world in any manner for governmental purposes and to have and permit others to do so.

i. Survival

The provisions set forth herein shall survive any termination or expiration of this Agreement or any project schedule.

11. Air or Water Pollution Requirements

Any federally funded agreement and/or subcontract in excess of $100,000 must comply with the following provisions unless said agreement is exempt under 40 CFR 15.5.

b. Institutions of higher education, hospitals, nonprofit organizations and commercial businesses agree to comply with all applicable standards, orders, or requirements issued under the Clean Air Act (42 U.S.C. 7401 et seq.), as amended, and the Federal Water Pollution Control Act (33 U.S.C. 1251 et seq.), as amended.

12. Prior Approval of Training Seminars, Workshops or Conferences

Contractor shall obtain prior CDPH approval of the location, costs, dates, agenda, instructors, instructional
materials, and attendees at any reimbursable training seminar, workshop, or conference conducted pursuant to this Agreement and of any reimbursable publicity or educational materials to be made available for distribution. The Contractor shall acknowledge the support of the State whenever publicizing the work under this Agreement in any media. This provision does not apply to necessary staff meetings or training sessions held for the staff of the Contractor or Subcontractor to conduct routine business matters.

13. Confidentiality of Information

a. The Contractor and its employees, agents, or subcontractors shall protect from unauthorized disclosure names and other identifying information concerning persons either receiving services pursuant to this Agreement or persons whose names or identifying information become available or are disclosed to the Contractor, its employees, agents, or subcontractors as a result of services performed under this Agreement, except for statistical information not identifying any such person.

b. The Contractor and its employees, agents, or subcontractors shall not use such identifying information for any purpose other than carrying out the Contractor's obligations under this Agreement.

c. The Contractor and its employees, agents, or subcontractors shall promptly transmit to the CDPH Program Contract Manager all requests for disclosure of such identifying information not emanating from the client or person.

d. The Contractor shall not disclose, except as otherwise specifically permitted by this Agreement or authorized by the client, any such identifying information to anyone other than CDPH without prior written authorization from the CDPH Program Contract Manager, except if disclosure is required by State or Federal law.

e. For purposes of this provision, identity shall include, but not be limited to name, identifying number, symbol, or other identifying particular assigned to the individual, such as finger or voice print or a photograph.

f. As deemed applicable by CDPH, this provision may be supplemented by additional terms and conditions covering personal health information (PHI) or personal, sensitive, and/or confidential information (PSCI). Said terms and conditions will be outlined in one or more exhibits that will either be attached to this Agreement or incorporated into this Agreement by reference.

14. Documents, Publications and Written Reports

(Applicable to agreements over $5,000 under which publications, written reports and documents are developed or produced. Government Code Section 7550.)

Any document, publication or written report (excluding progress reports, financial reports and normal contractual communications) prepared as a requirement of this Agreement shall contain, in a separate section preceding the main body of the document, the number and dollar amounts of all contracts or agreements and subcontracts relating to the preparation of such document or report, if the total cost for work by nonemployees of the State exceeds $5,000.

15. Dispute Resolution Process

a. A Contractor grievance exists whenever there is a dispute arising from CDPH's action in the administration of an agreement. If there is a dispute or grievance between the Contractor and CDPH, the Contractor must seek resolution using the procedure outlined below.

1. The Contractor should first informally discuss the problem with the CDPH Program Contract Manager. If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
(2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief’s decision. The Contractor shall include with the appeal a copy of the Contractor’s original statement of dispute along with any supporting evidence and a copy of the Branch Chief’s decision. The appeal shall be addressed to the Deputy Director of the division in which the branch is organized within ten (10) working days from receipt of the Branch Chief’s decision. The Deputy Director of the division in which the branch is organized or his/her designee shall meet with the Contractor to review the issues raised. A written decision signed by the Deputy Director of the division in which the branch is organized or his/her designee shall be directed to the Contractor within twenty (20) working days of receipt of the Contractor’s second level appeal.

b. If the Contractor wishes to appeal the decision of the Deputy Director of the division in which the branch is organized or his/her designee, the Contractor shall follow the procedures set forth in Division 25.1 (commencing with Section 38050) of the Health and Safety Code and the regulations adopted thereunder. (Title 1, Subchapter 2.5, commencing with Section 251, California Code of Regulations.)

c. Disputes arising out of an audit, examination of an agreement or other action not covered by subdivision (a) of Section 20204, of Chapter 2.1, Title 22, of the California Code of Regulations, and for which no procedures for appeal are provided in statute, regulation or the Agreement, shall be handled in accordance with the procedures identified in Sections 51016 through 51047, Title 22, California Code of Regulations.

d. Unless otherwise stipulated in writing by CDPH, all dispute, grievance and/or appeal correspondence shall be directed to the CDPH Program Contract Manager.

e. There are organizational differences within CDPH’s funding programs and the management levels identified in this dispute resolution provision may not apply in every contractual situation. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the CDPH Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

16. Financial and Compliance Audit Requirements

a. The definitions used in this provision are contained in Section 38040 of the Health and Safety Code, which by this reference is made a part hereof.

b. Direct service contract means a contract or agreement for services contained in local assistance or subvention programs or both (see Health and Safety [H&S] Code section 38020). Direct service contracts shall not include contracts, agreements, grants, or subventions to other governmental agencies or units of government nor contracts or agreements with regional centers or area agencies on aging (H&S Code section 38030).

