Re: Amendment to Lease with Peach Tree Clinic

_____________________________________________________________

Recommendation

Recommend the Board of Supervisors approve the attached amendment to the sublease agreement between the County of Yuba and Peach Tree Healthcare Inc.

Background

The Finance and Administration division of Peach Tree Health is moving out of the Packard Avenue facility. The County’s Health & Human Services Department is assuming the vacated space.

Discussion

Peach Tree Health has been seeking ways to reduce its rent obligation. One measure they are taking is to relocate their Finance and Administration Division from the Packard facility over to the One Stop in Marysville at the end of this month.

Health & Human Services will be relocating staff from the One Stop to back fill in to this space at the Packard facility.

Committee Finding

Due to the time sensitive nature of this request, it has been brought directly to your Board.

Fiscal Impact

There is no net increase in rent. Peach Tree’s rent will be reduced $11,244 per month and that will be assumed by Health & Human Services. Health & Human will also realize savings from the reduced footprint at the One Stop.

Yuba County Children’s Wellness & Child Abuse Prevention Council

“Improving the well-being of children in Yuba County”

February 24, 2015

Yuba County Board of Supervisors
215 Fifth Street
Marysville, CA 95901

SUBJECT: The Consolidation of the Yuba County Children’s Council and the Yuba County Child Abuse Prevention Council

Dear County Supervisors:

Currently the Yuba County Children’s Council (YCCC) and the Yuba County Child Abuse Prevention Council (CAPC) are two separate Councils who share the same membership and goals. In an effort to refresh and refocus the YCCC and CAPC, a series of planning meetings were held that led to the updating of the by-laws as well as the approval of combining the YCCC and the CAPC into one entity.

It was determined that the restructuring would assist in focusing the time and energies of the councils into achieving the mission of “improving the well-being of children in Yuba County.” Combining the two councils will also allow for more timely responses and actions being taken on council business.

The YCCC and the CAPC formally approved the consolidation of the two councils on 9/3/14 and 2/4/15. The new council would like to be named the Yuba County Children’s Wellness and Child Abuse Prevention Council and formally request that the Board of Supervisors adopt the enclosed Resolution, which is recommended by the two Councils, thereby approving the new name and the merge of the two councils in to one consolidated Board and designating the new council to make recommendations regarding the County Children’s Trust Fund (CCTF), including Child Abuse Prevention and Intervention Treatment/Community Based Child Abuse Prevention Fund (CAPIT/CBCAP).

BROPHY WATER DISTRICT

(2014)

The Political Reform Act, Government Code Sections 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations, Section 18730, which contains the terms of a standard conflict of interest code. The regulation can be incorporated by reference and may be amended by the Fair Political Practices Commission, after public notice and hearings, to conform to amendments to the Political Reform Act. Therefore, the terms of 2 California Code of Regulations, Section 18730, and any amendments thereto duly adopted by the Fair Political Practices Commission, are hereby incorporated by reference and, along with the attached Appendices in which officers, employees and consultants are designated and disclosure categories are set forth, constitute the conflict of interest code of the Brophy Water District.

Recognizing that different positions have different levels of power and responsibility, this Conflict of Interest Code establishes categories of disclosure to which positions are assigned based on the scope of their decision making authority. Positions with no significant decision making responsibility are classified as exempt and are not required to file statements under this Code.
The job titles of the officers, employees, and consultants of this governmental entity and the categories to which they are assigned are set forth in Appendix A attached hereto and incorporated herein by reference. The specific disclosure and reporting requirements of each category are set forth in Appendix B attached hereto and incorporated herein by reference.

Consultants are also subject to the disclosure requirements of this conflict of interest code if they are in a position to make decisions or influence decisions that could have an effect on their financial interest.

Designated employees shall file statements of economic interest with the Secretary of the Brophy Water District before April first of each year. The Secretary shall make the statements available for public inspection and reproduction when appropriate pursuant to Government Code section 81008.

In any event, all Brophy Water District designated employees are disqualified and shall not make, participate in making or in any way attempt to use their official positions to influence the making of any governmental decisions which they know or have reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, upon such designated employee, or a member of his or her immediate family.

A copy of the California Code of Regulations is available for review at the Yuba County Library.

Amended 1-19-2015
APPENDIX E: 2 CALIFORNIA CODE OF REGULATIONS 18730

(Regulations of the Fair Political Practices Commission, Title 2, Division 6, California Code of Regulations)

§ 18730. Provisions of Conflict of Interest Codes.

(a) Incorporation by reference of the terms of this regulation along with the designation of employees and the formulation of disclosure categories in the Appendix referred to below constitute the adoption and promulgation of a conflict of interest code within the meaning of Section 87300 or the amendment of a conflict of interest code within the meaning of Section 87306 if the terms of this regulation are substituted for terms of a conflict of interest code already in effect. A code so amended or adopted and promulgated requires the reporting of reportable items in a manner substantially equivalent to the requirements of article 2 of chapter 7 of the Political Reform Act, Sections 81000, et seq. The requirements of a conflict of interest code are in addition to other requirements of the Political Reform Act, such as the general prohibition against conflicts of interest contained in Section 87100, and to other state or local laws pertaining to conflicts of interest.

(b) The terms of a conflict of interest code amended or adopted and promulgated pursuant to this regulation are as follows:

(1) Section 1. Definitions.

The definitions contained in the Political Reform Act of 1974, regulations of the Fair Political Practices Commission (Regulations 18110, et seq.), and any amendments to the Act or regulations, are incorporated by reference into this conflict of interest code.

(2) Section 2. Designated Employees.
The persons holding positions listed in the Appendix are designated employees. It has been determined that these persons make or participate in the making of decisions which may foreseeably have a material effect on economic interests.

(3) Section 3. Disclosure Categories.

This code does not establish any disclosure obligation for those designated employees who are also specified in Section 87200 if they are designated in this code in that same capacity or if the geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction in which those persons must report their economic interests pursuant to article 2 of chapter 7 of the Political Reform Act, Sections 87200, et seq.

In addition, this code does not establish any disclosure obligation for any designated employees who are designated in a conflict of interest code for another agency, if all of the following apply:

(A) The geographical jurisdiction of this agency is the same as or is wholly included within the jurisdiction of the other agency;

(B) The disclosure assigned in the code of the other agency is the same as that required under article 2 of chapter 7 of the Political Reform Act, Section 87200; and

(C) The filing officer is the same for both agencies.1

Such persons are covered by this code for disqualification purposes only. With respect to all other designated employees, the disclosure categories set forth in the Appendix specify which kinds of economic interests are reportable. Such a designated employee shall disclose in his or her statement of economic interests those economic interests he or she has which are of the kind described in the disclosure categories to
which he or she is assigned in the Appendix. It has been determined that the economic interests set forth in a designated employee's disclosure categories are the kinds of economic interests which he or she foreseeably can affect materially through the conduct of his or her office.

(4) Section 4. Statements of Economic Interests: Place of Filing.

The code reviewing body shall instruct all designated employees within its code to file statements of economic interests with the agency or with the code reviewing body, as provided by the code reviewing body in the agency's conflict of interest code.2

(5) Section 5. Statements of Economic Interests: Time of Filing.

This section shall not apply to any part-time member of the governing board of any public institution of higher education, unless the member is also an elected official.

Subdivisions (a), (b), and (c) of Section 89501 shall apply to the prohibitions in this section.

This section shall not limit or prohibit payments, advances, or reimbursements for travel and related lodging and subsistence authorized by Section 89506.

(8.1) Section 8.1. Prohibition on Receipt of Gifts in Excess of $440.

(A) No member of a state board or commission, and no designated employee of a state or local government agency, shall accept gifts with a total value of more than $440 in a calendar year from any single source, if the member or employee would be required to report the receipt of income or gifts from that source on his or her statement of economic interests. (B) No public official who is exempt from the state civil service system pursuant to subdivisions (c), (d), (e), (f), and (g) of Section 4 of Article VII of the Constitution shall, while he or she holds office, receive a personal loan from any officer, employee, member, or consultant of the state or local government agency in which the public official holds office or over which the public official's agency has direction and control. This subdivision shall not apply to loans made by banks or other financial institutions or to any indebtedness created as part of a retail installment or credit card transaction, if the loan is made or the indebtedness created in the lender's regular course of business on terms available to members of the public without regard to the elected officer's official status.

(D) No public official who is exempt from the state civil service system pursuant to subdivisions (c), (d), (e), (f), and (g) of Section 4 of Article VII of the Constitution shall,
while he or she holds office, receive a personal loan from any person who has a contract with the state or local government agency to which that elected officer has been elected or over which that elected officer's agency has direction and control. This subdivision shall not apply to loans made by banks or other financial institutions or to any indebtedness created as part of a retail installment or credit card transaction, if the loan is made or the indebtedness created in the lender's regular course of business on terms available to members of the public without regard to the elected officer's official status. (E) This section shall not apply to the following:

3. Loans from a person which, in the aggregate, do not exceed five hundred dollars ($500) at any given time.

4. Loans made, or offered in writing, before January 1, 1998.

(8.3) Section 8.3. Loan Terms.

(A) Except as set forth in subdivision (B), no elected officer of a state or local government agency shall, from the date of his or her election to office through the date
he or she vacates office, receive a personal loan of $500 or more, except when the loan is in writing and clearly states the terms of the loan, including the parties to the loan agreement, date of the loan, amount of the loan, term of the loan, date or dates when payments shall be due on the loan and the amount of the payments, and the rate of interest paid on the loan.

