Administrative Services

TO: Board of Supervisors

FROM: Administrative Services, Andrea Armstrong

SUBJECT: Administrative Services: Approve contract amendment for the Sheriff Tenant Improvement project completion of Phase 2 work with Vanir Construction Management, and authorize chair to execute same.

DATE: February 7, 2017

NUMBER: 5/2017

Recommendation

Recommend the Board approve a contract amendment for the Sheriff Tenant Improvement project completion of Phase 2 work with Vanir Construction Management, and authorize chair to execute same.

Background

On November 18, 2014, your Board approved a contract with Vanir Construction Management for Construction Management for Phase 1 services for the Sheriff Facility Tenant Improvement Project. One February 10, 2015, your Board approved work for Phase 2 of the contract with an anticipated completion date of February 2016.

The project was not completed in February 2016. In April, 2016, the County separated from the original general contractor and efforts began to replace the general contractor while working with the subcontractors to ensure a more seamless transition when a new general contractor was selected. Vanir Construction Management assisted the county in these efforts.

Discussion

In October 2016, a construction contract was awarded to Simile Construction for the completion of this project. This proposed contract extension is for work performed by Vanir from February 2016 through the estimated completion date of April 2017.

The terms and conditions of the original agreement were established with the original contract brought to the Board in November 2014. This extension is for the additional work and time involved in completing this project.
Committee Action

Due to the project timeline, this item has been brought directly to your Board for consideration.

Fiscal Impact

The total for this final phase of work is not to exceed $355,000.00 and has been included in the project budget and funded accordingly.

4.2 The duration of Phase 2: Post Award of General Contract, under this Agreement shall commence on the date of execution of phase 2 of this contract or the date of Notice to Proceed for phase 2 after execution of phase 2, issued by the Owner to the CM, and continue for twelve (12) calendar months or until construction is complete, whichever period is shorter.

4.3 Extensions to duration of the CM’s phase 1 or phase 2 services shall be dealt with as outlined in Article 5.

ARTICLE 5: CHANGES IN THE CONSTRUCTION MANAGER’S BASIC SERVICES AND ADDITIONAL COMPENSATION

5.1 Owner Changes

5.1.1 The Owner, without invalidating this Agreement, may make changes in the CM’s Basic Services specified in Article 3 of this Agreement. The CM shall promptly notify the Owner of changes that increase or decrease the CM’s compensation or the duration of the CM’s Basic Services or both.

5.1.2 Additional Compensation and Changes in Duration

The CM shall be entitled to receive additional compensation when the scope of Basic Services is increased or extended through no fault of the CM. If the scope or the duration of the CM’s Basic Services is extended, the CM shall be entitled to receive additional compensation. A written request for additional compensation shall be given by the CM to the Owner within thirty (30) days of the occurrence of the event giving rise to such request.

5.1.3 Changes in the CM’s Basic Services
Changes in the CM's Basic Services or duration of the Agreement, and entitlement to additional compensation, shall be made by a written Amendment to this Agreement executed by the Owner and the CM. The Amendment shall be executed by the Owner and CM prior to the CM performing the Services required by the Amendment. The CM shall proceed to perform the Services required by the Amendment only after receiving written notice directing the CM to proceed.

5.1.4 Payment of Additional Compensation

The CM shall submit invoices for additional compensation with its invoice for Basic Services and payment shall be made pursuant to the provisions of Article 7 of this Agreement.

ARTICLE 6: OWNER'S RESPONSIBILITIES

6.1 The Owner shall provide to the CM complete information regarding the Owner's requirements for the Project.

6.2 The Owner shall examine information submitted by the CM and shall render decisions pertaining thereto promptly.

6.3 The Owner shall furnish legal, accounting, contract review and insurance counseling services as may be necessary for the Project.

6.4 The Owner shall furnish insurance for the Project as specified in Article 8.

6.5 If the Owner observes or otherwise becomes aware of any ‘aull or defect in the Project or the CM's services, or any nonconformity with the Contract Documents, the Owner shall give prompt written notice thereof to the CM.

6.6 The Owner shall furnish required information and approvals and perform its responsibilities and activities in a timely manner to facilitate orderly progress of the work in cooperation with the CM, consistent with this Agreement and in accordance with the planning and scheduling requirements, and budgetary restraints of the Project.

6.7 The Owner shall retain one or more Design Professionals whose services, duties, and responsibilities shall be described in a written agreement between the Owner and Design Professional. The services, duties, and responsibilities set out in the agreement between the Owner and the Design Professional shall be compatible and consistent with this Agreement and the Contract Documents. The Owner shall, in its agreement with the Design Professional, require that the Design Professional perform its services in cooperation with the CM, consistent with this Agreement and in accordance with the planning and scheduling requirements and budgetary restraints of the Project as determined by the Owner and documented by the CM.

The terms and conditions of the Agreement between the Owner and Design Professional shall not be changed without written notification of the CM. The Owner shall furnish a copy of the Owner-A/E Agreement and any amendments to the CM, that designate the contractual responsibilities of all parties.

6.8 The Owner shall cause any and all agreements between the Owner and any Project contractor or design professional to be compatible and consistent with this Agreement. Each of the agreements shall include waiver of subrogation and shall expressly recognize the CM as the Owner's agent in providing the Construction Manager's Basic and Additional Services specified in this Agreement.

6.9 At the request of the CM, sufficient copies of the Contract Documents shall be furnished to the CM to permit the timely performance of services, by the Owner at the Owner's expense.
6.10 The Owner shall, in a timely manner secure, submit and pay for necessary approvals, easements, assessments, permits and charges required for the construction, use or occupancy of permanent structures or for permanent changes in existing facilities.

6.11 The Owner, its representatives and consultants shall communicate with the Contractor through the CM.

6.12 The Owner shall send to the CM and shall require the Design Professional to send to the CM, copies of all notices and communications sent to or received by the Owner or Design Professional relating to the Project. During the Construction Phase of the Project, the Owner shall require that the Contractors submit all notices and communication relating to the Project directly to the CM.

