TO:        YUBA COUNTY BOARD OF SUPERVISORS

FROM:     MICHAEL G. LEE, DIRECTOR OF PUBLIC WORKS

SUBJECT:  Approval of Plans, Specifications and Estimate, and Authorization for Advertisement of Bids for Hammonton-Smarstville Road Shoulder Widening Project from South Golden Parkway to approximately 1 mile west

RECOMMENDATION:
Approval of Plans, Specifications and Estimate, for the subject project, and authorization for advertisement of bids, pending Caltrans approval, with a tentative bid opening date of June 7, 2016.

BACKGROUND:
In July 2014, the County received federal funds to improve the safety of Hammonton-Smarstville Road by widening the existing road shoulders. The project will be funded through the federal High Risk Rural Roads (HR3) Program which is administered by Caltrans.

DISCUSSION:
This project consists of widening the existing shoulders with 4 feet of asphalt and 3 additional feet of gravel. Improvements also include a pavement “safety-edge”, asphalt overlay, and new striping. Specifications are available for review at Public Works. The engineer’s estimate for construction of the project and construction engineering is approximately $692,000. The project is expected to be completed by December 2016.

COMMITTEE ACTION:
The Land Use & Public Works Committee was bypassed as this project is included in the Public Works Budget.

FISCAL IMPACT:
The project will be funded by the federal HR3 Program ($580,000) which does not have a local match because of the use of toll credits. The overlay portion of the project ($125,000) will be funded by the Road Fund, pending adequate resolution of the FY 16/17 deficient Public Works budget. Otherwise, the overlay portion of the work will be eliminated from the scope.

DATE: March 15, 2016

SUBJECT: Request Approval for the Health and Human Services Department to Participate in the California Department of Social Services “The Work Number” Program and authorize the Chair of the Board to execute the Memorandum of Understanding

RECOMMENDATION: It is recommended that the Board of Supervisors approve the Health and Human Services Department (HHSD) request to participate in the California Department of Social Services (CDSS) “The Work Number” program administered by Equifax/TALX Corporation and authorize the Chair to enter into and execute the Memorandum of Understanding with CDSS and other documents as required by the program.

BACKGROUND: CDSS established an income verification program for California counties regarding the California Work and Responsibility to Kids (CalWORKs) and CalFresh programs. As part of the program, the CDSS contracted with TALX Corporation, a provider of Equifax Verification Services, for participating counties to verify consumer-recipient employment, income and other work related information. The agreement allows the CDSS to provide an online employment and wage verification system based on client social security numbers to all 58 California County Welfare Departments (CWDs) at no cost to the CWDs.

DISCUSSION: Approval by the Board will allow HHSD to participate in The Work Number program. The Work Number may be accessed by County employees to verify eligibility for receipt of public aid or assistance, prevention or identification of overpayments associated with the receipt of public aid or assistance.

COMMITTEE: The Human Services Committee was by-passed due to time constraints and there is no General Fund impact.

FISCAL IMPACT: Participation in the program will not impact the County General Fund. The funding for this program is provided by CDSS.
MEMORANDUM OF UNDERSTANDING
BETWEEN THE CALIFORNIA DEPARTMENT OF SOCIAL SERVICES
AND
THE COUNTY OF YUBA

I. PURPOSE

The California Department of Social Services ("CDSS") has established an income verification program for California counties regarding the California Work and Responsibility to Kids (CalWORKs) and CalFresh programs. As part of this program, the CDSS has contracted with TALX Corporation ("TALX"), a provider of Equifax Verification Services, for participating counties to verify consumer-recipient employment, income and other work related information. The Agreement between CDSS and TALX, CDSS Agreement 15-STD-00907 (hereafter "Agreement"), is attached as Exhibit 1.

This Memorandum of Understanding (MOU) is entered into by the CDSS and the County named above ("County") for the purpose of authorizing County access to TALX's on-line employment verification service (hereafter "The Work Number"), pursuant to the Agreement. This MOU authorizes County to retrieve and verify certain employment and/or income data of a consumer-recipient applying for or currently receiving public social service assistance where such information has been furnished to TALX by employers. County agrees to comply with the obligations of the Agreement as a condition of access to The Work Number.

II. SCOPE OF WORK

The Work Number may be accessed by County employees to verify a consumer-recipient's employment status or income for purposes of determining eligibility for receipt of public aid or assistance, prevention or identification of overpayments associated with the receipt of public aid or assistance. Accordingly, The Work Number permits County the ability to:

A. Search for a recipient's employment status or income by a recipient's Social Security Number.

B. Register, authenticate, and monitor users and usage, including producing monthly reports.

C. Identify if a recipient has current, historical, or no employment information on file.
D. Order and retrieve an employment verification, which shall include the employer name and employment status; or an income verification which shall include the employer address, dates of employment, title of position, pay rate, and year-to-date gross income and pay period details for up to a three-year period.

E. Through this MOU, CDSS authorizes County to access The Work Number solely for the purpose described in this Scope of Work. Counties not entering into this MOU will not have access to The Work Number unless they have a separate independent agreement with TALX.

III. CDSS RESPONSIBILITIES

A. Pursuant to a third-party beneficiary Agreement between CDSS and TALX, CDSS has, on behalf of participating counties, secured access to The Work Number for use in the CDSS income verification program.

B. CDSS will not be directly accessing or using The Work Number but shall have the right as the pass-through entity to inspect, review, or otherwise monitor all activities, procedures, records, reports or forms related to the County’s access of The Work Number in order to ensure compliance with this MOU.

IV. COUNTY RESPONSIBILITIES

A. County shall comply with the obligations of the Agreement, including the TALX Universal Membership Agreement (UMA) requirements (Exhibit E, Attachment 2 of CDSS Agreement 15-STD-00907).

B. County shall maintain any and all information/data provided by The Work Number in strict confidence, and will not reproduce, disclose, or make accessible in whole or in part, in any manner whatsoever, to any third party, unless mandated by law.

C. County represents and warrants it is administering a government funded benefit or program, has been granted the legal authority to view the information/data by the consumer or by operation of law, and shall only request the information/data in compliance with state and federal laws. County further represents and warrants that it has written authorization from the Consumer to verify income.

D. County certifies that it will order data from The Work Number only when it intends to use the data in accordance with the Fair Credit Reporting Act ("FCRA") and all state law FCRA counterparts as though the data is a consumer report, in connection with a determination of the consumer's eligibility for a license or other benefit granted by a governmental instrumentality required
by law to consider an applicant's financial responsibility or status, and for no other purpose.

E. County agrees to only use the data consistent with the obligations of users of consumer reports as provided for in the Consumer Financial Protection Bureau ("CFPB") Notice Form attached as Exhibit 1 to the UMA.

F. To the extent County requests data on a Vermont resident, County certifies that it will comply with applicable provisions under Vermont law. In particular, County certifies that it will order data relating to Vermont residents only after County has received prior Consumer consent in accordance with VFCRA Section 24803 and applicable Vermont Rules. County further certifies that it received the copy of VFCRA Section 2480e applicable Vermont Rules as referenced in Exhibit 2 to the UMA.

G. County certifies it will establish safeguards to ensure only Authorized Users can order or have access to the Work Number. “Authorized User” is defined as a County employee authorized to order or access The Work Number in relation to the performance of their official duties.

H. County shall take all necessary measures to prevent unauthorized ordering of or access to The Work Number by an person other than the Authorized User for permissible purposes. County agrees to monitor County employees’ access of The Work Number to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

I. County shall take all necessary measures to ensure employees do not access consumer-recipient employment or income information for personal reasons or benefit. No County employee shall engage in any employment activity, or enterprise which is clearly inconsistent, incompatible, in conflict with, or iminical to the guidelines set forth under this MOU or his/her duties as a County employee.

J. County agrees to indemnify, defend, and save harmless CDSS and TALX, and their respective directors, officers, managers, agents, and employees from any and all claims, actions, demands, damages, liabilities, obligations, losses, settlements, judgments, fines, penalties, sanctions, charges, costs and expenses, arising out of, relating to, or in connection with County’s use of The Work Number and/or the unauthorized disclosure or dissemination of consumer-recipient information/data by County employees in the performance of this Agreement. County does not assume the risk on behalf of or agree to indemnify any other county.

K. County acknowledges that neither TALX nor its officers, agents or employees will be liable for loss of profits or for indirect, special, incidental or consequential
damages arising out of or related to the provision of verifications of employment and/or income, even if that party has been advised of the possibility of such damages. In no event shall damages of any kind payable by TALX exceed the sum paid by CDSS for the service which causes County’s claim. This provision shall survive any termination or expirations of this MOU.

L. County hereby certifies it will employ all necessary measures to maintain data security and confidentiality when sending, transferring, shipping, or otherwise disposing of any consumer report information. In addition to any requirements of this MOU, County agrees to comply with the data security provisions of the Agreement, including the UMA.

M. County shall ensure that all County employees comply with California Welfare & Institutions Code section 10850 to protect any confidential information it may receive and possess from The Work Number from unauthorized use, access, or disclosure.

N. Unauthorized use, access, or disclosure of confidential information is considered a breach of security. County shall immediately notify CDSS of any and all suspected, attempted, or confirmed breach of security by contacting the CDSS Information Security Officer (ISO), Lloyd Indig at (916) 651-5558.

O. The use of The Work Number includes information that is protected by the VCRA and may subject an unauthorized user to possible civil and criminal liability, punishable by fines and imprisonment.

P. When County ceases to use the services of TALX furnished pursuant to this MOU, it shall notify CDSS that it is no longer receiving services from TALX. If County is dissatisfied with the services of TALX, it shall provide a letter to CDSS describing its dissatisfaction.

Q. Without limitation as to any other applicable rights or remedies, in the event of a breach of security caused by County employee(s), through the use of the information/data provided by TALX, County is responsible for any and all breach notifications to the consumer, along with associated costs.

R. County may not assign or delegate any of its rights or duties under this MOU.

S. County acknowledges that its access to The Work Number is subject to audit by TALX as described in the Agreement. County agrees to cooperate with CDSS and TALX in responding to any such audit.

T. For the purposes of the employment verification program that is the subject of this MOU, County is not required to purchase separate or additional services from TALX, CDSS has no expectation that there will be a separate or continuing arrangement for future services between County and TALX.
V. TERM

The term of this MOU is: __April 1, 2016__ through __September 30, 2017__.  

VI. GENERAL PROVISIONS.

A. No condition or provision of this MOU shall be waived or altered except by written amendment signed by a duly authorized representative of CDSS and County.

B. Termination without cause: This MOU may be terminated by either party without cause upon 30 days written notice.

C. Termination with cause: This MOU may be terminated immediately by either party if the terms of this MOU are violated in any manner. However, CDSS or County shall provide written notice to the other party of such termination for cause of this MOU. TALX may immediately suspend and/or terminate County's access to The Work Number if TALX reasonably believes County has violated the FCRA, any of the state law counterparts to the FCRA, or any other applicable law or regulation.

The Federal Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 created sweeping Welfare reform and chief among these changes was the requirement of beneficiary’s participation in employment or employment training as a condition to receive cash aid. To measure the State's success at meeting this requirement the Work Participation Rate is used. California Work and Responsibility to Kids (CalWORKs) and CalFresh participants’ reported involvement of hours worked and earnings must be verified by his or her county case worker and access to fast, accurate and reliable data will help ensure the State's and counties' work participation rate data is complete.

This agreement entered into by CDSS and TALX Corporation (herein referred to as Contractor) is necessary to provide all California counties with online access to verify employment and income for CalWORKs and CalFresh programs. Counties must obtain participants’ consent, typically within the application for benefits, to access his or her employment information. Local counties will provide a list to the CDSS and the Contractor, identifying case managers who are end users of the verification service and the Contractor will provide the CDSS usage reports on the service at least monthly by county or as determined necessary by the CDSS.

The counties, if they choose to participate, will enter into a Memorandum of Understanding with the CDSS once the contract is executed. The Fair Credit Reporting Act (FCRA) regulations and safeguards apply to counties handling participants' information and include FCRA 15 U.S.C. 1681 that requires notice be provided to inform users of consumer reports of their legal obligations and can be found in full at Consumer Financial Protection Bureau’s (CFPB) website at www.consumerfinance.gov/learnmore - see Exhibit 1.

Agency shall pay for, but not access, the Service used by County as set forth herein.

NOW, THEREFORE, the parties agree as follows:

1. SCOPE OF THE AGREEMENT. This Agreement consists of the general terms set forth in the body of this Agreement, Exhibit 1 – Notice to Users of Consumer Reports, Exhibit 2 – Vermont Fair Credit Reporting Contract Certification, Exhibit 3 – Fair Credit Reporting Act, and Exhibit B – Budget Detail and Payment Provisions of CDSS Agreement 15-STD-00907 executed by the parties which may contain additional terms. If there is a conflict between the general terms and conditions of this Universal Membership Agreement and Exhibit 1, Exhibit 2, Exhibit 3 or Exhibit B, the provisions of the Exhibit will govern and control. This Agreement specifically supersedes and replaces any agreement between the parties that predates this Agreement and which relates to the Service as provided in Exhibit B, even if the prior agreement contains an “entire agreement” or “merger” clause, and any such agreements are terminated.

2. TALX OBLIGATIONS. The Service will provide Agency with automated access to certain employment and/or income data (“Data”) furnished to TALX by employers.

3. AGENCY OBLIGATIONS.

   c. To the extent Agency accesses any Data obtained by County, Agency will comply with County Obligations, below.
   d. Agency shall notify TALX if it learns County has ceased use of the Service or if it has reason to suspect that County has violated the terms of the MOU and/or this Agreement.

4. COUNTY OBLIGATIONS.

   b. County certifies that it will order Data from the Service only when County intends to use the Data (i) in accordance with the Fair Credit Reporting Act (“FCRA”) and all state law FCRA counterparts as though the Data is a consumer report, and (ii) for one of the following FCRA permissible purposes: (1) in connection with a credit transaction involving the Consumer on whom the Data is to be furnished and involving the extension of credit to, or review or collection of an account of, the consumer, (2) in connection with a determination of the consumer’s eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant’s financial responsibility or status, or (3) when County otherwise has a legitimate business need for the information either in connection with a business transaction that is initiated by the Consumer, or to review an account to determine whether the Consumer continues to meet the terms of the account; and for no other purpose.
Agency agrees to only use the Data consistent with the obligations of users of consumer reports as provided for in the Consumer Financial Protection Bureau (the "CFPB")'s Notice Form attached as Exhibit 1.

c. To the extent County requests Data on a Vermont resident, County certifies that it will comply with applicable provisions under Vermont law. County will refer the Consumer to TALX whenever the Consumer disputes the Data disclosed by County. County will not interpret the failure of TALX to return Data as a statement regarding that consumer’s credit worthiness, because the failure may result from one or more factors unrelated to credit worthiness.

e. County may access, use and store the Data only at or from locations within the territorial boundaries of the United States, Canada, and the United States territories of Puerto Rico, Guam and the Virgin Islands (the "Permitted Territory"). County may not access, use or store the Data or TALX Confidential Information at or from, or send the Data or Confidential Information to, any location outside of the Permitted Territory without County first obtaining TALX’s written permission.

County shall include the
name and email address of the appropriate point of contact to whom such request should be made in the space provided below. County may change its contact information upon written notice:

13. use commercially reasonable efforts to secure Data when stored on servers, subject to the following requirements: (i) servers storing Data must be separated from the Internet or other public networks by firewalls which are managed and configured to meet industry accepted best practices, (ii) protect Data through multiple layers of network security, including but not limited to, industry-recognized firewalls, routers, and intrusion detection/prevention devices (IDS/IPS), (iii) secure access (both physical and network) to systems storing Data, which must include authentication and passwords that are changed at least every ninety (90) days; and (iv) all servers must be kept current and patched on a timely basis with appropriate security-specific system patches, as they are available,

14. not allow Data to be displayed via the Internet unless utilizing, at a minimum, a three-tier architecture configured in accordance with industry best practices, and

15. use commercially reasonable efforts to establish procedures and logging mechanisms for systems and networks that will allow tracking and analysis in the event there is a compromise, and maintain an audit trail history for at least three (3) months for review.

b. If TALX reasonably believes that County has violated this Section 6, TALX may, in addition to any other remedy authorized by this Agreement, with reasonable advance written notice to County and at TALX’s sole expense, conduct, or have a third party conduct on its behalf, an audit of County’s network security systems, facilities, practices and procedures to the extent TALX reasonably deems necessary, including an on-site inspection, to evaluate County’s compliance with the data security requirements of this Section 6.

7. CONFIDENTIALITY. To the extent consistent with law, each party acknowledges that all materials and information disclosed by a party ("Disclosing Party") to another party ("Recipient") in connection with performance of this Agreement, including the terms of this Agreement and the pricing terms contained in Exhibit B of CDSS Agreement 15-STD-00907, consist of confidential and proprietary data ("Confidential Information"). Each Recipient will hold those materials and that information in strict confidence, and will restrict its use of those materials and that information to the purposes anticipated in this Agreement. If the law or legal process requires Recipient to disclose confidential and proprietary data, Recipient will notify the Disclosing Party of the request. Thereafter, the Disclosing Party may seek a protective order or waive the confidentiality requirements of this Agreement, provided that Recipient may only disclose the minimum amount of information necessary to comply with the requirement. Recipient will not be obligated to hold confidential any information from the Disclosing Party which (a) is or becomes publicly known, (b) is received from any person or entity who, to the best of Recipient’s knowledge, has no duty of confidentiality
to the Disclosing Party, (c) was already known to Recipient prior to the disclosure, and that knowledge was evidenced in writing prior to the date of the other party's disclosure, or (d) is developed by the Recipient without using any of the Disclosing Party's information. The rights and obligations of this Section 7 with respect to (i) confidential and proprietary data that constitutes a "trade secret" (as defined by applicable law), will survive termination of this Agreement for so long as such confidential and proprietary information remains a trade secret under applicable law; and (ii) all other confidential and proprietary data, will survive the termination of this Agreement for the longer of two (2) years from termination, or the confidentiality period required by applicable law.

Unless otherwise provided for in Exhibit B - Budget Detail and Payment Provisions, TALX may change the price of the Service and/or the Service Schedule and/or Description with thirty (30) days notice. Agency's use of the Service after such thirty (30) day period shall constitute its agreement to such change(s), without prejudice to its right to terminate this Agreement as provided above. If either party materially breaches this Agreement, the non-breaching party may terminate this Agreement after providing written notice of the breach to the breaching party with fifteen (15) calendar days opportunity to cure. TALX may, in its own discretion, suspend services during any cure period. Either party, by written notice to the other party, may immediately terminate this Agreement or suspend any Service(s) if based on a reasonable belief that the other party has violated the FCRA, any of the state law counterparts to the FCRA, or any other applicable law or regulation for Client.

9. Rights to Service. The Service and the Data, including all rights thereto, are proprietary to TALX.

10. Warranty. TALX warrants that the Service will be performed in all material respects in a reasonable and workmanlike manner and in compliance with laws and regulations applicable to TALX' performance thereof. 11. Indemnification. County and TALX agree to indemnify, defend and hold harmless ("Indemnify") the other party and its affiliates, and their directors, officers and employees (each, an "Indemnified Party"), from and against claims, demands, liabilities, suits, damages, expenses and costs, including reasonable attorneys', experts' and investigators' fees and expenses ("Claims"), but only in proportion to and to the extent such claims, demands, liabilities, suits, damages, expenses and costs, including reasonable attorneys' fees, experts' and investigators fees and expenses brought by third parties against the Indemnified Party and are caused by or arise from the indemnifying party's, or its affiliates', directors', officers' or employees' ("Indemnifying Party") (i) breach of this Agreement, (ii) negligent or intentional, wrongful act or omission, (iii) infringement on third party proprietary rights. Further, each party agrees to Indemnify the other from and against the Indemnifying Party's (i) violation of applicable law, or (ii) breach of Section 7 Confidentiality.

12. Limitation of Liability. In no event shall either party or its officers, agents or employees be liable for loss of profits or for indirect, special, incidental or consequential damages arising out of or related to the performance of this Agreement, even if that party has been advised of the possibility of such damages. In no event shall damages of any kind payable by TALX hereunder exceed the sum paid by Agency for the service which causes Agency's or County's claim.

13. Applicable Law. This Agreement shall be governed by the laws of the State of California, without giving effect to the principles of conflict of laws thereof.

