SUBJECT: Magnolia Ranch Agricultural Buffers Workshop

FROM: Wendy W. Hartman, Director of Planning
Kevin Mallen, CDSA Director

RECOMMENDATION:

Receive information regarding proposed agricultural buffers for the Magnolia Ranch project and provide staff with direction as appropriate.

BACKGROUND:

At the July 15, 2015 joint Planning Commission and Board of Supervisors meeting testimony was received relative to proposed Magnolia Ranch Specific Plan and agricultural buffers. The Board requested that staff conduct a workshop to further discuss agricultural buffers in general. In addition to information provided by the Agricultural Commissioner, CDSA staff has prepared the following information for the Board’s consideration.

General Plan Policies (1996)

The previous general plan included several land use policies encouraging Community Boundaries (28-LUP); incorporation of a buffer zone at least 300 feet (29-LUP); and the use of permanent physical features or barriers for separation (30-LUP).

2030 General Plan Policies/Development Code

The 2030 General Plan adopted several agricultural buffer policies to minimize conflicts with agricultural uses (Policy NR3.4); require buffers at the edges of Rural and Valley Growth areas adjacent to agricultural (Policy NR3.5); circumstances when buffers not required (Policy NR3.6); and have certain design standards (NR3.7). As required by General Plan Action NR3.1 Agricultural Zoning, Development Code Section 11.44.070 Agricultural Buffers implements location, use, and management requirements.

2015 Development Code

On July 21, 2015 The Board of Supervisors adopted the Yuba County Development Code. Consistent with the policies and actions items of the 2030 General Plan the Development Code establishes minimum buffer requirements based on crop types and agricultural uses (Section 11.19.090; Setbacks & Yards and Section 11.44.070; Agricultural Buffers). For projects adjacent to rice the minimum buffer width is 300 feet from the property line of the agricultural use (roadways, drainages, passive recreation and similar improvements can be located within the buffer).
The Development Code also provides provisions to allow for deviations in the width of a buffer through approval of a minor conditional use permit if certain findings can be made.

CDSA staff, in consultation with the Agricultural Commissioner, Farm Bureau, and UC Extension discussed issues related to the urban agricultural interface. These discussions resulted in the buffer standards that are incorporated into the Development Code as well as allowed uses and minimum parcel sizes.

**DISCUSSION AND DIRECTION:**

The Magnolia Ranch Specific Plan is unique in that the application was deemed complete after the adoption of the 2030 General Plan (adopted June 2011) and therefore must be consistent with the policies of the 2030 General Plan. However, the zoning ordinance that was in place at that time (1983 Zoning Ordinance) was based on an earlier General Plan that provided agricultural buffer requirements and therefore the Zoning Ordinance itself did not include minimum buffers as it relied upon the General Plan policies.

Given that the current Development Code was adopted on July 21, 2015 (effective August 21, 2015) after the Magnolia Ranch project application was deemed complete (September 2012), there is a greater level of latitude that the Board can consider regarding agricultural buffers for this specific project.

At the July 15, 2015 hearing, the Board was provided with information from both the applicant for Magnolia Ranch and the Agricultural Commissioner on why they believe the buffer should be 250 feet or 300 feet in width along Ostrom Road. The Buffer along South Beale Road is proposed to be 200 feet.

The purpose of this meeting is to further discuss this issue with the Board, the applicant, and the Agricultural Commissioner and to have the Board provide clear direction to staff. Resolution of this issue is necessary for CDSA staff to be able to complete the Final EIR for the Magnolia Ranch Specific Plan and to be able to schedule the hearings on the merits of the project.

RE: Ag Buffers

Dear Members of the Yuba County Board of Supervisors,

Yuba-Sutter Farm Bureau (YSFB) appreciates the opportunity to comment on ag buffers in Yuba County. YSFB represents over 1,250 farms and farm families in our area, and advocates for the promotion and protection of the farming and ranching industries.

This letter serves to provide support to the Yuba County Ag Commissioners letter dated June 15, 2015 which recommends a minimum 300 foot agricultural buffer on the Magnolia Ranch Specific Plan project. The letter in reference provides appropriate support to the 300’ recommendation and is intended to provide a measure of protection to neighboring residential housing from existing agricultural operations in the area, as well as to provide protection from existing and future agricultural operations.

