SUBJECT: Agreement with Yuba College for Services for the Independent Living Program

RECOMMENDATION: The Board of Supervisors recommends approval of the Agreement between Yuba County, on behalf of its Health and Human Services Department, and Yuba Community College for services for the Independent Living Program (ILP) in the amount of $68,349.00 for the term of July 1, 2013, through June 30, 2014.

BACKGROUND: Yuba County has contracted with Yuba Community College to provide ILP services since July 2000. ILP provides services to youths in foster care between the ages of 16 and 18 years of age and can be extended to youths up to 21 years of age who were in foster care at the time of their 18th birthday. The services, which train and assist these youths in successfully transitioning into adulthood and out of the foster care living environment, include: training in employment preparation and attainment, securing housing, money management, and instruction on computer assembly as well as use of various computer applications. Additionally, the services focus on increasing and supporting the self-image and self-esteem of participating youths and provide them with exposure to such activities as community services, the arts, and other positive experiences.

DISCUSSION: The ILP is designed for youths to participate in weekly training activities, which cover a wide range of areas to meet the goals of the program, as well as attend a computer camp. The activities, incentives, and training areas are developed through the collaborative efforts of foster parents with youth in ILP, Child Welfare Services staff of Sutter and Yuba Counties, Yuba Community College staff and emancipated youth who have participated in the ILP.

FISCAL IMPACT: Approval of this Agreement with Yuba Community College for services for the ILP will not impact County General Funds. The costs for these services will be funded through the ILP Service allocation.
AGREEMENT FOR

PROFESSIONAL SERVICES

THIS AGREEMENT for services ("Agreement") for the Independent Living Program (ILP) is made as of the Agreement Date set forth below by and between the County of Yuba, a political subdivision of the State of California ("the COUNTY"), on behalf of its Health and Human Services Department ("YCHHSD"), and Yuba College ("CONTRACTOR").

The purpose of this Agreement is to set forth the respective responsibilities between both parties relative to the Independent Living Program (ILP). An ILP allocation is provided by the State to counties to provide services to foster care youth between the ages of 16 years to 18 years old. Such services can be extended up to the age of 21 to youths who were in foster care at the time of their eighteenth birthday. The purpose of the program is to provide services that will train and assist the youth in successfully transitioning into adulthood and out of the foster care environment; such as employment preparation and skills necessary to secure a job, how to secure housing, how to develop a monthly budget which shows both expenses and income, and knowledge of local resources in their community which they may access. The ILP program is further intended to increase and support the youth’s self-esteem and provide them with activities to which they may not otherwise have exposure, such as community service, the arts, and other positive venues that they may use to enhance their life while living on their own.

In consideration of the Services to be rendered, the sums to be paid, and each and every covenant and condition contained herein, the parties hereto agree as follows:

D.11.2 COUNTY shall have full ownership and control of all such writings or other communications delivered by CONTRACTOR pursuant to this Agreement.

D.11.3 COUNTY shall pay CONTRACTOR the reasonable value of services rendered by CONTRACTOR to the date of termination pursuant to this Agreement not to exceed the amount documented by CONTRACTOR and approved by COUNTY as work accomplished to date; provided, however, COUNTY shall not in any manner be liable for lost profits which might have been made by CONTRACTOR had CONTRACTOR completed the services required by this Agreement. CONTRACTOR shall give written notice of its obligations under this clause to any labor agreement. CONTRACTOR shall include the non-discrimination and compliance provision of this paragraph in all subcontracts to perform work under this Agreement.

INSURANCE PROVISIONS

E.1 INSURANCE. CONTRACTOR shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder by the CONTRACTOR, its agents, representatives, or employees.

E.2 MINIMUM SCOPE AND LIMIT OF INSURANCE. Coverage shall be at least as broad as:

E.2.1 Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis for bodily injury and property damage, including products-completed operations, personal injury and advertising injury, with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location or the general aggregate limit shall be twice the required occurrence limit.