6.13 The Owner shall designate an officer, employee, or other authorized representatives to act in the Owner's behalf with respect to the Project. The Owner's representative for the Project is Doug McCoy. This representative shall have the authority to approve changes in the scope of the Project and shall be available during working hours and as often as may be required to render decisions and to furnish information in a timely manner.

6.14 The Owner shall fulfill all their contract obligations in their contract with the A/E's and contractor(s), including making periodic progress payments after considering recommendations for such payments by the CM.

ARTICLE 7: COMPENSATION AND PAYMENT

7.1 Compensation for Basic Services

The Owner shall compensate the CM for performing the Basic Services described in Article 3, within timeframes established in Article 4 as follows:

7.1.1 A fixed fee for phase 1, Pre-Award of the General Contract phase services of One Hundred Fifty-One and Four Hundred Fifty Five Dollars ($151,455)

7.1.2 A fixed fee for phase 2, Post Award of the General Contract phase services for Four Hundred Forty Thousand Nine Hundred and Thirty Five Dollars ($440,935). Phase 2 is not included in the contract. Execution of this work requires a change order as specified in article 5.

7.2 Payment

Payment to be made by the Owner to the CM for the cost of providing services will be based on monthly invoices in conformance with a payment schedule mutually agreed to by the Owner and CM.

7.2.1 The CM will submit an invoice monthly to the Owner per the billing schedule for the billing period. The Owner shall make payment to the CM of one hundred percent (100%) of the approved invoiced amount within thirty (30) days of the Owner's receipt of the invoice.

7.2.2 Payments due to the CM that are unpaid for more than sixty (60) days from the date of the CM's invoice shall bear interest at the prevailing rate.

7.3 Accounting Records

Record of the CM's personnel expense, consultant fees and direct expenses pertaining to the Project shall be maintained on the basis of generally-accepted accounting practices and shall be available for inspection by the Owner or the Owner's representative at mutually convenient times for a period from the date of this Agreement through two years after completion of the Construction Phase Basic Services.

7.4 Compensation for Additional Services
The CM shall be compensated and payments shall be made for performing Additional Services in the same manner as provided in Article 7 for Basic Services or as a reimbursement for labor and expenses. There shall be an increase in the fee set out in Paragraph 7.1.1 and/or Paragraph 7.1.2 in an amount which is mutually agreeable between the Owner and CM. Additional fees shall be developed using the billing rates and approved expenses included in Appendix A.

ARTICLE 8: INSURANCE AND MUTUAL INDEMNITY

8.1 CM's Liability Insurance

8.1.1 The CM shall purchase and maintain insurance as shall protect the CM from the claims set forth below that may arise out of or result from the CM's performance of services pursuant to this Agreement.

8.1.1.1 Claims under Worker's Compensation, that are applicable to the work performed.

8.1.1.2 Claims for damages because of bodily injury or death of any person other than CM’s employees.

8.1.1.3 Claims for damages insured by usual personal injury liability coverage.

8.1.1.4 Claims for damages, other than to the work itself, because of injury to or destruction of tangible property, including loss or use therefrom.

8.1.1.5 Claims for damages because of bodily injury or death of any person or property damage arising out of the Ownership, maintenance or use of any motor vehicle.

8.1.2 The CM's Commercial General and Automobile Liability Insurance, as required by Paragraph 8.1.1, shall be written for not less than the following Limits of Liability:

a. Commercial General Liability

1. Bodily Injury:
   $1,000,000.00 Each Occurrence
   $2,000,000.00 Aggregate

2. Property Damage:

   $2,000,000.00 Aggregate

b. Commercial Automobile Liability

1. Combined Single Limit:
   $1,000,000.00 Each Occurrence

8.1.3 Commercial General Liability insurance may be obtained under a single policy for the full limits required or by a combination of underlying policies with the balance provided by an excess or umbrella liability policy.

8.1.4 The foregoing policies shall contain a provision that coverages afforded under the policies shall not be canceled until at least thirty (30) days written notice has been given to the Owner and shall include an endorsement making the Owner an additional insured under the
policies. Certificates of insurance showing such coverages to be in force shall be filed with the Owner prior to commencement of the CM's services.

8.2 CM's Liability Limitation

Section removed in its entirety per email 10/23/2014.

8.3 Other's Insurance

8.3.1 The CM, as agent of the Owner, shall be named as an additional insured in any insurance policy obtained by the Owner for the Project.

8.3.2 The Owner shall require all Project contractors and design professionals ("Owner Consultants") to name the Owner and "Vanir Construction Management, Inc., its shareholders, officers, directors, employees, agents and affiliates" as additional insured on all liability insurance policies obtained by the Owner Consultants for the Project.

8.4 Notices and Recovery

8.4.1 The Owner and CM each shall provide the other with copies of certificates for all policies obtained for the Project. Each party shall provide the other thirty (30) days of notice of cancellation, non-renewal or endorsement reducing or restricting coverage.

8.5 Waiver of Subrogation

8.5.1 The Owner and CM waive all rights against each other and against the Owner Consultants for damages during construction covered by any property insurance as set forth in the Construction Contract. The Owner and the CM shall each require similar waivers from the Owner Consultants.

8.6 Indemnity

8.6.1 The CM hereby indemnifies and holds harmless the Owner and its employees from and against any and all claims, demands, suits and damages for bodily injury and property damage for which the CM is liable that arise out of the negligent acts or omissions of the CM in performing the Construction Manager's Services under this Agreement provided, however, that the CM does not assume any risk of damages to property that is incorporated in or shall be incorporated in or is located at the Project site which is not within the possession of the CM or under the CM's direction or control. The total liability of the CM to

8.6.2 The Owner hereby indemnifies and holds harmless the CM, its employees and subcontractors from and against any and all claims, demands, suits and damages for bodily injury and property damage that arise out of or result from, in whole or in part, wrongful acts or omissions of the Owner, its employees, agents, representatives, independent contractors, material suppliers, the Contractors and Design Professional.