14. Force Majeure. Neither party will be liable to the other for any delay, or interruption in performance as to any obligation hereunder resulting from governmental emergency orders, judicial or governmental action, emergency regulations, sabotage, riots, vandalism, labor strikes or disputes, acts of God, fires, electrical failure, major computer hardware or software failures, equipment delivery delays, acts of third parties, or delays or interruptions in performance beyond its reasonable control.
15. MISCELLANEOUS. Except as otherwise provided in this Agreement, this Agreement may be amended only by a subsequent writing signed by both parties. This Agreement may not be assigned or transferred by Agency without TALX' prior written consent. This Agreement shall be freely assignable by TALX and shall inure to the benefit of and be binding upon the permitted assignee of either Agency or TALX. If any provision of this Agreement is held to be invalid or unenforceable under applicable law in any jurisdiction, the validity or enforceability of the remaining provisions thereof shall be unaffected as to such jurisdiction and such holding shall not affect the validity or enforceability of such provision in any other jurisdiction. To the extent that any provision of this Agreement is held to be invalid or unenforceable because it is overbroad, that provision shall not be void but rather shall be limited only to the extent required by applicable law and enforced as so limited. Any notice under this Agreement shall be effective upon personal delivery by an overnight or other courier or delivery service, or three (3) days after pre-paid deposit with the postal service, in either case to the party's address in the first sentence of this Agreement or any substitute therefore provided by notice.

NOTICE TO USERS OF CONSUMER REPORTS: OBLIGATIONS OF USERS UNDER THE FCRA

The Fair Credit Reporting Act (FCRA), 15 U.S.C. 1681-1681y, requires that this notice be provided to inform users of consumer reports of their legal obligations. State law may impose additional requirements. The text of the FCRA is set forth in full at the Consumer Financial Protection Bureau’s (CFPB) website at www.consumerfinance.gov/learnmore. At the end of this document is a list of United States Code citations for the FCRA. Other information about user duties is also available at the CFPB’s website.

Users must consult the relevant provisions of the FCRA for details about their obligations under the FCRA.

The first section of this summary sets forth the responsibilities imposed by the FCRA on all users of consumer reports. The subsequent sections discuss the duties of users of reports that contain specific types of information, or that are used for certain purposes, and the legal consequences of violations. If you are a furnisher of information to a consumer reporting agency (CRA), you have additional obligations and will receive a separate notice from the CRA describing your duties as a furnisher.

I. OBLIGATIONS OF ALL USERS OF CONSUMER REPORTS

A. Users Must Have a Permissible Purpose

Congress has limited the use of consumer reports to protect consumers’ privacy. All users must have a permissible purpose under the FCRA to obtain a consumer report. Section 604 contains a list of the permissible purposes under the law. These are;

- As ordered by a court or a federal grand jury subpoena. Section 604(a)(1)
- As instructed by the consumer in writing. Section 604(a)(2)
- For the extension of credit as a result of an application from a consumer, or the review or collection of a consumer’s account. Section 604(a)(3)(A)
- For employment purposes, including hiring and promotion decision, where the consumer has given written permission. Section 604(a)(3)(B) and 604(b)
- For the underwriting of insurance as a result of an application from a consumer. Section 604(a)(3)(C)
- When there is a legitimate business need, in connection with a business transaction that is initiated by the consumer. Section 604(a)(3)(F)(i)
- To review a consumer’s account to determine whether the consumer continues to meet the terms of the account. Section 604(a)(3)(F)(ii)
- To determine a consumer’s eligibility for a license or other benefit granted by a governmental instrumentality required by law to consider an applicant’s financial responsibility or status. Section 604(a)(3)(D)
- For use by a potential investor or servicer, or current insurer, in a valuation or assessment of the credit or prepayment risks associated with an existing credit obligation. Section 604(a)(3)(E)
- For use by state and local officials in connection with the determination of child support payments, or modifications and enforcement thereof. Sections 604(a)(4) and 604(a)(5)

In addition, creditors and insurers may obtain certain consumer report information for the purpose of making “prescreened” unsolicited offers of credit or insurance. Section 604(c). The particular obligations of users of “prescreened” information are described in Section VII below.

B. Users Must Provide Certifications

Section 604(f) prohibits any person from obtaining a consumer report from a consumer reporting agency (CRA) unless the person has certified to the CRA the permissible purpose(s) for which the report is being obtained and certifies that the report will not be used for
any other purpose.

C. Users Must Notify Consumers When Adverse Actions Are Taken

The term “adverse action” is defined very broadly by Section 603. “Adverse actions” include all business, credit, and employment actions affecting consumers that can be considered to have a negative impact as defined by Section 603(k) of the FCRA - such as denying or canceling credit or insurance, or denying employment or promotion. No adverse action occurs in a credit transaction where the creditor makes a counteroffer that is accepted by the consumer.

1. Adverse Actions Based on Information Obtained From a CRA

If a user takes any type of adverse action as defined by the FCRA that is based at least in part on information contained in a consumer report, Section 615(e) requires the user to notify the consumer. The notification may be done in writing, orally, or by electronic means. It must include the following:

- The name, address, and telephone number of the CRA (including a toll-free telephone number, if it is a nationwide CRA) that provided the report.
- A statement that the CRA did not make the adverse decision and is not able to explain why the decision was made.
- A statement setting forth the consumer’s right to obtain a free disclosure of the consumer’s file from the CRA if the consumer makes a request within 60 days.
- A statement setting forth the consumer’s right to dispute directly with the CRA the accuracy or completeness of any information provided by the CRA.

2. Adverse Actions Based on Information Obtained From Third Parties Who Are Not Consumer Reporting Agencies

If a person denies (or increases the charge for) credit for personal, family, or household purposes based either wholly or partly upon information from a person other than a CRA, and the information is the type of consumer information covered by the FCRA, Section 615(b)(1) requires that the user clearly and accurately disclose to the consumer his or her right to be told the nature of the information that was relied upon if the consumer makes a written request within 60 days of notification. The user must provide the disclosure within a reasonable period of time following the consumer’s written request.

3. Adverse Actions Based on Information Obtained From Affiliates

If a person takes an adverse action involving insurance, employment, or a credit transaction initiated by the consumer, based on information of the type covered by the FCRA, and this information was obtained from an entity affiliated with the user of the information by common ownership or control, Section 615(b)(2) requires the user to notify the consumer of the adverse action. The notice must inform the consumer that he or she may obtain a disclosure of the nature of the information relied upon by making a written request within 60 days of receiving the adverse action notice. If the consumer makes such a request, the user must disclose the nature of the information not later than 30 days after receiving the request. If consumer report information is shared among affiliates and then used for an adverse action, the user must make an adverse action disclosure as set forth in I.C.1 above.

D. Users Have Obligations When Fraud and Active Duty Military Alerts are in Files

When a consumer has placed a fraud alert, including one relating to identity theft, or an active duty military alert with a nationwide consumer reporting agency as defined in Section 603(p) and resellers, Section 605A(b) imposes limitations on users of reports obtained from the consumer reporting agency in certain circumstances, including the establishment of a new credit user must have reasonable policies and procedures in place to form a belief that the user knows the identity of the applicant or contact the consumer at a telephone number specified by the consumer; in the case of extended fraud alerts, the user must contact the consumer in accordance with the contact information provided in the consumer’s alert.

E. Users Have Obligation When Notified of an Address Discrepancy

Section 605(b) requires nationwide CRAs, as defined in Section 603(p), to notify users that request reports when the address for a consumer provided by the user in requesting the report is substantially different from the addresses in the consumer’s file. When this occurs, users must comply with regulations specifying the procedures to be followed. Federal regulations are available at www.consumerfinance.gov/learnmore.

F. User Have Obligation When Disposing of Records

Section 628 requires that all users of consumer report information have in place procedures to properly dispose of records containing this information. Federal regulations have been issued that cover disposal.
II. CREDITORs MUST MAKE ADDITIONAL DISCLOSURES

If a person uses a consumer report in connection with an application for, or a grant, extension, or provision of, credit to a consumer on material terms that are materially less favorable than the most favorable terms available to a substantial proportion of consumers from or through that person, based in whole or in part on a consumer report, the person must provide a risk-based pricing notice to the consumer in accordance with regulations prescribed by the

Section 609(g) requires a disclosure by all persons that make or arrange loans secured by residential real property (one to four units) and that use credit scores.

These persons must provide credit scores and other information about credit scores to applicants, including the disclosure set forth in Section 609(g)(1)(D) ("Notice to the Home Loan Applicant").

III. OBLIGATIONS OF USERS WHEN CONSUMER REPORTS ARE OBTAINED FOR EMPLOYMENT PURPOSES

A. Employment Other Than in the Trucking Industry

If information from a CRA is used for employment purposes, the user has specific duties, which are set forth in Section 604(b) of the FCRA. The user must:

- Make a clear and conspicuous written disclosure to the consumer before the report is obtained, in a document that consists solely of the disclosure, that a consumer report may be obtained.
- Obtain from the consumer prior written authorization. Authorization to access reports during the term of employment may be obtained at the time of employment.
- Certify to the CRA that the above steps have been followed, that the information being obtained will not be used in violation of any federal or state equal opportunity law or regulation, and that, if any adverse action is to be taken based on the consumer report, a copy of the report and a summary of the consumer's rights will be provided to the consumer.
- Before taking an adverse action, the user must provide a copy of the report to the consumer as well as the summary of consumer's rights. (The user should receive this summary from the CRA.) A Section 615(a) adverse action notice should be sent after the adverse action is taken.

An adverse action notice also is required in employment situations if credit information (other than transactions and experience data) obtained from an affiliate is used to deny employment. Section 615(b)(2)

The procedures for investigative consumer reports and employee misconduct investigations are set forth below.

B. Employment in the Trucking Industry

Special rules apply for truck drivers where the only interaction between the consumer and the potential employer is by mail, telephone, or computer. In this case, the consumer may provide consent orally or electronically, and an adverse action may be made orally, in writing, or electronically. The consumer may obtain a copy of any report relied upon by the trucking company by contacting the company.

IV. OBLIGATIONS WHEN INVESTIGATIVE CONSUMER REPORTS ARE USED

Investigative consumer reports are a special type of consumer report in which information about a consumer's character, general reputation, personal characteristics, and mode of living is obtained through personal interviews by an entity or person that is a consumer reporting agency. Consumers who are the subjects of such reports are given special rights under the FCRA. If a user intends to obtain an investigative consumer report, Section 606 requires the following:

- The user must disclose to the consumer that an investigative consumer report may be obtained. This must be done in a written disclosure that is mailed, or otherwise delivered, to the consumer at some time before or not later than three days after the date on which the report was first requested. The disclosure must include a statement informing the consumer of his or her right to request additional disclosures of the nature and scope of the investigation as described below, and the summary of consumer rights required by Section 609 of the FCRA. (The summary of consumer rights will be provided by the CRA that conducts the investigation.)
- The user must certify to the CRA that the disclosures set forth above have been made and that the user will make the disclosure described below.
- Upon the written request of a consumer made within a reasonable period of time after the disclosures required above, the user must make a complete disclosure of the nature and scope of the investigation. This must be made in a written statement that is mailed, or otherwise delivered, to the consumer no later than five days after the date on which the request was
V. SPECIAL PROCEDURES FOR EMPLOYEE INVESTIGATIONS

Section 603(x) provides special procedures for investigations of suspected misconduct by an employee or for compliance with Federal, state or local laws and regulations or the rules of a self-regulatory organization, and compliance with written policies of the employer. These investigations are not treated as consumer reports so long as the employer or its agent complies with the procedures set forth in Section 603(x), and a summary describing the nature and scope of the inquiry is made to the employee if an adverse action is taken based on the investigation.

