Program Description

The Grand Jury serves as an arm of the judicial branch of government, and at the local level operates under the authority of the Yuba County Superior Court.

The Grand Jury's functions include investigation of citizen's complaints concerning local government and providing the public with an annual report regarding the investigations, as well as the associated responses from the groups under review.

The costs associated with the Grand Jury are covered by the County General Fund.

Accomplishments

FY 2018-2019

2018 was the first year Grand Jury training location was moved from Sacramento and held at the Yuba County Government Center. Yuba County partnered with Nevada and Sutter Counties to hold the training onsite. The event was so well received and attended, that plans were made to host the event in 2019. Cost savings per person, which were helped by reduced mileage, were substantial compared to previous years.

Performance Measures

FY 2018-2019

Data collection has not been constantly applied in previous years. Current data from Fiscal Year 18/19 will be set as the base year and will be carried forward. Currently, the Clerk of the Board's Office is tracking the total number of reports with a breakdown of report types and topics.