8.6.3 The Owner shall cause all Project contractors and design professionals ("Owner Consultants") to defend, indemnify and hold harmless the Owner and CM from and against any and all claims, liabilities, demands, suits, damages and expenses (including attorney's fees and litigation costs) arising out of or in any way relating to the performance by each of the Owner Consultants of their respective agreements for services rendered on the Project, including but not limited to claims for personal injury, property damage and/or professional errors and omissions.

The CM shall cause all subconsultants ("CM Subconsultants") to defend, indemnify and hold harmless the Owner and CM from and against any and all claims, liabilities, demands, suits, damages and expenses (including attorney's fees and litigation costs) arising out of or in any way relating to the performance by each of the CM Subconsultants of their respective agreements for services rendered on the Project.
including but not limited to claims for personal injury, property damage and/or professional errors and omissions.

ARTICLE 9: TERMINATION AND SUSPENSION

9.1

Termination

9.1.1

This Agreement may be terminated in whole or in part in writing by either party in the event of substantial failure by the other party to fulfill its obligations under this Agreement through no fault of the terminating party, providing that no such termination may be effected unless the other party is given:

(i) Written notification (delivered by certified mail) that the other party is in material breach of the contract and the notification specifies the breach.

(ii) Fifteen (15) calendar days to cure the breach.

(iii) An opportunity for consultation with the terminating party prior to the termination.

(iv) Termination notification (delivered by certified mail) that the breach has not been cured and providing an additional fifteen (15) calendar days prior to termination.

9.1.2

This Agreement may be terminated in whole or in part in writing by the Owner for its convenience; provided the CM is given (i) not less than thirty (30) days written notice (delivered by certified mail) of intent to terminate and (ii) an opportunity for consultation with the Owner prior to termination. In the event of notice of termination, the CM shall take reasonable measures to mitigate termination expenses.

9.1.3

If termination pursuant to Subparagraph 9.1.1 is effected by the Owner, the CM will be paid for work actually performed. The CM shall be entitled to recover termination expenses reasonably incurred. If termination pursuant to Section 9.1.1 is effected by the CM or if termination pursuant to Section 9.1.2 is effected by the Owner, the CM shall be entitled to an equitable adjustment in compensation. The equitable adjustment for any termination shall provide for payment of the CM for services rendered and expenses incurred prior to the termination. In addition, termination expenses reasonably incurred by the CM shall be paid. Termination expenses are defined as those expenses arising prior, during and subsequent to termination that are directly attributable to the termination.

9.1.4

Upon receipt of a termination notice pursuant to Paragraph 9.1.1, the CM shall (i) promptly discontinue all services affected (unless the notice directs otherwise), and (ii) deliver or otherwise make available to the Owner all data, documents, procedures, reports, estimates, summaries, and such other information and materials as may have been accumulated by the CM in performing this Agreement, whether completed or in process.

9.1.5

If, after termination for failure of the CM to fulfill contractual obligations, it is determined that the CM had not so failed, the termination shall be deemed to have been effected for the convenience of the Owner. In such event, adjustment for the compensation provided for in this Agreement shall be made as provided in Section 9.1.3 for termination for the convenience of the Owner.

9.2

Suspension

9.2.1

The Owner may in writing order the CM to suspend all or any part of the Construction Manager's Services for the Project for the convenience of the Owner or for Work stoppage beyond the control of the Owner or the CM. If the performance of all or any part of the Services for the project is so suspended, an adjustment in the CM's compensation shall be made for the increase, if any, in the cost of the CM's performance of this Agreement caused by such suspension, and this Agreement shall be modified in writing accordingly.
9.2.2 In the event the Construction Manager's Services for the Project are suspended, the Owner shall reimburse the CM for all of the costs of its construction staff, assigned Project home office staff, and other costs as provided for by this Agreement for the first thirty (30) days of such suspension. The CM shall reduce the size of its staff for the remainder of the suspension period as directed by the Owner and, during such period, the Owner shall reimburse the CM for all of the costs of the staff continuing their assignment to the Project. Upon cessation of the suspension, the CM shall restore the construction site staff and home office staff to its former size within thirty (30) days of notification from the Owner.

9.2.3 Persons assigned to another project during such suspension periods and not available to return to the Project upon cessation of the suspension shall be replaced. The Owner shall reimburse the CM for costs incurred in relocating previous staff persons returning to the Project or new persons assigned to the Project.

9.2.4 If the Project is suspended by the Owner for more than three (3) months, the CM shall be paid compensation for Services performed prior to receipt of written notice from the Owner of the suspension, together with direct expenses then due and all expenses and costs directly resulting from the suspension. If the Project is resumed after being suspended for more than six (6) months, the CM shall have the option of requiring that its compensation, including rates and fees, be renegotiated. Subject to the provisions of this Agreement relating to termination, a suspension of the Project does not void this Agreement.

ARTICLE 10: DISPUTE RESOLUTION

10.1 Meeting of Principals: In the event of a dispute arising under this Agreement, and prior to the initiation of any litigation under this Article 10, the chief executive officers of Owner and CM shall meet and confer in an attempt to negotiate a resolution to the dispute. If the principals are unsuccessful in resolving the dispute, Owner and CM shall proceed to mediation in the manner provided for in Article 10.2.

10.2 Mediation: In the absence of a negotiated resolution, Owner and CM shall submit to voluntary non-binding mediation before a professional alternative dispute resolution firm or retired judge, as mutually agreed upon by Owner and CM. In the event that Owner and CM are unable to agree upon a neutral mediator, the matter shall be jointly submitted to the offices of the American Arbitration Association in Los Angeles, California for appointment of a mediator, in which case the mediation shall be conducted pursuant to the Rules of the American Arbitration Association. The parties shall share equally in the cost of the mediation.

10.3 Choice of Law: In the event the parties are unable to resolve the dispute through mediation, the law of California will govern the dispute and parties agree to litigate the matter in the Yuba County Superior Court (venue) where the Project is located.

ARTICLE 11: ADDITIONAL PROVISIONS

11.1 Confidentiality

11.1.1 The CM shall not disclose or permit the disclosure of any confidential information, except to its agents, employees and other consultants who need such confidential information in order to properly perform their duties relative to this Agreement.

