TO: Board of Supervisors
FROM: CAO/Emergency Services, Scott Bryan
SUBJECT: Adopt resolution of an ongoing emergency within the County of Yuba due to Tree Mortality.
DATE: February 14, 2017
NUMBER: 20/2017

Recommendation:
The Board of Supervisors adopts a resolution proclaiming the existence of an on-going local emergency in the County of Yuba due to tree mortality.

Background:
On January 17, 2014, Governor Edmund G Brown Jr. declared a Statewide Drought Emergency due to the impacts on the State of California due to four continuous years of drought. On February 18, 2014, the Director of Emergency Services proclaimed a local emergency due to the effects the drought has had within the County of Yuba.

The current drought has put tremendous stress on trees resulting in widespread mortality throughout the State. The County of Yuba is not immune to the loss of trees due to the on-going drought as thousands of dead and dying trees line our landscape. On October 30, 2015, Governor Edmund G Brown Jr. declared a Statewide Tree Mortality Emergency, which included California Disaster Assistance Act (CDAA) funding to mitigate the most severely affected counties. On December 13, 2016, the Yuba County Board of Supervisors proclaimed a local emergency in the County due to tree mortality.

Discussion:
There are currently 10 counties designated as “Priority Counties”, which include two contiguous counties to Yuba, in Nevada and Placer. Although Yuba County’s tree mortality emergency has yet to each the severity of Nevada and Placer Counties, significant tree mortality exists in Yuba County, which requires mitigation efforts to remove hazard trees threatening public infrastructure and safety.

Committee Action: None
Fiscal Impact:

If approved, CDAA funding will reimburse 75% of eligible costs for removing hazardous trees with a 25% cost share.

Dear Honorable Board Members:

February is National Teen Dating Violence Awareness and Prevention Month. This month provides an excellent opportunity for Sutter County to demonstrate its commitment to ending teen dating violence and support the numerous victims and survivors who are among us. One in three teens in the US is a victim of physical, emotional or sexual abuse from a dating partner. These violent relationships have serious consequences for victims – putting them at higher risk for substance abuse, eating disorders, risky sexual behavior, suicide and adult re-victimization. Now is the time to educate our communities about the seriousness of teen dating violence and the prevalence of this epidemic in our lives.

As you may recall, during Teen Dating Violence Awareness Month of 2015, the AVID youth of Wheatland High School ran a successful campaign on their campus, drawing attention of the Appeal-Democrat. The article highlighted the difficult conversations that youth have with regards to warning signs of abuse behavior and gender-based violence. The article also highlighted the administrative and campus wide support that this group is receiving as they become leaders against teen dating violence.

Casa de Esperanza would be honored if you would sponsor an official proclamation to recognize February as Yuba County’s Teen Dating Violence Awareness and Prevention Month. Your proclamation would lend official recognition to the important work of raising awareness about teen dating violence as well as emphasize your personal commitment to ending this crime. We have enclosed a sample to guide your office in composing a proclamation for our county.

If you or your staff have any questions about this request, the sample proclamation or National Teen Dating Violence Awareness and Prevention Month, please call us at (530) 674-5400 or contact Break the Cycle at (202) 824-0707 or teendvmont@breakthecycle.org. I will follow up with your office in the next few days. We appreciate your support and thank you for your consideration of this vital issue.

Sincerely,

Ariana Lozano

TEEN DATING VIOLENCE AWARENESS AND PREVENTION MONTH
FEBRUARY 2017

WHEREAS, females between the ages 16-24 are more vulnerable to intimate partner violence, experiencing abuse at a rate almost triple the national average; and

WHEREAS, one in three adolescent girls in the United States is a victim of physical, emotional or verbal abuse from a dating partner, a figure that far exceeds victimization rates for other types of violence affecting youth and are more likely to use drugs and alcohol, are at greater risk of suicide and are much more likely to carry patterns of abuse into future relationships; and

WHEREAS, nearly half of teens who experience dating violence report that incidents of abuse took place in a school building or on school grounds, only 33% of teens who are in an abusive relationship ever tell anyone about the abuse, 81% of parents surveyed either believe teen dating violence is not an issue or admit they do not know if it is one; and