VI. OBLIGATIONS OF USERS OF MEDICAL INFORMATION

Section 604(g) limits the use of medical information obtained from consumer reporting agencies (other than payment information that appears in a coded form that does not identify the medical provider). If the information is to be used for an insurance transaction, the consumer must give consent to the user of the report or the information must be coded. If the report is to be used for employment purposes - or in connection with a credit transaction (except as provided in federal regulations) - the consumer must provide specific written consent and the medical information must be relevant. Any user who receives medical information shall not disclose the information to any other person (except where necessary to carry out the purpose for which the information was disclosed, or as permitted by statute, regulation, or order).

VII. OBLIGATIONS OF USERS OF “PRESCREENED” LISTS

The FCRA permits creditors and insurers to obtain limited consumer report information for use in connection with unsolicited offers of credit or insurance under certain circumstances. Section 603(1), 604(c), 604(E), and 615(d). This practice is known as “prescreening” and typically involves obtaining from a CRA a list of consumers who meet certain preestablished criteria. If any person intends to use prescreened list, that person must (1) before the offer is made, establish the criteria that will be relied upon to make the offer and to grant credit or insurance, and (2) maintain such criteria on file for a three-year period beginning on the date on which the offer is made to each consumer. In addition, any user must provide with each written solicitation a clear and conspicuous statement that:

- Information contained in a consumer’s CRA file was used in connection with the transaction.
- The consumer received the offer because he or she satisfied the criteria for credit worthiness insurability used to screen for the offer.
- Credit or insurance may not be extended if, after the consumer responds, it is determined that the consumer does not meet the criteria used for screening or any applicable criteria bearing on credit worthiness or insurability, or the consumer does not furnish required collateral.
- The consumer may prohibit the use of information in his or her file in connection with future prescreened offers of credit or insurance by contacting the notification system established by the CRA that provided the report. The statement must include the address and toll-free telephone number of the appropriate notification system.

In addition, the CFPB has established the format, type size, and manner of the disclosure required by Section 615(d), with which users must comply. The relevant regulation is 12 CFR 1022.54.

VIII. OBLIGATIONS OF RESELLERS

A. Disclosure and Certification Requirements

Section 607(e) requires any person who obtains a consumer report for resale to take the following steps:

- Disclose the identity of the end-user to the source CRA.
- Identify to the source CRA each permissible purpose for which the report will be furnished to the end-user.
- Establish and follow reasonable procedures to ensure that reports are resold only for permissible purposes, including procedures to obtain:
  (1) the identity of all end-users;
  (2) certifications from all users of each purpose for which reports will be used; and
  (3) certifications that reports will not be used for any purpose other than the purpose(s) specified to the reseller.

Resellers must make reasonable efforts to verify this information before selling the report.
B. Reinvestigations by Resellers
Under Section 611(f), if a consumer disputes the accuracy or completeness of information in a report prepared by a reseller, the reseller must determine whether this is a result of an action or omission on its part and, if so, correct or delete the information. If not, the reseller must send the dispute to the source CRA for reinvestigation. When any CRA notifies the reseller of the results of an investigation, the reseller must immediately convey the information to the consumer.

C. Fraud Alerts and Resellers
Section 605A(f) requires resellers who receive fraud alerts or active duty alerts from another consumer reporting agency to include these in their reports.

IX. LIABILITY FOR VIOLATIONS OF THE FCRA
Failure to comply with the FCRA can result in state government or federal government enforcement actions, as well as private lawsuits. Sections 616, 617, and 621. In addition, any person who knowingly and willfully obtains a consumer report under false pretenses may face criminal prosecution. Section 619.

The CFPB's website, www.consumerfinance.gov/learnmore, has more information about the FCRA, including publications for businesses and the full text of the FCRA.

Exhibit 3

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under the FCRA. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

- You must be told if information in your file has been used against you. Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment - or to take another adverse action against you - must tell you, and must give you the name, address, and phone number of the agency that provided the information.

- You have the right to know what is in your file. You may request and obtain all the information about you in the files of a consumer reporting agency (your "file disclosure"). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days.

In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- You have the right to ask for a credit score. Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.

- You have the right to dispute incomplete or inaccurate information. If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.

- Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information. Inaccurate, incomplete or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.

- Consumer reporting agencies may not report outdated negative information. In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.

- Access to your file is limited. A consumer reporting agency may provide information about you only to people with a valid need - usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.

- You must give your consent for reports to be provided to employers. A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to www.consumerfinance.gov/learnmore.

- You may limit "pre-screened" offers of credit and insurance you get based on information in your credit report. Unsolicited "pre-screened" offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPT OUT (1-888-567-8688).

- You may seek damages from violators. If a consumer reporting agency, or in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.

- Identity theft victims and active duty military personnel have additional rights. For more information, visit www.consumerfinance.gov/learnmore.
States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:

MEMORANDUM OF UNDERSTANDING

BETWEEN THE CALIFORNIA DEPARTMENT OF SOCIAL SERVICES

AND

THE COUNTY OF ____________________________

I. PURPOSE

The California Department of Social Services ("CDSS") has established an income verification program for California counties regarding the California Work and Responsibility to Kids (CalWORKs) and CalFresh programs. As part of this program, the CDSS has contracted with TALX Corporation ("TALX"), a provider of Equifax Verification Services, for participating counties to verify consumer-recipient employment, income and other work related information. The Agreement between CDSS and TALX, CDSS Agreement 15-STD-00907 (hereafter "Agreement"), is attached as Exhibit 1.

This Memorandum of Understanding (MOU) is entered into by the CDSS and the County named above ("County") for the purpose of authorizing County access to TALX’s on-line employment verification service (hereafter "The Work Number®"), pursuant to the Agreement. This MOU authorizes County to retrieve and verify certain employment and/or income data of a consumer-recipient applying for or currently receiving public social service assistance where such information has been furnished to TALX by employers. County agrees to comply with the obligations of the Agreement as a condition of access to The Work Number.

II. SCOPE OF WORK

The Work Number may be accessed by County employees to verify a consumer-recipient's employment status or income for purposes of determining eligibility for receipt of public aid or assistance, prevention or identification of overpayments associated with the receipt of public aid or assistance. Accordingly, The Work Number permits County the ability to:

A. Search for a recipient's employment status or income by a recipient's Social Security Number.

B. Register, authenticate, and monitor users and usage, including producing monthly reports.

C. Identify if a recipient has current, historical, or no employment information on file.
D. Order and retrieve an employment verification, which shall include the employer name and employment status; or an income verification which shall include the employer address, dates of employment, title of position, pay rate, and year-to-date gross income and pay period details for up to a three-year period.

E. Through this MOU, CDSS authorizes County to access The Work Number solely for the purpose described in this Scope of Work. Counties not entering into this MOU will not have access to The Work Number unless they have a separate independent agreement with TALX.

III. CDSS RESPONSIBILITIES

A. Pursuant to a third-party beneficiary Agreement between CDSS and TALX, CDSS has, on behalf of participating counties, secured access to The Work Number for use in the CDSS income verification program.

B. CDSS will not be directly accessing or using The Work Number but shall have the right as the pass-through entity to inspect, review, or otherwise monitor all activities, procedures, records, reports or forms related to the County’s access of The Work Number in order to ensure compliance with this MOU.

IV. COUNTY RESPONSIBILITIES

A. County shall comply with the obligations of the Agreement, including the TALX Universal Membership Agreement (UMA) requirements (Exhibit E, Attachment 2 of CDSS Agreement 15-STD-00907).

B. County shall maintain any and all information/data provided by The Work Number in strict confidence, and will not reproduce, disclose, or make accessible in whole or in part, in any manner whatsoever, to any third party, unless mandated by law.

C. County represents and warrants it is administering a government funded benefit or program, has been granted the legal authority to view the information/data by the consumer or by operation of law, and shall only request the information/data in compliance with state and federal laws. County further represents and warrants that it has written authorization from the Consumer to verify income.

D. County certifies that it will order data from The Work Number only when it intends to use the data in accordance with the Fair Credit Reporting Act ("FCRA") and all state law FCRA counterparts as though the data is a consumer report, in connection with a determination of the consumer's eligibility for a license or other benefit granted by a governmental instrumentality required
by law to consider an applicant's financial responsibility or status, and for no other purpose.

E. County agrees to only use the data consistent with the obligations of users of consumer reports as provided for in the Consumer Financial Protection Bureau ("CFPB") Notice Form attached as Exhibit 1 to the UMA.

F. To the extent County requests data on a Vermont resident, County certifies that it will comply with applicable provisions under Vermont law. In particular, County certifies that it will order data relating to Vermont residents only after County has received prior Consumer consent in accordance with VFCRA Section 24803 and applicable Vermont Rules. County further certifies that it received the copy of VFCRA Section 2480e applicable Vermont Rules as referenced in Exhibit 2 to the UMA.

G. County certifies it will establish safeguards to ensure only Authorized Users can order or have access to the Work Number. "Authorized User" is defined as a County employee authorized to order or access The Work Number in relation to the performance of their official duties.

H. County shall take all necessary measures to prevent unauthorized ordering of or access to The Work Number by any person other than the Authorized User for permissible purposes. County agrees to monitor County employees' access of The Work Number to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others.

I. County shall take all necessary measures to ensure employees do not access consumer-recipient employment or income information for personal reasons or benefit. No County employee shall engage in any employment, activity, or enterprise which is clearly inconsistent, incompatible, in conflict with, or inimical to the guidelines set forth under this MOU or his/her duties as a County employee.

J. County agrees to indemnify, defend, and save harmless CDSS and TALX, and their respective directors, officers, managers, agents, and employees from any and all claims, actions, demands, damages, liabilities, obligations, losses, settlements, judgments, fines, penalties, sanctions, charges, costs and expenses, arising out of, relating to, or in connection with County's use of The Work Number and/or the unauthorized disclosure or dissemination of consumer-recipient information/data by County employees in the performance of this Agreement. County does not assume the risk on behalf of or agree to indemnify any other county.

K. County acknowledges that neither TALX nor its officers, agents or employees will be liable for loss of profits or for indirect, special, incidental or consequential
damages arising out of or related to the provision of verifications of employment and/or income, even if that party has been advised of the possibility of such damages. In no event shall damages of any kind payable by TALX exceed the sum paid by CDSS for the service which causes County’s claim. This provision shall survive any termination or expiration of this MOU.