c. The Contractor, as indicated below, agrees to obtain one of the following audits:

(1) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives $25,000 or more from any State agency under a direct service contract or agreement, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit. Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor’s fiscal year, and/or

(2) If the Contractor is a nonprofit organization (as defined in H&S Code section 38040) and receives less than $25,000 per year from any State agency under a direct service contract or agreement, the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor’s fiscal year, and/or

(3) If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by the Federal Office of Management and Budget [OMB] Circular A-133) and expends $500,000 or more in
Federal awards, the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in OMB Circular A-133 entitled “Audits of States, Local Governments, and Non-Profit Organizations”. An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:

(a) The Contractor is a recipient expending Federal awards received directly from Federal awarding agencies, or

(b) The Contractor is a subrecipient expending Federal awards received from a pass-through entity such as the State, County or community based organization.

(4) If the Contractor submits to CDPH a report of an audit other than an OMB A-133 audit, the Contractor must also submit a certification indicating the Contractor has not expended $500,000 or more in federal funds for the year covered by the audit report.

d. Two copies of the audit report shall be delivered to the CDPH program funding this Agreement. The audit report must identify the Contractor’s legal name and the number assigned to this Agreement. The audit report shall be due within 30 days after the completion of the audit. Upon receipt of said audit report, the CDPH Program Contract Manager shall forward the audit report to CDPH’s Audits and Investigations Unit if the audit report was submitted under Section 16.c(3), unless the audit report is from a City, County, or Special District within the State of California whereby the report will be retained by the funding program.

e. The cost of the audits described herein may be included in the funding for this Agreement up to the proportionate amount this Agreement represents of the Contractor’s total revenue. The CDPH program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.

f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.  

g. Nothing in this Agreement limits the State’s responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.  

h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.

i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.

j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.

k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for Audit of Government Organizations, Programs, Activities and Functions, better known as the "yellow book".
17. Human Subjects Use Requirements

(Applicable only to federally funded agreements/grants in which performance, directly or through a subcontract/subaward, includes any tests or examination of materials derived from the human body.)

By signing this Agreement, Contractor agrees that if any performance under this Agreement or any subcontract or subagreement includes any tests or examination of materials derived from the human body for the purpose of providing information, diagnosis, prevention, treatment or assessment of disease, impairment, or health of a human being, all locations at which such examinations are performed shall meet the requirements of 42 U.S.C. Section 263a (CLIA) and the regulations thereunder.

18. Novation Requirements

If the Contractor proposes any novation agreement, CDPH shall act upon the proposal within 60 days after receipt of the written proposal. CDPH may review and consider the proposal, consult and negotiate with the Contractor, and accept or reject all or part of the proposal. Acceptance or rejection of the proposal may be made orally within the 60-day period and confirmed in writing within five days of said decision. Upon written acceptance of the proposal, CDPH will initiate an amendment to this Agreement to formally implement the approved proposal.

19. Debarment and Suspension Certification

(Applicable to all agreements funded in part or whole with federal funds.)

a. By signing this Agreement, the Contractor/Grantee agrees to comply with applicable federal suspension and debarment regulations including, but not limited to 7 CFR Part 3017, 45 CFR 76, 40 CFR 32 or 34 CFR 85.

b. By signing this Agreement, the Contractor certifies to the best of its knowledge and belief, that it and its principals:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded by any federal department or agency;

2. Have not within a three-year period preceding this application/proposal/agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;

3. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or local) with commission of any of the offenses enumerated in Paragraph b(2) herein; and

4. Have not within a three-year period preceding this application/proposal/agreement had one or more public transactions (Federal, State or local) terminated for cause or default.

5. Shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under federal regulations (i.e., 48 CFR part 9, subpart 9.4), debarred, suspended, declared ineligible, or voluntarily excluded from participation in such transaction, unless authorized by the State.

6. Will include a clause entitled, "Debarment and Suspension Certification" that essentially sets forth the provisions herein, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

c. If the Contractor is unable to certify to any of the statements in this certification, the Contractor shall submit an explanation to the CDPH Program Contract Manager.
d. The terms and definitions herein have the meanings set out in the Definitions and Coverage sections of the rules implementing Federal Executive Order 12549.

e. If the Contractor knowingly violates this certification, in addition to other remedies available to the Federal Government, the CDPH may terminate this Agreement for cause or default.

20. Smoke-Free Workplace Certification

(Applicable to federally funded agreements/grants and subcontracts/subawards, that provide health, day care, early childhood development services, education or library services to children under 18 directly or through local governments.)

a. Public Law 103-227, also known as the Pro-Children Act of 1994 (Act), requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted for by an entity and used routinely or regularly for the provision of health, day care, early childhood development services, education or library services to children under the age of 18, if the services are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan, or loan guarantee. The law also applies to children's services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities where WIC coupons are redeemed.

b. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to $1,000 for each violation and/or the imposition of an administrative compliance order on the responsible party.

c. By signing this Agreement, Contractor or Grantee certifies that it will comply with the requirements of the Act and will not allow smoking within any portion of any indoor facility used for the provision of services for children as defined by the Act. The prohibitions herein are effective December 26, 1994.

d. Contractor or Grantee further agrees that it will insert this certification into any subawards (subcontracts or subgrants) entered into that provide for children's services as described in the Act.