(B) This section shall not apply to the following types of loans:

1. Loans made to the campaign committee of the elected officer.

2. Loans made to the elected officer by his or her spouse, child, parent, grandparent, grandchild, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin, or the spouse of any such person, provided that the person making the loan is not acting as an agent or intermediary for any person not otherwise exempted under this section.

3. Loans made, or offered in writing, before January 1, 1998.

(C) Nothing in this section shall exempt any person from any other provision of Title 9 of the Government Code.

(8.4) Section 8.4. Personal Loans.

(A) Except as set forth in subdivision (B), a personal loan received by any designated employee shall become a gift to the designated employee for the purposes of this section in the following circumstances:

1. If the loan has a defined date or dates for repayment, when the statute of limitations for filing an action for default has expired.

2. If the loan has no defined date or dates for repayment, when one year has elapsed from the later of the following:
a. The date the loan was made.

b. The date the last payment of $100 or more was made on the loan.

c. The date upon which the debtor has made payments on the loan aggregating to less than $250 during the previous 12 months.

(B) This section shall not apply to the following types of loans:

1. A loan made to the campaign committee of an elected officer or a candidate for elective office.

2. A loan that would otherwise not be a gift as defined in this title.

3. A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor has taken reasonable action to collect the balance due.

4. A loan that would otherwise be a gift as set forth under subdivision (A), but on which the creditor, based on reasonable business considerations, has not undertaken collection action. Except in a criminal action, a creditor who claims that a loan is not a gift on the basis of this paragraph has the burden of proving that the decision for not taking collection action was based on reasonable business considerations.

5. A loan made to a debtor who has filed for bankruptcy and the loan is ultimately discharged in bankruptcy.

(C) Nothing in this section shall exempt any person from any other provisions of Title 9 of the Government Code.

(9) Section 9. Disqualification.

No designated employee shall make, participate in making, or in any way attempt to use his or her official position to influence the making of any governmental decision which he or she knows or has reason to know will have a reasonably foreseeable
material financial effect, distinguishable from its effect on the public generally, on the official or a member of his or her immediate family or on:

(A) Any business entity in which the designated employee has a direct or indirect investment worth $2,000 or more;

(B) Any real property in which the designated employee has a direct or indirect interest worth $2,000 or more;

(C) Any source of income, other than gifts and other than loans by a commercial lending institution in the regular course of business on terms available to the public without regard to official status, aggregating $500 or more in value provided to, received by or promised to the designated employee within 12 months prior to the time when the decision is made;

(D) Any business entity in which the designated employee is a director, officer, partner, trustee, employee, or holds any position of management; or

(E) Any donor of, or any intermediary or agent for a donor of, a gift or gifts aggregating $440 or more provided to, received by, or promised to the designated employee within 12 months prior to the time when the decision is made.

(9.3) Section 9.3. Legally Required Participation.

No designated employee shall be prevented from making or participating in the making of any decision to the extent his or her participation is legally required for the decision to be made. The fact that the vote of a designated employee who is on a voting body is needed to break a tie does not make his or her participation legally required for purposes of this section.

(9.5) Section 9.5. Disqualification of State Officers and Employees.
In addition to the general disqualification provisions of section 9, no state administrative official shall make, participate in making, or use his or her official position to influence any governmental decision directly relating to any contract where the state administrative official knows or has reason to know that any party to the contract is a person with whom the state administrative official, or any member of his or her immediate family has, within 12 months prior to the time when the official action is to be taken:

(A) Engaged in a business transaction or transactions on terms not available to members of the public, regarding any investment or interest in real property; or

(B) Engaged in a business transaction or transactions on terms not available to members of the public regarding the rendering of goods or services totalling in value $1,000 or more.

(10) Section 10. Disclosure of Disqualifying Interest.

When a designated employee determines that he or she should not make a governmental decision because he or she has a disqualifying interest in it, the determination not to act may be accompanied by disclosure of the disqualifying interest.

(11) Section 11. Assistance of the Commission and Counsel.

Any designated employee who is unsure of his or her duties under this code may request assistance from the Fair Political Practices Commission pursuant to Section 83114 and Regulations 18329 and 18329.5 or from the attorney for his or her agency, provided that nothing in this section requires the attorney for the agency to issue any formal or informal opinion.

(12) Section 12. Violations.
This code has the force and effect of law. Designated employees violating any provision of this code are subject to the administrative, criminal and civil sanctions provided in the Political Reform Act, Sections 81000-91014. In addition, a decision in relation to which a violation of the disqualification provisions of this code or of Section 87100 or 87450 has occurred may be set aside as void pursuant to Section 91003.

1 Designated employees who are required to file statements of economic interests under any other agency's conflict of interest code, or under article 2 for a different jurisdiction, may expand their statement of economic interests to cover reportable interests in both jurisdictions, and file copies of this expanded statement with both entities in lieu of filing separate and distinct statements, provided that each copy of such expanded statement filed in place of an original is signed and verified by the designated employee as if it were an original. See Section 81004.

2 See Section 81010 and Regulation 18115 for the duties of filing officers and persons in agencies who make and retain copies of statements and forward the originals to the filing officer.

3 For the purpose of disclosure only (not disqualification), an interest in real property does not include the principal residence of the filer.

4 Investments and interests in real property which have a fair market value of less than $2,000 are not investments and interests in real property within the meaning of the Political Reform Act. However, investments or interests in real property of an individual include those held by the individual's spouse and dependent children as well as a pro rata share of any investment or interest in real property of any business entity or trust in
which the individual, spouse and dependent children own, in the aggregate, a direct, 
indirect or beneficial interest of 10 percent or greater.

5 A designated employee's income includes his or her community property interest in 
the income of his or her spouse but does not include salary or reimbursement for 
expenses received from a state, local or federal government agency.

6 Income of a business entity is reportable if the direct, indirect or beneficial interest of 
the filer and the filer's spouse in the business entity aggregates a 10 percent or greater 
interest. In addition, the disclosure of persons who are clients or customers of a 
business entity is required only if the clients or customers are within one of the 
disclosure categories of the filer.

Conflict of Interest under the Political Reform Act

A Board member or designated employee shall not make, participate in making, or in any way
use or attempt to use his/her official position to influence a governmental decision in which he/she knows or has reason to know that he/she has a disqualifying conflict of interest. A conflict of interest exists if the decision will have a "reasonably foreseeable material financial effect" on one or more of the Board member's or designated employee's "economic interests," unless the effect is indistinguishable from the effect on the public generally or the Board member's or designated employee's participation is legally required. (Government Code 87100, 87101, 87103; 2 CCR 18700-18709)

A Board member or designated employee makes a governmental decision when, acting within the authority of his/her office or position, he/she votes on a matter, appoints a person, obligates or commits the district to any course of action, or enters into any contractual agreement on behalf of the district. (2 CCR 18702.1)

A Board member who has a disqualifying conflict of interest on an agenda item that will be heard in an open meeting of the Board shall abstain from voting on the matter. He/she may remain on the dais, but his/her presence shall not be counted towards achieving a quorum for that matter. A Board member with a disqualifying conflict of interest shall not be present during a closed session meeting of the Board when the decision is considered and shall not obtain or review a recording or any other nonpublic information regarding the issue. (2 CCR 18702.1)

(cf. 3430 - Investing)

Conflict of Interest under Government Code 1090

Board members, employees, or district consultants shall not be financially interested in any contract made by the Board on behalf of the district, including in the development, preliminary discussions, negotiations, compromises, planning, reasoning, and specifications and solicitations for bids. If a Board member has such a financial interest, the district is barred from entering into the contract. (Government Code 1090; Klistoff v. Superior Court, (2007) 157 Cal.App. 4th 469)

A Board member shall not be considered to be financially interested in a contract if his/her interest is a "noninterest" as defined in Government Code 1091.5. One such noninterest is when a Board member's spouse/registered domestic partner has been a district employee for at least one year prior to the Board member's election or appointment. (Government Code 1091.5)

A Board member shall not be considered to be financially interested in a contract if he/she has only a "remote interest" in the contract as specified in Government Code 1091 and if the remote interest is disclosed during a Board meeting and noted in the official Board minutes. The affected Board member shall not vote or debate on the matter or attempt to influence any other Board member to enter into the contract. (Government Code 1091)

Even if there is not a prohibited conflict of interest, a Board member shall abstain from voting on personnel matters that uniquely affect his/her relatives. However, a Board member may vote on collective bargaining agreements and personnel matters that affect a class of
employees to which his/her relative belongs. Relative means an adult who is related to the Board member by blood or affinity within the third degree, as determined by the common law, or an individual in an adoptive relationship within the third degree. (Education Code 35107)

A relationship within the third degree includes an individual's parents, grandparents, great-grandparents, children, grandchildren, great-grandchildren, brothers, sisters, aunts, uncles, nieces, nephews, and the similar family of the individual's spouse/registered domestic partner unless the individual is widowed or divorced.

Common Law Doctrine Against Conflict of Interest

A Board member shall abstain from any official action in which his/her private or personal interest may conflict with his/her official duties.

Rule of Necessity or Legally Required Participation

On a case-by-case basis and upon advice of legal counsel, a Board member with a financial interest in a contract may participate in the making of the contract if the rule of necessity or legally required participation applies pursuant to Government Code 87101 and 2 CCR 18708.

