REQUEST FOR CEQA/NEPA EXEMPTION DETERMINATION
INSTRUCTIONS FOR FILING

Development Code Chapter 11.54 (Ordinance #1545)

This application is for projects that are not associated with a Planning Entitlement (i.e. map, conditional use permit, etc.). This application could require a public hearing before the Development Review Committee. The project applicant or their representative must be present at all public hearings to answer questions.

Applications shall be reviewed for compliance with the Application Submittal Requirements and may not be accepted for processing if incomplete. All fees as listed on the adopted fee schedule must be received at the time of filing.

PROJECT INFORMATION

1. Existing Use:

2. Proposed use of site/project description:

3. List and describe any other permits and/or approvals required from state, federal, and/or other local jurisdictions:

ADDITIONAL PROJECT INFORMATION

Other information may be required to facilitate a comprehensive evaluation of the application. If you are requested to submit a site plan it shall include the following information:

Site Plan/Project Exhibit: One (1) copy of the map sheet 11” x 17” The plan must be drawn to scale and clearly indicate all dimensions and other pertinent information including the following:

a) Name and address of owner of record, sub-divider and engineer/surveyor.
b) Date of preparation.
c) Current Assessor’s Parcel Number(s).
d) Property Dimensions and Acreage.
e) A scale and north arrow.
f) A location/vicinity map identifying the project site within an identifiable geographic area.
g) The location and dimensions of all existing and proposed buildings and structures including location from property lines.
i) Location of any easements
j) Location and nature of all utilities including septic tanks, leach fields, and community sewage systems and potable water sources (i.e.: wells, storage tanks, etc.) in accordance with the requirements of the Yuba County Environmental Health Department.
k) Lines indicating the direction of the slope of the land and the approximate percent of grade, including all drainage features. Areas subject to inundation or overflow shall be so indicated. Contours shall be provided where the slope of the land is equal or greater than 10% on any portion of the subject site.

**ADDITIONAL INFORMATION:**

Please provide any additional information that may be helpful in evaluating the project's potential for having environmental impacts:
