The County of Yuba
Agricultural Commissioner

TO: Board of Supervisors

FROM: Agricultural Commissioner, Stephen Scheer

SUBJECT: Adopt resolution authorizing Agricultural Commissioner to execute certain contracts/agreements/cooperative agreements/grants/memorandum of understanding for FY 2017/2018 or multi year.

DATE: April 11, 2017

NUMBER: 115/2017

Recommendation:

Consider approval of Resolution authorizing the Yuba County Agricultural Commissioner to execute specified ongoing/new contracts, agreements, cooperative agreements, grants and/or memorandum of understanding for Fiscal Year 2017/2018 or multi-year on behalf of the County of Yuba and authorize chair to sign resolution.

Background:

Yuba County Administrative Policy & Procedures Manual, Policy Number A-1, procedure 3 states, “It is the general policy of the County that all external documents (contract, leases, agreements, etc.) are to be executed by the Chairman of the Board of Supervisors. Exceptions should be properly authorized by the adoption of a resolution by the Board of Supervisors prior to execution of specific contracts, leases, agreements, etc. by the respective department head.” In the past, the Agricultural Commissioner has been authorized through Resolution of the Board of Supervisors, to sign specific contracts and agreements.

Discussion:

The Agricultural Commissioner has historically sought out revenue sources to fund various activities of the department. These revenue sources typically require that Yuba County enter into contracts, agreements and cooperative agreements with the California Department of Food and Agriculture, Department of Pesticide Regulation, United States Department of Agriculture and other agencies/associations or private contractors. In the interest of efficiency the Yuba County Board of
Supervisors has, in the past, authorized the Agricultural Commissioner to execute specified contracts and agreements on the behalf of Yuba County.

This is to request that the Yuba County Agricultural Commissioner be authorized to sign on behalf of Yuba County, specified revenue/expenditure contracts, agreements, cooperative agreements, grants and/or memorandum of understanding for Fiscal Year 2017/2018 or multi-year on behalf of the County of Yuba. Such documents shall be handled in accordance with Yuba County Administrative Policy & Procedures Manual, Policy Number A-1.

Fiscal Impact:

None - Authorizing the Agricultural Commissioner to execute ongoing/new contracts, agreements, cooperative agreements, grants and/or memorandum of understanding for Fiscal Year 2017/2018 or multi-year is an efficiency matter, which will save time for both the Board of Supervisors and the Commissioner.

Committee Action:

None – this procedure has been in place and routine for over eleven years and there are no major changes except for dates from last year’s resolution.

SUBJECT: Community Development and Services Agency: Authorization to award and execute agreement with Pacific Legacy, Inc. to provide professional services for the Waldo Road Bridge Replacement project

DATE: April 11, 2017

NUMBER: 117/2017

RECOMMENDATION:

The Public Works Department recommends that the Board of Supervisors approve, and authorize its chairman to execute the agreement with Pacific Legacy, Inc. to provide professional archaeological evaluation services for the Waldo Road Bridge Replacement Project.

BACKGROUND:

The existing bridge along Waldo Road is currently rated as structurally deficient and is in need of replacement. Funds for preliminary engineering work have been obtained and the design and environmental process is in progress. A Phase I archeological survey was conducted at the project site and artifacts were discovered within the project limits. This triggered a more extensive Phase II archeological evaluation study which must be completed before environmental documents and permits can be obtained. The County circulated a Request For Proposal (RFP) for a Phase II Archeological Evaluation Study. From the respondents, County staff reviewed and ranked the proposals resulting in the decision to recommend award of the work to Pacific Legacy, Inc. in the amount of $99,451.04. Construction of the bridge is tentatively scheduled for 2020.

DISCUSSION:

The Phase II fieldwork will consist of excavating specific areas searching for prehistoric and historic artifacts. This work is required for the project to complete the environmental process and finalize design.
COMMITTEE ACTION:
The Land Use & Public Works Committee was bypassed as this project is included in the Public Works Budget.