Incompatible Offices and Activities

Board members shall not engage in any employment or activity or hold any office which is inconsistent with, incompatible with, in conflict with, or inimical to the Board member's duties as an officer of the district. (Government Code 1099, 1126)

(cf. 4136/4236/4336 - Nonschool Employment)

Gifts

Board members and designated employees may accept gifts only under the conditions and limitations specified in Government Code 89503 and 2 CCR 18730.

The limitation on gifts does not apply to wedding gifts and gifts exchanged between individuals on birthdays, holidays, and other similar occasions, provided that the gifts exchanged are not substantially disproportionate in value. (Government Code 89503)

Gifts of travel and related lodging and subsistence shall be subject to the current gift limitation except as described in Government Code 89506.

A gift of travel does not include travel provided by the district for Board members and designated employees. (Government Code 89506)

Honoraria
Board members and designated employees shall not accept any honorarium, which is defined as any payment made in consideration for any speech given, article published, or attendance at any public or private gathering, in accordance with law. (Government Code 89501, 89502)

The term honorarium does not include: (Government Code 89501)

1. Earned income for personal services customarily provided in connection with a bona fide business, trade, or profession unless the sole or predominant activity of the business, trade, or profession is making speeches

2. Any honorarium which is not used and, within 30 days after receipt, is either returned to the donor or delivered to the district for donation into the general fund without being claimed as a deduction from income for tax purposes

FROM: Russ Brown, Communications & Legislative Affairs Coordinator

SUBJECT: Letter seeking legislation for $21.3 million for the Local Groundwater Assistance Grant Program or a similar program

**Recommended Action:** Authorize Chair to sign letter encouraging Governor and Legislature to approve Local Groundwater Assistance Grant Program—or a similar program—so that funding will be available to assist in forming Groundwater Sustainability Agencies and developing Groundwater Sustainability Plans.

**Background & Discussion:** Yuba County has responded to state legislation compelling local jurisdictions to establish local plans to address groundwater issues and to participate in regional efforts to meet requirements. Yuba County has dedicated staff time to address groundwater concerns, which also has great relevance to the Yuba County Water Agency. We are now working in a collaborative manner throughout the Sacramento Valley to determine the best approach for forming Groundwater Sustainability Agencies under the new groundwater legislation, as well as developing the next generation of Groundwater Sustainability Plans that provide for comprehensive groundwater management in the Sacramento Valley. Understandably, significant costs are associated with meeting the regulatory requirements.

Earlier this month, Governor Brown released his 2015/16 proposed budget, which includes $21.3 million for grants that would support projects that develop and implement local groundwater plans. This type of funding would be a vital resource to completing these plans successfully, without further burdening the county’s general fund.

**Committee Action:** Due to time constraints, this matter was not presented at the committee level.

**Fiscal Impact:** None

RE: Local Groundwater Sustainability Funding in the 2015-2016 Budget

Dear Governor Brown:

The Yuba County Board of Supervisors is pleased to see the inclusion of $21.3 million in your 2015-2016 Budget Summary “for grants for projects that develop and implement local groundwater plans.”

For many years in the Sacramento Valley, water resources managers and local government entities have actively managed groundwater resources within the region as part of our collective effort to sustainably manage all water resources. This includes diligently working on various Integrated Regional Water Management Plans (IRWMP’s) throughout the Sacramento Valley. We are now working in a collaborative manner throughout the Sacramento Valley to determine the best approach for forming Groundwater Sustainability Agencies under the new groundwater legislation, as well as developing the next generation of Groundwater Sustainability Plans that provide for comprehensive groundwater management in the Sacramento Valley. State funding of a grant program to assist our local groundwater efforts would assist in this collaboration and be greatly appreciated.

The Groundwater Sustainability Plans will build upon previous Groundwater Management Plans that have been adopted throughout the Sacramento Valley and the various monitoring programs, including CASGEM. The attached maps prepared by the Department of Water Resources (DWR) show the progress the Sacramento Valley has made in advancing groundwater management over the past decade. This prior work was enhanced by grant funding that was administered through the DWR’ Local Groundwater Assistance Grant Program. This funding opportunity was created with the passage of AB 303, the Local Groundwater Management Assistance Act of 2000 (now codified at Water Code §10795.) The intent of the Legislature in passing AB 303 was “to encourage local agencies to work cooperatively to manage groundwater resources within their jurisdictions.” Today, funding for this program will support and move us forward in the implementation of your concept of subsidiarity in the California Water Action Plan by providing assistance for local agencies to successfully manage groundwater.
The Yuba County Board of Supervisors encourages your administration and the Legislature to approve $21.3 million for the Local Groundwater Assistance Grant Program—or a similar program—so that funding will be available to assist us in forming Groundwater Sustainability Agencies and developing Groundwater Sustainability Plans that will foster sustainable groundwater management. We look forward to working with your administration and the Legislature in this effort.

Sincerely,

Mary Jane Griego, Chair

Re: Proclaim the existence of a local emergency in the County of Yuba

Date: February 24, 2015

Recommendation:
The Board of Supervisors adopt a resolution proclaiming the continuation of a local emergency due to the ongoing drought conditions.

Background:
On January 17, 2014 Governor Edmund G. Brown Jr. declared a Statewide Drought Emergency due to the impacts on the State of California as a result of four continuous years of drought. On February 18, 2014 the Director of Emergency Services proclaimed a local emergency due to the effects the drought has had within the County of Yuba. Your Board ratified said proclamation on February 25, 2014 and extended on January 13, 2015.

Discussion:
With an on-going water shortage affecting the County of Yuba, the final duration of the emergency has not yet been determined. The recent rainstorms are seasonally expected and are consistent with the average rainfall during this time of year. At this point, the storms have had no impact on lessening drought conditions. Therefore it is recommended that your Board extend the current proclamation of a local emergency until the end of the incident period per (Govt. Code Section 8630 (c)). This proclamation of emergency will be reviewed and renewed no less than once every thirty days. Per (Govt. Code Section 8630(d)) this proclamation of emergency shall be terminated as soon as reasonably possible.

Committee Action:
No committee action was taken due to time constraints.

Fiscal Impact:
There is an unknown impact to the general fund as of this date.

Letter of Understanding

The Yuba County Sheriff’s Department and the County of Yuba have negotiated a Memorandum of Understanding with BGE Yuba (Live Nation, Inc.) to provide supplemental law enforcement services at the Sleep Train Amphitheatre. This Memorandum of Understanding guarantees the County of Yuba is fully reimbursed for all personnel costs associated with the supplemental services provided by the Sheriff’s Department at this venue.

During the previous fourteen concert seasons, the Sheriff’s Department utilized Sheriff’s Captains as supervisors at the amphitheatre. The Sheriff’s Department intends to do the same in 2015. Since Sheriff’s Captains are exempt from overtime compensation, the County of Yuba agrees to pay Captains a premium of six-hundred and fifty dollars ($650.00) for each concert worked. BGE Yuba agrees to fully reimburse the County of Yuba pursuant to their Memorandum of Understanding with the County.

A similar arrangement exists with the use of Reserve Deputy Sheriffs at the amphitheatre. RECOMMENDATION

2. Approve Proposed Mid-Year Budget Transfers in the amount of $4,373,752.
3. Approve Propcse Mid-Year Personnel Requests.
4. Approve Proposed Mid-Year Fixed Asset Requests.
5. Approve Proposed Mid-Year Contingency Requests in the amount of $92,269.

BACKGROUND

Annually, the County Administrator’s Office prepares a mid-year status report on the current year’s budget for the Board of Supervisors along with recommendations regarding appropriation changes requested by departments. Typically, these changes are routine in nature to either correct or adjust budget estimates provided at the beginning of the fiscal year.

DISCUSSION

The attached documents identify requested changes in the County’s budget for the second half of the fiscal year. The following is a summary of the requested changes.

Budget Transfer Requests – A total of $4,373,752 in budget transfers is being requested.

Public Works routinely uses the Mid-Year budget process to true-up estimates with final project costs and current revenue estimates. This year Public Works is requesting a budget reduction in the amount of ($2,184,126) due to reallocation of project timelines.

Administrative Services is requesting a budget increase in the amount of $4,809,439 to appropriate estimated project costs for the remainder of the fiscal year for the Sheriff’s facility project. Revenue to offset these expenditures will come from bond proceeds and the Capital Outlay Fund.
General Fund Contingency requests in the amount of $92,269 are being recommended for the following departments:

- The Assessor’s Office is requesting $15,056 for staff overtime and extra help to assist in completing the assessment roll for FY 15/16 and to cover unanticipated increases in health insurance costs for the department.
- The Board of Supervisors Office is requesting $7,977 for benefits, communications and travel cost related to change in supervisors.
- The Ag Commissioner is requesting $15,186 for payouts related to an unanticipated retirement and $4,000 to backfill the Fire Safe Council consultant contract as approved by the Board on 2/10/15.
- Veterans Services is requesting $1,340 to maintain the General Fund level as required by the state for one-time Veterans subvention funding that was extended for FY 2014-15.
- Probation is requesting $2,508 for the State Correctional School (CYA) budget for an unanticipated CYA placement.
- Administrative Services is requesting $46,202 as approved by the Board on 12/16/14 for the reorganization of Admin Services.

Capital Outlay Fund requests in the amount of $278,482 are being recommended for the following items requested by Administrative Services – Building & Grounds Division:

- **$39,000 - Government Center Fascia Wall Encapsulation Project**
  The project is necessary to remediate a section of steel fascia wall that was painted with lead based paint during the renovation of the Government Center which is now failing.