11.2 Limitations and Assignment

11.2.1 The Owner and the CM each binds themselves, their successors, assigns and legal representatives to the terms of this Agreement.

11.2.2 Neither the Owner nor the CM shall assign or transfer its interest in this Agreement without the written consent of the other, except that the CM may assign accounts receivable to a commercial bank for securing loans without approval of the Owner.
11.3 Governing Law

11.3.1 Unless otherwise provided, this Agreement shall be governed by the law of the state where the Project is located.

11.4 Extent of Agreement

11.4.1 This Agreement represents the entire and integrated agreement between the Owner and the CM and supersedes all prior negotiations, representations or agreements, either written or oral. This Agreement may be amended only by written instrument signed by both the Owner and the CM. Nothing contained in this Agreement is intended to benefit any third party. The Contractors and Design Professionals are not intended third party beneficiaries of this Agreement.

11.5 Severability

11.5.1 If any portion of this Agreement is held as a matter of law to be unenforceable, the remainder of this Agreement shall be enforceable without such provisions.

11.6 Meaning of Terms

11.6.1 References made in the singular shall include the plural and the masculine shall include the feminine or the neuter.

11.7 Notices

11.7.1 All Notices required by this Agreement or other communications to either party by the other shall be deemed given when made in writing and deposited in the United States Mail, first class, postage prepaid, addressed as follows:

ATTEST: DONNA STOTTEMEYER
Clerk of the Board of Supervisors of the
County of Yuba, State of California

By: Donna Stottemeyer

Date: November 19, 2014
Memorandum

Date: January 17, 2017

To: Yuba County Board of Supervisors

From: Tonya K. Byers, Coordinator
Child Care Planning Council of Yuba & Sutter Counties

RE: Membership Self-Certification for Child Care Planning Council

RECOMMENDATION: Board of Supervisors to approve the Certification Statement Regarding Composition of Local Planning Council (LPC) Membership and authorize the Chairman of the Board to sign.

BACKGROUND: In 1997, under AB 1542, the Council membership composition was established and legislative mandates were assigned to the Councils. The Certification Statement Regarding Composition of LPC Membership certifies that the membership criteria as established under the Education Code, Section 8499.3, are met.

DISCUSSION: The Board of Supervisors and the Superintendent of Schools make the appointments of the Council Members to the Child Care Planning Council. The submission of the Certification Statement Regarding Composition of the LPC is required annually by the State Department of Education, Child Development Division.

COMMITTEE ACTION: No committee has reviewed the request because it is annually reviewed and recertified.

FISCAL IMPACT: None

SUBJECT: County Administrator:Authorize chair sign letter of support for SB1 and AB1, as they related to transportation funding for road maintenance and repair.
DATE: February 7, 2017
NUMBER:

Recommendation

Authorize chair sign letter of support for SB1 and AB1, as they related to transportation funding for road maintenance and repair.

Background

The advent of hybrid vehicles and otherwise-energy efficient transportation, coupled with state redirection of gas tax revenues, has resulted in several years of declining funds available for the upkeep of local roads. It is now estimated that, statewide, counties are facing ten year of unmet needs, which amounts to $73 billion on local streets and road systems, in addition to $59 billion in deferred maintenance on the state highway system. Over the past few legislative sessions, several budget proposals and legislative solutions have been introduced to address the declining state of our roads, but each of those sessions ended without any substantive funding.

Discussion

During the first session of the new Legislature, two bills – SB1 and AB1 – were introduced to provide a funding solution for the repair and maintenance of local roads. The mirror bills (they are identical, in content) takes elements of both Democratic and Republican ideas on revenues and reforms, aspects of the Governor’s transportation plan, and also takes in addition recommendations from stakeholders. The resulting bill would establish $2.4 billion in returned existing and new on-going revenues.
Yuba County Public Works Director Mike Lee brought this bill to the attention of the Legislative Affairs Coordinator and said passage of the legislation, at full implementation, would generate approximately $4.5 million annually for road repairs and related project.

Committee Action: (Omit if to Committee)

Due to the urgency of this matter and the time constraints of legislation, this matter is being brought directly to the full board.

Fiscal Impact:

None.

Re:  SB 1 (Beall) & AB 1 (Frazier) – Transportation Funding and Reform Package – SUPPORT

Dear Senator Beall and Assemblyman Frazier:

On behalf of the Yuba County Board of Supervisors, I am submitting this letter to voice our strong support for legislative efforts to establish long term investments in California’s roads and to lay the foundation for ongoing revenue streams to address our aging infrastructure. The components found in the mirror legislative bills SB 1 and AB 1 are a good start and are desperately needed to begin addressing years of neglect to our local roads.

For the past few legislative sessions, we have watched helplessly as legislative wrangling and budget debates failed to produce any solutions to the dwindling resources we have at our disposal for maintaining our streets, let alone conducting major repairs on the more than 600 miles of roads across our rural setting. In the past few weeks alone, major winter storms have exacerbated the problem, with a whole new slew of potholes, washed out roads and other damage being reported at an alarming rate. Yuba County has already tapped our contingency funds to pay for needed repairs.

As all California counties understand, we must largely rely up the state for revenues to pay for even the simplest road repairs, but past failures in Sacramento to adopt solutions has resulted in a compounded road crisis. The Governor’s budget proposal of approximately $1 billion does not come close to what is needed to get started on making things right. As a result of the state’s lack of solutions, the Yuba County Public Works team constantly faces a barrage of complaints from the public, because our staff is right on the frontlines and expected to act. Sadly, all staff can do right now is prioritize and conduct a series of quick, short-term fixes that are not likely to last more than a few months.
It’s also important to note that beyond the obvious issues of safety for our residents and the need for passable roads for our first responders, Yuba County is also home to Beale Air Force Base and the more than 4,500 men and women who serve there. The base is located in the lower region of our foothills right in the center of the county, and there are numerous roads that provide access on all sides of the 23,000 acres campus. Our local support for Beale’s mission must include dedicated upkeep to the avenues that connect to the base at all points of the compass.