E.2.2 Automobile Liability: Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if CONTRACTOR has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $1,000,000 per accident for bodily injury and property damage.

E.2.3 Workers’ Compensation insurance as required by the State of California, with Statutory Limits, and Employer’s Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

E.2.4 Professional Liability (Errors and Omissions) Insurance as appropriate to CONTRACTOR’s profession, with limits no less than $1,000,000 per occurrence or claim, $2,000,000 aggregate.

If the CONTRACTOR maintains higher limits than the minimums shown above, COUNTY requires and shall be entitled to coverage for the higher limits maintained by CONTRACTOR.

E.3 Other Insurance Provisions. The insurance policies are to contain, or be endorsed to contain, the following provisions:

E.4 Additional Insured Status. COUNTY, its officers, officials, employees, and volunteers are to be covered as additional insureds on the auto policy with respect
to liability arising out of automobiles owned, leased, hired or borrowed by or on behalf of CONTRACTOR; and on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of CONTRACTOR including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the CONTRACTOR’s insurance (at least as broad as ISO Form CG 20 10, 11 85 or both CG 20 10 and CG 23 37 forms if later revisions used).

E.5 Primary Coverage. For any claims related to this contract, CONTRACTOR’s insurance coverage shall be primary insurance as respects COUNTY, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by COUNTY, its officers, officials, employees, or volunteers shall be excess of CONTRACTOR’s insurance and shall not contribute with it.

E.6 Notice of Cancellation. Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the COUNTY.

E.7 Waiver of Subrogation. CONTRACTOR hereby grants to COUNTY a waiver of any right to subrogation which any insurer of said CONTRACTOR may acquire against COUNTY by virtue of the payment of any loss under such insurance. CONTRACTOR agrees to obtain any endorsement that may be necessary to effect this waiver of subrogation, but this provision applies regardless of whether or not COUNTY has received a waiver of subrogation endorsement from the insurer.

E.8 Deductibles and Self-Insured Retentions. Any deductibles or self-insured retentions must be declared to and approved by COUNTY. COUNTY may require CONTRACTOR to provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention.

E.9 Acceptability of Insurers. Insurance is to be placed with insurers with a current A.M. Best’s rating of no less than A:VII, unless otherwise acceptable to the COUNTY.

E.10 Claims Made Policies. If any of the required policies provide coverage on a claims-made basis:

E.10.1 The Retroactive Date must be shown and must be before the date of the contract or the beginning of contract work.

E.10.2 Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

E.10.3 If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, CONTRACTOR must purchase “extended reporting” coverage for a minimum of five (5) years after completion of contract work.
E.11 Verification of Coverage. CONTRACTOR shall furnish COUNTY with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause. All certificates and endorsements are to be received and approved by COUNTY before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive CONTRACTOR’s obligation to provide them. COUNTY reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

E.12 Subcontractors. CONTRACTOR shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein.

E.13 Special Risks or Circumstances. COUNTY reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

TO: YUBA COUNTY BOARD OF SUPERVISORS

FROM: MICHAEL G. LEE, DIRECTOR OF PUBLIC WORKS

SUBJECT: Award contract to Apparent Low Bidder for the Loma Rica Road Safety Improvements Project

RECOMMENDATION:

The Public Works Department recommends that the Board of Supervisors approve award of the contract for the above project to the apparent low bidder, and to authorize its chairman to execute the contract pending contract approval by County Counsel.

BACKGROUND:

Multiple projects have been combined into one contract as a cost saving measure. One segment of the project will entail widening shoulders, extending or replacing culverts, improving drainage and installing pavement markings and striping, between Los Verjeles and Marysville Rd. This portion of the project will be funded through federal safety funding for High Risk Rural Roads (HR3). This project will also overlay the same length of Loma Rica Rd as well as realign Loma Rica Road at Cross Star Trail, and construct a north bound left turn lane on Marysville Rd for turning onto Loma Rica Road. These portions of the project will be funded with local funds.