- **$76,482 - Courthouse Backflow Preventer Project**
  The project is necessary to meet the requirements issued by California Water Service to ensure that backflow preventer valves are installed in both the 8” water line for fire service and the 4” water line that provides domestic and irrigation water to the Courthouse.

- **$163,000 – Superior Court Carpet Replacement Project**
  This project is a coordinated effort with the state Administrative Office of the Courts (AOC) to replace the carpets in the areas occupied by the Courts. The funds provided for this project will be repaid by the AOC upon project completion. Administrative Services has provided a staff report which details this project and is included in the Midyear Budget Review packet.

**Personnel Change Requests** – Health & Human Services and Community Development & Services Agency (CDSA) have requested changes to their current position allocations. There are no requests for additional General Fund appropriations to support these changes.

**Health and Human Services** – three (3) net position additions

- Human Services Division
  - Abolish Vacant Office Assistant, Establish Office Specialist
  - Abolish Vacant Registered Nurse, Establish Program Supervisor

- Health Services Division
  - New Public Health Nurse I/II (2)
  - New Program Supervisor (1)
  - Change Vacant Program Aide from Limited Term to Permanent

**CDSA** – two (2) net position additions

- Public Works Division
  - Delete Vacant Principal Engineer (-1)

 ➢ Building Inspection/Code Enforcement Division
   ▪ Add New Code Enforcement Officer I/II (2)
 ➢ CDSA Administration Division
   ▪ Add New Administrative Technician (1)

Capital Requests (Fixed Assets) - $505,297 in fixed asset purchases are requested by various departments. No additional General Fund appropriations are being requested for these items. The requesting departments are utilizing federal and state funds, Capital Outlay funds and budget savings to cover the costs.

COMMITTEE

This item is traditionally presented to the full Board for consideration.

FISCAL IMPACT

The recommended actions will decrease the County’s General Fund Contingency balance from $519,272 to $427,003, the Capital Outlay Fund from $2,912,211 to $2,633,729.
General Fund Discretionary Revenue

General fund discretionary revenue is general fund revenue that is not a direct reimbursement revenue source for a department. The funds are thus “discretionary” and approved by the Board of Supervisors for the general fund needs of the County. The major discretionary general fund revenue sources that make up this revenue include property and sales taxes, franchise fees, general fines, interest, triple flip, and tipping fees. The total discretionary general fund revenue budgeted for FY 14/15 is $25,215,885.

General Fund expenditures were ($775,699) less than the same period last year. Total percent expended through the end of December was 45.90%.

Departmental Revenue and Expenditure Reporting

County departments report revenues received and expenditures made on a monthly basis. Through the end of the second quarter of this fiscal year, there were fifteen (15) budgets in the General Fund that exhibited shortfalls for a total amount of ($847,832). The shortfalls are primarily attributed to timeliness of grant and program reimbursements.

In the Non-General Fund departments, there were sixteen (16) budgets that exhibited shortfalls for a total amount of ($1,573,062). The shortfall is mainly attributed to timing of budget transfers for workers compensation reimbursement (the full premium is paid in July and transfers are usually processed at the end of each quarter by the Auditor's Office) and construction reimbursement revenue for the Road Fund.

Administrative Services Memorandum

To: Board of Supervisors
CC: Robert Bendorf, County Administrator
From: Doug McCoy, Director, Administrative Services
Date: January 27, 2015
Re: Approval of use of 200 account for Courthouse carpet project

Recommendation

The Board authorizes Administrative Services to borrow $163,000 from the #200 capital account to fund the courthouse carpet project. To be reimbursed by the Judicial Office of the Courts upon project completion.

Background

The Judicial Office of the Courts (formerly known as the Administrative Office of the Courts, or AOC) has authorized Administrative Services to facilitate a large scale carpet and flooring replacement project in the Yuba County Superior Court Rooms. The existing carpet in the courtrooms is faded, torn, and liberally patched with duct tape.

Discussion

This carpet replacement project includes relocation of courtroom furniture, removal of old carpet, the abatement of asbestos under the current floor tile, the installation of new tile and carpet and furniture replacement. We have logistically worked out a schedule with the Courts to perform this project in five phases to match the five courtrooms, chambers, jury rooms, etc. in a way that will not impact Court proceedings.

Yuba County Purchasing facilitated a comprehensive RFP from flooring providers. And the Courts have authorized a single payment to the vendor at the end of the project. Administrative Services will oversee and manage the project on the Courts’ behalf.

This will required Administrative Services to pay the milestone payments to the vendor as phases are complete. We will then invoice the JOC for reimbursement.
Committee Impact

Due to the time sensitivity of this project, work is to begin imminently so as to finish yet this fiscal year, it has been brought directly to the Board.

Fiscal Impact

This will be funded from the capital #200 account, paid through the B&G #2800 account. Once the project is complete, 100% of the funds will be reimbursed by the JOC and in to the #290 account. The net result will be a net ‘no impact’ to the County.

Pat,

One invoice is great, the simpler the better and it will help us to process the entire invoice in a straightforward manner. I would like a copy of the schedule when it's figured out as I would like to come by and take some photos for our records. Let me know if you need anything.

Respectfully,

Bill,

This is great news. We appreciate your efforts. It is very likely that the vendor will request draws for each of the 6 phases. Perhaps for every two phases. Given that you are on a 60-90 day pay schedule, we are proposing that the county pay the vendor for each phase and send you an invoice for the entire project at the end. Will this work for you? Could the final invoice be from the county and not the vendor? Thanks.

Pat,

Good news, I was able to obtain the needed funding to complete this project without using inmate labor or buying the materials directly. I think we all would feel better with some recourse should some warranty issue arise. At this time we have funding to $163K which will take care of the entire project. At the end of the project please send me the invoice and I will deliver to our billing as well as attach to the SWO (service work order) to ensure we have all the information for our records.

We will treat this project as only having 1 final payment at the end for the total amount, unless there is some need otherwise to break into milestone payments. Our payment cycle runs normally 60-90 days +/- depending on when we receive the invoice during the month. I would like to be notified of the work schedule as I would like to inspect the work as it is being done. My inspection is for documentation, QC and is not intended to delay or be a condition before progressing to a next stage of the project as permitted inspections require. Please contact me should you have any questions or need assistance.

Respectfully,

To: Yuba County Board of Supervisors
   Yuba County Fish and Game Advisory Commission

From: Dale Whitmore, volunteer

Subject: Suggested changes to the Yuba County Fish and Game Advisory Commission bylaws

   I had hoped to discuss these recommendations at the December 4, 2014 commission meeting. Item 2, Bylaws, was conducted with no comments from the public. It was announced during the meeting that only commissioner comments would be accepted. I believe that this action was a violation of Section 54954.3 of the Brown Act.

   My recommendations to improve the commission bylaws are:

1. 92-010 The Yuba Fish and Game Advisory Commission shall consist of sixteen members (16) and seven (7) alternate members.

   Discussion: Sutter County has alternate members on their commission for the following purposes –
   1) The alternate members fill in for absent members when a meeting quorum of members is not attainable. There was at least one Yuba Fish and Game Commission meeting (April) in 2014 when the meeting was cancelled due to lack of a meeting quorum. Sutter County has not cancelled a meeting due to lack of a quorum in a long time.
   2) The additional members have added new energy and ideas to the Sutter County Fish and Game Advisory Commission with their participation.

2. 92-030 Addition to paragraph 3

The clerk of the Board of Supervisors shall advertise for one Youth member (1) between the ages of fifteen and eighteen and eight (8) taken at large from anywhere in Yuba County. The Clerk of the Board of Supervisors will forward applications to the Fish and Game Commission for their review. All new members, regardless of how they are nominated, should attend a Fish and Game Commission meeting for commission familiarization before appointment is ratified. Application will then be sent to the Yuba County Board of Supervisors for ratification.

   Discussion: The attached letter from Frank Allen explains why this paragraph was written in about 2005. The short addition clarifies the purpose. I left the word “should” as it is because it is up to the Board of Supervisors to determine if it is necessary for the prospective member to be “reviewed” by the commission. The commission does not vote on new members in this recommendation.

   If current members “vote” on prospective members, ill feelings between members can be needlessly created.
Prospective members will be less likely to apply to the commission if they know that they will be "voted" on by 5 county supervisors and 14 commissioners. We need to encourage public participation!

3. 92-050 Addition to MEETINGS

Regular meetings of the Commission shall be held on the first Thursday in the Calendar Year. Special meetings may be called if necessary to transact work of the Commission. The location of regular meetings will be decided at the first meeting of the Fish and Game Advisory Commission, thereafter the location of the regular meetings will be decided each year during the January meeting. The location of special meetings will be determined by the chairperson. All meetings of the Commission shall be conducted in an orderly and systematic manner to permit the input of interested parties and the resolution of all matters coming before the Commission. Public input/volunteerism will be encouraged at all meetings.

To place an action item on the Commission agenda, a public or commission member will submit a written or verbal request to the secretary of the Commission ___ days prior to the meeting.

Discussion: The purpose of this recommendation is to recognize that the commissioners are appointed to serve the public and to encourage the free flow of ideas to the Commission. There should be no screeners/censors between the public/commissioners and the Commission.

4. 92-080 Addition to COMMITTEES

At the first meeting of the Fish and Game Advisory Commission, standing committees will be established. Standing committees shall thereafter be established and abolished by a majority vote of the Commission.