For these reasons and others, the Yuba County Board of Supervisors supports SB 1 and AB 1. If you should have any questions concerning our position, please don’t hesitate to contact our Legislative Affairs Coordinator Russ Brown directly at rbrown@co.yuba.ca.us or call him at (530) 749-7575.

Randy Fletcher

SUBJECT: Authorize Chair to sign letter opposing a 35-75 percent unimpaired flow of water into the Delta and advocate alternative approach.

DATE: February 7, 2017

NUMBER: 12/2017

Recommendation

Approve letter opposing a 35-75 percent unimpaired flow of water into the Delta, advocate alternative approach and authorize Chair to execute.

Background

The State Water Resources Control Board (SWRCB) under their authority to establish water rights and water quality requirements to protect human, fish, and wildlife uses is in the process of updating the Bay-Delta Water Quality Plan. The update of the Bay-Delta Water Quality Plan is referred to as the Substitute Environmental Document (SED). The SWRCB is pursuing the update into two phases. The Phase I is ongoing and will set water quality standards for the major tributaries to the San Joaquin River (Stanislaus, Tuolumne, and Merced Rivers). Phase II will set enforceable flow standards for the Sacramento River and its tributaries. On October 19, 2016 the SWRCB released a draft scientific report for the Sacramento River (Phase II). The draft scientific report will be the basis for regulatory standards of the Bay-Delta Water Quality Plan. The approach taken in the draft scientific report would result in devastating impacts to the region’s agricultural economy and water supplies. The counties in the Sacramento Valley region have common interests in having the SWRCB follow an alternative approach to update the Bay-Delta Water Quality Plan.

Discussion

The SWRCB released a draft scientific report for the Sacramento River portion of the Bay-Delta Water Quality Plan (Phase II). The draft scientific report used an “unimpaired flow” methodology. The “unimpaired flow” methodology was used in the 2010 SWRCB Delta Flow Criteria report. The 2010 Delta Flow Criteria report called for increasing spring Delta outflows by 4.6 million acre-feet on
average. Existing water diversions in the northern Sacramento valley would be dramatically curtailed. This would be a frontal attack on historic water rights. Dependent agricultural economies and environmental resources would be shaken. The State and Federal water projects would be similarly burdened. Major reservoirs (Oroville, Trinity, Shasta, and Folsom) would typically be reduced to “dead pool” levels (effectively empty) by the end of summer.

If the proposed “unimpaired flow” approach is implemented, storage will be evacuated and diversions will be curtailed throughout our region. No carryover storage would be available for drought supply. Surface water curtailments will lead to significant additional groundwater pumping. Increased groundwater withdrawals will challenge sustainable groundwater management efforts undertaken pursuant to the Sustainable Groundwater Management Act (SGMA). Local groundwater resources and demands are precariously balanced. The State Water Board proposal would impose new and unsustainable burdens upon groundwater supplies. Collective efforts to achieve groundwater sustainability would become more difficult if not impossible to achieve.

Subsequent third-party analyses anticipated devastating impacts to existing water rights, the agricultural economy, groundwater sustainability, residential water supplies, critical habitats and the socioeconomic well-being of our communities.

The SWRCB may change water rights and reservoir operations pursuant to the new standards. Wet-season Delta outflows may increase to support Delta ecosystems and aquatic species. Cold water would be preserved for salmonids and other species.

Proposed Alternative Approach

Alternative approaches exist and could be viable to meet Delta objectives. One example utilizes a "functional flows" approach where water is used for a specific environmental purpose that is compatible with important flood protection and other water uses in the region. The Northern California Water Association (NCWA) outlined the “functional flows” approach in their December 16, 2016 letter to SWRCB chairperson Felicia Marcus (attached). NCWA and the Rural County Representatives of California are recommending that Sacramento Valley counties voice their concerns with the proposed approach and support the alternative “functional flows” approach.

Committee Action: (Omit if to Committee)

This is an urgency matter and therefore presented directly to the full Board.

The Honorable Jerry Brown
State Capitol, Suite 1173
Sacramento, CA 95814

Re: Concerns with SWRCB Flow Proposals

Dear Governor Brown:

The undersigned counties throughout the Sacramento Valley are very concerned with the recent scientific basis report (Phase II) prepared by the State Water Resources Control Board as part of its Water Quality Control Plan update. We support a healthy Delta, but the approach proposed by the State Water Board will redirect impacts upstream into the Sacramento Valley and will likely fail to achieve its goal of protecting Delta water quality.

The State Water Board proposal calls for a 35-75 percent unimpaired flow into the Delta. The result would redirect significant amounts of water away from the Sacramento Valley into the Delta. The simplistic approach would go beyond what is needed for environmental needs and would result in a substantial amount of water being put out to the ocean without any benefit. This in turn would be devastating to both the economy and the environment in the counties we represent, adversely affecting the availability of critical water for cities and rural communities, farms, wildlife refuges for birds and many other species, salmon and other fisheries and recreation.

More specifically, the “unimpaired flow” approach will have two significant effects in our region:

1) Evacuate critical water in storage and prevent the diversion of water throughout our region, which will significantly affect precious water supplies for all these purposes. This is particularly true in dry years like we have seen this decade, where water available in storage is critical to helping Californians get through these challenging times. In other words, we will go backward under the State Water Board approach—not forward—in our efforts to better prepare for the next drought in California.

2) Less surface water available will lead to significant additional groundwater pumping throughout the region, which will make our efforts to implement sustainable groundwater management envisioned under the Sustainable Groundwater Management Act (SGMA) more difficult. In our region, the groundwater resources are currently sustainable and we will continue to work hard with other local agencies to assure that our precious groundwater resources remain sustainable into the future.
State Water Board proposal will make our collective efforts to achieve groundwater sustainability more difficult if not impossible.