21. Covenant Against Contingent Fees

(Applicable only to federally funded agreements.)

The Contractor warrants that no person or selling agency has been employed or retained to solicit/secure this Agreement upon an agreement of understanding for a commission, percentage, brokerage, or contingent fee, except bona fide employees or bona fide established commercial or selling agencies retained by the Contractor for the purpose of securing business. For breach or violation of this warranty, CDPH shall have the right to annul this Agreement without liability or in its discretion to deduct from the Agreement price or consideration, or otherwise recover, the full amount of such commission, percentage, and brokerage or contingent fee.

22. Payment Withholds

(Applicable only if a final report is required by this Agreement. Not applicable to government entities.)

Unless waived or otherwise stipulated in this Agreement, CDPH may, at its discretion, withhold 10 percent (10%) of the face amount of the Agreement, 50 percent (50%) of the final invoice, or $3,000 whichever is greater, until CDPH receives a final report that meets the terms, conditions and/or scope of work requirements of this Agreement.

23. Performance Evaluation

(Not applicable to grant agreements.)

CDPH may, at its discretion, evaluate the performance of the Contractor at the conclusion of this Agreement.
If performance is evaluated, the evaluation shall not be a public record and shall remain on file with CDPH. Negative performance evaluations may be considered by CDPH prior to making future contract awards.

24. Officials Not to Benefit

No members of or delegate of Congress or the State Legislature shall be admitted to any share or part of this Agreement, or to any benefit that may arise therefrom. This provision shall not be construed to extend to this Agreement if made with a corporation for its general benefits.

25. Four-Digit Date Compliance

(Applicable to agreements in which Information Technology (IT) services are provided to CDPH or if IT equipment is procured.)

Contractor warrants that it will provide only Four-Digit Date Compliant (as defined below) Deliverables and/or services to the State. “Four Digit Date compliant” Deliverables and services can accurately process, calculate, compare, and sequence date data, including without limitation date data arising out of or relating to leap years and changes in centuries. This warranty and representation is subject to the warranty terms and conditions of this Contract and does not limit the generality of warranty obligations set forth elsewhere herein.

26. Prohibited Use of State Funds for Software

(Applicable to agreements in which computer software is used in performance of the work.)

Contractor certifies that it has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.

27. Use of Small, Minority Owned and Women’s Businesses

(Applicable to that portion of an agreement that is federally funded and entered into with institutions of higher education, hospitals, nonprofit organizations or commercial businesses.)

Positive efforts shall be made to use small businesses, minority-owned firms and women’s business enterprises, whenever possible (i.e., procurement of goods and/or services). Contractors shall take all of the following steps to further this goal.

(1) Ensure that small businesses, minority-owned firms, and women’s business enterprises are used to the fullest extent practicable.

(2) Make information on forthcoming purchasing and contracting opportunities available and arrange time frames for purchases and contracts to encourage and facilitate participation by small businesses, minority-owned firms, and women’s business enterprises.

(3) Consider in the contract process whether firms competing for larger contracts intend to subcontract with small businesses, minority-owned firms, and women’s business enterprises.

(4) Encourage contracting with consortiums of small businesses, minority-owned firms and women’s business enterprises when a contract is too large for one of these firms to handle individually.

(5) Use the services and assistance, as appropriate, of such organizations as the Federal Small Business Administration and the U.S. Department of Commerce’s Minority Business Development Agency in the solicitation and utilization of small businesses, minority-owned firms and women’s business enterprises.

28. Alien Intelligibility Certification

(Applicable to sole proprietors entering federally funded agreements.)
By signing this Agreement, the Contractor certifies that he/she is not an alien that is ineligible for state and local benefits, as defined in Subtitle B of the Personal Responsibility and Work Opportunity Act. (8 U.S.C. 1601, et seq.)

29. **Union Organizing**

(Applicable only to grant agreements.)

Grantee, by signing this Agreement, hereby acknowledges the applicability of Government Code Sections 16645 through 16649 to this Agreement. Furthermore, Grantee, by signing this Agreement, hereby certifies that:

a. No state funds disbursed by this grant will be used to assist, promote or deter union organizing.

b. Grantee shall account for state funds disbursed for a specific expenditure by this grant, to show those funds were allocated to that expenditure.

c. Grantee shall, where state funds are not designated as described in b herein, allocate, on a pro-rata basis, all disbursements that support the grant program.

d. If Grantee makes expenditures to assist, promote or deter union organizing, Grantee will maintain records sufficient to show that no state funds were used for those expenditures, and that Grantee shall provide those records to the Attorney General upon request.

30. **Contract Uniformity (Fringe Benefit Allowability)**

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, CDPH sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

a. As used herein fringe benefits shall mean an employment benefit given by one's employer to an employee in addition to one's regular or normal wages or salary.

b. As used herein, fringe benefits do not include:

(1) Compensation for personal services paid currently or accrued by the Contractor for services of employees rendered during the term of this Agreement, which is identified as regular or normal salaries and wages, annual leave, vacation, sick leave, holidays, jury duty and/or military leave/training.

(2) Director's and executive committee member's fees.

(3) Incentive awards and/or bonus incentive pay.

(4) Allowances for off-site pay.

(5) Location allowances.

(6) Hardship pay.