Committee Rules
i. It shall be the responsibilities of each committee to report with recommendations on items assigned to each, at regular monthly meetings.
ii. Committee assignment topics shall be made by the chairperson of the Commission for investigation by the appropriate standing committee.
iii. Standing committees may present additional items of importance discussed or proposed by committee members as a result of their meeting for the purpose of consideration by the membership of the Commission.
iv. Chairperson of each standing committee will conduct meetings under the same procedures as the Commission.
v. The chairperson of standing committees shall appoint a committee secretary for the purposes of recording and reporting activities of the committee to the Commission. Copies of the committee reports will be given to the secretary of the Commission for inclusion in the minutes.
vii. Regular meetings of standing committees shall be scheduled as time allows for the purpose of discussion of assigned topics.

Discussion: The "Committee Rules" section was added to describe what is expected from a standing committee. A standing committee is a committee which has continuing jurisdiction over a particular subject manner (e.g., budget, finance, legislation) or if the committee's meeting schedule is fixed by charter, ordinance, resolution or other formal action of the legislative that created it. The commission has committees which fall under this definition.

Yuba County Board of Supervisors

Subject: Attendance at one Yuba County Fish and Game Commission meeting by a prospective commissioner prior to appointment by the Board of Supervisors

Dear County Supervisors:

I was the chairman/member of the commission from 1999 to 2010. During that time there was a problem with newly appointed members showing up for their first commission meeting and then never showing up again. It would take many months for the Board of Supervisors to remove the non-attending member. It was deemed advisable by the commission that prospective members should attend one meeting prior to being appointed so that they could experience a commission meeting.

I explained the situation to County Counsel Dan Montgomery in 2005. He advised me that the following wording in Section 92-030, paragraph 3 would accomplish the goal. It was never the intent of paragraph 3 that the current commissioners would vote on the suitability of new commissioners. New commissioners are appointed only by the Board of Supervisors.

Section 92-030, paragraph 3:

The clerk of the Board of Supervisors shall advertise for one Youth member (1) between the ages of fifteen and eighteen and eight (8) taken at large from anywhere in Yuba County. The Clerk of the Board of Supervisors will forward applications to the Fish and Game Commission for their review. All new members, regardless of how they are nominated, should attend Fish and Game Commission meeting before appointment is ratified. Application will then be sent to the Yuba County Board of Supervisors for ratification.

I am sending this letter to clarify the history of this bylaw paragraph and why it is worded the way it is.

Sincerely,

Frank Allen

Re: Public Health Pesticide Application Notification

Dear Agency:

The Sutter-Yuba Mosquito & Vector Control District may be making public health pesticide applications to waters of the U.S. under your jurisdiction for mosquito control to prevent mosquito-borne diseases, such as West Nile virus. The District will be using larvicides and adulticides listed in the National Pollutant Discharge Elimination System (NPDES) permit for biological and residual pesticides discharges to waters of the United States for vector control operations.

Attached is a list of pesticides that the District could potentially use. Your agency could expect to see applications between January 1 and December 31 of this year. However, the majority of applications occur between May 1 and October 31. The District is required to notify all government agencies that may be affected by these applications under the requirements of the general NPDES permit. Please contact Michael Kimball at 530-674-5456 ext. 101 or Stephen Abshier at ext. 106 if you have additional questions.

Respectfully,

Michael Kimball

PUBLIC HEARING

AFTERNOON SESSION

1:30 P.M.
DATE: February 24, 2015

TO: Board of Supervisors

FROM: Community Development & Services Agency, Code Enforcement Division
Jeremy Strang, Division Manager
John Rohrbach, Code Enforcement Officer

SUBJECT: Accounting Hearing to Determine Costs of Abatement to be Assessed Against Property Located at 6223 Mapes Way, Linda, CA and to Authorize Recording an Abatement Lien.

RECOMMENDATION: Confirm the attached Cost Accounting and adopt Findings of Fact, Conclusions of Law and Orders authorizing the assessment of administrative and summary abatement costs and the recording of a lien regarding the subject address.

BACKGROUND: On July 11, 2014, an inspection of the subject property revealed several code violations consisting of vacant, substandard, unsecured and unmaintained residential property; overgrown weeds and vegetation; the maintenance of a rat harborage; and the storage of junk, trash and debris. Upon final analysis it was determined that due to the degree and nature of the violations and especially the violations that remained subsequent to the property becoming vacant, a Summary Abatement was conducted beginning July 18, 2014, with completion on August 6, 2014. The abatement removed all conditions deemed detrimental to the health and safety of the community, averting the immediate threat to the public.

On August 28, 2014, a Demand for Payment was sent to Richard C. Lantsberger for the administrative and summary abatement costs incurred in abating those violations. The demand remains unpaid, the total due now being $14,187.96; please refer to Attachment A for the Cost Accounting.

Richard C. Lantsberger has been given written notice of this Accounting Hearing, a copy of which is attached hereto marked as Attachment B.

DISCUSSION: This hearing has been scheduled to allow evidence and testimony to be presented and heard on the sole questions of whether the accounting of the administrative and summary abatement costs reflected in Attachment A are accurate and reasonable and whether such costs should be assessed and a lien recorded.

COMMITTEE ACTION: None required.

FISCAL IMPACT: Implementing the requested recommendation will facilitate cost recovery and reimbursement of appropriate funds and accounts.

CONCLUSIONS OF LAW

1. Richard C. 4. These Orders may be recorded by the Director of Yuba County Community Development & Services Agency.

NOTICE OF HEARING TO ASSESS PROPERTY AND RECORD ABATEMENT LIEN

YOU ARE HEREBY NOTIFIED to appear before the Yuba County Board of Supervisors at 915 8th Street, Marysville, California, in the Board of Supervisors Chambers, on February 24, 2015, at the hour of 1:30 p.m., or as soon thereafter as the matter may be heard, to show cause, if any there may be, why the administrative and summary abatement costs for the property located at 6223 Mapes Way, Linda CA, APN 021-023-002, should not be assessed against the property and why an abatement lien should not be recorded thereby.

If you fail to appear at the hearing or if you fail to raise any defense or assert any relevant points at the hearing, the County will assert that you have waived all rights to assert such defenses or rights.

At the hearing, you may present evidence and witnesses in your behalf, and you may examine any witnesses who present evidence.

You may appear personally or have a representative appear at the hearing in your behalf and be heard on the sole questions of whether the accounting of the administrative and summary abatement costs reflected in Attachment A are accurate and reasonable and whether such costs should be assessed and a lien recorded.

SUBJECT: 1679 11TH AVENUE, OLIVEHURST, CA 95961
APN: 013-270-022-000
LEGAL DESCRIPTION: PT L-36 OLVHRST TR

YOU ARE HEREBY NOTIFIED that the uses of and conditions on the subject property have been determined by the Yuba County Code Enforcement Division to violate the Yuba County Ordinance Code and are therefore declared a public nuisance. The uses and conditions that create a public nuisance on said property are as follows:

1. Yuba County Ordinance Code § 7.36.310(a)(1): Anything which is injurious to health, poses a significant potential to cause economic and/or physical injury or damage to persons or property, or constitutes a significant detriment to the prevention or suppression of fire, or significantly interferes with the provision of emergency services to the public, to wit:
   A. Accumulation and storage of junk, trash, refuse and debris.
   B. Creating a visual blight.
   C. Vector and vermin.
   D. Accessory uses continuing after termination of principal use.

3. Yuba County Ordinance Code § 7.36.310(a)(5): The maintenance or use of any real property in violation of any provision of the Yuba County Ordinance Code, State law or federal law, to wit:
A. Existence and use of accessory structures and storage of miscellaneous personal property and a vehicle (livestock trailer) continuing after the principal use [residential] has terminated in violation of Yuba County Ordinance Code Chapter 12.01. This parcel is assessed as vacant land and with the removal of the residence, all associated accessory uses shall terminate.

4. Yuba County Ordinance Code § 7.36.310(a)(7): ...property which is likely to or does harbor rats or other vectors, feral cats, and other non-domesticated animal nuisances, to wit:
   A. Maintaining an environment for the propagation and harborage of vector and vermin.

5. Yuba County Ordinance Code § 7.36.310(a)(9): Any violation of Chapter 7.05 of the Yuba County Ordinance Code relating to solid waste disposal, to wit:
   A. Failure to remove solid waste, junk, trash, refuse and debris at required interval.
   B. Failure to store solid waste, junk, trash, refuse and debris in proper containers.

6. Yuba County Ordinance Code § 7.36.310(a)(11): Any condition that constitutes a visual blight. For purposes of this Code, visual blight is any unreasonable or unlawful condition or use of real property, premises or building exteriors which by reason of its appearance, as viewed at ground level from a public right-of-way or from neighboring premises, is detrimental to the property of others or to the value of property of others, offensive to the senses, or reduces the aesthetic appearance of the neighborhood. Regardless of the number of persons directly impacted by visual blight, visual blight in and of itself affects the entire community any time it occurs because it detrimentally impacts property values and limits economic growth. Visual blight includes, but is not limited to, the keeping, storing, deposition, scattering over or accumulation on the premises any of the following:
   A. Junk, trash, debris, scrap metal, refuse, paper, demolition and construction wastes, rubbish, packing materials; and/or
   B. Objects or equipment such as furniture, stoves, appliances, refrigerators, freezers, cans or containers that have been abandoned, discarded, or are no longer useful for their original intended purpose.

YOU ARE HEREBY ORDERED to correct and/or remove all violations from the subject property no later than November 2, 2013. The attached billing statement shall be paid no later than November 16, 2013.