Ag buffers serve to protect agricultural operations in general as well as to protect specific practices common and necessary to those operations. The recommended 300’ buffer is also consistent with the recently adopted Yuba County Development Code which establishes minimum buffer requirements based on crop types and agricultural uses.

Agriculture continues to be a cornerstone of Yuba County’s economy and YSFB supports the importance of thoughtfully assessing land use planning. As the urban and ag interface continues to struggle to find common ground, ag buffers provide a measure of assurance for the farming and ranching families to continue their operations while working to be acknowledged as good neighbors and stewards by their urban neighbors.

In closing, YSFB supports the ag buffers recommended by the Yuba County Ag Commissioner. Additionally, YSFB will continue to be a collaborative partner with the Yuba County Board of Supervisors on this topic and other land use issues that impact our members.

Please contact me if you have any questions regarding this letter of support.

Sincerely,

Dave Burroughs
1st Vice President

CHAPTER 2 - VISION FOR SUSTAINABILITY
Community Development is the process of planning and designing the natural environment to accommodate growth in a way that preserves existing resources and minimizes the negative impact of human activities. The process includes the use of specific guidelines and regulations to control development and ensure that it is consistent with the community's vision for the future. This vision is typically based on the needs and desires of the community's residents and is designed to ensure that the community's growth is sustainable and promotes the well-being of all residents.

EXHIBIT 2-1: OSTEROM ROAD AGRICULTURAL BUFFER TO RESIDENTIAL USES

The Agricultural Buffer zone adjacent to the Osterom Road is designed to protect the surrounding natural environment and minimize the impact of development on the community. The buffer zone includes a strip of land that is set aside for agricultural use and is intended to provide a visual and physical barrier between the residential area and the agricultural lands. This buffer zone helps to prevent the encroachment of development into the agricultural lands and ensures that the community's natural resources are protected.

The 2010 General Plan Policy 2.1. and Policy 8.2. require new developments adjacent to the Agricultural Buffer to be designed and managed in a way that minimizes the impact on the natural environment. This includes the use of sustainable design principles, such as the use of native plants and the implementation of water conservation strategies.

In conclusion, the Agricultural Buffer zone adjacent to the Osterom Road is an important component of the community's sustainable development strategy. It helps to protect the natural environment and provides a visual and physical barrier between the residential area and the agricultural lands. By promoting sustainable design principles, the buffer zone helps to ensure that the community's growth is consistent with the needs and desires of its residents and is designed to promote the well-being of all residents.
The Multi-Purpose Open Space designation along Sotron Road is primarily intended to serve as an agricultural buffer, with its location determined by a series of circumstances, including existing separation between uses and the presence of open spaces. Board Memo

To: Board of Supervisors
Fr: Scott Bryan, Emergency Operations Manager
Holly Powers, Emergency Operations Planner
Re: Proclaim the existence of a local emergency in the County of Yuba
Date: August 12, 2015

Recommendation:
The Board of Supervisors adopt a resolution proclaiming the continuation of a local emergency due to the ongoing drought conditions.

Background:
On January 17, 2014 Governor Edmund G. Brown Jr. declared a Statewide Drought Emergency due to the impacts on the State of California as a result of four continuous years of drought. On February 18, 2014 the Director of Emergency Services proclaimed a local emergency due to the effects the drought has had within the County of Yuba. Your Board ratified said proclamation on February 25, 2014 and extended on August 11, 2015.

Discussion:
With an on-going water shortage affecting the County of Yuba, the final duration of the emergency has not yet been determined. The recent rainstorms are seasonally expected and are consistent with the average rainfall during this time of year. At this point, the storms have had no impact on lessening drought conditions. Therefore it is recommended that your Board extend the current proclamation of a local emergency until the end of the incident period per (Govt. Code Section 8630 (c)). This proclamation of emergency will be reviewed and renewed no less than once every thirty days. Per (Govt. Code Section 8630(d)) this proclamation of emergency shall be terminated as soon as reasonably possible.

Committee Action:
No committee action was taken due to time constraints.

Fiscal Impact:
There is an unknown impact to the general fund as of this date.

The EMPG is an annual pass thru grant to support comprehensive all-hazards emergency management at the state, tribal, and local levels to encourage the improvement of mitigation, preparedness, response, and recovery.