WHEREAS, by providing young people with education about healthy relationships and relationship skills and by changing attitudes that support violence, we recognize that dating violence can be prevented; and

WHEREAS, it is essential to raise community awareness and to provide training for teachers, counselors and school staff so that they may recognize when youth are exhibiting signs of dating violence; and

WHEREAS, the establishment of Teen Dating Violence Awareness and Prevention Month will benefit young people, their families, schools and communities regardless of socioeconomic status, gender, sexual orientation or ethnicity. Everyone has the right to a safe and healthy relationship and to be free from abuse.

NOW, THEREFORE BE IT PROCLAIMED, the month of February, 2017 as Teen Dating Violence Awareness and Prevention Month throughout the County of Yuba. We urge all citizens, agencies and businesses to work toward ending teen dating violence by empowering young people to develop healthier relationships and assisting victims in accessing the information and supportive services they need.

The County of Yuba
County Counsel

TO: Board of Supervisors
FROM: County Counsel, Courtney Abril
SUBJECT: Adopt 2016 Amendment to Yuba County Conflict of Interest Code.
DATE: February 14, 2017
NUMBER: 22/2017

Recommendation

Adopt 2016 Amendment to Yuba County Conflict of Interest Code.

Background: Government Code sections 87300 et seq. require each county to keep a conflict of interest code, which must be reviewed every two years and updated to reflect changes that occur in the organization of county departments. An amendment to the County’s conflict of interest code is not effective until it has been approved by the Board.

The County Counsel’s office has conducted a survey of all county departments to determine the positions currently allocated, which positions are required to file disclosure forms, and the proper disclosure categories for those positions. Based upon the information provided, an amendment to the conflict of interest code has been prepared and is attached.

Discussion: The law requires that consultants that make or participate in making governmental decisions file under the broadest disclosure category in the agency’s conflict of interest code for which the consultant or new position works. The major amendment seen in these 2016 revisions stems from the new definition of “consultant” under FPPC Regulation 2 CCR 18700.3, which became operative July 22, 2015. The new definition of consultant defines consultant as:

An individual who, pursuant to a contract with a state or local government agency: 1) Makes a governmental decision whether to: Approve a rate, rule, or regulation; Adopt or enforce a law; Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement; Authorize the agency to enter into, modify, or renew a contract provided it is the type of contract that requires agency approval; Grant agency approval to a contract that requires agency approval and to which the agency is a party, or to the specifications for such a contract; Grant
agency approval to a plan, design, report, study, or similar item; or Adopt, or grant agency approval of,
policies, standards, or guidelines for the agency, or for any subdivision thereof; or 2) A person who
serves in a staff capacity with the agency and in that capacity participates in making a governmental
decision as defined in Regulation 18704(a) and (b) or performs the same or substantially all the same
duties for the agency that would otherwise be performed by an individual holding a position specified in
the agency's Conflict of Interest Code under Section 87302.

The 2016 amendments also reflect a few positions that have been added or deleted from
allocated positions, or where the title of a position has been changed.

Government Code section 87311 requires review of a conflict of interest code to be carried out
under procedures, which guarantee to officers, employees, members, and consultants of the agency, and
to residents of the County, adequate notice and a fair opportunity to present their views. The Conflict of
Interest Code revisions have been noticed as an action item on the Board of Supervisors agenda.
Departments were previously notified and their input regarding revisions was sought.

**Fiscal Impact:** No impact to the general fund.

**Committee Action:** No committee action required as this is a routine and recurring matter mandated
by State statute.

22/2017 2016 Amendment to Yuba County Conflict of Interest Code
CONFLICT OF INTEREST CODE FOR

THE COUNTY OF YUBA

(2016)

The Political Reform Act of 1974, Government Code Sections 81000, et seq., requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation, 2 California Code of Regulations, Section 18730, which contains the terms of a standard conflict of interest code. The regulation can be incorporated by reference and may be amended by the Fair Political Practices Commission, after public notice and hearings, to conform to amendments to the Political Reform Act. Therefore, the terms of 2 California Code of Regulations, Section 18730, and any amendments thereto duly adopted by the Fair Political Practices Commission, along with the attached Appendices in which officers, employees and consultants are designated and disclosure categories are set forth are hereby incorporated by reference and constitute the conflict of interest code of the County of Yuba.