If you disagree with the determination that a public nuisance exists on the subject property, you have the right to a hearing to show cause, if any there be, why the use of said real property should not be found to be a public nuisance and abated pursuant to the Yuba County Ordinance Code. You may request a hearing by filing a written request for a hearing with the Yuba County Community Development & Services Agency’s Code Enforcement Division, whose address appears above, within 15 calendar days of the date of this Notice and Order. Pursuant to § 13.20.500 of the Yuba County Ordinance Code, the request shall be accompanied by a deposit in the amount of $3,943.00. No hearing will be set or heard without this deposit.

After a hearing, if a violation is found to exist, or if you do not request a hearing, the cost of abating such violations and administrative penalties will become a lien against the subject property and will also be assessed against the property in the same manner as taxes. The “cost of abating a violation” shall include, but not be limited to, the County’s attorney’s fees, the cost of the Administrative Law Judge, the cost of prior time and expenses associated with bringing the matter to hearing, the cost associated with any appeals from the decision of the Administrative Law Judge, the cost of judicially abating the violation, the cost of men and material necessary to physically abate the violation, and the cost of securing expert and other witnesses.

If the violations are not remedied within the time stated in this Notice and Order to Abate, Administrative Penalties in the amount of $50.00 per day pursuant to Article 4, § 7.36.420 of the Yuba County Ordinance Code, will begin to accrue. Even if you do not request a hearing with respect to the existence of a public nuisance, you may contest the Administrative Penalties by filing a written request for a hearing solely to contest imposition of the Administrative Penalties with the Yuba County Code Enforcement Division, whose address appears above, within 15 calendar days of the date of this Notice and Order. Pursuant to § 13.20.500
of the Yuba County Ordinance Code, the request shall be accompanied by a deposit in the amount of $3,943.80. No hearing will be set or heard without this deposit.

The abatement lien shall be recorded and shall have the same force and effect as an abstract of judgment, which is recorded as a money judgment obtained in a court of law. If you fail to request a hearing or appear at the hearing and fail to raise any defense or assert any relevant point at the time of the hearing, the County will assert, in later judicial proceedings to enforce an order of abatement, that you have waived all rights to assert such defenses or such points.

In preparing for such hearing, you should be aware that if an initial showing is made by the Enforcement Official sufficient to persuade the Administrative Law Judge that a public nuisance exists on your property, you will then have the burden of proving that no public nuisance exists on your property. Therefore, you should be prepared to introduce oral and documentary evidence proving why, in your opinion, your use of the property is not a public nuisance as defined in the Yuba County Ordinance Code. A copy of the ordinance relating to administrative abatement hearings is enclosed to assist you in the preparation of your presentation.

If an initial showing sufficient to persuade the Administrative Law Judge that a public nuisance exists on your property is made by the Enforcement Official, your failure to sustain the burden of showing that no public nuisance exists on the property may result in an administrative decision ordering the abatement of uses or conditions on your property, which are found to be a public nuisance and may also result in a later judicial order to the same effect.

Further, if you do not request a hearing or if the Administrative Law Judge finds that a public nuisance exists on your property and you fail to abate the nuisance in compliance with the time requirements set forth in the Notice and Order to Abate, or the Administrative Law Judge’s Order, the County will abate the nuisance. If the County abates the nuisance, you will be responsible for the actual costs of the abatement, including the costs to the County, if any, of the administrative hearing. If such abatement costs are not paid within thirty (30) days of the date of the demand for payment therefore, such costs will be specially assessed against your parcel by the County and added to your tax bill as a special assessment. Special assessments have the same priority, for collection purposes, as other County taxes; and, if not paid, may result in a forced sale of your property.

If there is a hearing and if the Administrative Law Judge finds that your property is in violation of the Yuba County Ordinance Code, the County will contend that you are bound by such findings at any subsequent judicial action relating to the Administrative Law Judge’s Order.

IMPORTANT: READ THIS NOTICE CAREFULLY. FAILURE TO RESPOND WITHIN THE TIME SET FORTH IN THIS NOTICE WILL LIKELY RESULT IN AN ADMINISTRATIVE AND/OR JUDICIAL ABATEMENT AND TERMINATION OF USES OR, OR CONDITIONS ON YOUR PROPERTY WHICH THE ENFORCEMENT OFFICIAL CONTENDS ARE IN VIOLATION OF THE YUBA COUNTY ORDINANCE CODE.

SUBJECT: Accounting Hearing to Determine Costs of Abatement to be Assessed Against Property Located at 1679 E. Eleventh Avenue, Olivehurst, CA and to Authorize Recording an Abatement Lien.

RECOMMENDATION: Confirm the attached Cost Accounting and adopt Findings of Fact, Conclusions of Law and Orders authorizing the assessment of administrative and abatement costs and penalties and the recording of a lien regarding the subject address.

BACKGROUND: Assessor’s Parcel # 013-270-022 is located at 1679 E. Eleventh Avenue, Olivehurst, CA, and is owned by Joe and Mary Ann Self; the property owners are deceased. On October 17, 2013, The Estate of Joe & Mary Ann Self, and administratrix Kathryn Billy were served with a Notice and Order to Abate Public Nuisance, attached hereto as Attachment C, ordering them to correct or remove code violations consisting of an accumulation of junk, trash and debris, harborage of vector and vermin, an overgrowth of weed and vegetation, and the continuation of accessory uses after termination of the principal use.

Neither Kathryn Billy, nor other parties of interest requested a hearing to show cause why the use of the property should not be found to be a public nuisance and abated pursuant to the Yuba County Ordinance Code. On April 22, 2014, an inspection completed by Code Enforcement Officer John Rohrbach confirmed that the violations had been corrected and/or removed pursuant to the Notice and Order to Abate Public Nuisance, although not within the timeline as set forth in the Notice and Order. The demand for payment sent to The Estate of Joe & Mary Ann Self and to Kathryn Billy remains unpaid, the total due now being $10,895.65. Please refer to Attachment A for the Cost Accounting.

The Estate of Joe & Mary Ann Self, C/O Kathryn Billy has been given written notice of this Accounting Hearing, a copy of which is attached hereto marked as Attachment B.

DISCUSSION: This hearing has been scheduled to allow evidence and testimony to be presented and heard on the sole questions of whether the accounting of the costs and penalties
reflected in Attachment A are accurate and reasonable and whether such costs and penalties should be assessed and a lien recorded.

COMMITTEE ACTION: None required.

FISCAL IMPACT: Implementing the requested recommendation will facilitate cost recovery and reimbursement of appropriate funds and accounts.

LEGAL DESCRIPTION: PT L-34 OL TR

PLEASE TAKE NOTICE: that the use and condition of the subject property has been determined by Yuba County Code Enforcement to violate the Yuba County Ordinance Code and is therefore declared a public nuisance. The conditions that create a public nuisance on said property are as follows:

1. Yuba County Code § 7.36.310(a)(1) Anything which is injurious to health, poses a significant potential to cause economic and/or physical injury or damage to persons or property, or constitutes a significant detriment to the prevention or suppression of fire, or significantly interferes with the provision of emergency services to the public, to wit:
   A. Cultivating marijuana in violation of the provisions set forth in Chapter 7.40 of the Yuba County Ordinance Code.

2. Yuba County Code § 7.36.310(a)(5) The maintenance or use of any real property in violation of any provision of the Yuba County Ordinance Code, State law or federal law, to wit:
   A. Cultivating marijuana on a parcel less than one (1) acre in violation of Yuba County Ordinance Code Chapter 7.40 including but not limited to, the following violations:
      A.1. Mature plants in excess of 6 plants
      A.2. Plants in public view
      A.3. Plants located within the setback

Attachment C
3. Yuba County Code § 7.36.310(a)(10) *Anything which is indecent offensive to the senses, or an obstruction to the free use of property, so as to unreasonably interfere with the comfortable enjoyment of life or property, or unlawfully obstructs the free passage or use, in the customary manner, of any navigable lake, river, bay, stream, canal, or basin, or of any public park, square, street or highway, and which at the same time affects an entire community or neighborhood, or any considerable number of persons, although the extent of the annoyance or damage inflicted upon individuals and/or property may be unequal.*

YOU ARE HEREBY ORDERED to correct or remove all violations from subject property on or before September 25, 2014. Administrative Penalties in the amount of **$2,800.00 per day** pursuant to Yuba County Code § 7.40.440 (d) have begun to accrue and will continue to accrue until the date compliance with the Order has been met and verified by the Enforcing Officer.

If you disagree with the determination that a public nuisance exists on the subject property, you have the right to a hearing to show cause, if any, why the use of said real property should not be found to be a public nuisance and abated pursuant to the Yuba County Code. You may request a hearing by filing a written request for a hearing with the Yuba County Code Enforcement office, whose address appears above, within 10 calendar days of the date of this Notice. A $4,116.00 deposit, pursuant to Yuba County Ordinance Code § 13.20.500, shall accompany the written request. Even if you do not request a hearing with respect to the existence of a public nuisance, you may contest the Administrative Penalties by filing a written request for a hearing solely to contest the imposition of the Administrative Penalties.

If you do not request a hearing and fail to comply with the time requirements set forth, the County will abate the nuisance. If you request a hearing, and after such hearing a public nuisance is found to exist, you shall abate said violations as set forth in the Findings of Fact, Conclusions of Law, and Orders. Furthermore if the County abates the nuisance, you will be responsible for the actual costs of the abatement, and the Administrative Penalties, if any, which shall be paid within thirty (30) days from the date of the demand for payment. The "cost of abating a violation" shall include, but not be limited to, the county's attorneys' fees, the cost of the administrative hearing, the cost of prior time and expenses associated with bringing the matter to hearing, the cost associated with any appeals from the decision of the administrative hearing, the cost of judicially abating the violation, the cost of men and material necessary to physically abate the violation, and the cost of securing expert and other witnesses.