L. County hereby certifies it will employ all necessary measures to maintain data security and confidentiality when sending, transferring, shipping, or otherwise disposing of any consumer report information. In addition to any requirements of this MOU, County agrees to comply with the data security provisions of the Agreement, including the UMA.

M. County shall ensure that all County employees comply with California Welfare & Institutions Code section 10850 to protect any confidential information it may receive and possess from The Work Number from unauthorized use, access, or disclosure.

N. Unauthorized use, access, or disclosure of confidential information is considered a breach of security. County shall immediately notify CDSS of any and all suspected, attempted, or confirmed breach of security by contacting the CDSS Information Security Officer (ISO), Lloyd Indig at (916) 651-5558.

O. The use of The Work Number includes information that is protected by the FCRA and may subject an unauthorized user to possible civil and criminal liability, punishable by fines and imprisonment.

P. When County ceases to use the services of TALX furnished pursuant to this MOU, it shall notify CDSS that it is no longer receiving services from TALX. If County is dissatisfied with the services of TALX, it shall provide a letter to CDSS describing its dissatisfaction.

Q. Without limitation as to any other applicable rights or remedies, in the event of a breach of security caused by County employee(s), through the use of the information/data provided by TALX, County is responsible for any and all breach notifications to the consumer, along with associated costs.

R. County may not assign or delegate any of its rights or duties under this MOU.

S. County acknowledges that its access to The Work Number is subject to audit by TALX as described in the Agreement. County agrees to cooperate with CDSS and TALX in responding to any such audit.

T. For the purposes of the employment verification program that is the subject of this MOU, County is not required to purchase separate or additional services from TALX. CDSS has no expectation that there will be a separate or continuing arrangement for future services between County and TALX.
V. TERM

The term of this MOU is: _______________ through September 30, 2017.

VI. GENERAL PROVISIONS

A. No condition or provision of this MOU shall be waived or altered except by written amendment signed by a duly authorized representative of CDSS and County.

B. Termination without cause: This MOU may be terminated by either party without cause upon 30 days written notice.

C. Termination with cause: This MOU may be terminated immediately by either party if the terms of this MOU are violated in any manner. However, CDSS or County shall provide written notice to the other party of such termination for cause of this MOU. TALX may immediately suspend and/or terminate County’s access to The Work Number if TALX reasonably believes County has violated the FCRA, any of the state law counterparts to the FCRA, or any other applicable law or regulation.

SUBJECT: Board of Supervisors Approval to Increase Funding to Agreements for Services and for the Chair to Execute the Amendments to the Agreements

RECOMMENDATION: It is recommended that the Board of Supervisors approve the Health and Human Services Department (HHSD) request to amend current agreements for services as follows:

- Increase Progress House by $42,500 per fiscal year (total contract $60,000 per fiscal year) for the provision of residential treatment services for CalWORKs and Child Welfare Services (CWS) clients;
- Increase Pathways by $25,000 (total contract $35,000) for the provision of detoxification treatment services for CalWORKs and CWS clients;
- Increase The Salvation Army by $20,000 (total contract $40,000) for the provision of residential treatment services;
- Increase Community Recovery Resources (CORR) by $10,000 (total contract $27,500) for resident facility services;
- Increase Pannell Counseling Services by $30,000 for fiscal year 2015/16 (total contract $65,000) for the provision of therapeutic services for CWS children and families; and
- Increase Sierra Health Care by $10,500 (total contract $30,500) for commodities purchases for Multipurpose Senior Services Program (MSSP) clients.

It is further recommended that the Chair of the Board be authorized to execute, on behalf of the County of Yuba, the attached Amendments after they have been signed by the contractors.

BACKGROUND: Yuba County Purchasing and Contract Policy Manual, Section 6.3(f) Consultant and Professional Services Contracts states, in part, that contract increases greater than “ten percent of the original contract amount or for more than $10,000.00” require Board of Supervisors approval.
**DISCUSSION:** HHSD contracted with Pathways, Progress House, CORR, and The Salvation Army to provide residential and/or detoxification treatment services to CalWORKs and CWS clients. HHSD contracted with Pannell Counseling Services to provide therapeutic services to CWS children and families. The budgeted amount for all five contractors was based on prior year referrals and actual use of their respective services. There has been a significant increase in the number of clients required to participate in treatment services. A budget increase is required in order to continue providing needed services to clients.

HHSD also contracted with Sierra Health Care to provide durable medical equipment and supplies, respiratory equipment, and communication devices to MSSP clients. The budgeted amount for the contractor was based on prior year commodity purchases. There has been a marked increase in the number of commodities requested for MSSP clients. A budget increase is required in order to continue purchasing the needed products for the elderly MSSP clients.

**COMMITTEE:** The Human Services Committee was bypassed due to the urgency of the request.

**FISCAL IMPACT:** Approval of this authorization will not impact County General Funds. Costs for residential treatment services, counseling services, and MSSP commodities are reimbursed by Federal and State funds. In addition, the increased costs are within the Contracted Services budgeted line item.

HUMAN RESOURCES and ORGANIZATIONAL SERVICES

JILL ABEL, DIRECTOR

TO: Board of Supervisors
FROM: Jill Abel, Human Resources Director
DATE: March 15, 2016
SUBJECT: Revision of the Extra Help and Reserve Sick Leave Policy

RECOMMENDATION
Request the Board of Supervisors to approve the revised Extra Help and Reserve Paid Sick Leave Policy in accordance with SB 579, Protected Sick Leave.

DISCUSSION
On June 23, 2015, the Board approved the Extra Help and Reserve Paid Sick Leave Policy in accordance with AB 1522, Healthy Workplaces, Healthy Families Act of 2014. Effective January 1, 2016, SB 579 expands sections of the California labor code’s sick leave protections, modifying what is formerly known as the “Kin Care Law”. The modifications are intended to align the existing “Kin Care Law” with AB 1522, which includes expanded definitions and requirements.

SB 579 requires employers to allow protected sick leave in each “calendar year”. It makes sense from an administrative standpoint to mirror the calendar year use of accrued sick leave in our Extra Help and Reserve Sick Leave Policy. Without this change, the tracking of available time for each individual employee becomes extremely labor intensive for multiple departments.

We recommend the Board approve the change from “year of employment” to “calendar year” to allow consistency with the law and with administration of the Extra Help and Reserve Paid Sick Leave Policy.

COMMITTEE
This item has bypassed committee due to the time sensitivity of implementing these changes in accordance with the new law that went into effect on January 1, 2016.

FISCAL IMPACT
none
Purpose:

The purpose of this Policy is to provide paid sick leave benefits for extra help and reserve employees, in accordance with AB 1522, the Healthy Workplaces, Healthy Families Act of 2014, applicable state laws.

Policy:

It is a policy of the Board of Supervisors that sick leave pay shall be accrued by extra help and reserve employees and may be used as herein provided.

Definitions for purposes of this Policy:

Employee means employees hired into positions classified as extra help or hired as a reserve deputy within the Sheriff’s Department.

Family Member means any of the following: A child, regardless of age or dependency status, biological, adopted, or foster child, stepchild, legal ward, or a child to whom the employee stands in loco parentis; a biological, adoptive, or foster parent, stepparent, or legal guardian of an employee or the employee’s spouse or registered domestic partner, or a person who stood in loco parentis when the employee was a minor child; a spouse; a registered domestic partner; a grandparent; a grandchild; a sibling.

Sick leave means the necessary absence from duty of an employee because of:

1) Diagnosis, care, or treatment of an existing health condition of, or preventive care for, an employee or an employee’s family member;

2) Specified purposes for an employee who is a victim of domestic violence, sexual assault, or stalking.

Year of Employment means the employee’s work anniversary date based on the most recent hire date.

90th day of employment means a 90 day waiting period of employment beginning the date of hire or July 1, 2015.

Exemptions/Exclusions

This Policy does not apply to regular, full-time, part-time, limited term, contract employees, interns, providers of in-home support services, elected officials, or retired annuitants.
Entitlement:

a) Employees are not entitled to the paid sick leave benefit until after they have worked for the County of Yuba for thirty (30) or more days within a year from the commencement of employment.
b) Employees shall accrue one (1) hour of sick leave for every thirty (30) hours actually worked.
c) Sick leave privileges shall be accrued to a maximum of forty-eight (48) hours or six (6) days, whichever is a greater benefit.
d) Accrued and unused sick leave will carry over to the following year of employment, and will cap at the maximum accrual amount.

Use of Sick Leave:

a) Sick leave accruals are available for use beginning on the 90th day of employment and thereafter as they are accrued.
b) Employees are limited to using twenty-four (24) hours or three (3) days of accrued sick leave in each year or employment calendar year.
c) An employee must make an oral or written request to use accrued sick leave as soon as foreseeable, providing reasonable advanced notification and in certain circumstances as soon as practicable.
d) It is the employee’s responsibility to report their absence and absence reason to their immediate supervisor or manager before the beginning of their work shift or within the first hour of work, based on the specific department policy.
e) In cases where shift coverage must be maintained the employee shall notify the immediate supervisor or manager of the absence as soon as possible to allow ample time for the supervisor to arrange staffing changes.
f) Employees are encouraged to schedule medical appointments during non-working hours.
g) In any instance involving use of a fraction of a day’s sick leave, the minimum charge shall be one-quarter (1/4) hour.
h) For employees covered under the State Disability Insurance (SDI) program sick leave shall be used to supplement SDI payments. In no instance, however, shall the combination of SDI, sick leave, or other County benefit payments exceed one hundred (100) percent of the employee’s pay calculated on an hourly, weekly, bi-weekly, or monthly basis.
i) Sick leave usage and ability of an employee to return to work shall be determined by County rules, regulations, and procedures regardless of determinations made by the State of California under the SDI program.
j) Paid sick leave time must be spent at home; hospitalized or at a doctor’s office; purchasing medication or necessities of life; in matters directly related to the illness of a family member or in transit to or from one of the above. Any deviation from these uses of paid sick leave time must be authorized by the department head or designated representative.
k) Employees who are injured or too ill to do their regular work assignment, but are not sufficiently ill or injured to be confined to home or a hospital, are required to check with their department head, department manager, or supervisor regarding the availability of modified duty.
l) Depending upon the type of absence, the appointing authority may require the employee to submit substantiating evidence including, but not limited to a physician’s certificate as allowed under Federal and State law. The request for substantiating evidence must be made when the employee informs the department of his/her absence or prior to the employee’s return to work.
Employee Responsibility:

Employees are responsible for notifying their immediate supervisor or manager of work restrictions or limitations that require accommodation. Supporting medical documentation indicating the employee’s ability to safely and capably perform the essential functions of the position with or without accommodation(s) may be required on or before the employee’s return to work date.