(7) Cost-of-living differentials

c. Specific allowable fringe benefits include:

(1) Fringe benefits in the form of employer contributions for the employer's portion of payroll taxes (i.e., FICA, SUI, SDI), employee health plans (i.e., health, dental and vision), unemployment insurance, worker's compensation insurance, and the employer's share of pension/retirement plans, provided they are granted in accordance with established written organization policies and meet all legal and Internal Revenue Service requirements.

d. To be an allowable fringe benefit, the cost must meet the following criteria:

(1) Be necessary and reasonable for the performance of the Agreement.

(2) Be determined in accordance with generally accepted accounting principles.
(3) Be consistent with policies that apply uniformly to all activities of the Contractor.

e. Contractor agrees that all fringe benefits shall be at actual cost.

f. Earned/Accrued Compensation

(1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.

(2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. Holidays cannot be carried over from one agreement year to the next. See Provision f (3)(b) for an example.

(3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) Example No. 1:

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) Example No. 2:

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) Example No. 3:

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to CDPH, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

31. Lobbying Restrictions and Disclosure Certification

(Applicable to federally funded agreements in excess of $100,000 per Section 1352 of the 31, U.S.C.)

a. Certification and Disclosure Requirements

(1) Each person (or recipient) who requests or receives a contract or agreement, subcontract, grant, or subgrant, which is subject to Section 1352 of the 31, U.S.C., and which exceeds $100,000 at any tier, shall file a certification (in the form set forth in Attachment 1, consisting of one page, entitled “Certification Regarding Lobbying”) that the recipient has not made, and will not make, any payment prohibited by Paragraph b of this provision.

(2) Each recipient shall file a disclosure (in the form set forth in Attachment 2, entitled “Standard Form-LLL ‘disclosure of Lobbying Activities’”) if such recipient has made or has agreed to make any payment using nonappropriated funds (to include profits from any covered federal action) in connection with a contract, or grant or any extension or amendment of that contract, or grant, which would be prohibited under Paragraph b of this provision if paid for with appropriated funds.
(3) Each recipient shall file a disclosure form at the end of each calendar quarter in which there occurs any event that requires disclosure or that materially affects the accuracy of the information contained in any disclosure form previously filed by such person under Paragraph a(2) herein. An event that materially affects the accuracy of the information reported includes:

(a) A cumulative increase of $25,000 or more in the amount paid or expected to be paid for influencing or attempting to influence a covered federal action;

(b) A change in the person(s) or individuals(s) influencing or attempting to influence a covered federal action; or

(c) A change in the officer(s), employee(s), or member(s) contacted for the purpose of influencing or attempting to influence a covered federal action.

(4) Each person (or recipient) who requests or receives from a person referred to in Paragraph a(1) of this provision a contract or agreement, subcontract, grant or subgrant exceeding $100,000 at any tier under a contract or agreement, or grant shall file a certification, and a disclosure form, if required, to the next tier above.

(5) All disclosure forms (but not certifications) shall be forwarded from tier to tier until received by the person referred to in Paragraph a(1) of this provision. That person shall forward all disclosure forms to CDPH Program Contract Manager.

b. Prohibition

SUBJECT: Resolution of the Board of Supervisors Authorizing amendments and changes to the Memorandum of Understanding for Alternate Care Sites template

RECOMMENDATION: Board of Supervisors approval of the Resolution of the Board authorizing the Health and Human Services Department to make amendments and changes to the Memorandum of Understanding (MOU) for Alternate Care Sites (ACS) is recommended.

BACKGROUND: The Health and Human Services Department, Public Health Division, is the authority responsible for establishing government authorized alternate care sites within Yuba County. Designated sites will provide supportive care to individuals in the event of a large-scale catastrophe or public health emergency that exceeds the capacity of the County's local health facilities. In order to establish the sites, it is necessary for the County to enter into an MOU with facilities that will act as alternate care sites.

DISCUSSION: On May 12, 2009, the Board of Supervisors passed and adopted Resolution Number 2009-44 authorizing the use of the template MOU in the form incorporated therein by reference. Approval of this Resolution will allow amendments and changes to the ACS MOU template including but not limited to grammatical editing and the addition of legal citations.

COMMITTEE: The Human Services Committee recommended approval on September 10, 2013.

FISCAL IMPACT: The approval of this Resolution will not impact County Funds.

Re: Proposed Water Rate Increases

Recommendation

Receive report from staff as to the impact of the proposed water increase upon the County facilities costs.

Background

Over the last 12/13 fiscal year, the County spent $133,351.34 on water and sewer charges for our facilities within in the City of Marysville served by the California Water Service Company (Cal Water). Of that total $85,051.77 was for water only and $68,299.57 spent on sewer cost.

Cal Water has proposed a 34.9% increase to their rates. If this increase is approved by the CPUC, the County will experience an overall rate increase of $22,703.07.

Discussion

Over the course of this same fiscal year, the County implemented several water conservation measures at the points of largest consumption; our jail and our Juvenile Hall. This has helped us realize about a 25 – 30% reduction in the water consumed at these sites. Without these measures, we would be anticipating an increase of closer to $33,000.

The rate increase was not finalized at a time when departments were submitting their budgets for this new budget year, and an increase of this magnitude was not anticipated.

Committee

Because of the complex nature of this item, it has been brought to the Board for consideration and discussion.