**Committee**
There was no committee action due to the routine nature of the request.

TO: Board of Supervisors
Yuba County

FROM: Jennifer Vasquez, Director
Tony Roach, Program Manager
Health & Human Services Department

DATE: September 1, 2015

SUBJECT: Agreement with Yuba College for the Independent Living Program

RECOMMENDATION: It is recommended that the Board of Supervisors approve the attached Agreement between Yuba County, on behalf of its Health and Human Services Department, and Yuba Community College for services for the Independent Living Program (ILP) in the amount of $66,839.00 for the term of July 1, 2015, through June 30, 2016.

BACKGROUND: Yuba County has contracted with Yuba Community College to provide ILP services since July 2000. ILP provides services to youth in foster care between the ages of 16 and 18 years of age, to youth who choose to remain in care after their eighteenth birthday, and can be extended to youths up to 21 years of age who were in foster care at the time of their 18th birthday, but who decline to remain in care. The services, which train and assist these youths in successfully transitioning into adulthood and out of the foster care living environment, include: training in employment preparation and attainment, securing housing, money management, and instruction on computer assembly as well as use of various computer applications. Additionally, the services focus on increasing and supporting the self-image and self-esteem of participating youths and provide them with exposure to such activities as community services, the arts, and other positive experiences.

DISCUSSION: The ILP is designed for youths to participate in weekly training activities, which cover a wide range of areas to meet the goals of the program, as well as attend a computer camp. The activities, incentives, and training areas are developed through the collaborative efforts of foster parents with youth in ILP, Child Welfare Services staff of Sutter and Yuba Counties, Yuba Community College staff and emancipated youth who have participated in the ILP.

COMMITTEE: The Human Services Committee was by-passed as this is an annual routine request with no General Fund impact.

FISCAL IMPACT: Approval of this Agreement with Yuba Community College for ILP services will not impact County General Funds. The costs for ILP Services are funded through a combination of Federal funds and Local Realignment 2011 funds.
AGREEMENT FOR

PROFESSIONAL SERVICES

THIS AGREEMENT for services ("Agreement") for the Independent Living Program (ILP) is made as of the Agreement Date set forth below by and between the County of Yuba, a political subdivision of the State of California ("the COUNTY"), on behalf of its Health and Human Services Department ("YCHHSD"), and Yuba College ("CONTRACTOR").

The purpose of this Agreement is to set forth the respective responsibilities between both parties relative to the Independent Living Program (ILP). An ILP allocation is provided by the State to counties to provide services to foster care youth between the ages of 16 years to 18 years old. Such services are extended to those youth who choose to remain in care after their eighteenth birthday (Non Minor Dependents), and can be extended up to the age of 21 to youths who were in foster care at the time of their eighteenth birthday, but decline to remain in care. The purpose of the program is to provide services that will train and assist the youth in successfully transitioning into adulthood and out of the foster care environment; such as employment preparation and skills necessary to secure a job, how to secure housing, how to develop a monthly budget which shows both expenses and income, and knowledge of local resources in their community which they may access. The ILP program is further intended to increase and support the youth’s self-esteem and provide them with activities to which they may not otherwise have exposure, such as community service, the arts, and other positive venues that they may use to enhance their life while living on their own.

In consideration of the Services to be rendered, the sums to be paid, and each and every covenant and condition contained herein, the parties hereto agree as follows:

D.1.1 All acts of CONTRACTOR shall be performed as an independent Contractor and not as an agent, officer or employee of COUNTY. It is understood by both CONTRACTOR and COUNTY that this Agreement is by and between two independent parties and is not intended to and shall not be construed to create the relationship of agent, servant, employee, partnership, joint venture or association.

D.1.2 CONTRACTOR shall have no claim against COUNTY for employee rights or benefits, including, but not limited to, seniority, vacation time, vacation pay, sick leave, personal time off, overtime, medical, dental or hospital benefits, civil service protection, disability retirement benefits, paid holidays or other paid leaves of absence.

D.1.3 CONTRACTOR is solely obligated to pay all applicable taxes, deductions and other obligations, including, but not limited to, federal and state income taxes, withholding and Social Security taxes, unemployment and disability insurance and Workers' Compensation and Medi-Care payments.