Employees are responsible for proper use of sick leave benefits. Fraudulent claims for sick leave will not be paid and disciplinary action, up to and including termination from County employment, as appropriate, may be taken against the employee.

Records:

Hours worked, sick leave accruals and balances shall be maintained by the Auditor through payroll records for at least three (3) years. The Auditor will provide each employee written notice on the employee’s itemized wage statement that sets forth the amount of paid sick leave available.

Sick Leave Upon Re-employment:

If an employee separates from the County and is re-employed within one year from the date of separation, previously accrued and unused sick days shall be reinstated. In addition, any time that was previously served towards the ninety (90) day waiting period will apply, if re-employed within one year from the date of separation.

Payout of Sick Leave Upon Separation from Employment:

The County will not provide compensation for accrued, unused paid sick days upon termination, resignation, retirement, or other separation from employment.

RECOMMENDATION: Appoint Karen Fassler, Assistant Human Resources Director, as the CSAC-EIA Alternate Board Member for the County of Yuba.

DISCUSSION: CSAC-EIA, the County’s insurance provider, is a member driven organization. The EIA requires that the County Board of Supervisors appoint and/or reaffirm the board members from Yuba County in order to maintain their files for voting purposes. Yuba County is required to have an alternate board member and, traditionally, this role has been filled by the Assistant or Deputy Human Resources Director.

RE: Sharing of Employers’ CalPERS Pension Costs between the County and DDAA, YCEA and Non-Represented employees
DATE: March 15, 2016

RECOMMENDATION

Approve the attached Agreements between the County of Yuba and the Yuba County Employees’ Association (YCEA), the Deputy District Attorneys Association (DDAA) and Non-Represented employees and authorize the Chair to sign.

BACKGROUND

The current negotiated contracts with YCEA and DDAA include employees paying a portion of the employer’s share of pension cost in the 2016/2017 fiscal year. In addition, in October 2014, the Board adopted policy indicating Non-Represented employees would begin paying a portion of the employer’s share of pension cost each fiscal year.

The negotiated contract with YCEA and the Policy for Non-Represented employees included an estimated CalPERS rate. The actual percentage rate increase is required in order to amend the County’s contract with CalPERS. The actual rates are generally received from CalPERS in February of each year.

DISCUSSION

The County received the CalPERS rates for the 2016/2017 fiscal year and the attached Agreements clarify the cost sharing percentage increase for all YCEA, DDAA and Non-Represented employees for the 2016/2017 fiscal year.

These agreements are required to begin the CalPERS contract amendment process to execute the negotiated cost share increase.

DATE: March 15, 2016  
SUBJECT: Amend the County’s Basic Salary Schedule & Department Allocation Schedule

RECOMMENDATION
Adopt the resolutions to amend the Classification System – Basic Salary/Hourly Schedule and the Department Allocation Schedule as it relates to the Agriculture Commissioner and Weights and Measures Department.

BACKGROUND
After eight years with the County, the current Ag Commissioner Director of Weights & Measures has resigned and the County must search for a replacement. Current Ag Department staff do not possess the statutory licenses to compete for the position. Based on data from the California Department of Food and Agriculture there are about 100 individuals that possess the required Agriculture Commissioner and Sealer of Weights & Measures licenses. Of those 100 individuals, many are already employed in the other 57 California counties.

The last time the County recruited for an Ag Commissioner Director of Weights & Measures the 30-year longevity/merit index table applied. Following pension reform the County negotiated a 7-year merit index table for all new employees hired after 7/1/2013.

An equity study done in 2013, determined the base salary for the Ag Commissioner Director of Weights and Measures was 15% under market when compared to the surrounding four counties; Butte, Nevada, Sutter and Yolo. For that reason, the position received a 3% equity adjustment July 1, 2015.

DISCUSSION
Since there are no internal candidates and limited external candidates, Human Resources reviewed the current external labor market data, internal compensation structure, and post pension reform recruitments for executive management positions. Human Resources’ review provided the following information:
• The County’s current salary when compared to the incumbent’s act in Yolo and Sutter counties is 16% below market.

• The industry standard title for this position is Agricultural Commissioner Sealer of Weights & Measures, which is in accordance with the titles given in Food and Agricultural Code Section 2121 et seq and Business and Professions Code Section 12200 et seq.

• Internally, the Ag Commissioner Director of Weights & Measures is one of the lowest paid department heads in the County and is not properly grouped with other department head positions similar in scope.

• Since 2013, the County has externally recruited for two executive management positions, Chief Information Officer (CIO) and Director of Health & Human Services (DHHS). An external compensation study was done prior to the each recruitment.

Based on the aforementioned factors, Human Resources and the County Administrator recommend changing the title of this position to Agricultural Commissioner Sealer of Weights and Measures and adjusting the monthly base pay to $8,704.

COMMITTEE
This item has bypassed committee due to limited Board of Supervisors meetings and due to the time sensitivity and statutory mandates of getting this position in place.

FISCAL IMPACT
The estimated fiscal impact for the current year is approximately $3,500.

Dear Board of Supervisors:

As you know, for many years the City of Marysville has consolidated its elections with those conducted by the County Clerk.

On Tuesday, March 1, 2016, the Marysville City Council adopted Resolution No. 2016-06, which requests consolidation with the Primary Election to be held on June 7, 2016, by the County of Yuba and establishes the manner of holding said election and asks for the placement of a measure on the ballot to impose a one percent Transactions and Use Tax. A certified copy of Resolution No. 2016-06 is enclosed.

We have always found the staff in the Clerk’s Office very helpful during this process, and would appreciate your approval, which would allow us to consolidate with the County for the upcoming election. Thank you for your consideration and assistance.

Sincerely,

Billie J. Fangman
City Clerk

Enclosure: Resolution 2016-06

cc: Terry Hansen, County Clerk
    Donna Stottlemyer, Clerk of the Board
RESOLUTION NO. 2016-06

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MARYSVILLE, CALIFORNIA, SUBMITTING TO THE ELECTORATE A BALLOT MEASURE AT A JUNE 7, 2016 SPECIAL ELECTION TO IMPOSE A TRANSACTIONS AND USE TAX (SALES TAX) TO BE ADMINISTERED BY THE STATE BOARD OF EQUALIZATION, KNOWN AS MEASURE "__"; AND CALLING AND GIVING NOTICE OF A SPECIAL MUNICIPAL ELECTION TO BE HELD ON JUNE 7, 2016, AND REQUESTING CONSOLIDATION WITH THE PRIMARY (STATEWIDE) ELECTION AND ESTABLISHING THE MANNER OF HOLDING SAID ELECTION

At a regular meeting of the City Council of the City of Marysville, California, held on the 1st day of March, 2016.

WHEREAS, when a City seeks voter approval for a sales tax, article XIIIC, section 2(b) of the California Constitution requires the election to be consolidated with the general municipal election for City councilmembers, except in cases in which a City Council has unanimously declared that there is a fiscal emergency; and

WHEREAS, the next general municipal election is not scheduled until November 2016. If the City waited until November 2016, the City will have to make drastic cuts to essential services. An election earlier than November 2016 is therefore required; and

WHEREAS, the City has seen dramatic decreases in revenue because of a declining economy and continued takeaways by the State; and

WHEREAS, the State budget cuts have presented significant fiscal challenges to our City; and

WHEREAS, the City has slashed its budget by cutting service levels, employee positions, reforming employee pensions, purchasing essentials with grant funding, conserving energy to keep costs down, and participating in purchase pools with other cities to lower expenses; and

WHEREAS, the City has had to freeze positions in all City departments, including a dramatic reduction in public safety. This reduction in public safety personnel has increased our response times in both the police and fire departments. Increased response times to 911 calls potentially place our community at risk in emergency situations where every second counts; and

WHEREAS, the City has projected a significant General Fund operating deficit over the next several years should the current economic and fiscal trends continue; and
WHEREAS, while the City has already made steep budget cuts to all departments to address its deficit, including significantly reducing the total number of City employees, the City still faces more cuts to essential services, street paving, pothole and sidewalk repairs, park and lake maintenance; and

WHEREAS, the City Council held a noticed public hearing on February 2, 2016, to consider calling a special election to seek voter approval of a proposed general Transactions (sales) and Use Tax as authorized by Revenue and Taxation Code section 7285.9; and

WHEREAS, at the conclusion of that hearing, the City Council concluded that all of the information presented indicated that the Council should call an election as soon as possible to ask the voters of the City to approve the sales tax ordinance, the revenue from which could be used to support general municipal services; and

WHEREAS, by adoption of this Resolution, and in due consideration of all of the foregoing reasons, the City Council believes that a fiscal emergency does now exist, requiring an election before November 2016; and

WHEREAS, a unanimous vote of the City Council is required for adoption of this resolution calling for an election and adoption of the ordinance in order to place the measures on the June 7, 2016 primary ballot.

NOW, THEREFORE, BE IT RESOLVED by the City Council of the City of Marysville, California as follows:

SECTION 1
Resolution No. 2016-04 adopted by the City Council of the City of Marysville on February 16, 2016, is hereby repealed and superseded.

SECTION 2
The foregoing recitals are true and correct. In due consideration thereof, it is hereby declared that a fiscal emergency exists in accordance with article XIIIC, section 2(b) of the California Constitution and, therefore, an election prior to November 2016 is permitted.

SECTION 3
There is hereby presented to the qualified electors of the City of Marysville at the Primary (Statewide) Election, to be held on June 7, 2016, a ballot measure to impose a Transactions and Use Tax to be administered by the State Board of Equalization. Such Measure shall be known as Measure “___.”
SECTION 4

The language of the ballot measure is attached hereto as Exhibit 1 and incorporated herein by this reference as if fully set forth herein.

SECTION 5

A Special Municipal Election is hereby called and ordered to be held in the City of Marysville on June 7, 2016, for the purpose of placing a measure on the ballot to impose a 1% Transactions and Use Tax.

SECTION 6

In accordance with the provisions of Sections 10400 and 10403 of the Elections Code, the City Council of the City of Marysville does hereby request that the Board of Supervisors of the County of Yuba, California, consolidate the Special Municipal Election called pursuant to Section 3 of this Resolution with the Primary (Statewide) Election to be held on June 7, 2016.