Recognizing that different positions have different levels of power and responsibility, this Conflict of Interest Code establishes categories of disclosure to which positions are assigned based on the scope of their decision making authority. Positions with no significant decision making responsibility are classified as exempt and are not required to file statements under this Code.

The job titles of the officers, employees, and consultants of this governmental entity and the categories to which they are assigned are set forth in Appendix A attached hereto and incorporated herein by reference. The specific disclosure and
reporting requirements of each category are set forth in Appendix B attached hereto and incorporated herein by reference.

Consultants are also subject to the disclosure requirements of this conflict of interest code. For purposes of the Code and pursuant to Title 2 California Code of Regulations § 18700.3, a "consultant" means an individual who, pursuant to a contract with a state or local government agency: 1) Makes a governmental decision whether to: (A) Approve a rate, rule, or regulation; (B) Adopt or enforce a law; (C) Issue, deny, suspend, or revoke any permit, license, application, certificate, approval, order, or similar authorization or entitlement; (D) Authorize the agency to enter into, modify, or renew a contract provided it is the type of contract that requires agency approval; (E) Grant agency approval to a contract that requires agency approval and to which the agency is a party, or to the specifications for such a contract; (F) Grant agency approval to a plan, design, report, study, or similar item; (G) Adopt, or grant agency approval of, policies, standards, or guidelines for the agency, or for any subdivision thereof; or 2) Serves in a staff capacity with the agency and in that capacity participates in making a governmental decision as defined in Regulation 18704(a) and (b) or performs the same or substantially all the same duties for the agency that would otherwise be performed by an individual holding a position specified in the agency's Conflict of Interest Code under Section 87302.

Pursuant to Government Code § 81008 and 2 California Code of Regulations §18730(b)(4), all designated employees shall file Statements of Economic Interest (FPPC Form 700) with the County of Yuba Clerk before April first of each year. The
Yuba County Clerk shall make the statements available for public inspection and reproduction when appropriate pursuant to Government Code section 81008.

In any event, all County officers, employees and agents are disqualified and shall not make, participate in making or in any way attempt to use his or her official position to influence the making of any governmental decisions, which he or she knows or has reason to know will have a reasonably foreseeable material financial effect, distinguishable from its effect on the public generally, upon such officer, employee or agent, or a member of his or her immediate family.

A copy of the California Code of Regulations shall be available for review at the Yuba County Library.

Community Development and Services Agency

TO: Board of Supervisors
FROM: Community Development and Services Agency, Kevin Mallen
SUBJECT: Hold public hearing, waive reading, and introduce ordinance repealing and reenacting as amended Chapter 8.80 of the Yuba County Ordinance Code relating to Shooting Restrictions in the unincorporated area of the County of Yuba. (Ten minute estimate)

DATE: February 14, 2017
NUMBER: 24/2017

Recommendation

Hold public hearing, waive reading, and introduce ordinance repealing and reenacting as amended Chapter 8.80 of the Yuba County Ordinance Code relating to Shooting Restrictions in the unincorporated area of the County of Yuba.

Background

On July 21, 2015, the Board of Supervisors adopted the Yuba County Development Code that overhauled and renamed zoning districts within the unincorporated area of Yuba County. With the resulting newly named zoning districts, the zoning districts referenced in Chapter 8.80 Shooting Restrictions became outdated and inaccurate.

Discussion

Staff has updated the referenced zoning in Chapter 8.80 with updated zoning districts thus making the ordinance enforceable from a law enforcement perspective. In reviewing the remainder of the ordinance, staff recommends removing an exception allowing shooting in “designated areas” of County parks to ban shooting in any County and/or special district park, which is current practice. Staff lastly recommends removing Section 8.80.050 Hammon Grove residential area because it allows shooting in the Hammon Grove Park and inconsistently prohibits shooting in a neighboring rural residential subdivision.

None