D.1.4 As an independent contractor, CONTRACTOR is not subject to the direction and control of COUNTY except as to the final result contracted for under this Agreement. COUNTY may not require CONTRACTOR to change its manner of doing business, but may require it to redirect its efforts to accomplish what it has agreed to do.

D.1.5 CONTRACTOR may provide services to others during the same period service is provided to COUNTY under this Agreement.

D.1.6 If in the performance of this Agreement any third persons are employed by CONTRACTOR, such persons shall be entirely and exclusively under the direction, supervision and control of CONTRACTOR. All terms of employment including hours, wages, working conditions, discipline, hiring and discharging or any other term of employment or requirements of law shall be determined by the CONTRACTOR.

D.1.7 As an independent contractor, CONTRACTOR hereby indemnifies and holds COUNTY harmless from any and all claims that may be made against COUNTY based on any contention by any third party that an employer-employee relationship exists by reason of this Agreement.
D.2 LICENSES, PERMITS, ETC. CONTRACTOR represents and warrants to COUNTY that it has all licenses, permits, qualifications, and approvals of whatsoever nature which are legally required for CONTRACTOR to practice its profession. CONTRACTOR represents and warrants to COUNTY that CONTRACTOR shall, at its sole cost and expense, keep in effect or obtain at all times during the term of this Agreement, any licenses, permits, and approvals which are legally required for CONTRACTOR to practice its profession at the time the services are performed. Failure of the CONTRACTOR to comply with this provision shall authorize the COUNTY to immediately terminate this Agreement notwithstanding any other provision in this Agreement to the contrary.

D.3 TIME. CONTRACTOR shall devote such time to the performance of services pursuant to this Agreement as may be reasonably necessary for the satisfactory performance of CONTRACTOR's obligations pursuant to this Agreement. Neither party shall be considered in default of this Agreement to the extent performance is prevented or delayed by any cause, present or future, which is beyond the reasonable control of the party.

D.4 INDEMNITY. CONTRACTOR shall defend, indemnify, and hold harmless COUNTY, its elected and appointed councils, boards, commissions, officers, agents, and employees from any liability for damage or claims for damage for personal injury, including death, as well as for property damage, which may arise from the intentional or negligent acts or omissions of CONTRACTOR in the performance of services rendered under this Agreement by CONTRACTOR, or any of CONTRACTOR's officers, agents, employees, contractors, or sub-contractors.

D.5 CONTRACTOR NOT AGENT. Except as COUNTY may specify in writing, CONTRACTOR shall have no authority, express or implied, to act on behalf of COUNTY in any capacity whatsoever as an agent. CONTRACTOR shall have no authority, express or implied, pursuant to this Agreement to bind COUNTY to any obligation whatsoever.

D.7 PERSONNEL. CONTRACTOR shall assign only competent personnel to perform services pursuant to this Agreement. In the event that COUNTY, in its sole discretion, at any time during the term of this Agreement, desires the removal of any person or persons assigned by CONTRACTOR to perform services pursuant to this Agreement, CONTRACTOR shall remove any such person immediately upon receiving written notice from COUNTY of its desire for removal of such person or persons.

D.8 STANDARD OF PERFORMANCE. CONTRACTOR shall perform all services required pursuant to this Agreement in the manner and according to the standards
observed by a competent practitioner of the profession in which CONTRACTOR is engaged. All products of whatsoever nature which CONTRACTOR delivers to COUNTY pursuant to this Agreement shall be prepared in a first class and workmanlike manner and shall conform to the standards or quality normally observed by a person practicing in CONTRACTOR's profession.

D.9 POSSESSORY INTEREST. The parties to this Agreement recognize that certain rights to property may create a "possessory interest," as those words are used in the California Revenue and Taxation Code, §107. For all purposes of compliance by COUNTY with Section 107.6 of the California Revenue and Taxation Code, this recital shall be deemed full compliance by the COUNTY. All questions of initial determination of possessory interest and valuation of such interest, if any, shall be the responsibility of the County Assessor and the contracting parties hereto. A taxable possessory interest may be created by this contract; and if created, the party in whom such an interest is vested will be subject to the payment of property taxes levied on such an interest.

D.10 TAXES. CONTRACTOR hereby grants to the COUNTY the authority to deduct from any payments to CONTRACTOR any COUNTY imposed taxes, fines, penalties and related charges which are delinquent at the time such payments under this Agreement are due to CONTRACTOR.