If such abatement costs are not paid within thirty (30) days of the date of the demand for payment therefore, such costs will become a lien against the subject property and will also be specially assessed against the property in the same manner as taxes. The abatement lien shall be recorded and shall have the same force and effect as an abstract of judgment, which is recorded as a money judgment obtained in a court of law. Special assessments have the same priority, for collection purposes, as other County taxes; and, if not paid, may result in a forced sale of your property.

If there is a hearing, and subject property is found to be in violation of any or all of the provisions stated above, the County will contend that you are bound by such finding at any subsequent and relative judicial action. If you fail to request a hearing, or appear at the hearing and fail to raise any defense or assert any relevant point at
the time of hearing, the County will assert, in later judicial proceedings to enforce an order of abatement, that you have waived all rights to assert such defenses or such points.

IMPORTANT: READ THIS NOTICE CAREFULLY. FAILURE TO RESPOND WITHIN THE TIME SET FORTH IN THIS NOTICE WILL LIKELY RESULT IN ADMINISTRATIVE AND/OR JUDICIAL ABATEMENT AND TERMINATION OF USES OF, OR CONDITIONS ON YOUR PROPERTY WHICH THE ENFORCEMENT OFFICIAL CONTENDS ARE IN VIOLATION OF THE YUBA COUNTY ORDINANCE CODE.

Date: February 24, 2015
Subject: Introduce Ordinance Repealing and Reenacting in its entirety
Chapter 7.40, Marijuana Cultivation, of the Yuba County Ordinance Code

RECOMMENDATION: 1. Adopt the attached Ordinance repealing and
reenacting Chapter 7.40, Marijuana Cultivation, in its
entirety.
2. Adopt the attached Resolution establishing medical
marijuana cultivation registration fees.

BACKGROUND: In 2012, Yuba County adopted its first attempt at a
marijuana cultivation ordinance. Adopted originally as
Ordinance No. 1518, the ordinance was amended by
Ordinance No. 1522 and integrated into the Yuba County
Ordinance Code as Chapter 7.40. The Ordinance allows
marijuana cultivation, both indoors and outdoors, with
allowable plant counts dependent upon the parcel size.
For parcels exceeding 20 acres, as many as 99
marijuana plants are allowed under the ordinance.

In adopting Ordinance No. 1522, the Board committed to
periodically reviewing the Ordinance with regard to
compliance as well as its effect on the welfare of the
County.

At the Board of Supervisors meeting on November 18,
2014, a group of citizens appeared and addressed the Board, expressing their extreme displeasure with the County’s current Ordinance. The citizen’s group advised the Board of the effect of marijuana cultivation on their neighborhoods and the quality of their lives and the lives of their families. This, among other factors and considerations, prompted the Board to initiate a full review of its Marijuana Cultivation Ordinance. The Board of Supervisor then directed staff to submit a number of draft proposals for consideration, with a handful of expectations including a reduction in plant count and the elimination of commercial, for-profit, grows.

**DISCUSSION:**

At the direction of the Board of Supervisors, six draft proposals modeled after multiple jurisdictions have been presented to the Board for its consideration. County staff has submitted several reports and presentations addressing the lack of compliance with the present ordinance, enforcement issues and difficulties, environmental degradation caused by marijuana cultivation, and criminal activity associated with such cultivation. Staff has also previously addressed the changing “legal landscape” involved in the regulation of marijuana cultivation. Those comments, reports, and discussions are incorporated by reference herein. After an extraordinary amount of public comment being received at least three regular Board of Supervisors’ meetings and after further research being conducted by the special ad hoc committee, the Board directed staff to finalize the 5th version proposal, based in part upon the Shasta County model, and introduce the proposed Ordinance for a first reading.

As discussed at previous meetings, the preamble and enforcement provisions of the proposed Ordinance are substantially the same as the existing Ordinance. The outline below shows the major changes that will become operative if the proposed ordinance is adopted.

**Summary of Substantial Changes:**

- Outdoor cultivation and cultivation within any dwelling is prohibited
- Eliminate the graduated plants-parcel scheme
- Limit the maximum number of plants to 12, regardless of parcel size
- All medical marijuana shall cultivated in a permitted and detached structure
that is accessory to a dwelling

➢ The accessory structure must be equipped with an odor and moisture filtration system
➢ There is no distinction between a mature or an immature marijuana plant
➢ Active Code Enforcement violations will have to be corrected prior to registration approval and cultivation of medical marijuana.
➢ Implement a fee-based registration requirement
➢ A Cultivator who is not the owner of the property where cultivation is to occur, must submit a notarized letter of consent from the property owner prior to cultivating medical marijuana

ENVIRONMENTAL DETERMINATION: Pursuant to Title 14 of the California Code of Regulations, Sections 15060(c)(2), 15060(c)(3), and 15061(b)(3), that the proposal is exempt from the requirements of the California Environmental Quality Act (CEQA) in that it is not a project which has the potential for causing a significant effect on the environment. Further, in addition to the foregoing general exemptions, the categorical exemptions found in Sections 15308 and 15321 also apply.

COMMITTEE ACTION: No Committee action is necessary. This request comes at the direction of the Board of Supervisors.

FISCAL IMPACT: The proposed ordinance registration component will generate some revenue through registration fees; however, the full impact on the General Fund is unknown at this time.

ARTICLE I
GENERAL PROVISIONS

7.40.100 Authority
Pursuant to authority granted by Article XI Section 7 of the California Constitution, Section 11362.83(c) of the California Health and Safety Code and Section 25845 of the California Government Code, the Yuba County Board of Supervisors does hereby enact this Chapter.

7.40.110 Purpose & Intent
The purpose and intent in adopting this Chapter is to acknowledge State law as it relates to medical marijuana and to reduce conditions that create public nuisances through enacting these regulations including without limitation, restrictions as to location of cultivation, the number of marijuana plants, and the use of screening and security structures, to more effectively control the adverse impacts associated with marijuana cultivation as stated herein, while considering the desires of qualified patients and primary caregivers, in furtherance of the public necessity, health, safety, convenience, and general welfare within the Board's jurisdictional limits. Nothing in this Chapter shall be construed to authorize any use, possession, cultivation, or distribution of marijuana for non-medical purposes or that is in violation of state or federal law.

7.40.120 Findings
A. The Federal Controlled Substances Act, 21 U.S.C. §§ 801 et seq., classifies marijuana as a Schedule I Drug, which is defined as a drug or other substance that has a high potential for abuse, that has no currently accepted medical use in treatment in the United States, and that has not been accepted as safe for use under medical supervision.
B. The Federal Controlled Substances Act makes it unlawful, under federal law, for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute or dispense, marijuana. The Federal Controlled Substances Act contains no
exemption for the cultivation, manufacture, distribution, dispensation, or possession of marijuana for medical purposes.

C. Division 10 of the California Health and Safety Code, Uniform Substance Control Act, makes it unlawful, under State law, for any person to cultivate, manufacture, distribute or dispense, or possess with intent to manufacture, distribute or dispense, marijuana.

D. In 1996, the voters of the State of California approved Proposition 215, "The Compassionate Use Act", (codified as Health and Safety Code Section 11362.5) which was intended to decriminalize cultivation and possession of medical marijuana by a seriously ill patient, or the patient's primary caregiver, for the patient's personal use, and to create a limited defense to the crimes of possessing or cultivating marijuana. The Act further provided that nothing in this section shall be construed to supersede legislation prohibiting persons from engaging in conduct that endangers others, or to condone the diversion of marijuana for non-medical purposes.

E. The State enacted SB 420 in 2004 (known as the "Medical Marijuana Program Act", codified as Health and Safety Code Section 11362.7 et seq.) to expand and clarify the scope of The Compassionate Use Act of 1996 by creating the Medical Marijuana Identification Card program, creating reasonable regulations for cultivating, processing, transporting and administering marijuana, as well as limiting the amount marijuana a qualified individual may possess. The Medical Marijuana Program Act defines a "primary caregiver" as an individual who is designated by a qualified patient or by a person with an identification card, and who has consistently assumed responsibility for the housing, health, or safety of that patient or person and is further defined in the California Supreme Court decision People v. Mench (2008) 45 Cal.4th 274.

F. The County's geographic and climatic conditions, which include dense forested areas receiving substantial precipitation, provide conditions that are favorable to outdoor marijuana cultivation, thus growers can achieve a high per-plant yield. The Federal Drug Enforcement Administration reports that various types of marijuana plants under various planting conditions may yield averages of 236 grams, or about one-half (1/2) pound, to 846 grams, or nearly two (2) pounds.

G. The strong distinctive odor of marijuana plants creates an attractive nuisance, alerting persons to the location of the valuable plants, and has resulted in burglary, robbery and armed robbery.

H. The strong and distinctive odor of marijuana plants creates a need to ensure that smells that disrupt the use of adjacent properties are minimized, much in the same way that the County has ordinances currently in place to minimize the smells associated with raising livestock.

I. Children (minor under the age of 18) are particularly vulnerable to the effects of marijuana use and the presence of marijuana plants is an attractive nuisance for children, creating an unreasonable hazard in areas frequented by children (including schools, parks, and other similar locations).