In sum, we encourage your administration to abandon the flawed “unimpaired flow” approach. Instead, we recommend that you pursue an integrated approach such as “functional flows,” where water is used for a specific environmental purpose that is compatible with important flood protection and other water uses in the region. We believe that this 21st century approach to water management will better serve the Sacramento Valley and more effectively protect Delta water quality. We encourage your administration to embrace an approach that achieves your water quality goals for the Delta without redirecting impacts to the Sacramento Valley.

Sincerely yours,

Randy Fletcher, Chairman

Jennifer Vasquez, Director

SUBJECT: Adopt Resolution to execute certain contracts for FY2017/18 or multi-years and to accept and appropriate funds.

DATE: February 14, 2017

NUMBER: 6/2017

Recommendation

It is recommended that the Board of Supervisors adopt the attached resolution authorizing the Director of the Health and Human Services Department (HHSD) to enter into and execute specific new and ongoing contracts, agreements, cooperative agreements, grants and/or memorandums of understanding in an amount less than fifty thousand dollars ($50,000) for Fiscal Year 2017/2018 or multi-years, accept donations in an amount less than ten thousand dollars ($10,000) for Fiscal Year 2017/18 on behalf of the County of Yuba, and to accept and appropriate funds for the stated period.

Background

Yuba County Administrative Policy and Procedures Manual, Policy Number A-1, Procedure 3 reads: “It is the general policy of the County that all external documents (contract, leases, agreements, etc.) are to be executed by the Chairman of the Board of Supervisors.” Exceptions should be properly authorized by the adoption of a resolution by the Board of Supervisors prior to execution of specific contracts, leases, agreements, etc. by the respective department head.” In the past, the Director of HHSD has been authorized through resolution of the Board of Supervisors to sign specific contracts and agreements.

Discussion

HHSD historically receives federal and state revenues to fund various activities and programs of the department. These revenue sources typically require that Yuba County enter into contracts,
agreements, and cooperative agreements with the California Department of Health Services, the California Department of Public Health, California Department of Veteran Affairs, Colleges/Universities, and other agencies/associations or private contractors. In the interest of efficiency, the Yuba County Board of Supervisors has historically authorized the Director of HHSD to execute specified contracts and agreements on behalf of the County of Yuba, specifically when the contracts and agreements are routine and have been approved by the Board of Supervisors on prior occasions.

Committee Action: (Omit if to Committee)

The Human Services Committee was by-passed due to the routine nature of the Resolution and there are no major changes from prior Resolution except for dates and the list of contracts.

Fiscal Impact:

Approval of this Resolution will not impact County general funds. Authorizing the Director to execute Contracts, Agreements, Cooperative Agreements, Grants and/or Memorandums of Understanding is a matter of efficiency, which will save time for both the Board of Supervisors and the Director.

SUBJECT: Health and Human Services: Adopt Resolution to apply for Prescription Drug
Overdose Prevention Initiative Grant

DATE: 2/07/2017
NUMBER: 1/2017

Recommendation

It is recommended that the Board of Supervisors approve the attached Resolution of the Board
authorizing the Health and Human Services Department (HHSD) to apply for the California Department
of Public Health (CDPH), Safe and Active Communities Branch (SACB), Prescription Drug Overdose
Prevention Program for the period of June 1, 2017 through February 28, 2019; and authorize the HHSD
Director to execute documents as required by the application, the resultant grant, and any documents
related to this program which includes, but is not limited to, the authority to accept, transfer and allocate
the grant funds in accordance with the provisions of the grant.

Background

The California Department of Public Health, Safe and Active Communities Branch has made
grant funds available through the Prescription Drug Overdose Prevention Initiative aimed at reducing
rates of prescription drug abuse, misuse, and overdose, a significant public health issue in California.

Discussion

SACB will fund 8-10 local opioid abuse prevention coalitions for the 21-month period of June 1,
2017 through February 28, 2019. Each awardee may receive an award up to $52,500 for the stated
period. The approval of this Board Resolution will authorize HHSD to apply for the funds, execute
pertinent documents related to this program, and accept, transfer and allocate the grant funds.
Committee Action:  *(Omit if to Committee)*

The Human Services Committee was by-passed due to time constraints. The grant application must be submitted to CDPH by February 10, 2017.

Fiscal Impact:

Approval of this Resolution will not impact County General Funds.

RESOLUTION NO. ________

WHEREAS, the California Department of Public Health, Safe and Active Communities Branch (SACB) has made grant funds available through the Director's Prescription Drug Overdose Prevention Initiative aimed at reducing rates of prescription drug abuse, misuse, and overdose, a significant public health issue in California; and

WHEREAS, upon submission and approval of the SACB grant application documents, SACB will fund 8-10 local opioid abuse prevention coalitions for the 21 month period of June 1, 2017 through February 28, 2019. Each awardee will be awarded up to $52,500 for the stated period; and

WHEREAS, the Health and Human Services Department, Public Health Division, would like to submit an application for the SACB grant to reduce the number of opioid overdose incidents, deaths, and unsafe opioid prescriptions.

NOW, THEREFORE, BE IT RESOLVED, the Yuba County Board of Supervisors hereby authorizes the Director of the Health and Human Services Department to submit an application for the SACB grant.
BE IT FURTHER RESOLVED by the Yuba County Board of Supervisors that the Director of the Health and Human Services Department is hereby authorized to: execute, subject to review and approval of County Counsel, all documents as required by the application and the resultant grant for the stated period; amend contracts for additional or lesser funding; to execute amendments or memorandums of understanding developed under this grant if the allocation, or a portion thereof, is awarded; and to accept, transfer and allocate the grant funds awarded (up to $52,500) for the period of June 1, 2017 through February 28, 2019. A copy of the said contract or any amendment thereto shall be filed in the office of the Clerk of the Board, County of Yuba after they have been reviewed and approved by County Counsel and executed by the Director of the Health and Human Services Department.

SUBJECT:  Approve the hire of Amanda Malucchi for the position of Deputy Probation Officer III at the advanced index rate of 1.15.
DATE:  February 7, 2017
NUMBER:  16/2017

Recommendation

Approve hire of Amanda Malucchi for the position of Deputy Probation Officer III at the advanced index rate of 1.15.