D.11 TERMINATION. Upon termination of this Agreement as otherwise provided herein, CONTRACTOR shall immediately cease rendering service upon the termination date and the following shall apply:

The term "writings" shall be construed to mean and include: handwriting, typewriting, printing, photostating, photographing, and every other means of recording upon any tangible thing and form of communication or representation, including letters, words, pictures, sounds, or symbols, or combinations thereof.

D.11.2 COUNTY shall have full ownership and control of all such writings or other communications delivered by CONTRACTOR pursuant to this Agreement.

D.11.3 COUNTY shall pay CONTRACTOR the reasonable value of services rendered by CONTRACTOR to the date of termination pursuant to this Agreement not to exceed the amount documented by CONTRACTOR and approved by COUNTY as work accomplished to date; provided, however, COUNTY shall not in any manner be liable for lost profits which might have been made by CONTRACTOR had CONTRACTOR completed the services required by this Agreement. In this regard, CONTRACTOR shall furnish to COUNTY such financial information as in the judgment of the COUNTY is necessary to determine the reasonable value of the services rendered by CONTRACTOR. In the event of a dispute as to the reasonable value of the services rendered by CONTRACTOR, the decision of the COUNTY shall be final. The foregoing is
cumulative and does not affect any right or remedy which COUNTY may have in law or equity.

CONTRACTOR may terminate its services under this Agreement upon thirty (30) days written notice to the COUNTY, without liability for damages, if CONTRACTOR is not compensated according to the provisions of the Agreement or upon any other material breach of the Agreement by COUNTY.

CONTRACTOR shall ensure that in the provision of services under this Agreement, its employees and applicants for employment and any member of the public are free from such discrimination. CONTRACTOR shall give written notice of its obligations under this clause to any labor agreement. CONTRACTOR shall include the non-discrimination and compliance provision of this paragraph in all subcontracts to perform work under this Agreement.

**D.13 REHABILITATION ACT OF 1973/AMERICANS WITH DISABILITIES ACT OF 1990.** In addition to application of the non-discrimination provision of this Agreement, above, CONTRACTOR agrees to comply with all provisions of section 504 et seq. of the Rehabilitation Act of 1973, and with all provisions of the Americans with Disabilities Act of 1990, and all amendments thereto, and all administrative rules and regulations issued pursuant to said Acts, pertaining to the prohibition of discrimination against qualified handicapped and disabled persons, in all programs or activities, as to employees or recipients of services.

**D.14 OWNERSHIP OF INFORMATION.** All professional and technical information developed under this Agreement and all work sheets, reports, and related data shall become the property of COUNTY, and CONTRACTOR agrees to deliver reproducible copies of such documents to COUNTY on completion of the services hereunder. The COUNTY agrees to indemnify and hold CONTRACTOR harmless from any claim arising out of reuse of the information for other than this Agreement.

**D.15 WAIVER.** A waiver by any party of any breach of any term, covenant or condition herein contained or a waiver of any right or remedy of such party available hereunder at law or in equity shall not be deemed to be a waiver of any subsequent
breach of the same or any other term, covenant or condition herein contained or of any
continued or subsequent right to the same right or remedy. No party shall be deemed
to have made any such waiver unless it is in writing and signed by the party so waiving.

Re: 4H Camp

Recommendation

Provide staff direction on alternatives for the County's 4H Camp

Background

The County currently owns the 85 acre 4H Camp in Dobbins, and has contracted with Environmental Alternatives to operate and maintain it. There are 3 ½ years left on the agreement.

The Golden Empire Council of the Boy Scouts of America is the Scout Council that covers the entire North State area from Sacramento to the border. They have approached the County to inquire about their possibly acquiring the County's 4H Camp property in Dobbins.

Discussion

The Boy Scouts are looking for a 'low altitude' camp that they could develop and use year 'round. They have shared they have significant funding available to make a substantial investment into developing the camp, and they believe they will bring a steady flow of visitors to the foothills.

County staff would like the Board's direction on whether there is an interest in the County's divesting itself of the 4H Camp property.

Committee Impact

As this is informational only, the item has been brought directly to your Board for review and discussion.

Fiscal Impact

There is no financial impact at this time.