SECTION 7

The Special Municipal Election hereby called shall be held in the manner provided for the Primary (Statewide) Election with which said Special Municipal Election is consolidated, and within the territory affected by the consolidations, the precincts, polling places, hours of election, and voting booths shall, in every case, be the same, and there shall be only one set of election officers in each of the precincts. Such precincts, polling places, hours of election, and precinct board members for the Primary (Statewide) Election shall be the same as those provided for the Special Municipal Election within the territory affected by the consolidation.

SECTION 8

Pursuant to provisions of Section 10002 of the Elections Code, the City Council of the City of Marysville hereby requests that the Board of Supervisors of the County of Yuba, California, permit the Yuba County Clerk to render to the City of Marysville such services as the City Clerk may request relating to the above-mentioned election including publication of all required election notices. The City Clerk is hereby authorized and directed to reimburse the County in full for the cost of any services performed by the Yuba County Clerk pursuant hereto upon presentation of an invoice to the City Clerk.

SECTION 9

Pursuant to the provisions of Section 10411 of the Elections Code, the Yuba County Board of Supervisors shall be and is authorized and directed to canvass the results of the Special Municipal Election hereby called.
SECTION 10

Pursuant to Elections Code sections 15372-15374 the County Clerk shall prepare a Certified Statement of Results within 30 days after the election and forward said certified statement to the City Clerk.

SECTION 11

The language of the proposed Transactions and Use Tax (Ordinance No. 1382) is attached hereto as Exhibit 2 and incorporated herein as if fully set forth herein, and shall be published in the voter guide as the full text of the measure.

SECTION 12

The City Manager and the City Clerk are hereby authorized and directed to take such further actions and execute such documents as are necessary to cause the Special Municipal Election to be conducted on behalf of the City of Marysville.

I HEREBY CERTIFY that the foregoing Resolution was duly and regularly introduced and adopted by the Council of the City of Marysville, California, on the 1st day of March, 2016, by the following vote:

ORDINANCE NO. 1382

AN ORDINANCE OF THE CITY OF MARYSVILLE
IMPOSING A TRANSACTIONS AND USE TAX TO BE
ADMINISTERED BY THE STATE BOARD OF EQUALIZATION

The City Council of the City of Marysville, State of California, does ordain as follows:

SECTION 1.
A new Chapter 3.05 entitled "Transactions and Use Tax" of Title 3 entitled "Revenue and
Finance" of the Marysville Municipal Code is hereby added as follows:

3.05.010. TITLE. This ordinance shall be known as the City of Marysville Transactions and Use
Tax Ordinance. The City of Marysville hereinafter shall be called "City." This ordinance shall be
applicable in the incorporated territory of the City.

3.05.020. OPERATIVE DATE. "Operative Date" means the first day of the first calendar quarter
commencing more than 110 days after the adoption of this ordinance, the date of such adoption
being as set forth below.

3.05.030. PURPOSE. This ordinance is adopted to achieve the following, among other purposes,
and directs that the provisions hereof be interpreted in order to accomplish those purposes:

A. To impose a retail transactions and use tax in accordance with the provisions of Part 1.6
(commencing with Section 7251) of Division 2 of the Revenue and Taxation Code and Section
7285.9 of Part 1.7 of Division 2 which authorizes the City to adopt this tax ordinance which shall
be operative if a majority of the electors voting on the measure vote to approve the imposition of
the tax at an election called for that purpose.

B. To adopt a retail transactions and use tax ordinance that incorporates provisions identical
to those of the Sales and Use Tax Law of the State of California insofar as those provisions are
not inconsistent with the requirements and limitations contained in Part 1.6 of Division 2 of the
Revenue and Taxation Code.

C. To adopt a retail transactions and use tax ordinance that imposes a tax and provides a
measure therefore that can be administered and collected by the State Board of Equalization in a
manner that adapts itself as fully as practicable to, and requires the least possible deviation from,
the existing statutory and administrative procedures followed by the State Board of Equalization
in administering and collecting the California State Sales and Use Taxes.

D. To adopt a retail transactions and use tax ordinance that can be administered in a manner
that will be, to the greatest degree possible, consistent with the provisions of Part 1.6 of Division
2 of the Revenue and Taxation Code, minimize the cost of collecting the transactions and use
taxes, and at the same time, minimize the burden of record keeping upon persons subject to
taxation under the provisions of this ordinance.
3.05.040. CONTRACT WITH STATE. Prior to the operative date, the City shall contract with
the State Board of Equalization to perform all functions incident to the administration and
operation of this transactions and use tax ordinance; provided, that if the City shall not have
contracted with the State Board of Equalization prior to the operative date, it shall nevertheless
so contract and in such a case the operative date shall be the first day of the first calendar quarter
following the execution of such a contract.

3.05.050 TRANSACTIONS TAX RATE. For the privilege of selling tangible personal property
at retail, a tax is hereby imposed upon all retailers in the incorporated territory of the City at the
rate of one percent (1.0%) of the gross receipts of any retailer from the sale of all tangible
personal property sold at retail in said territory on and after the operative date of this ordinance.

3.05.060 PLACE OF SALE. For the purposes of this ordinance, all retail sales are consummated
at the place of business of the retailer unless the tangible personal property sold is delivered by
the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an
out-of-state destination. The gross receipts from such sales shall include delivery charges, when
such charges are subject to the state sales and use tax, regardless of the place to which delivery is
made. In the event a retailer has no permanent place of business in the State or has more than
one place of business, the place or places at which the retail sales are consummated shall be
determined under rules and regulations to be prescribed and adopted by the State Board of
Equalization.

3.05.070 USE TAX RATE. An excise tax is hereby imposed on the storage, use or other
consumption in the City of tangible personal property purchased from any retailer on and after
the operative date of this ordinance for storage, use or other consumption in said territory at the
rate of one percent (1.0%) of the sales price of the property. The sales price shall include delivery
charges when such charges are subject to state sales or use tax regardless of the place to which
delivery is made.

3.05.080 ADOPTION OF PROVISIONS OF STATE LAW. Except as otherwise provided in
this ordinance and except insofar as they are inconsistent with the provisions of Part 1.6 of
Division 2 of the Revenue and Taxation Code, all of the provisions of Part 1 (commencing with
Section 6001) of Division 2 of the Revenue and Taxation Code are hereby adopted and made a
part of this ordinance as though fully set forth herein.

3.05.090 LIMITATIONS ON ADOPTION OF STATE LAW AND COLLECTION OF USE
TAXES. In adopting the provisions of Part 1 of Division 2 of the Revenue and Taxation Code:

A. Wherever the State of California is named or referred to as the taxing agency, the name of
this City shall be substituted therefor. However, the substitution shall not be made when:

   Treasurer, State Board of Control, State Board of Equalization, State Treasury, or the
   Constitution of the State of California;
2. The result of that substitution would require action to be taken by or against this City or any agency, officer, or employee thereof rather than by or against the State Board of Equalization, in performing the functions incident to the administration or operation of this Ordinance.

3. In those sections, including, but not necessarily limited to sections referring to the exterior boundaries of the State of California, where the result of the substitution would be to:

(a). 3.05.110 EXEMPTIONS AND EXCLUSIONS.

A. There shall be excluded from the measure of the transactions tax and the use tax the amount of any sales tax or use tax imposed by the State of California or by any City, City and County, or County pursuant to the Bradley-Burns Uniform Local Sales and Use Tax Law or the amount of any state-administered transactions or use tax.

2. Sales of property to be used outside the City which is shipped to a point outside the City, pursuant to the contract of sale, by delivery to such point by the retailer or his agent, or

(b). With respect to commercial vehicles, by registration to a place of business out-of-City and declaration under penalty of perjury, signed by the buyer, that the vehicle will be operated from that address.

3. The sale of tangible personal property if the seller is obligated to furnish the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. A lease of tangible personal property which is a continuing sale of such property, for any period of time for which the lessor is obligated to lease the property for an amount fixed by the lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, the sale or lease of tangible personal property shall be deemed not to be obligated pursuant to a contract or lease for any period of time for which any party to the contract or lease has the unconditional right to terminate the contract or lease upon notice, whether or not such right is exercised.

C. There are exempted from the use tax imposed by this ordinance, the storage, use or other consumption in this City of tangible personal property:

1. The gross receipts from the sale of which have been subject to a transactions tax under any state-administered transactions and use tax ordinance.

2. Other than fuel or petroleum products purchased by operators of aircraft and used or consumed by such operators directly and exclusively in the use of such aircraft as common carriers of persons or property for hire or compensation under a certificate of public convenience and necessity issued pursuant to the laws of this State, the United States, or any foreign government. This exemption is in addition to the exemptions provided in Sections 6366 and 6366.1 of the Revenue and Taxation Code of the State of California.

3. If the purchaser is obligated to purchase the property for a fixed price pursuant to a contract entered into prior to the operative date of this ordinance.

4. If the possession of, or the exercise of any right or power over, the tangible personal property arises under a lease which is a continuing purchase of such property for any
period of time for which the lessee is obligated to lease the property for an amount fixed by a
lease prior to the operative date of this ordinance.

5. For the purposes of subparagraphs (3) and (4) of this section, storage, use, or other
consumption, or possession of, or exercise of any right or power over, tangible personal property
shall be deemed not to be obligated pursuant to a contract or lease for any period of time for
which any party to the contract or lease has the unconditional right to terminate the contract or
lease upon notice, whether or not such right is exercised.

6. Except as provided in subparagraph (7), a retailer engaged in business in the City
shall not be required to collect use tax from the purchaser of tangible personal property, unless
the retailer ships or delivers the property into the City or participates within the City in making
the sale of the property, including, but not limited to, soliciting or receiving the order, either
directly or indirectly, at a place of business of the retailer in the City or through any
representative, agent, canvasser, solicitor, subsidiary, or person in the City under the authority of
the retailer.

7. "A retailer engaged in business in the City" shall also include any retailer of any of
the following: vehicles subject to registration pursuant to Chapter 1 (commencing with Section
4000) of Division 3 of the Vehicle Code, aircraft licensed in compliance with Section 21411 of
the Public Utilities Code, or undocumented vessels registered under Division 3.5 (commencing
with Section 9840) of the Vehicle Code. That retailer shall be required to collect use tax from
any purchaser who registers or licenses the vehicle, vessel, or aircraft at an address in the City.

D. Any person subject to use tax under this ordinance may credit against that tax any
transactions tax or reimbursement for transactions tax paid to a district imposing, or retailer
liable for a transactions tax pursuant to Part 1.6 of Division 2 of the Revenue and Taxation Code
with respect to the sale to the person of the property the storage, use or other consumption of

TITLE 14. Fish and Game Commission
Notice of Proposed Changes in Regulations

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by Sections 200, 202, 205, 215, 220, 240, 315 and 316.5 of the Fish and Game Code and to implement, interpret or make specific Sections 200, 202, 205, 215 and 316.5 of said Code, proposes to amend subsection 7.50(b)(91.1), Title 14, California Code of Regulations, relating to Lower Klamath River Basin sport fishing.