FISCAL IMPACT:
Phase II archeological evaluation services for the project will not exceed $99,451.04. The work will be 100% funded through the Federal Highway Bridge Program (HBP) and Toll Credits.

SUBJECT: Community Development and Services Agency: Award contract to Parsons Brinckerhoff, Inc. for professional design guidance services for the Oregon Hill Road Bridge Replacement project and authorize Chair to execute upon County Counsel review and approval
DATE: April 11, 2017
NUMBER: 92/2017

RECOMMENDATION:
The Public Works Department recommends that the Board of Supervisors approve, and authorize its chairman to execute the agreement with Parsons Brinckerhoff, Inc. to provide professional design guidance services to perform work for the Oregon Hill Road Bridge Replacement Project.

BACKGROUND:
The Oregon Hill Road Bridge over Little Oregon Hill Creek was constructed in 1967 and consists of three 8 foot diameter culverts with concrete headwalls. Although the facility is in decent condition, the grade differential between the outlet of the culverts and the water surface elevation immediately downstream of the structure is preventing the upstream passage of aquatic organisms. The United States Forest Service (USFS) is providing $900,000 of funding to Yuba County for the design and construction of the bridge (Grant Agreement No. 16-RO-11051100-034). The County is providing a local match of $50,000 which will consist of staff time. A Request For Proposals (RFP) for professional design guidance services was circulated. The County received two proposals from consultants. County staff reviewed and ranked the proposals resulting in a decision to recommend award of the work to Parsons Brinckerhoff in the amount of $286,082. Construction of the bridge is tentatively scheduled for 2019.

DISCUSSION:
The work provided will consist of preliminary engineering and design guidance services for the bridge structure. The County will be responsible for roadway design, right of way acquisition, utility coordination, and project management. The purpose of this project is to replace a structure that is hindering Aquatic Organism Passage (AOP).
COMMITTEE ACTION:
The Land Use & Public Works Committee was bypassed as this project is included in the Public Works Budget.

FISCAL IMPACT:
Design guidance services for the preparation of the bridge plans, specifications and estimate will not exceed $286,082. This project will be 94.7% ($900,000) funded through the USFS and 5.3% ($50,000) County funds.

SUBJECT: County Administrator: Authorize $4,000 in funding for Friends of Fish and Game Boat Safety Events.

DATE: April 11, 2017

NUMBER: 124/2017

Recommendation

County Administrator: Authorize $4,000 in funding for Friends of Fish and Game Boat Safety Events.

Background

Friends of Fish and Game is a 501 (c)(3) nonprofit corporation. The specific purpose and goals of Friends of Fish and Game are: a) to coordinate the efforts of community volunteers in activities that protect, conserve, and enhance natural resources and public amenities and b) to promote appreciation of nature and public recreation opportunities including, but not limited to, hunting, fishing and boating to enhance the quality of life and education of the general public in the use and conservation of natural resources.

The Boat Safety Events were previously hoted by the Yuba County Fish and Game Commission at Bullards Bar, with grant money from the Yuba County Water Agency. The YCWA funds may only be used within the recreational boundaries of the YCWA.

Discussion

Friends of Fish and Game are seeking to continue offering the Boat Safety Event during the mont of June 2017. March 10, 2017

Dear Supervisor Fletcher,

Friends of Fish and Game appreciates the opportunity to apply for some of the Fish and Wildlife funds formerly used by the Yuba County Fish and Game Commission (Commission). Attached please find a proposed budget for the Boat Safety Event for funds for the Yuba County fiscal year ending 06/30/17. As was stated at the February 7, 2017 Board of Supervisors meeting, with this grant Friends of Fish and Game would reinstate the Boat Safety Event formerly held by the Commission.

The Boat Safety Event was formerly held by the Commission only at Bullards Bar, with grant money from the Yuba County Water Agency (YCWA). These funds could only be used within the recreational boundaries of the YCWA. Collins Lake and Camp Far West Reservoir are not within the recreational area of the YCWA. With the funds requested in this grant from Yuba County, the event would be held at areas in Yuba County not formerly served. Friends of Fish and Game will also pursue a grant from the YCWA in order to continue to hold the event at Bullards Bar as well.