General Fund Impact

Water utility costs are paid directly by Administrative Services and then spread across the users through the A87 process. Rate increases will be felt by all departments.

SUBJECT: Equal Employment Opportunity and Plan
DATE: May 14, 2013

RECOMMENDATION

BACKGROUND
As required by the California Code of Regulations, Title 2: Division 5: Local Agency Personnel Standards, the County must have an Equal Employment Opportunity program that will assure fairness and non-discrimination in all aspects of our employment. Our EEO Plan (EEOP) is updated every two years to reflect the changing distribution of our county workforce and proactively ensure equal employment opportunity.

DISCUSSION
It is the policy of the County to maintain equal employment opportunity in public service positions by considering job applicants and employees for hiring and advancement on the basis of job-pertinent individual differences and not on the basis of extraneous factors such as race, religious creed, color, national origin, ancestry, sex, marital status, sexual orientation, medical condition, age or disability. The County’s recruitment and advancement programs ensure consideration is based on merit issues. In addition, the amended EEO Policy includes updates based on changes in requirements and expands the areas of coverage.

The establishment of an EEOP effectuates the principle of equal employment opportunity. The EEOP is a complete analysis of the County’s workforce in comparison to the available community labor force to identify possible barriers to the participation of women and minorities in all levels of the workforce.

POLICY
It is the policy of the Board of Supervisors that the County of Yuba shall:

• Provide equal employment opportunity to all its employees and applicants regardless of sex, race, color, ancestry, religious creed, national origin, age, marital status, sexual orientation, gender identity, political or religious opinions or affiliations, physical or mental disability, medical condition, genetic information, the taking of family and medical leave per the Family and Medical Leave Act (FMLA), or any other factor unrelated to job performance, except where gender is a bona fide occupational qualification (the term “bona fide occupational qualification” will be construed in the same manner as defined under the Civil Rights Act of 1964 and Executive Order 11246 as amended).

• Not discriminate against or tolerate the harassment of its employees or applicants for employment on the basis of sex, race, color, ancestry, religious creed, national origin, age, marital status, sexual orientation, gender identity, political or religious opinions or affiliations, physical or mental disability, medical condition, genetic information, the taking of family and medical leave per the Family and Medical Leave Act (FMLA), or any other factor unrelated to job performance, except where gender is a bona fide occupational qualification.

• Not discriminate in admission or access to, or operation of, its programs, services or activities.

The County of Yuba is committed to EEO, fair and impartial treatment, and non-discrimination for all existing and prospective employees as a necessary element in basic merit system principles. It is the County’s intent to ensure all human resources policies, practices, and programs are administered and implemented in a fair, equitable and non-discriminatory manner.

The Board of Supervisors has established the Human Resources Director as the EEO Officer, who may designate an individual to assume a role on his/her behalf.
All aspects of human resource administration shall be fair and impartial. The principle of EEO shall apply with respect to all incidents of an employment relationship, including, but not limited to:

- Recruitment, including advertising or solicitation for employment;
- Job selection, hiring, and placement;
- Treatment during employment including the probationary period;
- Promotion and advancement;
- Compensation and benefits;
- Evaluation of work performance;
- Selection for training and other professional development opportunities;
- Discipline;
- Transfer, demotion, layoff, and termination;
- Application of personnel rules and regulations.

In addition, the County of Yuba will provide reasonable accommodations for employees and prospective employees with disabilities in an effort to enable them to successfully perform the essential functions of the job, benefit from training, or compete for a job opening or promotional opportunity.

**DEFINITIONS**

**Adverse Impact**
A statistical measure (such as those outlined in the EEO Commission’s Uniform Guidelines on Employee Selection Procedures that is applied to the effects of a selection procedure and demonstrates a disproportional negative impact on any group defined in terms of protected status, ethnic group identification, gender or disability. A disparity identified in a given selection process will not be considered to constitute adverse impact if the numbers involved are too small to permit a meaningful comparison, if the selection process has been established as job-related and a valid predictor of success, or is the result of a bona fide occupational qualification.

**Business Necessity**
Circumstances which justify an exception to the requirements of EEO because compliance would result in substantial additional financial cost to the County or pose a significant threat to human life or safety. Business necessity requires greater financial cost than mere business convenience. Business necessity does not exist where there is an alternative that will serve business needs equally well.

**Diversity**
A condition of broad inclusion in an employment environment that offers equality and respect for all persons. A diverse community recognizes the benefits that flow from employee populations that are varied by race, gender, disability status, belief, age, national origin, cultural background, life experience, sexual orientation, gender identity and other enriching characteristics.
EEO-4 Report
A survey required by the Equal Employment Opportunity Commission which indicates the composition of the agency's work force by sex and by race/ethnic category. This survey is conducted biennially in every odd-numbered year.

Equal Employment Opportunity
All qualified individuals have a full and fair opportunity to compete for hiring and promotion and to enjoy the benefits of employment. Equal employment opportunity should exist at all levels and in all job categories. Ensuring equal employment opportunity also involves creating an environment that foster cooperation, acceptance, democracy, and free expression of ideas and that is welcoming to men and women, persons with disabilities, and individuals from all ethnic and other groups protected from discrimination.

Equal Employment Opportunity Plan
A written document in which a County's workforce is analyzed and specific plans and procedures are set forth for ensuring equal employment opportunity.