RE: Consider adoption of a First Amendment to the Tri-County Joint Powers Agreement for the Juvenile Rehabilitation Facility
DATE: September 1, 2015

RECOMMENDATION

It is recommended that the Board of Supervisors consider adopting a resolution approving a First Amendment to the Tri-County Joint Powers Agreement for the Tri-County Regional Juvenile Rehabilitation Facility and authorize the Chairman to sign the amendment.

BACKGROUND

Since 1975, Yuba and Sutter counties have operated a Bi-County Juvenile Hall pursuant to a Joint Powers Agreement (JPA). The JPA required, at that time, Sutter County to make a cash payment to Yuba County with operating expenses shared equally between the two counties. Since entering into the JPA, both counties have funded enhancements (through local and state resources) to the property, including the addition of a Secured Housing Unit, a highly successful Camp (Camp Singer) utilized by both counties and numerous other counties in northern California, a new kitchen, replacement of energy inefficient equipment through a countywide solar and energy efficiency project, re-roofing, and numerous other projects impacting the General Fund of both counties. All projects were significant investments in the facility and several were to maintain an otherwise aging facility.

In 2010, Colusa County was awarded a $5,655,740 Local Youthful Offender Rehabilitation Facilities Construction Funds Grant pursuant to Senate Bill (SB) 81 which, pursuant to SB 365, could be redirected to another county if the Board of State and Community Corrections determined that the redirection
would result in cost savings, regional efficiencies, improved outcomes and enhanced services to minors.

In 2013, the Colusa County Probation Chief communicated with the Yuba County Probation Chief about the possibility of transferring the Colusa County grant award to Yuba County and building a new juvenile detention facility for all three counties. At that time, it was anticipated that the cost for Colusa County to operate its own juvenile hall would be approximately $1.2 to $1.5 million annually. Considering the potential benefit to all three counties, a collaborative effort began to transfer the grant to Yuba County.

Yuba, Sutter and Colusa counties formed a Tri-County JPA in May 2014, with each Board approving the JPA and cost sharing ratios. The JPA replaced the Bi-County JPA, assigned the SB 81 grant to the JPA, established ownership and cost sharing ratios and made bed allocations as follows:

<table>
<thead>
<tr>
<th>Cost Sharing Ratio</th>
<th>Bed Allocations</th>
</tr>
</thead>
<tbody>
<tr>
<td>Yuba County</td>
<td>40%</td>
</tr>
<tr>
<td>Sutter County</td>
<td>40%</td>
</tr>
<tr>
<td>Colusa County</td>
<td>20%</td>
</tr>
</tbody>
</table>

Considering the above stated cost sharing ratios and bed allocations it is important to note that:

- The Bed Allocations do not include the Secured Housing Unit. Fifteen (15) beds are available, however current funding does not allow for staffing of this unit.
- The Bed Allocations do not include the Maxine Singer Youth Guidance Center (Camp Singer); however operational costs for Camp Singer are included in the Juvenile Hall budget and are part of the above stated cost sharing ratios between the three counties.
- The current Juvenile Hall operation is staffed for thirty (30) beds and not the full allotment of forty eight (48) beds as indicated above.
- The cost sharing ratios and bed allocations apply to the existing facility and the proposed new facility, and also apply to the local cost share of the SB 81 grants for the new facility.

It should be noted that all three counties were successful in securing an additional $9.6 million SB 81 grant award from the Bureau of State and Community Corrections subsequent to entering into the Tri-County JPA.
DISCUSSION

Subsequent to the adoption and effective date of the new Tri-County JPA (eff. July 1, 2014) Colusa County has brought forward concerns regarding the cost sharing ratio. Concerns include:

- Per Colusa, the projected new costs unexpectedly increased their juvenile custody costs significantly, which involved renting of beds from several jurisdictions at an average annual cost of $368,000 a year.
- FY 14-15 budgeted / allocated costs to Colusa were estimated at $714,000.
- After a mid-year review of projected share of cost for Colusa, a flat line projection is estimated to be approximately $600,000.
- Average Colusa juvenile bed usage for the first half of the year was less than 40% of its allocation (fewer than 4 beds per day average).

The County Administrative Officers for Colusa, Sutter and Yuba met on two occasions to discuss Colusa’s concerns. It was agreed that Colusa would continue using its cost sharing ratio for FY 14-15; however following an analysis of Colusa County’s usage we would meet again to possibly modify the JPA.