Background

Amanda Malucchi was employed by Yuba County Probation Department from October 2013, to December 30, 2016, as a Deputy Probation Officer III. She resigned to pursue other employment. Ms. Malucchi contacted our department on January 30, 2017, requesting to return to her former position.

Discussion

Amanda Malucchi was an outstanding employee and the Probation Department is eager to rehire her. She will fill an existing vacancy in a short-handed field supervision unit. I have consulted with human resources, who advised a new hire has a maximum index rate of 1.10. Ms. Malucchi’s index rate at time of termination was 1.15. Pursuant to the Yuba County Probation Peace Officers’ Association Memorandum of Understanding, Section 8.18, the Board of Supervisors has the authority to approve a new hire to begin employment at an index rate of up to 1.30. The Probation Department requests the Board approve Ms. Malucchi’s hire at an index rate of 1.15.

Fiscal Impact:

CALIFORNIA FISH AND GAME COMMISSION
NOTICE OF RECEIPT OF PETITION

NOTICE IS HEREBY GIVEN that, pursuant to the provisions of Section 2073.3 of the Fish and Game Code, the California Fish and Game Commission (Commission), on December 14, 2016, received a petition from the Center for Biological Diversity to list foothill yellow-legged frog (*Rana boylii*) as threatened under the California Endangered Species Act.

Foothill yellow-legged frogs inhabit partially shaded, rocky perennial streams and rivers at low to moderate elevations, across a range of vegetation types including chaparral, oak woodland, mixed coniferous forest, riparian sycamore and cottonwood forest, and wet meadows.

Pursuant to Section 2073 of the Fish and Game Code, on December 22, 2016, the Commission transmitted the petition to the California Department of Fish and Wildlife (Department) for review pursuant to Section 2073.5 of said code. It is anticipated that the Department's evaluation and recommendation relating to the petition will be received by the Commission at its April 16-27, 2017 meeting in Van Nuys.

Interested parties may contact T.O. Smith, Wildlife Branch, Department of Fish and Wildlife, 1812 Ninth Street, Sacramento, CA 95811 [530-225-2062 or Timothy.Smith@wildlife.ca.gov], for information on the petition or to submit information to the Department relating to the petitioned species.

TO ALL INTERESTED AND AFFECTED PARTIES:

This is to provide you with a copy of the notice of proposed regulatory action relative to subsection (b)(5) of Section 7.50, Title 14, California Code of Regulations, relating to Central Valley salmon sport fishing, which will be published in the California Regulatory Notice Register on January 20, 2017.

Please note the dates of the public hearings related to this matter and associated deadlines for receipt of written comments.

Additional information and all associated documents may be found on the Fish and Game Commission website at http://www.fgc.ca.gov/regulations/2017/index.aspx.

Roger Bloom, Environmental Program Manager, Department of Fish and Wildlife, has been designated to respond to questions on the substance of the proposed regulations. Mr. Bloom can be reached at (916) 445-3777 or Roger.Bloom@wildlife.ca.gov.

Sincerely,

Melissa Miller-Henson
Staff Services Manager

TITLE 14. Fish and Game Commission
Notice of Proposed Changes in Regulations

NOTICE IS HEREBY GIVEN that the Fish and Game Commission (Commission), pursuant to the authority vested by Sections: 200, 202, 205, 215, 220, 240, 315, and 316.5 of the Fish and Game Code and to implement, interpret or make specific Sections 200, 202, 205, 206, 215, and 316.5 of said Code, proposes to amend subsections (b)(5), (b)(68), and (b)(156.5) of Section 7.50, Title 14, California Code of Regulations, relating to Central Valley Chinook Salmon Sport Fishing.

Informative Digest/Policy Statement Overview – Inland Fisheries

The current, 2016, sport fishing regulations allow for Chinook Salmon fishing in the American, Feather and Sacramento rivers. The Department of Fish and Wildlife (Department) is recommending new Chinook Salmon bag and possession limits in the American, Feather, and Sacramento rivers for the 2017 season.

The Pacific Fishery Management Council (PFMC) is responsible for adopting recommendations for the management of recreational and commercial ocean salmon fisheries in the Exclusive Economic Zone (three to 200 miles offshore) off the coasts of Washington, Oregon, and California. When approved by the Secretary of Commerce, these recommendations are implemented as ocean salmon fishing regulations by the National Marine Fisheries Service (NMFS).

The PFMC will develop the annual Pacific coast ocean salmon fisheries regulatory options for public review at its March 2017 meeting and develop the final PFMC regulatory recommendations for adoption by NMFS at its April 2017 meeting.

Based on the action taken by NMFS and the recommendation of the Department, the Commission will adopt bag and possession limits for the American, Feather, and Sacramento rivers which may:

(1) allow for additional harvest of Chinook Salmon if low instream flow conditions persist due to the existing drought to reduce impacts to spawning habitat;

(2) increase or decrease the current Chinook Salmon bag and possession limits based on the PFMC salmon abundance estimates and recommendations for ocean harvest for the coming season; and

(3) establish special closure area for winter-run Chinook Salmon protection on the Sacramento River between Keswick Dam and Highway 44 bridge from April 1 to July 31.

Benefits of the regulations

As set forth in Fish and Game Code section 1700 it is “the policy of the state to encourage the conservation, maintenance, and utilization of the living resources of the ocean and other waters under the jurisdiction and influence of the state for the benefit of all the citizens of the state and to promote the development of local fisheries and distant-water fisheries based in
California in harmony with international law respecting fishing and the conservation of the living resources of the oceans and other waters under the jurisdiction and influence of the state.

Adoption of scientifically-based Central Valley Chinook Salmon bag and possession limits provides for the maintenance of sufficient populations of Chinook Salmon to ensure their continued existence. The benefits of the proposed regulations are in concurrence with Federal law, sustainable management of the Central Valley Chinook Salmon resources, and promotion of businesses that rely on Central Valley Chinook Salmon sport fishing.