Informative Digest/Policy Statement Overview

The Klamath River System, which consists of the Klamath River and Trinity River basins, is managed through a cooperative system of State, federal, and tribal management agencies. Salmonid regulations are designed to meet natural and hatchery escapement needs for salmonid stocks, while providing equitable harvest opportunities for ocean sport, ocean commercial, river sport and tribal fisheries.

The Pacific Fishery Management Council (PFMC) is responsible for adopting recommendations for the management of sport and commercial ocean salmon fisheries in the Exclusive Economic Zone (three to 200 miles offshore) off the coasts of Washington, Oregon, and California. When approved by the Secretary of Commerce, these recommendations are implemented as ocean salmon fishing regulations by the National Marine Fisheries Service (NMFS).

The California Fish and Game Commission (Commission) adopts regulations for the ocean salmon sport (inside three miles) and the Klamath River System sport fisheries which are consistent with federal fishery management goals.

For the purpose of PFMC mixed-stock fishery modeling and salmon stock assessment, salmon greater than 22 inches are defined as adult salmon (ages 3-5) and salmon less than or equal to 22 inches are defined as grilse salmon (age 2).

Klamath River Fall-Run Chinook
Klamath River fall-run Chinook salmon (KRFC) harvest allocations and natural spawning escapement goals are established by the PFMC. The KRFC harvest allocation between tribal and non-tribal fisheries is based on court decisions and allocation agreements between the various fishery representatives.

The 2016 KRFC in-river sport fishery allocation recommended by the PFMC is currently unknown. All proposed closures for adult KRFC are designed to ensure sufficient spawning escapement in the Klamath River Basin and equitably distribute harvest while operating within annual allocations.

Klamath River Spring-Run Chinook
The Klamath River System also supports Klamath River spring-run Chinook salmon (KRSC). Naturally produced KRSC are both temporally and spatially separated from KRFC in most cases.

Presently, KRSC stocks are not managed or allocated by the PFMC. The in-river sport fishery is managed by general basin seasons, daily bag limit, and possession limit regulations.
**KRFC Allocation Management**

The PFMC 2015 allocation for the Klamath River System sport harvest was 14,133 adult KRFC. Preseason stock projections of 2016 adult KRFC abundance will not be available from the PFMC until March 2016. The 2016 Klamath River Basin allocation will be recommended by the PFMC in April 2016 and presented to the Commission for adoption prior to its April 2016 meeting.

For public notice requirements, the Department of Fish and Wildlife (Department) recommends the Commission consider an allocation range of 0 – 67,600 adult KRFC in the Klamath River Basin for the in-river sport fishery.

**Current Sport Fishery Management**

The KRFC in-river sport harvest allocation is divided into geographic areas and harvest is monitored under real time subquota management. KRSC in-river sport harvest is managed by general season, daily bag limit, and possession limit regulations.

The daily bag and possession limits apply to both stocks within the same sub-area and time period.

**Blue Creek Area Management**

On April 17, 2015, the Commission adopted regulations to close the main stem Klamath River near the mouth of Blue Creek to reduce catch and release mortality in a thermal refuge area and protect late-fall-run Chinook salmon holding prior to entering Blue Creek. The Commission’s action was a precautionary conservation measure to provide maximum resource protection and ensure long-term sustainability during a critical multi-year drought.

**Proposed Changes**

No changes are proposed for the general (KRSC) opening and closing season dates, and bag, possession and size limits.

The following changes to current regulations are proposed:

**KRFC QUOTA MANAGEMENT:** Seasons, Bag and Possession Limits

For public notice requirements, a range of KRFC bag and possession limits are proposed until the 2016 Klamath River Basin quota is adopted. As in previous years, no retention of adult KRFC salmon is proposed for the following areas, once the subquota has been met.

The proposed open seasons and range of bag and possession limits for KRFC salmon stocks are as follows:

1. Klamath River - August 15 to December 31
2. Trinity River - September 1 to December 31
3. Bag Limit - [0-4] Chinook salmon of which no more than [0-4] fish over 22 inches total length may be retained until the subquota is met, then 0 fish over 22 inches total length.
4. Possession limit - [0-12] Chinook salmon of which [0-12] fish over 22 inches total length may be retained when the take of salmon over 22 inches total length is allowed.
BLUE CREEK AREA MANAGEMENT
The following option is provided for public discussion, and Commission consideration and action.

Modify Existing Blue Creek Mouth Area Closure
This option would modify the regulations for the existing fishing closure on the Klamath River during the June 15 through September 14 closure period by reducing the distance closed below the mouth of Blue Creek from ½ mile to 500 feet. The distance of the closure above the mouth of Blue Creek would remain at 500 feet. The regulations for the September 15 through December 31 fishing closure on the main stem Klamath River would not change. Local angling constituents and many fishing guides support this option with a closure distance of 500 feet.

Other changes are proposed for clarity and consistency.

Benefits of the Proposed Regulations
The benefits of the proposed regulations are in conformance with federal law, sustainable management of Klamath River Basin salmonid resources, and promotion of businesses that rely on sport fishing in the Klamath River Basin.

The proposed regulations are neither inconsistent nor incompatible with existing State regulations. The Legislature has delegated authority to the Commission to promulgate sport fishing regulations (Sections 200, 202, 205, 315, and 316.5, Fish and Game Code). Commission staff has searched the California Code of Regulations and has found no other State regulations related to the sport fishing in the Lower Klamath River Basin.

NOTICE IS ALSO GIVEN that any person interested may present statements, orally or in writing, relevant to this action at a teleconference originating in the Fish and Game Commission conference room, 1416 Ninth Street, Suite 1320, Sacramento, California, on Monday, April 18, 2016, at 8:30 a.m., or as soon thereafter as the matter may be heard. Interested persons may also participate at the following locations: Department of Fish and Wildlife, Conference Room, 50 Ericson Court, Arcata, California; Department of Fish and Wildlife, Conference Room, 4665 Lampson Avenue, Los Alamitos, California; and Department of Fish and Wildlife Conference Room, 7329 Silverado Trail, Napa, California. It is requested, but not required, that written comments be submitted by 12:00 noon on April 13, 2016 at the address given below, or by email to FGC@fgc.ca.gov. All comments must be received no later than April 18, 2016, at one of the teleconference hearing locations listed above. The regulations as proposed in strikeout-underline format, as well as an initial statement of reasons, including environmental considerations and all information upon which the proposal is based (rulemaking file), are on file and available for public review from the agency representative, Michael Yaun, Acting Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244-2090, phone (916) 653-4899. Please direct requests for the above mentioned documents and inquiries concerning the regulatory process to Michael Yaun or Sherrie Fonbuena at the preceding address or phone number. Wade Sinnen, Senior Environmental Scientist, Department of Fish and Wildlife, [(707) 822-5119 or Wade.Sinnen@wildlife.ca.gov]), has been designated to respond to questions on the substance of the proposed regulations. Copies of the Initial Statement of Reasons, including the regulatory language, may be obtained from the address above. Notice of the proposed action shall be posted on the Fish and Game Commission website at http://www.fgc.ca.gov.
Availability of Modified Text

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments during the regulatory process may preclude full compliance with the 15-day comment period, and the Commission will exercise its powers under Section 202 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4 and 11346.8 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.

Impact of Regulatory Action/Results of the Economic Impact Analysis

The potential for significant statewide adverse economic impacts that might result from the proposed regulatory action has been assessed, and the following initial determinations relative to the required statutory categories have been made:

(a) Significant Statewide Adverse Economic Impact Directly Affecting Business, Including the Ability of California Businesses to Compete with Businesses in Other States:

The proposed action will not have a significant statewide adverse economic impact directly affecting business, including the ability of California businesses to compete with businesses in other states. The proposed regulations are projected to have minor impact on the net revenues to local businesses servicing sport fishermen. If the 2016 KRFC quota is reduced, visitor spending may correspondingly be reduced and in the absence of the emergence of alternative visitor activities, the drop in spending could induce business contraction. However, this will not likely affect the ability of California businesses to compete with businesses in other states. The preservation of Klamath River salmon stocks is necessary for the success of lower and upper Klamath River Basin businesses which provide goods and services related to fishing. The proposed changes are necessary for the continued preservation of the resource and therefore the prevention of adverse economic impacts.

(b) Impact on the Creation or Elimination of Jobs Within the State, the Creation of New Businesses or the Elimination of Existing Businesses, or the Expansion of Businesses in California; Benefits of the Regulation to the Health and Welfare of California Residents, Worker Safety, and the State's Environment:

The proposed regulations range from no fishing of KRFC adult salmon to a normal Klamath River Basin salmon season. The Commission anticipates some impact on the creation or elimination of jobs in California. The potential employment impacts range from 0 to 45 jobs which are not expected to create, eliminate or expand businesses in California. The Commission anticipates impacts on the creation, elimination or
expansion of businesses in California ranging from no impact to reduced revenues to approximately 30 businesses that serve sport fishing activities. However, the possibility of growth of businesses to serve substitute activities exists. Adverse impacts to jobs and/or businesses would be less if fishing of steelhead and grilse KRFC salmon is permitted than under a complete closure to all fishing. The impacted businesses are generally small businesses employing few individuals and, like all small businesses, are subject to failure for a variety of causes. Additionally, the long-term intent of the proposed action is to increase sustainability in fishable salmon stocks and, consequently promoting the long-term viability of these same small businesses.

The Commission anticipates benefits to the health and welfare of California residents. Providing opportunities for a salmon sport fishery encourages a healthy outdoor activity and the consumption of a nutritious food.

The Commission anticipates benefits to the environment by the sustainable management of California's salmonid resources.

The Commission does not anticipate any benefits to worker safety because the proposed action does not affect working conditions.

(c) Cost Impacts on a Representative Private Person or Business:

The Commission is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

(d) Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

(e) Nondiscretionary Costs/Savings to Local Agencies: None.

(f) Programs Mandated on Local Agencies or School Districts: None.

(g) Costs Imposed on any Local Agency or School District that is Required to be Reimbursed Under Part 7 (commencing with Section 17500) of Division 4, Government Code: None.

(h) Effect on Housing Costs: None.

Effect on Small Business

It has been determined that the adoption of these regulations may affect small business. The Commission has drafted the regulations in Plain English pursuant to Government Code Sections 11342.580 and 11346.2(a)(1).
Consideration of Alternatives

The Commission must determine that no reasonable alternative considered by the Commission, or that has otherwise been identified and brought to the attention of the Commission, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.