Based on historical averages as a Bi-County Juvenile Hall, juvenile custody populations for Sutter and Yuba vary from day to day, month to month and year to year. Due to unexplainable variations over the years and 40-50% population swings, both counties agreed it would be easier and require fewer resources to split operation costs 50/50, as it appeared over the years the population attributed to each county averaged out. More importantly, a degree of certainty for the Administrative staff and Boards of each County is provided for budgeting and a guarantee of bed space for juvenile custody for both counties was in place.

In summary, based on Yuba County’s history of managing the institution for nearly four decades, it is difficult to project juvenile custody populations. The range of number of detainees and actual “child care days” can vary significantly per county. Having guaranteed bed space for each county, at one facility, through a three party agreement is advantageous for all parties; however, both Yuba and Sutter County staff recognize the less than projected use of the juvenile facility by Colusa County.

Staff from Sutter and Yuba Counties supported Colusa’s request to review their first year of participation in the JPA. Based on that review and a review of the entirety of the facility/services provided, staff is recommending approval of a JPA amendment between the three counties that:
1. Sets ownership, bed allocation and programs, liability, operational expenses — fixed costs, and facility/capital improvements (upgrades/enhancements) cost sharing at Sutter 44%, Yuba 44% and Colusa 12%. This amendment also contains a provision regarding potential over usage of bed days by Colusa only and would provide for payment of such over usage.

2. Sets the local cost sharing match for facility/capital improvements for new facility at Sutter 40%, Yuba 40% and Colusa 20% and adds clarifying language.

3. Sets a policy goal of establishing an operational contingency fund policy beginning in the 2016-2017 Fiscal Year.

Per the latest meeting of the Juvenile Rehabilitation Oversight Committee that was held, they approved the above recommended cost share and related items to amend the JPA.

**FISCAL IMPACT**

Based on preliminary budget estimates for Fiscal Year 2015-2016 it is estimated the increased costs to Sutter and Yuba counties are anticipated to be approximately $157,000 each and Colusa will experience a reduction of approximately $314,000.

For Yuba County, it is recommended that the Board of Supervisors direct staff to include this increased amount in the Final Budget recommendations for the current fiscal year.

1975 (up to the adoption of the current AGREEMENT) and eventually agreed to annually fund the
operations of the FACILITY by each taking a fifty percent share of operating and facility
upgrade/enhancement costs; and

WHEREAS, all parties to this agreement recognizes the willingness of COLUSA to convert a
juvenile facility grant award from the State of California to YUBA and the effort by all parties to obtain
additional funding to obtain a companion grant from the State of California to design and build a tri-
county regional juvenile rehabilitation facility; and

WHEREAS, COLUSA prior to entering into the AGREEMENT previously rented juvenile
detention facility bed space from several counties for their juvenile detainees; and

FIRST AMENDMENT TO THE
JOINT EXERCISE OF POWERS AGREEMENT FOR THE
ESTABLISHMENT AND OPERATION OF THE
TRI-COUNTY REGIONAL JUVENILE REHABILITATION FACILITY

This Amendment to the Joint Powers Agreement ("JPA") for the Establishment and Operation of the Tri-County Regional Juvenile Rehabilitation Facility ("Facility") is made this 25th day of August 2015, by and between the County of Yuba, California ("Yuba"), the County of Sutter ("Sutter") and the County of Colusa ("Colusa").

RECITALS

A. In May 2014 Yuba, Sutter and Colusa as parties ("Parties") entered into a JPA for the establishment and operation of the Facility. The Facility is operated by Yuba.

B. The Parties mutually desire to amend the JPA by executing this amendment ("Amendment") to adjust the sharing formula by which the share of various costs, beds and liability is allocated to Party.

NOW, THEREFORE THE PARTIES TO THE JPA AGREE TO THIS AMENDMENT AS FOLLOWS

1. JPA Agreement Article 3, Section I, Paragraph B;
   OWNERSHIP OF THE FACILITY

This portion of the Agreement states ownership of the facility is to be shared by the Parties on a percentage basis as follows:

Yuba  40%
Sutter 40%
Colusa 20%

The Parties now agree by this Amendment to change these percentages to:

Yuba  44%
Sutter 44%
Colusa 12%

2. JPA Agreement Article 3, Section III, Paragraphs A and B;
   BED ALLOCATIONS and PROGRAMS

These portions of the Agreement state the sharing formula to be applied to Bed Allocations and Programs as follows:

Yuba  40%
Sutter 40%
Colusa 20%

The Parties now agree by this Amendment to change these percentages to:

Yuba  44%
Sutter 44%
Colusa 12%
3. **JPA Agreement Article 3, Section III, Paragraph A; BED ALLOCATIONS**

   This portion of the Agreement specifies the anticipated bed allocations upon completion of the expanded facility.