J. The unregulated cultivation of marijuana in the unincorporated area of Yuba County can adversely affect the health, safety, and well-being of the County, its residents and
environment. Comprehensive civil regulation of premises used for marijuana cultivation is proper and necessary to avoid the risks of criminal activity, degradation of the natural environment, malodorous smells, and indoor electrical fire hazards that may result from unregulated marijuana cultivation, and that are especially significant if the amount of marijuana cultivated on a single premises is not regulated and substantial amounts of marijuana are thereby allowed to be concentrated in one place.

K. The indoor Cultivation of substantial amounts of Marijuana within a residence presents potential health and safety risks to those living in the residence, especially to children, including, but not limited to, increased risk of fire from grow light systems, exposure to fertilizers, pesticides, anti-fungus/mold agents, and exposure to potential property crimes targeting the residence.

L. Comprehensive restriction of premises used for marijuana cultivation is proper and necessary to address the risks and adverse impacts as stated herein, that are especially significant if the amount of marijuana cultivated on a single premises is not regulated and substantial amounts of marijuana are thereby allowed to be concentrated in one place.

M. Outdoor marijuana cultivation, especially within the foothills, is creating devastating impacts to California’s surface and groundwater resources. The State Water Resources Control Board, the North Coast Regional Water Quality Control Board, the Central Valley Regional Water Quality Control Board and the Department of Fish and Wildlife have seen a dramatic increase in the number of marijuana gardens, and corresponding increases in impacts to water supply and water quality, including the discharge of sediments, pesticides, fertilizers, petroleum hydrocarbons, trash and human waste. The sources of these impacts result from unpermitted and unregulated timber clearing, road development, stream diversion for irrigation, land grading, erosion of disturbed surfaces and stream banks, and temporary human occupancy without proper sanitary facilities.

N. The immunities from certain prosecution provided to qualified patients and their primary caregivers under State law to cultivate marijuana plants for medical purposes does not confer the right to create or maintain a public nuisance. By adopting the regulations contained in this Chapter, the County will achieve a significant reduction in the complaints of odor and the risks of fire, crime and pollution caused or threatened by the unregulated cultivation of marijuana in the unincorporated area of Yuba County.

O. Nothing in this Chapter shall be construed to allow the use of marijuana for non-medical purposes, or allow any activity relating to the cultivation, distribution, or consumption of marijuana that is otherwise illegal under State law. No provision of this Chapter shall be deemed a defense or immunity to any action brought against any person by the County of Yuba, Yuba County District Attorney, the Attorney General of State of California, or the United States of America.

P. In Browne v. County of Tehama, 213 Cal. App. 4th 704 (2013), the California Court of Appeal stated that “Neither the Compassionate Use Act nor the Medical Marijuana Program grants . . . anyone . . . an unfettered right to cultivate marijuana for medical purposes. Accordingly, the regulation of cultivation of medical marijuana does not conflict with either
statute.” Similarly, in *City of Riverside v. Inland Empire Patients Health & Wellness Center, Inc.*, 56 Cal. 4th 729 (2013), the California Supreme Court concurred that “Nothing in the CUA or the MMP expressly or impliedly limits the inherent authority of a local jurisdiction, by its own ordinances, to regulate the use of its land . . .” Additionally, in *Maral v. City of Live Oak* (2013), 22i Cal.App. 4th 975, 983, review denied 2014 Cal. LEXIS 2402 (March 26, 2014), the same Court of Appeal held that “there is no right—and certainly no constitutional right—to cultivate medical marijuana . . .” The Court in *Live Oak* affirmed the ability of a local governmental entity to prohibit the cultivation of marijuana under its land use authority.

Q. On May 1, 2012, the Board of Supervisors adopted Ordinance No. 1518 to regulate marijuana cultivation. On December 18, 2012, Ordinance 1522 was adopted revising Ordinance 1518 to modify enforcement procedures and requirements to a specific plant count based on property size from square foot of area for cultivation. The provisions of both ordinances have proven to be inadequate to control the negative impacts of marijuana cultivation. Since the adoption of Ordinance No. 1522, there has been increased Marijuana Cultivation throughout the unincorporated areas of the County in violation of the provisions of that ordinance. In addition, the graduated areas for cultivation, based on parcel size, have proven cumbersome and problematic to administer and enforce. For example, the original limits were based on square feet of total Cultivation area, leading to uncertainty in measurement when the plants were not cultivated in a defined contiguous area, and the need for multiple inspections throughout the grow season. The current revisions contained in this ordinance are intended to address the aforementioned concerns, and simplify the regulations to be more readily understood by those affected, to expedite the code enforcement process and to more effectively control the adverse impacts associated with marijuana cultivation as stated herein, while considering the desires of Qualified Patients and their Primary Caregivers.

**7.40.130 Scope**

The provisions of this Chapter shall apply generally to all property throughout the unincorporated area of the County of Yuba.

**7.40.140 Responsibilities**

A. Regardless of whether an owner is in actual possession of his or her real property, it is the duty of every owner of real property within the unincorporated area of Yuba County to prevent a public nuisance from arising on, or from existing upon, his or her real property.

B. No person or entity shall cause, permit, maintain, conduct or otherwise allow a public nuisance as defined in this Chapter to exist upon any property within their control and shall not cause a public nuisance to exist upon any other property within the unincorporated limits of the County of Yuba. It shall be the duty of every owner, occupant, and person that controls any land or interest therein within the unincorporated area of the County of Yuba to remove, abate and prevent the reoccurrence of any public nuisance upon such land.
7.40.150 Private Right of Action
Nothing contained in this Chapter shall be construed to prohibit the right of any person or public or private entity damaged by any violation of this Chapter to institute a civil proceeding for injunctive relief against such violation, for money damages, or for whatever other or additional relief the court deems appropriate. The remedies available under this Chapter shall be in addition to, and shall not in any way restrict other rights or remedies available under law.

7.40.635 Evidentiary Rules
The hearing need not be conducted according to technical rules relating to evidence. Any evidence may be presented if it is the sort of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs, regardless of the existence of any common law or statutory rule which might make improper the admission of such evidence over objection in civil actions. Hearsay evidence may be used for the purpose of supplementing or explaining other evidence, but may be rejected if deemed to be unreliable. The rules of privilege shall be effective to the extent that they are otherwise required by statute to be recognized at a hearing. B. A presentation by or on behalf of the appellant shall next proceed.
C. Tenants or other occupants of the subject property shall speak third.
D. Individuals who are not appealing but own property immediately contiguous to the subject property shall speak fourth.
E. Other interested parties shall speak fifth.

Each speaker’s presentation shall be to the point and shall be as brief as possible; visual and other materials may be used as appropriate, but, if used, shall become part of the public record and the property of the County. The Yuba County Board of Supervisors may establish a time limit for presentations; provided, however, that at least ten minutes shall be allowed for each speaker. Speakers shall, at the discretion of the Yuba County Board of Supervisors,
be allowed to speak for longer than ten minutes if that speaker represents a group of individuals, the remainder of which chose not to speak. Speakers with lengthy presentations are encouraged to submit them in writing. There shall be no limitation upon length of written statements.

B. The Yuba County Board of Supervisors shall hear testimony and receive written and/or documentary evidence relating to the alleged violation. The parties may be represented by legal counsel. Testimony shall be taken on oath or affirmation. Each party shall have the right to call and examine witnesses; to introduce exhibits; to cross-examine opposing witnesses on any matter relevant to the issues presented; to impeach any witness; and to rebut evidence. Witnesses shall be subject to cross-examination by the Yuba County Board of Supervisors.

C. Subject to the Yuba County Board of Supervisors’ right to accept a motion to conclude the taking of all testimony or to close the public hearing when a reasonable opportunity to present all questions and points of view has been allowed, any person wishing to speak shall be heard. Except for rebuttal allowed, each speaker shall speak only once.

D. The Yuba County Board of Supervisors shall preserve all photographs and other documentary evidence introduced at the time of the hearing. After all of the testimony is taken, the Yuba County Board of Supervisors shall close the public hearing unless he or she deems it necessary to continue the hearing for the receipt of additional evidence or an ordinance interpretation from the Affected Department.

Except for the receipt of written argument, no ex parte communications, either direct or indirect, shall be received by the Yuba County Board of Supervisors during the period of a continuance or after the public hearing has been closed.

7.40.655 Field Trips
Whenever the Yuba County Board of Supervisors deems it necessary to take a field trip to view the site in question, the Yuba County Board of Supervisors may conduct a site visit. Unless the site visit is tape recorded, the Yuba County Board of Supervisors shall not talk to any members of the public during the conduct of such site visit. After the conduct of a site visit, the Yuba County Board of Supervisors shall place into the record the visual observations made and the conclusions drawn as a result of such visit.

7.40.660 Recording
All proceedings shall be recorded. If a verbatim transcript is desired, the person requesting the transcript shall have the responsibility for arranging for the appearance of a court reporter to
transcribe the hearing. In the event that a court reporter is present at the request of an interested party, the party retaining the court reporter shall provide a copy of the reporter’s written transcript to the Yuba County Board of Supervisors at no charge to the County.

Section 3. If any section, subsection, sentence, clause, or phrase of this ordinance is for any reason held to be unconstitutional and invalid, such decision shall not affect the validity of the remaining portion of this ordinance. The Board of Supervisors hereby declares that it would have passed this ordinance and every section, subsection, sentence, clause or phrase thereof, irrespective of the fact any one or more sections, subsections, sentences, clauses or phrases be declared unconstitutional.