Equal Employment Opportunity Program
All of the various methods by which equal employment opportunity is ensured.

Ethnic Group Identification
An individual's identification in one or more of the ethnic groups distinguished in the EEO reporting requirements. These groups are defined consistent with state and federal law.

Ethnic Minorities
American Indians or Alaskan Natives, Asians or Pacific Islanders, Blacks/African-Americans and Hispanics/Latinos, or categories as currently defined by the Equal Employment Opportunity Commission.

Monitored Group
Those groups identified by the EEOC for which monitoring and reporting is required pursuant to Title VII of the Civil Rights Act.

Screening or Selection Procedures
Any measure, combination of measures, or procedures used as a basis for any employment decision. Selection procedures include the full range of assessment techniques, including but not limited to, traditional paper and pencil exams; performance exams; physical, educational, and work experience requirements; supplemental questionnaires; interviews and review of application forms.

Significantly Underrepresented Group
Any monitored group for which the percentage of persons from that group employed by the County in any job category as defined by the EEOC, is below eighty percent (80%) of the projected representation for that group in the job category in question.
EXEMPTIONS / EXCLUSIONS
Exemptions as recognized by current law, including business necessity and bona fide occupational qualifications.

UTILIZATION ANALYSIS – NARRATIVE

Comparisons of the Yuba County workforce to the community labor statistics for Yuba County and Sutter County have identified underutilization of males, females and minorities in several categories as outlined below. Community labor statistics derived from the 2010 census data show that the Black and American Indian/Alaska Native populations are proportionately small in Yuba County (3% or less - see chart below). Therefore, identified areas of underutilization are primarily restricted to specific job categories.

Underutilization of a group in a specific category is identified where there is a corresponding labor market of at least 3 percent for Yuba County to draw from, and the labor force is under-represented by at least 2 percent. Although the emphasis of this plan focuses on the larger areas of under-representation based on a gender or a minority population base of 3 percent or more, Yuba County will continue to explore ways of communicating job opportunities and facilitating employment opportunities among all gender, race, and ethnic groups. The overall goal of the County is to obtain a diverse workforce reflective of its community.

This section analyzes the County’s progress in its efforts to provide a diverse workforce reflective of its community by comparing the 2013 Yuba County workforce to the available community labor force by ethnicity, gender and occupational categories; and identifies areas exceeding representation and those under-represented.

---

• The combined 2013 Yuba County minority employee workforce is 28% which is below the available community labor force of 33%.
• Yuba County employee representation exceeds the available community labor force for:
  o Black / African American
• Yuba County employee representation is below the available workforce for:
  o Hispanic / Latino
  o Asian / Pacific Islander
  o American Indian / Native American

Yuba County 2013 Workforce

Female, 58%
Male, 42%

Yuba County Community Labor Force

Female, 46.75%
Male, 53.24%

• From an overall gender perspective, females constitute a greater percentage of the Yuba County employee workforce than males; according to the 2010 census data, females make up 46.75% of the community labor force while females make up 57.52% of the Yuba County employee workforce.
• While male employee representation is below the available community labor force by 10%, Yuba County welcomes the opportunity to increase the representation of all males in those categories where they are under-represented.

After reviewing the results of the utilization analysis, the following occupational categories have been identified as areas of concern when compared to ethnicity:

• **Officials/Administrators:** Yuba County demonstrates an under-representation of Hispanic males by 4.34% in this job category.

• **Professionals:** Yuba County demonstrates an under-representation of White females by 5.24% in this category.

• **Technicians:** Yuba County demonstrates an under-representation of White males by 8.40%, Black males by 3.66%, and Hispanic females by 11.46% in this category. Yuba County only contains 11 positions in this category, making statistical significance difficult to determine.

- **Service/Maintenance**: Yuba County demonstrates an under-representation of White females by 12.55% and Asian females by 2.44% in this category.

Since the last review, Yuba County has made strides in recruiting and retaining employees that more accurately reflect the surrounding community. The chart below illustrates the comparison of the County’s workforce from 2011 to 2013. As the Census tables were updated in 2010, we are unable to accurately compare data to the 2003-2009 statistics previously utilized, which were calculated using the 2000 Census. The 2010 Census update also included changes to how jobs were categorized resulting in significant changes in the distribution of our workforce among the job categories. Additionally, the Available Workforce has been expanded to include Sutter County to more closely match the residence compilation of our workforce, whereas prior EEOP’s considered Yuba County exclusively.
The combined minority employee workforce for Yuba County has increased 2% between 2011 and 2013.

Hispanic employee representation has increased 1%, bringing these categories closer to parity with the available community labor force and exceeding the available community labor force representation in three categories.

Black/African American employee representation has slightly declined but still exceeds the available community labor force overall and in six categories.

Asian American employee representation has increased 1%, bringing these categories closer to parity with the available community labor force and exceeding the available community labor force representation in four categories.

American Indian employee representation has remained the same, exceeding representation in two occupational categories.

White employee representation has decreased 2%, and exceeds the available community labor force and representation in five occupational categories.

OBJECTIVES

Yuba County is committed to a workforce that closely reflects the available community labor force. It is our goal to increase representation in the areas underutilized. The following identifies objectives that support the County’s commitment to achieve a workforce reflective of the community it serves.