Friends of Fish and Game is a 501 (c)(3) nonprofit corporation. All donations are tax deductible. The specific purpose and goals of Friends of Fish and Game are: a) to coordinate the efforts of community volunteers in activities that protect, conserve, and enhance natural resources and public amenities and b) to promote appreciation of nature and public recreation opportunities including, but not limited to, hunting, fishing and boating to enhance the quality of life and education of the general public in the use and conservation of natural resources.

It took so long to send you this proposed budget because, although the rest of the budget was ready immediately after the Board of Supervisors meeting, it has taken a month to get a quote for insurance. The local broker has been extremely busy writing flood insurance policies!
In addition to the proposed budget, we are renewing our request for donation of the physical assets of the former Commission. Attached is the letter requesting these assets which was previously sent to the Board in November, along with an updated list of the assets and their locations (if known).

Thank you for your consideration.

Sincerely,

s/ Deborah Byrne

FROM: Steven L. Durfor, Sheriff-Coroner

SUBJECT: Sheriff-Coroner: Adopt Resolution authorizing Sheriff to execute grant application, agreement, and necessary documents with Department of Boating and Waterways for boating and safety enforcement activities for Fiscal Year 2017-2018.

DATE: April 11, 2017

NUMBER: 98/2017

Recommendation:
Approve the Resolution authorizing the Sheriff to execute the State Application for Financial Aid for the Boating Program, the Boating Safety and Enforcement Financial Aid Program Agreement, and all necessary documents for boating and safety enforcement activities for Fiscal Year 2017-2018.

Background:
This is an annual agreement that has been in effect for many years and requires Board of Supervisor’s approval. The agreement covers the period of July 1, 2017 to June 30, 2018, and provides reimbursement of $166,131 for conducting boating safety and enforcement activities on Yuba County waterways. The funding supplements 2 Deputy Sheriffs to patrol the County waterways for the Fiscal Year 2017-2018.

Discussion:
This is the continuation of an agreement that is a benefit to both agencies. The agreement will provide for a total of $166,131 in additional law enforcement revenue. The Sheriff will provide reimbursable law enforcement services in accordance with the attached agreement.

Committee Action:
Due to the routine nature of this request, this item was placed directly on the Board of Supervisor’s agenda.

Fiscal Impact:
Boat taxes estimated at $20,453.

CLERK OF THE BOARD
THIS PAGE INTENTIONALLY LEFT BLANK
TO: Board of Supervisors
FROM: Agricultural Commissioner, Stephen Scheer
SUBJECT: Authorize a budget transfer in the amount of $20,000 from Account No. 101-3400-426.0101 (Salaries) to Account No. 101-3400-426.2200 (Office expense) to utilize salary savings for purchase of office equipment. (Ten minute estimate)
DATE: April 11, 2017
NUMBER: 118/2017

Recommendation:

Consider approval of a budget adjustment authorizing the Yuba County Agricultural Commissioner to transfer funds from Salaries (Account 101-3400-426.0101) to Office Expense (Account 101-3400-426.2200)

Background:

In the past year, the Agriculture Department has replaced five staff positions due to turnover, retirements and promotions. This has resulted in a significant salary savings for Fiscal Year 2016/17. Utilizing these saving will allow the department to upgrade and replace equipment that could not be budgeted for previously.

Discussion:

A significant portion of the Agricultural Department revenue is derived from Unclaimed Gas Tax (UGT) reimbursements each year. UGT reimbursements are calculated based on the departments net county cost which is the county general fund contribution to the department. Allowing expenditure of the salary savings will maintain our net county cost at a level that does not negatively affect future revenues.

Planned expenditures are for audiovisual equipment upgrades to the department conference room and the replacement of outdated office equipment. The department conference room is available for countywide use and is routinely used by other county departments.
Fiscal Impact:

None - Authorizing the Agricultural Commissioner to expend salary savings has no net effect on the budget.

Committee Action:

None – This item was not presented at committee.