The bids were as shown below:

- Knife River Construction, Inc. $1,802,230.41
- George Reed, Inc. $1,857,452.81
- R&R Horn Contractors, Inc. $2,184,162.00
- McGuire and Hester, Inc. $2,334,388.40
- B & M Builders, Inc. $2,600,176.40

DISCUSSION:

The work in general will consist of widening shoulders on Loma Rica Road between Marysville Road and Los Verjeles Road (HR3), correcting the horizontal and vertical alignment of Loma Rica Road at Cross Star Trail, constructing a turn pocket for Loma Rica Road on Marysville Road, improving drainage, overlaying and striping.

The engineer’s estimate for the construction of the total project was $1,975,000. The project is expected to be completed by September 2014.
COMMITTEE ACTION:

The Land Use & Public Works Committee was bypassed as this project is included in the Public Works Budget.

FISCAL IMPACT:

The High Risk Rural Roads portion of the project will be funded with $726,000 of Federal HR3 funds and $112,000 of local match from Trust 188 Road Impact Fees. Approximately $964,230 of Trust 188 funds will also be used for the other portions of work.

Re: Accept Monetary Donation to Benefit Yuba County Code Enforcement

Recommendation

It is recommended that the Board of Supervisors accept a monetary donation from Supervisor Andy Vasquez to benefit Yuba County Code Enforcement.

Background

Supervisor Andy Vasquez has expressed an interest in making a monetary donation from the period August 1, 2013 through June 30, 2014 on a monthly basis to benefit Yuba County Code Enforcement. Pursuant to Government Code 25355, the Board of Supervisors must formally accept donations made to the County that benefits any public purpose.

Discussion

The Code Enforcement division like other County departments has experienced a reduction in General Fund resources over the last several years. This donation will help fund safety equipment for use by Code Enforcement Officers out in the field.

Committee

Due to time constraints, this item was not taken to Committee.

Fiscal Impact

There is a positive impact to the General Fund associated with this item that will be moved over to the Code Enforcement budget.

WHEREAS, the California Public Utilities Commission (CPUC) requires Cal Water to submit a General Rate Case application every three years; and

WHEREAS, Cal Water has filed a proposed rate increase of 34.9% with the CPUC to become effective January 1, 2014, to be followed by additional small increases in the subsequent two years; and

WHEREAS, The County of Yuba spends $65,051.77 annually on water only ($133,351.44 on water and sewer) for its facilities in Marysville; and will experience an increase of $22,703.07 annually with this proposed rate change; and

Re: Request for Board of Supervisors approval for Tsi Akim Maidu tribe to use Sycamore Ranch Park for its annual Calling Back the Salmon Ceremony

Dear Clerk Stottlemeyer:

The Tsi Akim Maidu's annual Indigenous Peoples Days event has been scaled back this year due to the loss of three close tribal affiliates this summer, including their Maidu language instructor.

They have asked me to request that they be able to use Sycamore Ranch Park again this year, but they will only need camping on Friday, October 11 and Saturday, October 12. They will hold their annual Calling Back the Salmon Ceremony at sunrise on Saturday, October 12. Following the ceremony on Saturday, they will hold the salmon feast which is open to the public. Therefore, they need the same permits and permissions for camping, ceremony and the feast, along with use of the kitchen facility.

The tribe can offer some in-kind contribution to the park in exchange for usage if a waiver of fees is not possible. This year, they propose that they build one or more wooden park benches, but would need direction from your Parks Department on placement.

It is my understanding that the Board is inclined to grant a fee waiver in light of the educational and diversity aspects of this event, as well as the fact that the event brings income to the community, and is a continuing opportunity for tourism. Furthermore, the event is free of charge to the public. Like last year, the tribe will be expected to provide proof of insurance naming the park owner as an additional insured on the event policy.
I will be out of the area from September 19-25. I will be able to receive e-mails at letty_lichtfield@att.net during that time.

Thank you kindly for your continued support of this event.

Sincerely,

Letty Litchfield