**Consistency with State and Federal Regulations**

Article IV, section 20 of the State Constitution specifies that the Legislature may delegate to the Fish and Game Commission such powers relating to the protection and propagation of fish and game as the Legislature sees fit. The Legislature has delegated to the Commission the power to regulate recreational fishing in waters of the state (Fish & Game Code, §§ 200, 202, 205). The Commission has reviewed its own regulations and finds that the proposed regulations are neither inconsistent nor incompatible with existing state regulations. The Commission has searched the California Code of Regulations and finds no other state agency regulations pertaining to recreational fishing seasons, bag and possession limits. Further, the Commission has determined that the proposed regulations are neither incompatible nor inconsistent with existing federal regulations.

**NOTICE IS GIVEN** that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be held in the DoubleTree by Hilton Hotel Sonoma, One Doubletree Drive, Rohnert Park, California, on Thursday, February 8, 2017 at 8:00 a.m., or as soon thereafter as the matter may be heard.

**NOTICE IS ALSO GIVEN** that any person interested may present statements, orally or in writing, relevant to this action at a hearing to be teleconference originating in the Fish and Game Commission conference room, 1416 Ninth Street, Suite 1320, Sacramento, California, on Thursday, April 13, 2017, at 8:30 a.m., or as soon thereafter as the matter may be heard. It is requested, but not required, that written comments be submitted on or before 5:00 p.m. on March 29, 2017 at the address given below, or by email to FGC@fgc.ca.gov. Written comments mailed, or emailed to the Commission office, must be received before 12:00 noon on April 7, 2017. All comments must be received no later than April 13, 2017, at the teleconference hearing. If you would like copies of any modifications to this proposal, please include your name and mailing address.

**Availability of Documents**

The Initial Statement of Reasons, text of the regulations, as well as all related documents upon which the proposal is based (rulemaking file), are on file and available for public review from the agency representative, Valerie Terminé, Executive Director, Fish and Game Commission, 1416 Ninth Street, Box 944209, Sacramento, California 94244-2090, phone [916] 653-4899. Please direct requests for the above mentioned documents and inquiries concerning the regulatory process to Valerie Terminé or Melissa Miller-Henson at the preceding address or phone number. **Roger Bloom, Environmental Program Manager, Department of Fish and**
Wildlife, has been designated to respond to questions on the substance of the proposed regulations. Mr. Bloom can be reached at (916) 445-3777 or Roger.Bloom@wildlife.ca.gov. Copies of the Notice of Proposed Action, the Initial Statement of Reasons, and the text of the regulation in underline and strikeout can be accessed through our website at http://www.fgc.ca.gov.

**Availability of Modified Text**

If the regulations adopted by the Commission differ from but are sufficiently related to the action proposed, they will be available to the public for at least 15 days prior to the date of adoption. Circumstances beyond the control of the Commission (e.g., timing of Federal regulation adoption, timing of resource data collection, timelines do not allow, etc.) or changes made to be responsive to public recommendation and comments during the regulatory process may preclude full compliance with the 15-day comment period, and the Commission will exercise its powers under Section 202 of the Fish and Game Code. Regulations adopted pursuant to this section are not subject to the time periods for adoption, amendment or repeal of regulations prescribed in Sections 11343.4, 11346.4 and 11346.8 of the Government Code. Any person interested may obtain a copy of said regulations prior to the date of adoption by contacting the agency representative named herein.

If the regulatory proposal is adopted, the final statement of reasons may be obtained from the address above when it has been received from the agency program staff.

**Impact of Regulatory Action/Results of the Economic Impact Assessment**

The potential for significant statewide adverse economic impacts that might result from the proposed regulatory action has been assessed, and the following initial determinations relative to the required statutory categories have been made:

(a) Significant Statewide Adverse Economic Impact Directly Affecting Businesses, Including the Ability of California Businesses to Compete with Businesses in Other States:

The proposed action will not have a significant statewide adverse economic impact directly affecting businesses, including the ability of California businesses to compete with businesses in other states. The Department anticipates status quo fishing levels for April 2017 as compared to the April 2016 ocean salmon sport fishing season.

(b) Impact on the Creation or Elimination of Jobs Within the State, the Creation of New Businesses or the Elimination of Existing Businesses, or the Expansion of Businesses in California; Benefits of the Regulation to the Health and Welfare of California Residents, Worker Safety, and the State’s Environment:

The Commission does not anticipate that the proposed regulations will have any impact on the creation or elimination of jobs, the creation or elimination of
businesses or the expansion of businesses in California because no changes in fishing activity levels are expected.

The Commission anticipates benefits to the health and welfare of California residents. Salmon sport fishing contributes to increased mental health of its practitioners, provides opportunities for multi-generational family activities and promotes respect for California's environment by the future stewards of California's natural resources.

The Commission anticipates benefits to the State's environment in the sustainable management of salmon resources.

Additional benefits of the proposed regulations are concurrence with federal law, and promotion of businesses that rely on recreational ocean salmon fishing.

The Commission does not anticipate benefits to worker safety.

(c) Cost Impacts on a Representative Private Person or Business:

The agency is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

(d) Costs or Savings to State Agencies or Costs/Savings in Federal Funding to the State: None.

(e) Nondiscretionary Costs/Savings to Local Agencies: None.

(f) Programs Mandated on Local Agencies or School Districts: None.

(g) Costs Imposed on Any Local Agency or School District that is Required to be Reimbursed Under Part 7 (commencing with Section 17500) of Division 4, Government Code: None.

(h) Effect on Housing Costs: None.

**Effect on Small Business**

It has been determined that the adoption of these regulations may affect small business. The Commission has drafted the regulations in Plain English pursuant to Government Code Sections 11342.580 and 11346.2(a)(1).
Consideration of Alternatives

The Commission must determine that no reasonable alternative considered by the Commission, or that has otherwise been identified and brought to the attention of the Commission, would be more effective in carrying out the purpose for which the action is proposed, would be as effective and less burdensome to affected private persons than the proposed action, or would be more cost effective to affected private persons and equally effective in implementing the statutory policy or other provision of law.

FISH AND GAME COMMISSION