   The Parties now agree by this Amendment to add A.i as follows:

   i. Pending completion of the expanded facility, the Juvenile Hall and Camp Singer will routinely be staffed and operated at 30 beds each. During this period bed allocations shall be as follows: Yuba, 13 beds at each facility; Sutter, 13 beds at Juvenile Hall and 14 beds at Camp Singer; and, Colusa; 4 beds at Juvenile Hall and 3 beds at Camp Singer. The practice of allowing the Parties to temporarily exceed bed allocations will continue provided that the maximum capacity of each facility will not be exceeded.

4. **JPA Agreement Article 3, Section IV, Paragraph A.i; OPERATIONAL EXPENSES – FIXED COSTS**

   This portion of the Agreement states the sharing formula to be applied to fixed operational expenses as follows:

   Yuba 40%
   Sutter 40%
   Colusa 20%

   The Parties now agree by this Amendment to change these percentages to:

   Yuba 44%
   Sutter 44%
   Colusa 12%

5. **JPA Agreement Article 3, Section IV, Paragraph A.i; OPERATIONAL EXPENSES – FIXED COSTS**

   This portion of the Agreement states the sharing formula to be applied to fixed operational expenses.

   The parties now agree by this Amendment to add Paragraph A.i.d as follows:

   d) For the period ending June 30, 2016 and every year thereafter until the expanded facility is completed, Yuba will prepare a report detailing the actual facility usage by Yuba, Sutter and Colusa for the preceding twelve (12) months. This report will be distributed to the Oversight Committee. In any examination period where Colusa's average annual bed usage exceeds eighty percent (80%) of its annualized allocation of bed days at either the Juvenile Hall or Camp Singer, the Oversight Committee may, pursuant to Article 3, Section II, Paragraph D. vii of this Agreement, recommend modifications to the bed and fixed costs allocations for Colusa.
6. JPA Agreement Article 3, Section V, Paragraph B; FACILITY/CAPITAL IMPROVEMENTS

This portion of the Agreement states the sharing formula to be applied to the cost of Facility upgrades or enhancements as follows:

Yuba 40%
Sutter 40%
Colusa 20%

The Parties now agree by this Amendment to change these percentages to:

Yuba 44%
Sutter 44%
Colusa 12%

7. JPA Agreement Article 3, Section V, Paragraph C; FACILITY/CAPITAL IMPROVEMENTS

This portion of the Agreement addresses the construction of a new Facility.

The Parties now agree by this Amendment to modify Paragraph C as follows:

C. It is anticipated that Yuba will coordinate the construction of three 16-bed pod detention areas for a total of 48 beds. Funding will primarily be derived from two state grants from BSCC the first being a $5,655,740 that has been redirected from Colusa and the second being a $9,600,000 grant that has been awarded to the JPA. These grants will be supplemented by matching funds from Yuba, Sutter and Colusa based on the following formula: Yuba 40%; Sutter 40%; and Colusa 20%. Oversight of the project from design to construction will be done by Yuba with the active participation and oversight of the Oversight Committee and the three county Chief Probation Officers.

8. JPA Agreement Article 6; LIABILITY

This portion of the Agreement states the sharing formula to be applied to the cost of liability arising out of the operation and administration of the Facility as follows:

Yuba 40%
Sutter 40%
Colusa 20%

The Parties now agree by this Amendment to change these percentages to:

Yuba 44%
Sutter 44%
Colusa 12%
9. JPA Contingency Fund

Costs estimated for operations of the Facility are compiled annually based in part on prior year historical budgeted and actual expenditure amounts. Considering the high degree of volatility year over year in juvenile populations at the Facility, a Contingency Fund Policy shall be prepared and submitted to the Oversight Committee for adoption by the Yuba Board of Supervisors prior to the beginning of the 2016-2017 Fiscal Year.