- The County will evaluate areas of underutilization as identified above, and will continue to review recruitment, examination, selection, promotion, compensation and training practices and policies to ensure equal opportunity for persons in all aspects of employment and career advancement.
- Because Hispanic males and females are under-represented in several occupational categories and American Indian males and females and Asian males and females are generally under-represented, the County will evaluate its recruitment advertising practices to more effectively target these labor groups.
- Although White males and females are represented in double-digit percentages, they are under-represented in a few occupational categories. So, recruitment efforts should be increased by outreaching to these populations through the various action items listed in the Steps to Achieve Utilization section.
- Increase employment opportunities of all qualified persons by eliminating non job-related factors, conditions and requirements from all position specifications.

STEPS TO ACHIEVE UTILIZATION

- Capitalize on existing relationships by exploring and/or expanding new opportunities with local and regional educational institutions (e.g. Yuba College, Yuba County One Stop, Sacramento State University, Chico State University, Butte College, Sierra College, and Sacramento City College), in the recruitment of new employees.
- Participate in junior college and university education and job fairs.
- Advertise employment opportunities in general publications of local and regional circulation (e.g. Appeal Democrat, Sacramento Bee, Chico Enterprise, and the Grass Valley Union newspapers), to reach a broad audience.
- Advertise employment opportunities in specialty publications such as Jobs Available and CSAC (an exclusive advertiser of employment opportunities in the public sector), LatPro (web board geared toward the Hispanic population), Sacramento Observer (weekly paper geared toward the Black population), El Hispano (weekly paper geared toward the Hispanic population) and other targeted publications to attract applicants that might not subscribe to the general circulation publications.
• Advertise employment opportunities online in venues such as Craigslist, Monster, and Career Builder to attract applicants that primarily search for jobs on the internet and do not subscribe to general or specific publications.

• Partner with the Yuba City and Oroville Tribal Health Centers to assist our efforts in reaching the American Indian community (i.e. include job posting in monthly newsletters).

• Monitor recruitment policies and procedures to determine if recruitment efforts are enabling the County to meet and maintain its objectives to continue diversifying its workforce.

• Review regularly recruitment and retention efforts and apply information derived from exit interviews in our effort to attract and retain qualified individuals.

• Review and update periodically the County’s recruitment methods, practices and policies to promote equal employment opportunity through our recruitment efforts.

• Continue to publicize (via County website and other specialty online sources), employment and career advancement opportunities.

• Provide ongoing training to supervisors and managers on EEO policies, processes, documentation, the interview process and employment requirements.

DISSEMINATION

Internal Dissemination of the Yuba County EEO Plan

• Applicants, employees and interested members of the public may also obtain a copy of the Plan by visiting the County’s website at www.yuba.org, or by contacting Human Resources at (530) 749-7860.

• A copy of this Plan will be provided at new employee orientation.

• The Plan will be distributed to each County department head, and will be posted at the various County facilities.

• An email notice will be directed to all employees informing them of Plan availability.

• The Human Resources / Risk Management Department will periodically address the County’s compliance with this Plan in County Department Head meetings. Discussions will include assisting managers and supervisors in identifying and addressing problem areas with effective solutions.

External Dissemination of the Yuba County EEO Plan

• We will inform recruiting sources (utilizing a master list) of the EEO Plan and the County’s commitment to equal employment opportunity.

• We will continue to state on all written job announcements and employment applications “The County of Yuba is a merit based equal opportunity employer encouraging workforce diversity.”

• Applicants, vendors and suppliers will be reminded of the County’s EEO Policy and notified that the EEO Plan is on file and available for review in the Human Resources / Risk Management Department.

Yuba County Board of Supervisors

Supervisors,

I am writing to support Debbie Byrne, Chair of the Yuba County Fish and Game Commission, and to applaud her efforts to enhance the Commission’s professionalism and the value it provides Yuba County and its residents.

As the commission’s longest-serving member, I have a great deal of praise for Debbie. Since she was elected chair, she has re-energized and renewed the Commission’s efforts in Yuba County.

Debbie chairs our meetings in an efficient and professional manner. She focuses on ensuring that all voices are heard, and keeps us in compliance with the Brown Act and other state and county rules and regulations. More importantly, thanks to her leadership, we now have an extremely active commission. Debbie fosters a “can do” atmosphere that recognizes and motivates commission members and other volunteers, resulting in programs that are expanded, improved and, overall, just better.

Debbie has been a vocal supporter of the pheasant hunt at Nelson Slough, held in partnership with the California Department of Fish and Wildlife and the Sutter County Fish and Game Commission. She volunteers an untold number of hours making this hunt happen, as she does with all our events. Furthermore, when the hunt’s future was threatened by state bureaucrats, Debbie stepped up and spearheaded the fight to save this hunt.

This is not the only program she has improved upon. When she joined the Commission, most of our budget was spent on the pheasant hunt. Since then, she has solicited grants, sponsorships and partnerships — quadrupling our budget. This increased funding and her leadership have allowed the Commission to increase the number of pheasant hunts we support and expanded the number of days for our annual fishing event. She supported our participation in new programs, including river cleanup days and a noxious weed removal event on Forest Service property.
When Commissioner Frank Hall proposed boat safety inspection days (two weekends at the beginning of boating season, in cooperation with the Sheriff’s department, the Department of Fish and Wildlife and the Yuba County Water Agency), Debbie worked with him and others to make it happen. She has also played a key role in expanding our presence and public education efforts at the Yuba Sutter County Fair (and she negotiated with a hunter safety non-profit to obtain the laser shooting game that proved a large draw).

In conclusion, I encourage you to join me and other commissioners in recognizing how Debbie’s leadership, professionalism and drive have bettered our Commission and our county. We look forward to her continuing leadership of our Commission.

Respectfully,

Bob Winchester

Development of Central Valley Wide Salt and Nitrate Management Plan for Incorporation into the Sacramento-San Joaquin and Tulare Lake Basin Plans

Notice of Public Workshops and California Environmental Quality Act Public Scoping Meetings October 2013

RECEIVED
SEP 9 2013
Clerk/Board of Supervisors

NOTICE IS HEREBY GIVEN that staff of the Central Valley Regional Water Quality Control Board (Central Valley Water Board or Board) have scheduled public meetings to discuss and solicit comments and suggestions from the public regarding the development of a Central Valley Salt and Nitrate Management Plan (SNMP) and the incorporation of components of the SNMP into Water Quality Control Plans for the Sacramento River and San Joaquin River Basins and the Tulare Lake Basin (collectively, Basin Plans).

Background: A wide variety of human activities are resulting in salt and nitrate impacts to water and soil in the Central Valley Region. The slow and steady accumulation of salts including nitrates, threatens not only the long-term viability of agriculture and industry in the Central Valley, but also the water supplies for more than 25 million people. To address this issue, a broad group of agriculture, cities, industry, regulatory agencies (including the Central Valley Water Board) and public representatives formed the Central Valley Salinity Alternatives for Long-Term Sustainability initiative (CV-SALTS) and have been developing a comprehensive SNMP. The Central Valley Water Board is proposing to incorporate components of the CV-SALTS SNMP through amendments to the Basin Plans to address salinity and nitrate concerns in a comprehensive, consistent and sustainable manner.

The current planning efforts are also intended to satisfy State Water Board Resolution 2009-0011 (Recycled Water Policy). The Recycled Water Policy requires the development of salt and nutrient management plans for all groundwater basins of the state, including those in the Central Valley. The Central Valley SNMP, when incorporated into the Basin Plans, is expected to be an iterative and adaptive process that will involve periodic review and reassessment.

Components of the SNMP that may be developed and considered for incorporation into the Basin Plans include:

- Changing the Basin Plan’s Beneficial Use Classification System: The Board may define new beneficial uses or new beneficial use subcategories that could be applied to specified waterbodies or categories of water bodies. This includes defining subcategories of the municipal and domestic supply (MUN) beneficial use and/or the agricultural irrigation and stock watering supply (AGR) beneficial use. Such subcategories may include “limited” MUN or AGR beneficial uses. The Board may also consider de-designating existing beneficial uses in specific waterbodies or categories of waterbodies.
- **Specifically Delineating Waterbodies:** The Board may specifically delineate waterbodies or classes of waterbodies that are currently only generally mentioned in the Basin Plans.

- **Incorporating Management Zone Concept:** The Board could delineate "management zones" which would be portions of existing waterbodies where alternate regulatory measures would apply. The Board may develop specific implementation plans to address salt and nitrate concerns within these zones.

- **Changing Existing Salinity Water Quality Objectives (WQOs):** The Board may establish new numeric and/or narrative WQOs, and may adopt guidance for interpreting and implementing new or existing narrative WQOs.

- **Adding Implementation Plans and/or Changing Existing Implementation Plans:** The Basin Plans currently contain implementation plans that do not adequately address current and historic salt and nitrate impacts. The Board may adopt new implementation plans and/or change existing implementation plans, and this could include:
  - Altering existing compliance evaluation methodologies, which could include redefining the point of compliance (POC) where water quality objectives must be achieved, allowing for averaging periods to determine compliance with WQOs, and adding provisions related to data analysis procedures;
  - Incorporating new implementation provisions related to variances, compliance schedules, and alternative compliance strategies;
  - Adding new provisions to ensure adequate drinking water supplies in areas that rely on groundwater that has already been impacted by salt and/or nitrates; and
  - Addressing in-basin and out-of-basin salt containment and disposal options.

- **Adopting New Policies:** The Board may adopt new policies to address concerns such as water recycling, climate change, extreme weather conditions (including drought), and the recharge of stormwater runoff.

The purpose of this early consultation is to provide participants with background on salinity and nitrate issues within the Central Valley, an overview of the *Recycled Water Policy*, an overview of the potential structure of a Central Valley SNMP. The meetings will also provide the public with an opportunity to provide input regarding the range of project actions, alternatives, reasonably foreseeable methods of compliance, significant and cumulative impacts, and potential mitigation measures that the Board will need to analyze in the course of developing the SNMP and associated Basin Plan amendments.

CALIFORNIA ENVIRONMENTAL QUALITY ACT AND SUBMISSION OF COMMENTS

The Board’s water quality planning program is a certified regulatory program under the California Environmental Quality Act (CEQA), which means that the Board prepares and circulates a substitute environmental document or SED, rather than an environmental impact report, before adopting amendments to the Basin Plan. In the SED, the Board must analyze any potential adverse environmental effects associated with the proposed amendment. These public meetings will help guide the Board’s environmental analysis. Oral comments received at the public meetings will be considered when the Board prepares the SED.
